## Independent Auditors' Report

To the Trustees of the  
Dallas Market Center Company, Ltd.  
Employee Retirement Savings Plan

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Dallas Market Center Company, Ltd. Employee Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 10 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section.

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter — Supplemental Schedule Required by ERISA***

The supplemental schedule Form 5500, Schedule H, Part IV, Line 4i, Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EMPLOYEE RETIREMENT SAVINGS PLAN  
NOTES TO FINANCIAL STATEMENTS**

**Note 1 – Description of the Plan**

The following description of the Dallas Market Center Company, Ltd. Employee Retirement Savings Plan (the “Plan”) provides only general information. The Plan is sponsored by Dallas Market Center Company, Ltd. (the Plan Sponsor). Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

*General* - The Plan was established on May 1, 1988, as amended from time to time, covering all employees of the Plan Sponsor, except leased employees and employees covered by a collective bargaining agreement. The Plan is a defined contribution plan electing to be both a 401(k) and profit-sharing plan. Employees are eligible to participate after completing 250 service hours in a three-month period and having attained the age of 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as well as all provisions of the federal income tax laws.

The Trustees of the Plan are responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the Trustees of the Plan.

*Contributions* - Each year, participants may make tax-deferred contributions to the Plan not to exceed the amount deductible for federal income tax purposes. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan Sponsor has the option to make discretionary matching and profit-sharing contributions to the Plan from time to time as determined by the Plan Sponsor. During the year ended December 31, 2024, the Plan Sponsor made discretionary matching contributions up to 3% of the participant’s compensation totaling \$764,359. The Plan’s Sponsor made no discretionary profit-sharing contributions to the Plan during the year ended December 31, 2024. Contributions are subject to Internal Revenue Service (IRS) limitations.

*Participant Accounts* - Each participant’s account is credited with the participant’s tax-deferred contributions and employer contributions (if any), as well as allocations of the Plan Sponsor’s profit-sharing contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**Note 1 – Description of the Plan (continued)**

Vesting - Participants are immediately vested in their deferred salary contributions, rollover contributions from other plans and actual earnings thereon. Vesting in the Plan Sponsor's matching contributions and profit sharing contributions (if any) of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested upon retirement, permanent disability, death or reaching age 65 while employed by the Plan Sponsor. If a participant separates from the employment of the Plan Sponsor for any other reason, a participant shall be vested based upon the following schedule:

<u>Year(s) of Vesting Service</u>	<u>Percentage Vested</u>
Less than 1 year	0%
1 year, less than 2 years	33%
2 years, less than 3 years	66%
3 years or more	100%

Notes Receivable from Participants - Loans will be treated as Participant directed investments. Participants may borrow against their vested account balances a minimum of \$1,000 up to a maximum amount equal to the lesser of 50% of their vested account balance or \$50,000. All outstanding loan balances will become due and payable in their entirety upon severance of employment unless directly rolled over to another employer's plan. The loans, in the form of promissory notes (Note 2), are secured by the balances in the participant's account, and bear interest at the prime rate of interest plus 1%. One loan per participant may be outstanding at any given time. Principal and interest on notes receivable from participants are repaid through payroll deductions, or a check if it is for prepayment.

Payment of Benefits - Distributions from the Plan will be made in a single lump-sum payment, substantially equal payments or partial payments with no minimum; or if an in-service distribution, may be received in partial distributions. If a participant's vested benefit in the Plan exceeds \$5,000, the participant must consent to the distribution before it may be made. If the participant's vested interest does not exceed \$5,000, then the participant's benefit will be distributed in a lump-sum payment as soon as practicable following the event that led to the participant being entitled to a distribution.

Forfeited Accounts - At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$146,719 and \$75,996, respectively. These accounts will be used to first pay administrative expenses and then to reduce the employer's profit sharing and matching contributions to the Plan. During the year ended December 31, 2024, forfeitures of \$21,086 were used to pay Plan expenses and no forfeitures were applied to employer matching contributions.

**Note 2 – Summary of Significant Accounting Policies**

Basis of Accounting - The Plan's financial statements are prepared using the accrual method of accounting.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value, except for the Plan's only fully-benefit responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the gains and losses on the Plan's investments bought and sold as well as those held during the year.

Notes Receivable from Participants - Notes receivable from participants (Note 1) are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are earned. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Excess Contributions Payable - Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan recorded no excess contributions in the Plan year.

Payment of Benefits - Benefits are recorded when paid.

Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

During the year ended December 31, 2024, the Plan incurred administrative fees of \$51,912. These charges are reflected in the accompanying statement of changes in net assets available for benefits.

