Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: CROWE LLP

(2) EIN: 35-0921680

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X

INDEPENDENT AUDITOR'S REPORT

Plan Participants and Plan Administrator of the
Intel Retirement Contribution Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Intel Retirement Contribution Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

(Continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Intel Retirement Contribution Plan

Notes to Financial Statements

December 31, 2024

1. Description of the Plan

The following description of the Intel Retirement Contribution Plan (the Plan) provides only general information. Participants should refer to the summary plan description for a more complete description of the Plan's provisions. The plan document contains the definitive legal provisions governing the Plan.

General

The Plan is a noncontributory-defined contribution plan covering all eligible United States (U.S.) employees of Intel Corporation (the Company or Plan sponsor) who were employed prior to January 1, 2011. Participation for such employees began on the first day of the calendar quarter coincident with or following the completion of one year of service as defined by the plan document.

As of January 1, 2011 (the effective date), the Company closed the Plan and the Intel Minimum Pension Plan (Intel Pension Plan) to employees hired on or after the effective date. The terms of the Plan for eligible employees who participated in the Plan prior to the effective date are unchanged.

Effective January 1, 2020, the Company discontinued discretionary contributions to the Plan for the 2020 plan year and thereafter. Participants were immediately vested in their Discretionary Intel Contribution Account.

The Plan is intended to be qualified under Section 401(a) of the Internal Revenue Code of 1986 (the Code), as amended, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Trustee

The Bank of New York Mellon (BNY Mellon) is the trustee for the Plan and holds substantially all of the investments of the Plan or through a sub-trust for which Fidelity Management Trust Company is the sub-trustee.

Administration of the Plan

The Company's Chief Financial Officer appoints the members of the Retirement Plans Administrative Committee (RPAC) and the Investment Policy Committee (IPC). The RPAC is the fiduciary responsible for the general operation and administration of the Plan. The IPC is the fiduciary responsible for management and control of the Plan assets. Fidelity Workplace Services LLC (Fidelity) is the Plan's record keeper.

Intel Retirement Contribution Plan

Notes to Financial Statements

Participant Accounts

Each participant's account is credited with Plan earnings. Allocations are based on account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Effective January 1, 2020, all participants in the Plan who were employed by the Company on December 31, 2019 are fully vested.

Payment of Benefits

Participants are eligible for a distribution of plan benefits upon termination of service, whether by disability, retirement, death, or leaving the Company. Upon termination of service a participant or applicable beneficiary may elect to have benefits paid as a single lump-sum distribution, monthly annuity payments, partial distribution (not available to beneficiaries), or may request that the Plan make a direct rollover distribution to another eligible retirement plan. Spousal consent may be required based on the value of the account balance or type of distribution.

Participants hired prior to January 1, 2019 who elect monthly annuity payments will have the balance of their account transferred to the Intel Pension Plan. An annuity is paid to those participants based on the value of their plan account in accordance with the terms of the two plans. There were transfers under this option of \$5,383,830 for the year ended December 31, 2024.

Notes Receivable from Participants

Active participants are permitted to obtain loans of up to 50% of their vested account balance in the Plan, up to a maximum of \$50,000, when combined with all other loans from the Plan and the Intel 401(k) Savings Plan (Intel Savings Plan). No more than two loans may be outstanding at any time. Participants' account balances secure their loans. The interest rate on these loans is based on the prime rate plus 1% as reported by *Reuters* on the last business day of the preceding month. Loan provisions are established by the RPAC and administered by the record keeper.

Participants may choose to obtain loans from the Plan, the Intel Savings Plan, or a combination of both. Repayments of loans are transferred to the participants' Plan and Intel Savings Plan accounts in the ratio to which their accounts provided funding for the loan.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation

Investments held are stated at fair value. See Note 4, "Fair Value Measurements," for discussion on fair value measurements.

The self-directed brokerage accounts consist of mutual funds, exchange traded funds, money market funds and corporate stock.

The fair value of mutual funds, exchange traded funds, money market funds and corporate stock are valued at quoted prices in an active market.

The Plan invests in collective investment trust funds and common collective trust funds, from here on termed collective trust funds, which are valued using net asset value (NAV) of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. There are no future commitments on any of the collective trust funds.

The Plan invests in units of participation in collective investment trust funds held within a proprietary collective investment trust, the Intel Retirement Plans Collective Investment Trust (the CIT Trust). The Global Trust Company was the trustee and investment manager of each collective investment trust fund offered by the CIT Trust until March 31, 2024. Effective April 1, 2024, SEI Trust Company replaced Global Trust Company.

Income Recognition

Net realized and unrealized appreciation (depreciation) in fair value of investments includes the net realized gain (loss) on investments sold during the year and the net change in unrealized appreciation (depreciation) during the year on investments held at the end of the year.

Investment transactions are recognized as of their trade dates. Interest is accrued daily; dividends are accrued on the ex-dividend date.

