## INDEPENDENT AUDITOR'S REPORT

Plan Administrator and Trustee  
Funck Brothers Enterprises 401(k) Plan  
Annville, Pennsylvania

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Funck Brothers Enterprises 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

## **Opinion (Continued)**

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

## **Auditor's Responsibilities for the Audit of the Financial Statements (Continued)**

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

### **Other Matters**

#### **Supplemental Schedules Required by ERISA**

The supplemental schedule of Schedule H, Item 4i - Schedule of Assets Held for Investment Purposes as of December 31, 2024, and Schedule H, Item 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2024, are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

## Other Matters

### Supplemental Schedules Required by ERISA (Continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## FUNCK BROTHERS ENTERPRISES 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS

---

#### Note 1. Description of the Plan

The following description of Funck Brothers Enterprises 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution 401(k) plan that is available to all eligible employees of Funck Brothers Enterprises, Mount Gretna Entertainment and Snitz Creek Brewery, Inc. (collectively, hereinafter referred to as the Company). Effective June 1, 2023, the Plan was amended to include 8 Funck Entertainment Inc. as a participating employer. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan document was most recently amended and restated effective January 1, 2021.

Eligibility: All employees of the Company who have attained the age of 21 and completed one year of service (defined as 1,000 hours in a 12-month period) are eligible for participation. Eligible employees begin to participate on the first day of the quarter following completion of the age and service requirements.

Contributions: Each year, participants may elect to defer a portion of their eligible compensation (on a pre-tax or after-tax basis), as defined by the Plan, up to the maximum dollar limit prescribed by the Internal Revenue Code (IRC). Participants who attain age 50 by the end of the Plan year are eligible to make additional (catch-up) contributions, subject to annual limitations. Participants may also contribute amounts representing distributions from other qualified plans (rollovers).

For eligible employees that entered the Plan on or after January 1, 2021, the Plan has an automatic contribution arrangement for all newly-eligible participants. The Company will automatically withhold 4% of compensation for each participant, unless the employee opts out of the Plan or elects to contribute a different deferral amount.

The Company makes a safe harbor matching contribution equal to 100% of the first 4% of eligible compensation that a participant contributes.

Participant Investment Options: Participants direct the investment of contributions into various investment options offered by the Plan. Participants may change their investment allocation at any time.

Participant Accounts: Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contribution, if any, (b) an allocation of Plan earnings, net of administrative expenses. The Plan's earnings or losses are allocated according to the participant's relative account balance in the various investment options. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting: Participants are immediately 100% vested in their salary deferrals, the Company's safe harbor contributions and rollover contributions plus actual earnings thereon.

## FUNCK BROTHERS ENTERPRISES 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS

---

#### Note 1. Description of the Plan (Continued)

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum value that is the lesser of \$50,000 or 50% of their eligible total vested balance. General loan terms range from 12 months to 60 months. For principal residence loans, loan terms range from 61 to 180 months. The notes are secured by the balance in the participant's account and bear interest at the Prime rate plus 1%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits: A participant or beneficiary shall be entitled to receive all or a portion of the balance held in his or her account upon termination of employment, retirement, death, or disability. The plan provides for in-service distributions for participants reaching age 59½. In-service distributions are also allowed in the event of a severe financial hardship, as defined by the Plan. Participant benefits are paid in a lump-sum payment. Vested balances not exceeding \$1,000 may be automatically distributed without participant consent in a single lump-sum payment. Effective March 1, 2023, the Plan was amended to increase the minimum distribution amount from \$1,000 to \$5,000 for distributions upon severance of employment.

Forfeited Accounts: Generally, there are no forfeitures as participants are immediately 100% vested in both employer and participant contributions. Forfeitures can arise related to corrections to employer contributions and can be used to reduce future employer contributions. At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$1,037 and \$28, respectively. Forfeitures of \$6 were used in 2024 to reduce expenses.

Administrative Expenses: All significant costs to administer the Plan are paid by the Plan if not paid by the Company. Any expenses paid by the Company are not reflected in the accompanying financial statements.

#### Note 2. Summary of Significant Accounting Policies

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid for transferring a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

## FUNCK BROTHERS ENTERPRISES 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS

---

#### Note 2. Summary of Significant Accounting Policies (Continued)

Investment Contract: Investment contracts held by a defined contribution plan are required to be reported at fair value if the contract is not fully benefit responsive. The Plan invests in an investment contract through Transamerica Life Insurance Company (Transamerica Stable Value Ascend Option). The Transamerica Stable Value Ascend Option is fully benefit-responsive as the contract meets the basic criteria to be considered a fully benefit-responsive contract. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. The financial statements include the fully benefit-responsive investment contract and its related activity on a contract value basis (See Note 5).

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits: Benefits are recorded when paid.

Subsequent Events: In preparing these financial statements, the Plan Sponsor has evaluated events and transactions for potential recognition or disclosure through August 26, 2025, the date the financial statements were available to be issued.

#### Note 3. Information Certified by the Current and Former Custodians

Certain information related to investments and notes receivable from participants is disclosed on the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2024, and net appreciation in fair value of investments, dividends and interest income on notes receivable from participants was obtained by management and agreed to information certified as complete and accurate by Reliance Trust Company for the period of March 1, 2024 through June 30, 2024, and by Transamerica Trust Company for the period of July 1, 2024 through December 30, 2024. Effective July, 1 2024, Reliance Trust Company was replaced by Transamerica Trust Company (the current Custodian of the Plan).

