INDEPENDENT AUDITOR'S REPORT

To the Trustees of
Cromwell Architects Engineers, Inc.
401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Cromwell Architects Engineers, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Cromwell Architects Engineers, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with the ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the years then ended, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Cromwell Architects Engineers, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cromwell Architects Engineers, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cromwell Architects Engineers, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cromwell Architects Engineers, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at year end) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**CROMWELL ARCHITECTS ENGINEERS, INC.
401(k) PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

Note 1: Description of Plan

The following description of the Cromwell Architects Engineers, Inc. 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan documents for more complete information.

General

The Plan is a defined contribution plan covering substantially all full time employees of Cromwell Architects Engineers, Inc. (the “Employer”). Full time employees who are at least twenty-one years of age are eligible to make contributions to the Plan. Employees will become eligible to participate on the first day of the next month following the date all requirements are met. Effective January 1, 2024, The Setting Every Community Up for Retirement Enhancement (SECURE) Act extended eligibility for participation in 401(k) plans to certain long-term part-time (LTPT) employees. LTPT employees must have three consecutive years of eligible service beginning in 2021 in order to make deferral contributions into the Plan. Eligible service is defined as at least 500 hours of service for each 12-month eligibility period. The eligibility service window applies for plan years beginning after December 31, 2020, and excludes service before that. The Plan Sponsor may still require the employee to satisfy any minimum age requirements, and can also decide whether LTPT employees will receive any portion of employer contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year participants may contribute a percentage of pre-tax annual compensation as defined in the Plan document not to exceed the limit set by the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans and a percentage of compensation as a Roth 401(k) deferral. Participants direct the investment of their contributions into various investment options offered by the Plan. Each year, the Employer may contribute discretionary amounts to the Plan as determined by the Board of Directors for matching and profit sharing contributions. Effective January 20, 2023 the Employer contributes 75% of the first 6% of base compensation that a participant contributes as a matching contribution. Prior to January 20, 2023, the Employer contributed 50% of the first 6% of base compensation that a participant contributed as a matching contribution. Additional profit sharing amounts may be contributed at the option of the Employer’s Board of Directors. Contributions are subject to certain limitations.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and allocations of the Employer’s contribution, Plan earnings/losses, and administrative expenses. Allocations are based on participant earnings, contributions, or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Employer’s contribution portion of their account is based on years of continuous service. A participant is 100% vested after three years of credited service. A participant’s interest also becomes 100% vested upon death or becoming permanently disabled while employed.

Investment Options

Upon enrollment in the Plan, a participant may elect to have any portion of their account allocated to the investment options under the Plan. Participants may change their investment selections on the first day of each quarter and investments may be among various mutual funds or common collective trust funds.

**CROMWELL ARCHITECTS ENGINEERS, INC.
401(k) PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

Forfeited Accounts

Forfeited accounts are used to restore Participant accounts, offset Plan expenses, and decrease employer matching contributions. At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$8,788 and \$5,698, respectively. During 2024, \$15,000 of forfeitures were used to pay employer contributions. No forfeitures were used during 2023.

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at Prime Rate plus 1%, as set on the tenth and last business day of the month. Principal and interest is paid ratably through payroll deductions. Interest income is recognized when paid by the participant.

Payment of Benefits

On termination of service due to death, disability, retirement, or due to other reasons, a participant may elect to receive an amount equal to the value of the participant's vested interest in their account in either a lump-sum amount, partial amount, or in installments. In-service distributions are allowed for participants who have reached age 59 ½ or who have incurred a financial hardship. There were no benefits requested during 2024 and 2023 that were unpaid at year-end.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting. Under the accrual basis of accounting, revenues and expenses, other than benefit payments, together with the related assets and liabilities, are recorded in the accounting period to which they apply, regardless of when the cash transaction occurred.

In accordance with accounting principles generally accepted in the United States of America, investment contracts held by a defined-contribution plan are required to be reported at fair value. However contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants should receive if they were to initiate permitted transactions under the term of the plan. The Plan does not invest directly in fully benefit-responsive contracts, and therefore is not required to include in its financial statements the disclosures related to investment contracts.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States ("GAAP") requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**CROMWELL ARCHITECTS ENGINEERS, INC.
401(k) PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis of accounting. Accrued interest on notes receivable from participants totaled \$299 and \$120 at December 31, 2024 and 2023, respectively. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2024 or 2023.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis of accounting. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Payments of Benefits

Benefit payments are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net change of fair value of investments.

Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Subsequent Events

The Plan has evaluated all subsequent events for potential recognition and disclosure through July 10, 2025, the date these financial statements were available to be issued.

Note 3: Fair Value

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**CROMWELL ARCHITECTS ENGINEERS, INC.
401(k) PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following table presents the Plan's hierarchy for its assets measured at fair value on a recurring basis as of December 31, 2024:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Cash and Cash Equivalents	\$ 80,941	\$ 80,941	\$ -	\$ -

Investments at Fair Value	<u>\$ 25,483,422</u>	<u>\$ 16,740,845</u>	<u>\$ -</u>	<u>\$ -</u>

The following section describes the valuation methodologies the Plan uses to measure financial instruments at fair value:

Cash and Cash Equivalents: The fair value is based on stated values at year-end.

**CROMWELL ARCHITECTS ENGINEERS, INC.
401(k) PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust Funds: Valued at the NAV of units of a bank collective trust. The investment in a collective trust fund is valued as a practical expedient utilizing the net asset valuation. The practical expedient is used for valuation, unless it is probable that the Fund will sell a portion of the investment at an amount different from the net asset valuation.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

During 2024 and 2023, the Plan's investments (including realized gains and losses on investments bought, sold, and held during the year as well as unrealized appreciation/(depreciation) of the investments held at the end of the year) appreciated in value by \$3,779,097 and \$3,545,818, respectively.

Fair Value of Investments in Entities That Use NAV

The following tables summarizes investments measured at fair value based on NAV per share as of December 31, 2024 and 2023, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Note 4: Income Tax Status

The Plan adopted a prototype plan created by Transamerica Retirement Solutions Company. The prototype plan obtained an opinion letter dated June 30, 2020, in which the Internal Revenue Service stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes that the Plan is no longer subject to income tax examinations for years prior to 2021.

Note 5: Party-in-Interest

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employee association or relatives of such person.

Transamerica Retirement Solutions Corporation is the third party administrator, State Street Bank and Trust Company is the trustee and custodian for the Plan, and Transamerica Trust Company is an affiliated company of Transamerica and trustee of the Plan's common collective trust funds. Certain Plan investments are shares of mutual funds and common collective trust funds managed by State Street Bank and Trust Company and Transamerica Trust Company and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for certain administrative services to the Plan pursuant to a Master Plan Services Agreement (MSA) between the Employer, trustee, and custodian are included in net appreciation (depreciation) in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. Administrative fees paid directly by the Plan were \$165,714 in 2024 and \$143,172 in 2023 which were not covered by revenue sharing. These transactions are exempt from being prohibited transactions under ERISA.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

Note 6: Plan Termination

Although it has not expressed an intention to do so, the Employer has the right under the Plan document to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, employees become 100% vested in their account balances.

Note 7: Information Prepared and Certified by Trustee and Custodian

All assets of the Plan, except for the common collective trust funds, are held by a bank-administered trust fund established under a trust agreement with State Street Bank and Trust Company (the "Trustee"). The common collective trust funds are held by Transamerica Trust Company, an affiliated company of Transamerica. Transamerica Retirement Solutions Corporation serves as the third-party administrator and record-keeper of the Plan. All investment information and notes receivable from participants that are disclosed in the accompanying financial statements and supplemental information, including investments held at December 31, 2024 and 2023, net change in fair value of investments, and interest and dividends for the years ended December 31, 2024 and 2023, was obtained or derived from information supplied to the Plan's administrator and certified as complete and accurate by the trustees and custodian.

Note 8: Reconciliation with 5500

Certain amounts reflected in the Plan's annual Form 5500 for changes in net assets available for benefits are different from the amounts reported in the accompanying financial statements. These differences are due to different presentation of investment income but are not materially different.

The following is a reconciliation of benefit payments and corrective distributions to participants per the financial statements for the year ended December 31, 2024 and 2023 to Schedule H of Form 5500:

Benefit payments and corrective distributions per the Financial Statements	\$ 1,582,071	\$ 1,344,539
Plus (Less): Excess contributions payable At December 31, 2022	<u>-</u>	<u>356</u>
Total benefit payments per Schedule H of Form 5500	<u>\$ 1,582,071</u>	<u>1,344,895</u>

Note 9: Subsequent Event

Effective February 1, 2025, the plan was amended to apply an automatic enrollment at a contribution rate of 6% to newly hired employees, and to permit participants to change their contribution rates at the beginning of each payroll period, rather than at the first day of each quarter.
