ESOP Trustee Committee  
Americo Bancshares, Inc. Employee Stock Ownership Plan  
Wolfforth, Texas

***Opinion on the Financial Statements***

We have audited the financial statements of Americo Bancshares, Inc. Employee Stock Ownership Plan (“the Plan or the ESOP”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

***Basis for Opinion on the Financial Statements***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Subsequent Event***

As discussed in Note 2 to the financial statements, effective January 1, 2025, the Plan Sponsor of the ESOP consolidated its employee benefit plans into a single plan by merging its 401(k) profit-sharing plan into the ESOP. Accordingly, the ESOP was amended and restated to include features of the 401(k) profit-sharing plan, and the net assets of the 401(k) profit-sharing plan were transferred into the single plan. Our opinion is not modified with respect to that matter.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Supplemental Schedule Required by ERISA***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the form and content of the supplemental schedule is fairly stated, in all material respects, in relation to the 2024 financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

December 31, 2024 and 2023

**1. Description of the Plan**

The following description of the Americo Bancshares, Inc. Employee Stock Ownership Plan (“the Plan” or “ESOP”) provides only general information. Participants should refer to the Plan Document and Summary Plan Description in effect at December 31, 2024 for a more complete description of the Plan's provisions.

As discussed in Note 2 to the financial statements, effective January 1, 2025, the Plan Sponsor of the ESOP merged its 401(k) profit-sharing plan into the ESOP to consolidate its employee benefit plans into a single plan. Accordingly, the ESOP was amended and restated to include features of the 401(k) profit-sharing plan and the plan was renamed “ABC Bank 401(k) Plan and ESOP.” Participants should refer to the amended and restated Plan Document and Summary Plan Description in effect at January 1, 2025 for a more complete description of the ABC Bank 401(k) Plan and ESOP s provisions as amended and restated.

**General**

Americo Bancshares, Inc. (“Company or Sponsor”) established the Plan, effective January 1, 2014, and the Plan operates as an employee stock ownership plan (“ESOP”) for employees of American Bank of Commerce (the Sponsor). The Plan, as amended in 2015, is designed to comply with Section 4975(e)(7) and the regulations of the Internal Revenue Code of 1986, as amended (“IRC”) and is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

The Plan is administered by a Board of Trustees (“the Committee”) comprised of three members appointed by the Company's Board of Directors. At December 31, 2024, Financial Consulting Group is the third-party administrator for the Plan. In 2019, the Sponsor acquired a subsidiary company, Infinity Mortgage Holdings, LLC (“Infinity”) and the Plan was amended effective January 1, 2021, to allow employees of Infinity to become participants in the Plan while giving credit for prior service with Infinity for vesting purposes.

In the initial year of the Plan, the Plan purchased Company common stock using discretionary employer contributions and proceeds from a direct transfer to the Trustee of all or portions of participants' accounts in the American Bank of Commerce 401(k) Profit-Sharing Plan (“the Profit-Sharing Plan”), as elected by each participant. These direct transfers from the Profit-Sharing Plan were made pursuant to rules established by the Committee and were applied on a uniform and non-discriminatory basis. Such direct transfers were accounted for separately and subject to the right of each participant to direct its investment into Company common stock. If no such directions were provided by the participant to the Trustee, the Committee provided the necessary direction. During the Plan year ended December 31, 2024 and 2023, there were no such direct transfers from the Profit-Sharing Plan.

The Plan permits the Trustee to incur acquisition loans from time to time to finance the acquisition of Company common stock for the Trust, or to repay a prior acquisition loan. An acquisition loan shall be for a specific term, shall bear a reasonable rate of interest, and shall not be payable on demand except in the event of default. An acquisition loan may be secured by a collateral pledge of the financed shares so acquired, and any other Plan assets which are permissible securities under the provisions of 26 CFR Section 54.4975-7(b). No other assets of the Plan or Trust may be pledged as collateral for an acquisition loan, and no lender shall have any recourse against any other Trust assets. As of December 31, 2024 and 2023, the Plan had not entered into an acquisition loan agreement.

**Eligibility**

Any employee of the Company who has completed one year of service, defined as 1,000 hours of service in one calendar year, and is 21 years of age or older is eligible to participate in the Plan as of the January 1 or July 1 coincident with or following the date the requirements have been satisfied. An individual who is a 100 percent commissioned employee of the Company is not eligible to participate in the Plan.