Certain information related to the Transamerica Stable Value Ascend Option is disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including the balance held at December 31, 2024, and net appreciation in fair value, and dividends and interest, for the period of March 1, 2024 through December 31 2024, was obtained by management and agreed to information certified as complete and accurate by Transamerica Life Insurance Company.

### NOTES TO FINANCIAL STATEMENTS

---

#### Note 3. Information Certified by the Current and Former Custodians (Continued)

Certain information related to investments and notes receivable from participants is disclosed on the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023, and net appreciation in fair value of investments, and dividends and interest income on notes receivable from participants for the period of January 1, 2024 through February 29, 2024, was obtained by management and agreed to information certified as complete and accurate by Capital Bank and Trust Company (CB&T) (the former Custodian of the Plan).

#### Note 4. Investments and Fair Value Measurements

The Plan measures on a recurring basis its investments at fair value in accordance with Financial Accounting Standards Board (FASB) codification *Fair Value Measurement*, which provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy are as follows:

- |         |  |
|---------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that are accessible to the Plan. These generally provide the most reliable evidence and are used to measure fair value whenever available.   |
| Level 2 | Inputs to the valuation methodology include significant inputs, other than Level 1 inputs, that are observable either directly or indirectly for substantially the full term of the asset through corroboration with observable market data. Level 2 inputs include quoted prices for similar assets or liabilities in active markets, quoted market prices in markets that are not active for identical or similar assets, and other observable inputs. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement.  |

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The inputs or methodology used for valuing investments are not an indication of the risk associated with investing in those securities.

The following is a description of the valuation methodology used for assets at fair value. There have been no changes in the methodology used at December 31, 2024.

Registered investment companies and money market fund: Shares of registered investment companies (mutual and money market funds) are valued at the daily closing price as reported by the funds. The funds held by the Plan are open-end mutual funds registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. Mutual funds held by the Plan are deemed to be actively traded.

### NOTES TO FINANCIAL STATEMENTS

#### Note 4. Investments and Fair Value Measurements (Continued)

The preceding method may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain investments or financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments reported as of December 31, 2024 and 2023:

##### Investments at Fair Value as of December 31, 2024

	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 2,530,315	\$ -	\$ -	\$ 2,530,315

##### Investments at Fair Value as of December 31, 2023

	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 1,758,303	\$ -	\$ -	\$ 1,758,303
Money market fund	28	-	-	28
Registered investment companies	\$ 1,758,331	\$ -	\$ -	\$ 1,758,331

#### Note 5. Investment Contract with Insurance Company

The Plan has entered into a group annuity contract with Transamerica Life Insurance Company which provides for investment in a stable value fund. Transamerica maintains the contributions in a general account. The account is credited with earnings on underlying investments and charged for participant withdrawals and certain administrative expenses.

The annuity contract held by the Plan, Transamerica Stable Value Ascend Option, is a general account-backed, stable value group annuity contract. Benefit payments are made at book value for plan benefit events and investment transfers initiated by plan participants, thus this contract is considered fully benefit-responsive and reported at contract value, as discussed in Note 2. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they are to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals and administrative expenses.

### **NOTES TO FINANCIAL STATEMENTS**

---

#### **Note 5. Investment Contract with Insurance Company (Continued)**

The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. There are no reserves against contract value for credit risk of the contract issuer, surrender charges, or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, and there is no minimum guaranteed interest rate. Such interest rates are reviewed on a semiannual basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the Transamerica Life Insurance Company, including Plan termination and other events as specified in the investment contract.

#### **Note 6. Related Party and Party-in-Interest Transactions**

Plan investments include shares of mutual funds managed by Transamerica Trust Company. Transamerica Trust Company is the Custodian of the Plan and therefore, these transactions qualify as party-in-interest transactions.

Plan investments also include a Transamerica Stable Value Ascend Option managed by Transamerica Life Insurance Company. Transamerica Life Insurance Company is the Custodian of the Transamerica Stable Value Ascend Option and therefore, these transactions qualify as party-in-interest transactions.

#### **Note 7. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.

#### **Note 8. Tax Status**

The Plan adopted a non-standardized pre-approved plan sponsored by Pennsylvania Pension Planners, Inc. The non-standardized pre-approved plan has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, as to the Plan's qualified status. The IRS has determined that the non-standardized pre-approved plan is designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The non-standardized pre-approved plan opinion letter has been relied upon by this Plan. Although the Plan has since been amended, the Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

## **FUNCK BROTHERS ENTERPRISES 401(k) PLAN**

### **NOTES TO FINANCIAL STATEMENTS**

---

#### **Note 8. Tax Status (Continued)**

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **Note 9. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits.

#### **Note 10. Prohibited Transactions**

During 2024 and 2023, the Plan Sponsor inadvertently failed to deposit approximately \$25 and \$12,929, respectively, of participant contributions and participant loan repayments within the required timeframe as stated by the United States Department of Labor (DOL). The DOL considers late deposits to be prohibited transactions. Lost earnings on the 2023 late deposits were deposited in 2024.
