Independent Auditors' Report

To the Plan Administrator and Plan Trustees
Capital Distributing, LLC 401k Plan
Oklahoma City, Oklahoma

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Capital Distributing, LLC 401k Plan (the "Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statements of Net Assets Available for Benefits as of March 7, 2025 and December 31, 2024, and the related Statement of Changes in Net Assets Available for Benefits for the period of January 1, 2025 to March 7, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of March 7, 2025 and December 31, 2024 and for the period of January 1, 2025 to March 7, 2025, stating that the investment information, as described in Note D to the financial statements, is complete and accurate.

As discussed in Note A to the financial statements, the governing body of the Plan approved a plan of termination and liquidation on December 20, 2024. The Plan terminated and all assets of the Plan were distributed by March 7, 2025. In accordance with accounting principles generally accepted in the United States of America, effective December 20, 2024, the Plan changed its basis of accounting to the liquidation basis. Our opinion is not modified with respect to this matter.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

CAPITAL DISTRIBUTING, LLC 401K PLAN

MARCH 7, 2025

NOTE A--DESCRIPTION OF THE PLAN

The following description of the Capital Distributing, LLC 401k Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: Employees of Capital Distributing, LLC (the "Company") are allowed to participate in the Plan. The Plan is a defined contribution plan with a cash or deferred arrangement covering all employees who are 21 or older and have completed three months of service, as defined in the Plan agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Termination: The Plan's governing body approved a plan of termination and liquidation on December 20, 2024. Effective with the Plan's termination, all participants with an account balance remaining in the Plan became fully vested in all contribution sources, regardless of status or years of vested service. The Plan's termination also ceased employee and employer contributions to the Plan. All assets of the Plan were distributed by March 7, 2025.

Contributions: Participants can make either pre-tax contributions or Roth after-tax contributions of a maximum of 90% of their eligible compensation up to the maximum amount allowed by the Internal Revenue Service (IRS). The IRS' limit was \$23,500 for the period of January 1, 2025 to March 7, 2025. Plan participants age 50 and older were eligible to make catch-up contributions of an additional \$7,500 during the period of January 1, 2025 to March 7, 2025. The Plan also permits participants to make rollover contributions from other qualified plans.

The Company, at its discretion, may elect to make contributions to the Plan, which is based on the participants' deferrals.

Due to Plan termination, there were no employee and employer contributions during the period of January 1, 2025 to March 7, 2025.

Participant Accounts and Investment Options: Participants direct the investment of their contributions into various mutual funds offered by the Plan.

Each participant's account is credited with the participant's contributions, an allocation of the Plan Sponsor's contribution and Plan earnings. Earnings are allocated by fund based on the ratio of a participant's account invested in a particular fund to all participants' investments in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS (LIQUIDATION BASIS)--CONTINUED

CAPITAL DISTRIBUTING, LLC 401K PLAN

MARCH 7, 2025

NOTE A--DESCRIPTION OF THE PLAN--CONTINUED

Vesting: Participant contributions to the Plan and earnings thereon are fully vested at all times. Vesting of Plan Sponsor contributions is based upon the years of service with the Plan Sponsor as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than one year	0%
One year	20%
Two years	40%
Three years	60%
Four years	80%
Five years	100%

Forfeitures of nonvested Plan sponsor contributions are used to reduce future Plan sponsor contributions. At March 7, 2025 and December 31, 2024, the amount for forfeited non-vested accounts was \$0 and \$768, respectively.

Payment of Benefits: Upon termination of employment for reasons other than death, disability, or retirement, the participant is entitled to receive a lump sum payment equal to his or her vested interest or may rollover their vested account balance into an individual retirement account, individual retirement annuity or another employer's tax qualified plan, or choose to keep balance in the Plan until reaching retirement age of 59.5. If the participant's vested benefit in the Plan is less than \$5,000 but greater than \$1,000, the participant will receive the balance as a distribution to an Individual Retirement Account or Annuity for the participant's benefit. Participants that have a vested benefit that does not exceed \$1,000 will receive a lump sum payment as soon as practicable following the event entitling the participant to a distribution. Certain early distributions made upon termination of employment may be subject to a penalty.