**Note 2 – Summary of Significant Accounting Policies (continued)**

*Recent Accounting Pronouncements* - During the year ended December 31, 2024 and through August 1, 2025, there were several new accounting pronouncements issued by the Financial Accounting Standards Board (FASB). Each of these pronouncements, as applicable, has been or will be adopted by the Plan. Management does not believe the adoption of any of these accounting pronouncements has had or will have a material impact on the Plan's financial statements.

*Subsequent Events* - In preparing the financial statements, the Plan's management has reviewed, as determined necessary by the Plan's management, events that have occurred after December 31, 2024, up until the issuance of the financial statements, which occurred on August 1, 2025.

**Note 3 – Fair Value Measurements**

Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

The three levels of the fair value hierarchy under ASC Topic 820 are described as follows:

**Level 1** - Valuations based on unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

**Level 2** - Valuations based on quoted prices in markets that are not active, or financial instruments for which all significant inputs are observable; either directly or indirectly; and

**Level 3** - Valuations based on prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable; thus, reflecting assumptions about the market participants.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Pooled separate accounts*: consists of a pooled group of mutual funds which are valued daily at their net asset values (NAV). The NAV is used as a practical expedient to estimate fair value. The Plan and participants hold "units of participation" in the separate account.

	Quoted Prices In Active Markets for Identical Assets (Level 1) Inputs	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
December 31, 2024				
Total assets	\$ -	\$ -	\$ -	\$ -
Pooled separate accounts*				<u>24,732,513</u>
				<u>\$24,732,513</u>

**Note 3 – Fair Value Measurements (continued)**

December 31, 2023	Quoted Prices In Active Markets for Identical Assets (Level 1) Inputs	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Total assets	\$ -	\$ -	\$ -	\$ -
Pooled separate accounts*				<u>23,784,560</u>
				<u>\$23,784,560</u>

\*These investments are valued using a net asset value as a practical expedient, and therefore have not been classified in the fair value hierarchy.

**Note 4 – Fully Benefit-Responsive Investment Contract**

The Plan entered into a fully benefit-responsive investment contract with Voya Retirement Insurance and Annuity Company (Voya) totaling \$4,922,908 and \$4,650,008 at December 31, 2024 and 2023, respectively.

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

- The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code
- Premature termination of the contracts
- Plan termination or merger
- Changes to the Plan's prohibition on competing investment options
- Bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

**DALLAS MARKET CENTER COMPANY, LTD.

---

**Note 4 – Fully Benefit-Responsive Investment Contract (continued)**

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

- An uncured violation of the Plan's investment guidelines
- A breach of a material obligation under the contract
- A material misrepresentation
- A material amendment to the agreements without the consent of the issuer.

**Note 5 – Related-Party Transactions and Party-In-Interest Transactions**

Parties-in-interest are defined under Department of Labor Regulations as any fiduciary of the Plan or party rendering services to the Plan, the Employer, and certain others.

Loren D. Stark Company and Cook Financial Services were the Plan's third-party administrator and investment broker, respectively, during the year and therefore any transactions with the Plan qualify as party-in-interest transactions.

Voya, the Plan's custodian and recordkeeper, provides certain administrative services to the Plan pursuant to a contract between the Plan Sponsor and Voya. Voya receives revenue from mutual fund service providers for services it provides to the funds. This revenue is used to offset certain amounts owed to Voya for its administrative services to the Plan.

**Note 6 – Plan Termination**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their employer contributions.

Less: employer contributions receivable	(156,949)	-
Net assets available for benefits per the Form 5500	\$ 29,971,458	\$ 28,924,177

The following is a reconciliation of net increase in net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2024.

	2024
Net increase in net assets available for benefits per the financial statements	\$ 1,204,230
Change in employer contributions	(156,949)
Net increase in net assets available for benefits per the Form 5500	\$ 1,047,281

**Note 8 – Federal Income Tax Status**

The Plan, as originally drafted, is a Volume Submitter Profit Sharing Plan with Cash or Deferred Arrangement. The IRS has determined and informed the Plan Sponsor of the prototype plan by a letter dated June 30, 2020, that the Plan is designed in accordance with the applicable sections of the Internal Revenue Code (IRC). However, a determination letter from the Internal Revenue Service has not yet been requested by the Plan Sponsor to determine if the Plan as amended was designed in accordance with applicable sections of the IRC. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and ERISA and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audit by taxing jurisdictions; however, there are currently no audit for any tax periods in progress.

**Note 9 – Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statements of net assets available for benefits.

It is not possible at this time to reasonably estimate the possible loss or range of loss, if any. The Plan further cautions that it is not possible to list such factors, and one should not consider the identified factors as a complete list of all risks and uncertainties.

**Note 10 – Information Prepared and Certified by Custodian (Unaudited)**

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by The Voya Retirement Insurance and Annuity Company as of December 31, 2024 and 2023 and for the year ended December 31, 2024, in accordance with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974:

	<u>2024</u>
Participant directed investments:	
Pooled separate accounts	\$27,732,513