**Employer Contribution**

For each Plan year, the Company may make a non-elective contribution in the form of cash or shares of Company common stock, or both, to the Plan from its current or accumulated profits as determined by the Committee within applicable regulatory guidelines. As presented in the statement of changes in net assets available for benefits at December 31, 2024, the Employer contribution to the Plan was \$20,000. The Employer did not make a contribution to the Plan during the year ended December 31, 2023.

**AMERICO BANCSHARES, INC.**  
**EMPLOYEE STOCK OWNERSHIP PLAN**

Participant Accounts

The Plan is a defined contribution plan under which a separate account is maintained for each participant's share of employer contribution, forfeitures, and trust earnings or losses as allocated. The Employer contribution and forfeitures are allocated among the participants eligible to receive an allocation in proportion to their eligible compensation for the year. Only those participants who are eligible employees of the Company as of the last day of the Plan year will receive an allocation. Plan earnings or losses are allocated to each participant's account balance based on the ratio of the participant's compensation for the year as defined in the Plan Document.

Vesting

For periods prior to January 1, 2014, every three calendar years of service in which a participant completed 1,000 hours of service will be counted as one year of service. For the purpose of direct transfers of funds from the Profit-Sharing Plan, years of service shall include any years that are considered for vesting purposes under the Profit-Sharing Plan. For periods after January 1, 2014, every 1,000 hours of service completed by a participant will be counted as one year of service. The participant shall have a non-forfeitable right to their account in accordance with the following schedule:

<u>Years of service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
At least 2 but less than 3 years	20%
At least 3 but less than 4 years	40%
At least 4 but less than 5 years	60%
At least 5 but less than 6 years	80%
At least 6 years	100%

Put Option

Under federal income tax regulations, the Company common stock that is held by the Plan and its participants and is not readily tradable on an established market or is subject to trading limitations includes a put option. The put option is a right to demand that the Company buy any shares of its stock distributed to participants for which there is no market. The put price is representative of the current appraised value of the stock. The Company can pay for the purchase with interest over a period of five years. The purpose of the put option is to ensure the participant has the ability to ultimately obtain cash.

Payment of Benefits

Distributions due to death, disability, or retirement may commence no later than the close of the Plan year following the Plan year in which employment is terminated. In general, distributions for other separations from service commence no later than the close of the sixth Plan year following the Plan year in which employment is terminated. Distributions generally are in the form of cash and will be paid in equal installments over a period of up to five years. However, if the vested account balance is over \$800,000, special rules apply. Distributions are made in cash or, if a participant elects, in the form of Company common stock shares plus cash for any fractional share.

Voting Rights

Each participant is entitled to exercise voting rights attributable to the shares allocated to their account and is notified by the Trustee prior to the time that such rights are to be exercised. The Trustee is not permitted to vote any allocated share for which a participant has not given instructions. The Trustee is required, however, to vote any unallocated shares on behalf of the collective best interest of Plan participants and beneficiaries.

**AMERICO BANCSHARES, INC.**  
**EMPLOYEE STOCK OWNERSHIP PLAN**

Diversification

Diversification is offered to participants close to retirement so that they may have the opportunity to move part of their investment in Company common stock into investments that are more diversified. Participants who are at least age 55 with at least 10 years of participation in the Plan may elect to diversify a portion of their account. Diversification is offered to each eligible participant over a six-year period. In each of the first 5 years, a participant may diversify up to 25 percent of the number of shares allocated to their account, less any shares previously diversified. In the sixth year, the percentage changes to 50 percent. The Plan may satisfy the requirements of the diversification by offering at least three investment options to the participant. In addition, if the participant consents, the Plan may distribute the portion of the Company common stock covered by the election.

Forfeitures

Terminated participants may forfeit their non-vested account balance. The Plan permits forfeited account balances to be reinstated to a participant's account in accordance with the Plan's reinstatement of forfeitures provisions. Forfeitures may be used to reinstate previously forfeited account balances, to reduce future Company contribution, to pay administrative expenses, or to be allocated to participant accounts.

Forfeited account balances are reinstated when a terminated participant is re-employed during the five-year period that began on the date of termination, and upon repayment of the entire vested account balance distributed to the participant at the time of termination. Reinstatement of forfeited Company common stock shall be based on the dollar value of the common stock forfeited, adjusted for subsequent gains or losses.

At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$462 and \$4,117, respectively. During 2024 and 2023, the Plan reallocated forfeitures to participant accounts based on eligible compensation.

