---------------	--------------------------------------

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

## **INDEPENDENT AUDITOR'S REPORT**

Trustee and Plan Administrator  
BrightInsight, Inc. Retirement Savings Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of the BrightInsight, Inc. Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(continued)

## **INDEPENDENT AUDITOR'S REPORT (continued)**

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the financial statements.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(continued)

## **INDEPENDENT AUDITOR'S REPORT (continued)**

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held At End of Year) as of December 31, 2024 is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

(continued)

**INDEPENDENT AUDITOR'S REPORT (continued)**

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **BRIGHTINSIGHT, INC. RETIREMENT SAVINGS PLAN**

### **NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023**

---

#### **1. DESCRIPTION OF PLAN AND SUMMARY OF ACCOUNTING POLICIES**

The following description of the BrightInsight Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan originally adopted on July 1, 2021. The Plan covers eligible employees of BrightInsight, Inc. (the “Company”). Participants become eligible to enter the Plan on the first day of each month following satisfaction of two months of service.

The Plan is intended to qualify under Section 401(a) of the Internal Revenue Code (“IRC”) and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

*Administration* – Under the terms of the Plan, the Company is the Plan Administrator and a designated officer of the Company acts as trustee. The Company has contracted with Transamerica Life Insurance Company (“Transamerica”) to act as custodian and provide recordkeeping and compliance services.

*Basis of Accounting* – The Plan’s financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

*Use of Estimates* - The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

*Plan Termination and Modification* - The Company intends to continue the Plan indefinitely for the benefit of its employees. However, it reserves the right to terminate or modify the Plan at any time by resolution of its Board of Directors and subject to the provisions of ERISA. In the event the Plan is terminated in the future, participants would become fully vested in their accounts.

*Participant Contributions* - Each year, participants may elect to contribute a portion of pre-tax annual compensation, as defined in the Plan, up to a maximum allowed by the IRC. Participants who attain the age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also elect to make after-tax Roth contributions or contribute amounts representing distributions from other qualified plans.

### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

---

**Employer Contributions** – The Company may elect to make safe harbor matching contributions, as determined each payroll period, equal to 100% of the first 3% of eligible participant contributions and an additional 50% of the next 2% of eligible participant contributions. The Company may also make discretionary profit-sharing contributions to the Plan. In order to receive safe harbor matching or discretionary profit-sharing contributions, participants must be over the age of eighteen, complete a minimum of 1,000 hours of service during the Plan year and be employed on the last day of the Plan year to share in Company profit sharing contributions.

Discretionary profit-sharing contributions, if any, are allocated to participants based on their employment classification. The Company did not elect to make any discretionary profit-sharing contributions at December 31, 2024 and 2023.

**Participant Accounts** – A separate account is maintained for each participant. Each participant's account is credited with the participant's voluntary contributions, employer contributions and an allocation of Plan earnings, less withdrawals, distributions and administrative expenses, if any. Participants direct the investment of their contributions into the various investment options offered by the Plan. Investment income allocations are made daily based on participant account balances. The benefit to which a participant is entitled is limited to the benefit that may be provided from the participant's vested account balance.

**Investment Income** – Realized gains or losses on investment transactions are recorded as the difference between the proceeds received and the fair value of the investment at the beginning of the Plan year, or cost if acquired during the Plan year. In accordance with the Plan's policy of stating investments at fair value, net unrealized appreciation or depreciation consists of both realized and unrealized gains and losses and is included in the statement of changes in net assets in the period in which the market change occurs. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date.

**Vesting** – Participants are immediately vested in their voluntary contributions and employer safe harbor matching contributions plus actual earnings thereon. Vesting with respect to discretionary employer profit-sharing contributions, if any, plus actual earnings thereon, is based on years of service. Participants become vested in employer profit-sharing contributions ratably over a four-year period.

**Forfeited Accounts** – Forfeited non-vested accounts may be used to reduce future employer contributions or to pay expenses of the Plan. Unallocated forfeitures at December 31, 2024 and 2023 totaled \$695 and \$687. During the year ended December 31, 2024, forfeitures totaling \$3 were used to reduce expenses of the Plan.

## BRIGHTINSIGHT, INC. RETIREMENT SAVINGS PLAN

### NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

---

**Notes Receivable from Participants** - The Plan provides a provision that allows a participant to borrow up to the lesser of \$50,000 or 50% of their vested account balance. Such loans shall bear interest at fixed rates equal to the published prime rate, plus two percent. The term of the loans cannot exceed five years, except if the loan proceeds are used to finance the purchase of a primary residence, in which case the loan term may not exceed ten years. The loans are secured by the participant's vested account balance. Principal and interest are paid ratably through payroll deductions. Notes receivable from participants are stated at their unpaid principal balances plus any accrued but unpaid interest. Any participant defaults are deemed taxable distributions to the participant.

**Payment of Benefits** – Benefits (including rollover transfers to other plans) are recorded when paid. Upon termination of service or death, disability, retirement, hardship, attaining age 59 ½, participants or beneficiaries received upon request a lump-sum payment equal to the value of the vested funds in the participant's account. Terminated participants having account balances in excess of \$5,000 may defer the receipt of distributions. Account balances less than \$5,000 will be distributed in a lump-sum payment unless otherwise directed by the participant.

