INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
the Kare-In-Home Health Services, Inc. 401(k) Profit-Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Kare-In-Home Health Services, Inc. 401(k) Profit-Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits (liquidation basis) as of March 15, 2023 and December 31, 2022, and the related statement of changes in net assets available for benefits (liquidation basis) for the year ended March 15, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Kare-In-Home Health Services, Inc. 401(k) Profit-Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of March 15, 2023 and December 31, 2022, and for the year ended March 15, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Kare-In-Home Health Services, Inc. 401(k) Profit-Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Independent Auditor's Report (Continued)

Emphasis of Matter—Basis of Accounting

As discussed in Note 2 to the financial statements, the governing body of Kare-In-Home Health Services, Inc. 401(k) Profit-Sharing Plan approved a plan of liquidation on December 29, 2021, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis to the liquidation basis of accounting. All distributions were completed by March 15, 2023. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kare-In-Home Health Services, Inc. 401(k) Profit-Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ABC Company Employee Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

**Independent Auditor's Report
(Continued)**

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Termination

On December 29, 2021, Vital Caring Group acquired the Plan Sponsor. A complete discontinuance of contributions occurred December 29, 2022, thereby terminating the Plan. All participants became fully vested in their account balances at that time. All balances were distributed as of March 15, 2023.

Contributions

Prior to termination of the Plan, each year participants could contribute a portion of their eligible salary, as defined in the plan, not to exceed the limits under Internal Revenue Code. Participants could also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants directed the investment of their contributions into various investment options offered by the Plan. Matching contributions and profit-sharing contributions could be contributed at the option of Kare-In-Home Health Services, Inc.'s Board of Directors. The Sponsor contributed 0% and 3% of eligible salary during the years ended March 15, 2023 and December 31, 2022, respectively.

Participants' Accounts

Each participant's account was credited with the participant's contribution and allocations of (a) the Plan Sponsor's contribution, (b) Plan earnings and (c) forfeitures. Allocations were based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor's matching contribution portion of their accounts plus actual earnings thereon was based on years of continuous service. A participant was 20% vested in their employer matching contributions after two years of service, including allocated earnings or losses thereon. The vesting percent increased by 20% each year with 100% vesting after six years of service. In the event of death, disability, or retirement, participants become 100% vested. At the date of plan termination, all participants became 100% vested in their employer contributions.

Payment of Benefits

Upon termination of service, the participant could elect a lump-sum distribution or could elect to defer such distribution to any valuation date subsequent to his or her termination but no later than the valuation date of his or her normal retirement date; or the participant may elect to roll over the distribution to another qualified plan. Payment of benefits would be made as soon as practicable following the Plan administrator's receipt of written notice from the beneficiary.

Participant Loans

Prior to termination, participants could borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or one-half the present value of their vested account balance. The loans were secured by the balance in the participant's account and bore an interest rate of 4.25%-6.00%, which was commensurated with local prevailing rates as determined by the Plan administrator. Loans must have been repaid over a period not extending beyond five years from the date of the loan, unless such loan was used to acquire a dwelling unit which shall not exceed fifteen years and was be used as their principal residence. The maximum number of loans outstanding at any one time was two. Principal and interest were paid ratably through monthly payroll deductions.

Forfeited Accounts

At March 15, 2023 and December 31, 2022, forfeited nonvested accounts totaled \$- and \$30,246, respectively. Forfeited balances of terminated participant's non-vested accounts were used to reduce future employer contributions made or pay reasonable Plan expenses.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

As a result of the decision to terminate the Plan effective December 29, 2022, and in accordance with U.S. generally accepted accounting principles ("U.S. GAAP"), the Plan's financial statements as of and for the year ended March 15, 2023 and December 31, 2022 are presented using the liquidation basis of accounting.

Under the liquidation basis of accounting, assets are stated at their estimated net realizable cash value and liabilities are stated at their anticipated settlement amounts. All investments of the Plan are stated at fair value (the estimated net realizable cash value for investments as of December 31, 2022 are equivalent to fair value).

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Cash Equivalents

Investments which are readily convertible to cash and not susceptible to market fluctuations are considered to be cash equivalents.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

Payment of Benefits

Benefit payments are recorded when paid.

NOTE 2. DESCRIPTION OF PLAN (continued)

Administrative Expenses

Certain administrative expenses were paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses paid by the Plan Sponsor were excluded from these financial statements. Fees paid by the Plan consisted principally of investment management fees and third-party record-keeping fees. Investment related expenses were included in net appreciation of fair value of investments.

Notes Receivable from Participants

Notes receivable from participants were measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income was recorded on the accrual basis. Related fees were recorded as administrative expenses and were expensed when they were incurred. No allowance for credit losses was been recorded as of March 15, 2023 and December 31, 2022.

Subsequent Events

Management evaluated subsequent events for potential disclosure in or adjustment to the Plan's financial statements through August 28, 2025, the date the financial statements were available to be issued.

NOTE 3. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements was obtained from data that has been prepared and certified to as complete and accurate by the trustee, Capital Bank and Trust Company.

| | <u>March 15, 2023</u> | <u>December 31, 2022</u> |
|---|---------------------------|------------------------------|
| Investments, at fair value: | | |
| Mutual funds | \$ - | 4,822,398 |
| Notes receivable from participants | - | 56,882 |

| Net investment income | \$ 21,018 | |
| Interest income on notes receivables from participant | 601 | |

NOTE 4. FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- ◆ **Level 1** - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE 4. FAIR VALUE OF INVESTMENTS (continued)

- ◆ **Level 2** - Inputs to the valuation methodology include:
 - quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- ◆ **Level 3** - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at March 15, 2023 and December 31, 2022.

Mutual funds, money market funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of March 15, 2023 and December 31, 2022:

| Assets Measured at Fair Value at March 15, 2023 | | | | |
|---|----------------|----------------|----------------|--------------|
| | Level 1 | Level 2 | Level 3 | Total |
| Mutual Funds | \$ - | - | - | - |

| Mutual Funds | \$ 4,822,398 | - | - | 4,822,398 |

NOTE 5. PARTY-IN-INTEREST TRANSACTIONS

Certain administrative functions and transactions were performed by the Plan Sponsor, Kare-In-Home Health Services, Inc., at no cost to the Plan. The third-party administrator and recordkeeper for the Plan was American Funds from Capital Group which is a division of Capital Bank and Trust Company, trustee of the Plan. The cost for the services related to the Plan administration, which qualifies as a party-in-interest, during the year ended March 15, 2023 and December 31, 2022, were \$125 and \$625, respectively.

NOTE 6. TAX STATUS

The Plan has adopted a prototype document maintained by American Funds by Capital Group whom the Internal Revenues Service previously deemed in compliance with tax-exempt code. Although the Plan has been restated since the receipt of that determination letter, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain positions taken, or expected to be taken that would required recognition of a liability or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.