Plan Termination

Although it has not expressed any intent to do so, the Company reserves the right to terminate the Plan at any time, subject to Plan provisions. Upon such termination of the Plan, the interest of each participant will be distributed to such participant or their beneficiary at the time prescribed by the Plan terms and the Code. Additionally, each affected employee's benefits would become fully vested upon Plan termination.

As discussed in Note 2 to the financial statements, effective January 1, 2025, the Plan Sponsor of the ESOP merged its 401(k) profit-sharing plan into the ESOP to consolidate its employee benefit plans into a single plan.

**2. Summary of Significant Accounting Policies**

Date of Management's Review and Subsequent Events

The Plan has evaluated events and transactions for potential recognition or disclosure through August 13, 2025, which is the date the financial statements were available to be issued.

Effective January 1, 2025, the Plan Sponsor of the ESOP merged its 401(k) profit-sharing plan into the ESOP to consolidate its employee benefit plans into a single plan. Accordingly, the ESOP was amended and restated to include features of the 401(k) profit-sharing plan. The amended and restated plan was renamed "ABC Bank 401(k) Plan and ESOP." On June 26, 2025, the 401(k) profit-sharing plan's net assets were liquidated and proceeds in the amount of \$18,971,837 was transferred into the ABC Bank 401(k) Plan and ESOP and allocated to the respective individual participant accounts.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets, changes in net assets and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investment in Company common stock shares is stated at estimated fair value based on an independent annual appraisal. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Interest income on interest-bearing cash is accrued. Dividends income on Company common stock is accrued on the ex-dividend date. Purchases and sales are recorded on a trade date basis.

The net depreciation in the fair value of investments consists of the realized gains and losses on investments bought and sold as well as held during the year and unrealized appreciation (depreciation) of investments. The net change in unrealized appreciation (depreciation) in the fair value of investments is determined by the change in fair value from the beginning of the year to the end of the year or change in fair value from date of the purchase to the end of the year.

Payment of Benefits

Benefits to participants are recorded when paid.

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion.

**3. Administration of Plan Assets**

The Trustee of the Plan ("Trustee") holds the Plan's assets, which consist principally of the Company's common stock shares.

Employer contributions are held and managed by the Trustee. The Trustee is also responsible for investing cash received, investing interest and dividend income, and making distributions to participants. The Trustee would also be responsible for administering the payment of interest and principal on an acquisition loan, which would be reimbursed to the Trustee through contributions as determined by the Company.

**AMERICO BANCSHARES, INC.**  
**EMPLOYEE STOCK OWNERSHIP PLAN**

**4. Fair Value Measurements**

ASC Topic 820, *Fair Value Measurements and Disclosures* establishes a fair value hierarchy for valuation inputs that gives the highest priority to quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The three broad levels of the fair value hierarchy are as follows:

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.
- Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1).
- Level 3 inputs consist of unobservable inputs and have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs are not available. Level 3 inputs are used for investments for which Level 1 or Level 2 inputs are not available.

*Level 1 Fair Value Measurements*

**Interest-bearing cash** - The fair value of interest-bearing cash is based on quoted market values as reported in the money market business account maintained at a Bank owned by the Company.

*Level 3 Fair Value Measurements*

**Company common stock** - The fair value of Company common stock is measured at estimated fair market value based on the valuation of an independent third-party valuation specialist performed at an interim date. The value per share (excluding marketability (liquidity) constraints) is determined using a combined valuation approach which considers the fair market value per share of blocks of Company common stocks owned by the Plan using the income value approach and the market value approach. The determined fair value is then discounted to account for lack of marketability/liquidity. During each of the years presented, the marketability (liquidity) discount was 10%.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	Fair Value Measurements Using:			Total
	Quoted Prices in Active Markets for Identical Assets  (Level 1)	Other Observable Inputs  (Level 2)	Unobservable Inputs  (Level 3)

Investments at fair value	<u>\$ 7,639</u>	<u>\$ -</u>	<u>\$ 1,264,623</u>	<u>\$ 1,272,262</u>

Americo Bancshares, Inc. common stock **	-	-	<u>1,151,774</u>	<u>1,151,774</u>
Investments at fair value	<u>\$ 43,848</u>	<u>\$ -</u>	<u>\$ 1,151,774</u>	<u>\$ 1,195,622</u>

\*\*The Company common stock presented in the above table represents 7,165 shares of the Company's common stock owned by the Plan at December 31, 2024 and 2023, and whose estimated fair value at each year end is based on independent appraisals performed by the same third-party party entity as of September 30, 2024 and 2023, respectively. Based on the independent appraisals, the estimated fair value of the Company common stock per share at December 31, 2024 and 2023, was \$176.50 and \$160.75, respectively. During 2024 and 2023, the Plan did not purchase or sale any shares of Company common stock. See Note 5 for additional disclosure of related party transactions in Company common stock.