**Administrative Expenses** –All reasonable expenses of administering the Plan may be paid out of the Plan's assets or directly by the Company. For the year ended December 31, 2024, the majority of the administrative expenses were paid by the Company. Administrative expenses paid by the Plan during December 31, 2024, consisted primarily of recordkeeping fees paid to Transamerica.

**Subsequent Events** - The Plan evaluates events or transactions occurring after the balance sheet date but before the financial statements are available to be issued for potential recognition or disclosure. The financial statements include all subsequent events considered necessary for fair presentation. For the purposes of the accompanying financial statements, subsequent events have been evaluated through August 15, 2025, which represents the date the financial statements were available to be issued.

## 2. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

## BRIGHTINSIGHT, INC. RETIREMENT SAVINGS PLAN

### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

---

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

*Pooled separate accounts* are recorded at estimated fair market values as of the last day of the Plan year as quoted by the Plan's custodian, which is determined daily based on the net asset value of shares of the underlying funds, dividends and pooled separate account charges.

The Plan's method of valuing investments may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

## BRIGHTINSIGHT, INC. RETIREMENT SAVINGS PLAN

### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

---

The following table sets forth, within the fair value hierarchy of U.S. GAAP, the Plan's assets at fair value as of December 31, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Level two:		
Pooled separate accounts, at fair value	\$ 10,323,285	\$ 10,089,748
Investments at contract value:		
Guaranteed investment contract, at contract value	<u>311,469</u>	<u>294,962</u>
Total investments	<u>\$ 10,634,754</u>	<u>\$ 10,384,710</u>

### 3. GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan invests in a fully benefit responsive guaranteed investment contract ("GIC") with Transamerica, where Transamerica maintains the contributions in a general account ("Stable Value Fund"). Transamerica credits the account with participant contributions and earnings and charges the account for participant withdrawals and administrative expenses. The GIC issuer contractually must repay the principal and a specified interest rate that the issuer guarantees to the Plan.

The Stable Value Fund consists of stable fund segments based on the date the Stable Value Fund receives contributions. Transamerica establishes a guaranteed rate of interest for each segment and credits a rate of interest at least equal to the guaranteed rate for that Stable Value Fund segment until the Stable Value Fund segment maturity date. On the Stable Value Fund maturity date, the guaranteed rate of interest for that Stable Value Fund will expire. Stable Value Fund segments mature at the end of each calendar year. Semi-annually, Transamerica declares an interest rate for the Stable Value Fund segment established for contributions received during the period and guarantees the rate of interest until the end of the calendar year. At the end of the year, the Stable Value Fund combines the semi-annual segments into one segment for that year. Annually, Transamerica declares an interest rate for the Stable Value Fund segments for each prior year that still has a balance. The crediting rate is based on a formula established by the contract issuer, which was 1.65% and 1.25% at December 31, 2024 and 2023, respectively.

The GIC is reported at contract value because it meets the criteria of a fully benefit-responsive contract. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Transfers from the Stable Value Fund elected by the Plan are subject to a market value adjustment. However, transfers from the Stable Value Fund at a Stable Value Fund segment maturity date will not be subject to a market value adjustment.

## BRIGHTINSIGHT, INC. RETIREMENT SAVINGS PLAN

### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

---

Participants may ordinarily direct the withdrawals or transfer of all of a portion of their investment at contract value. Fair value reported by Transamerica approximates contract value. Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options of deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the Plan's ability to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

The GIC does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

#### 4. CERTIFIED INFORMATION

In accordance with 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, Transamerica certified the fair value of investments held at December 31, 2024 and 2023, and investment activities for the year ended December 31, 2024, that were used in the preparation of the accompanying financial statements and ERISA-required supplemental schedule. The following information was obtained by management and agreed to or derived from information certified as accurate and complete by Transamerica, but was not audited by independent certified public accountants:

	<u>2024</u>	<u>2023</u>
Investments	<u>\$ 10,634,754</u>	<u>\$ 10,384,710</u>
Notes receivable from participants	<u>\$ 67,842</u>	<u>\$ 192,697</u>
Interest and dividend income	<u>\$ 18,334</u>	
Net appreciation in fair value of investments	<u>\$ 1,307,792</u>

### **NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023**

#### **5. INCOME TAX STATUS**

On June 30, 2020, the Internal Revenue Service stated that the prototype adopted by the Plan, as then designed, qualifies under the Internal Revenue Code 401(a). The Plan has not received a determination letter specific to the Plan itself; however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and believes that the Plan was qualified as of December 31, 2024 and 2023. Therefore, no provision for income taxes has been included in the Plan's financial statements.

#### **6. RISKS AND UNCERTAINTIES**

The Plan provides for various investment options in any combination of investment securities offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market fluctuations and credit risks. Due to the risk associated with certain investment securities, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Financial instruments, which potentially subject the Plan to concentrations of credit risk, consist of pooled separate accounts and a guaranteed investment contract offered by the Plan. As the portfolio is well diversified and issuers of the underlying securities are dispersed throughout many industries and geographies, the concentrations of credit risk are limited.

#### **7. PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are managed by Transamerica, the Plan's custodian, or their affiliates. Therefore, investment transactions involving these investments qualify as party-in-interest transactions as defined by ERISA. Any purchases and sales of these investments are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.