Upon retirement at age 59.5, retirement due to disability or the death of the participant, the participant or participant's designated beneficiary is entitled to receive the participant's entire account balance.

Hardship withdrawals are permitted up to the amount of the participant's account balance attributable to their contributions made to the Plan, but only after they have taken the maximum allowed in-service withdrawal. Hardship withdrawals are only permitted for certain specific uses as defined in the Plan agreement.

At March 7, 2025 and December 31, 2024, net assets available for benefits included \$0 and \$7,202,362, respectively, relating to former participants who have elected, for the present time, to leave their balances intact with the Plan.

NOTES TO FINANCIAL STATEMENTS (LIQUIDATION BASIS)--CONTINUED

CAPITAL DISTRIBUTING, LLC 401K PLAN

MARCH 7, 2025

NOTE A--DESCRIPTION OF THE PLAN--CONTINUED

Notes Receivable from Participants: Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes receivable are secured by the balance in the participant's account and bear interest at reasonable rates determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan have been prepared on the liquidation basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates: The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits: Benefits are recorded as expenses when paid.

Administrative Expenses: The majority of administrative expenses of the Plan are paid by the Plan Sponsor. These are related to the administration of the Plan's investment transactions, recordkeeping, custodian fees, and other expenses incurred in the administration of the Plan.

Notes Receivable from Participants: Notes receivable from participants represent participant loans that are recorded at their unpaid balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expenses when they are incurred. No allowance for credit losses has been recorded as of March 7, 2025 or December 31, 2024. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be a distribution, the participant's loan balance is reduced, and a benefit payment is recorded.

Income Tax Status: The IRS has determined and informed the Plan by a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the letter, the Plan administrator and Plan's tax counsel believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

CAPITAL DISTRIBUTING, LLC 401K PLAN

MARCH 7, 2025

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--CONTINUED

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Subsequent Events: Subsequent events have been evaluated through August 27, 2025, which is the date the financial statements were available to be issued. There were no subsequent events requiring recognition or disclosure.

NOTE C--FAIR VALUE MEASUREMENTS

FASB ASC 820-10-35-39 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10-35-39 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE C--FAIR VALUE MEASUREMENTS--CONTINUED

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at March 7, 2025.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market funds: Valued at quoted market prices which represent the NAV of shares held by the Plan at year-end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE C--FAIR VALUE MEASUREMENTS--CONTINUED

The following tables set forth by level, within the fair value hierarchy (if applicable), the Plan's assets measured at fair value on a recurring basis as of December 31, 2024:

Investments	2024			Total
	Level 1	Level 2	Level 3	
Mutual funds	<u>\$ 6,963,916</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,963,916</u>
Total assets accounted for at fair value	<u>\$ 6,963,916</u>	<u>\$ -</u>	<u>\$ -</u>	6,963,916
Cash equivalent*				<u>768</u>
Total investments				<u>\$ 6,964,684</u>

* - Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value of investments in the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

There were no investments at March 7, 2025.

NOTE D--INFORMATION CERTIFIED BY THE CUSTODIAN

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, which was the custodian of the Plan's assets during the period of January 1, 2025 to March 7, 2025 and the year ended December 31, 2024, has certified that the following data included in the accompanying financial statements is complete and accurate:

- Investments and notes receivable from participants, as shown in the Statements of Net Assets Available for Benefits (Liquidation Basis) as of March 7, 2025 and December 31, 2024.
- Investment income, as shown in the Statement of Changes in Net Assets Available for Benefits (Liquidation Basis) for the period of January 1, 2025 to March 7, 2025.

The Plan's independent auditors did not perform audit procedures with respect to this information, except for comparing such information per the custodian's certified statements to the related information included in the financial statements.