**AMERICO BANCSHARES, INC.**  
**EMPLOYEE STOCK OWNERSHIP PLAN**

**5. Related-Party and Party-in-Interest Transactions**

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan or any party rendering services to the Plan, the Company, and certain others.

Certain plan investments represent interest-bearing cash in a money market business account held at American Bank of Commerce, a subsidiary of the Company (“the Bank”). The Bank is a party-in-interest under ERISA and transactions with the Bank qualify as party-in-interest transactions. The Bank provides this service at no cost to the Plan.

Financial Consulting Group (“FCG”) is the Plan’s recordkeeper and third-party contract administrator. Fees paid by the Plan to FCG for contract administration, and recordkeeping services are presented as administration fees in the accompanying statements of changes in net assets available for benefits. During 2024 and 2023, the Plan paid \$11,250 and \$10,975, respectively, in administration fees to FCG.

Certain plan investments are shares of common stock of Americo Bancshares Inc. (Plan Sponsor or Employer) managed by the Trustees of the Plan and Financial Consulting Group (“FCG”). As discussed in Note 4, the investment in Company common stock represents 7,165 shares of Company common stock held by the Plan at the end of each year presented and recorded at estimated fair value based on an independent annual appraisal performed for the Plan by Sheshunoff & Co Investment Banking (“SSC”), a third-party valuation specialist. The Plan Sponsor, Trustees of the Plan, and SSC are parties-in-interest under ERISA and transactions with the Plan Sponsor, Trustees of the Plan, and SSC qualify as party-in-interest transactions. No fees are charged for transactions between the Plan and the Sponsor or Trustees of the Plan. During 2024 and 2023, fees incurred by the Plan for Company common stock valuation services provided by SSC were absorbed fully by the Plan Sponsor and are not disclosed, not included, and not accrued in the accompanying financial statements. As discussed in Note 2 to the financial statements, effective January 1, 2025, the Plan Sponsor of the ESOP merged its 401(k) profit-sharing plan into the ESOP to consolidate its employee benefit plans into a single plan. Accordingly, the ESOP was amended and restated to include features of the 401(k) profit-sharing plan.

During 2024 and 2023, Payne & Smith, LLC, and Forvis LLP. were the Plan’s independent public accountants (“IPAs”). Therefore, the IPAs are parties-in-interest under ERISA, and transactions with the IPAs qualify as party-in-interest transactions. Fees incurred by the Plan for audit and nonattest services provided by the IPAs were absorbed fully by the Company and are not disclosed, not included, and not accrued in the accompanying financial statements.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

**6. Tax Status**

At December 31, 2024, the Plan sponsor is an adopter of a pre-approved plan that received a favorable Internal Revenue Service (“IRS”) Opinion Letter dated May 11, 2021, in which the IRS stated that the Plan was in compliance with the applicable requirements of the Internal Revenue Code (“IRC”). Although the Plan has been amended and restated since receiving the Opinion Letter, the Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC. As discussed in Note 2 to the financial statements, effective January 1, 2025, the Plan Sponsor of the ESOP merged its 401(k) profit-sharing plan into the ESOP to consolidate its employee benefit plans into a single plan. Accordingly, the ESOP was amended and restated to include features of the 401(k) profit-sharing plan.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

**AMERICO BANCSHARES, INC.**  
**EMPLOYEE STOCK OWNERSHIP PLAN**

**7. Risks and Uncertainties**

The Plan primarily invests in Company common stock, which is exposed to various risks, such as interest rate, market, and credit risks as well as valuation assumptions based on earnings, cash flows. Due to the level of risk associated with such investment securities and the level of uncertainty related to changes in the value of such investments, it is at least reasonably possible that changes in risk in the near term could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

The following table presents concentrations of investments that represented 5% or more of the Plan's net assets at December 31, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Americo Bancshares, Inc. common stock	\$ 1,264,623	\$ 1,151,774

As discussed in Note 2 to the financial statements, effective January 1, 2025, the Plan Sponsor of the ESOP merged its 401(k) profit-sharing plan into the ESOP to consolidate its employee benefit plans into a single plan. Accordingly, the ESOP was amended and restated to include features of the 401(k) profit-sharing plan.