Notes Receivable from Participants

Participant loans are classified as notes receivable from participants on the statements of net assets available for benefits and are valued at their unpaid principal balance, plus accrued but unpaid interest. The interest earned on these loans is included with interest and dividend income on the statement of changes in net assets available for benefits.

Intel Retirement Contribution Plan

Notes to Financial Statements

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

The Company and the Plan pay the expenses for administration of the Plan.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

3. Certified Investment Information

Information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants at December 31, 2024 and 2023, and net realized and unrealized appreciation in fair value of investments, and interest, dividend and other income for the year ended December 31, 2024, with the exception of self-directed brokerage accounts and related income, was obtained by management and agreed to or derived from information certified as complete and accurate by The Bank of New York Mellon/BNY Mellon, N.A., the qualified institution and trustee of the Plan, with the exception of the following balances:

Statements of Net Assets Available for Benefits:

	2024	2023
Collective trust fund	\$ 3,398,511,054	\$ 3,674,836,989

Statement of Changes in Net Assets Available for Benefits:

	2024
Net realized and unrealized appreciation in fair value of investments	\$ 362,266,553

Information related to the self-directed brokerage accounts disclosed in the accompanying financial statements and ERISA-required supplemental schedule, at December 31, 2024, and net realized and unrealized appreciation in the fair value of investments and interest, dividend and other income related to self-directed brokerage accounts for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, the qualified institution and sub-trustee of the Plan.

Intel Retirement Contribution Plan

Notes to Financial Statements

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

- *Level 1.* Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.
- *Level 2.* Inputs to the valuation methodology include quoted prices for similar assets in active markets; quoted prices for identical or similar assets in inactive markets; inputs other than quoted prices that are observable for the asset; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset.
- *Level 3.* Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Assets Measured at Fair Value on a Recurring Basis

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024.

Total investments, at fair value	\$ 139,738,917	\$ 7,075,062,678	\$ 7,214,801,595

Assets Reported at Net Asset Value

The following table summarizes investments held by the Plan measured at fair value based on net asset value per share as of December 31, 2024 and 2023, respectively.

	2024	2023	Redemption Period	Redemption Notice
Collective trust funds	\$7,050,562,799	\$7,075,062,678	Daily	0-5 days

5. Party-In-Interest Transactions

The Plan holds investments managed by affiliates of Fidelity and BNY Mellon, as of December 31, 2024 and 2023, which qualify as party-in-interest transactions. As of December 31, 2024 and 2023, the Plan held \$1,077,239,464 and \$834,268,712, respectively, of investments managed by affiliates of Fidelity. The Plan held \$32,455 of investments managed by BNY Mellon as of December 31, 2024. The Plan held no investments managed by BNY Mellon as of December 31, 2023.

The Plan also invests in collective investment trust funds within the CIT Trust, a proprietary collective investment trust, which qualifies as party-in-interest transactions. As of December 31, 2024 and 2023, the Plan held \$4,195,617,834 and \$4,530,414,977, respectively, in collective investment trust funds within the CIT Trust.

In addition, notes receivable from participants, as disclosed in the statements of net assets available for benefits, and administrative expenses paid to various service providers, qualify as party-in-interest transactions.

6. Concentration of Credit Risk

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across multiple participant-directed fund elections. The investments within each participant-directed fund election are further diversified into varied financial instruments. Policies have been established by the IPC to limit the Plan's risk exposure through prudent diversification and investment of the Plan's assets.

Intel Retirement Contribution Plan

Notes to Financial Statements

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. Income Tax Status

The Plan received a determination letter dated October 16, 2015 from the Internal Revenue Service (IRS) stating that the Plan and related trust are designed in accordance with applicable sections of the Code. Subsequent to this determination by the IRS, the Plan was amended and restated. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The Plan sponsor has indicated that it will take the necessary steps, if any, to bring the Plan's operations into compliance with the Code and to maintain the tax qualified status of the Plan.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions.

9. Plan Termination

The Company has the right to terminate the Plan subject to the provisions of ERISA.

10. Partial Plan Termination

During 2024, the Company experienced a partial termination of the Plan due to significant reductions in workforce. As a result, affected employees were required to become fully vested in their accrued benefits. However, the employees were already 100% vested based on existing plan provisions and thus there was no impact to the Plan.

Net assets available for benefits per the Form 5500	<u>\$ 7,292,079,669</u>	<u>\$ 7,241,569,783</u>

The following is a reconciliation of benefits paid to participants per the financial statements for the year ended December 31, 2024 to the Form 5500:

Benefits paid to participants per the financial statements	\$ 981,076,228
Less: Amount allocated to withdrawing participants at December 31, 2023	(1,416,781)
Add: Amount allocated to withdrawing participants at December 31, 2024	<u>2,558,563</u>
Benefits paid to participants per the Form 5500	<u>\$ 982,218,010</u>

Amounts allocated to participants are recorded on the Form 5500 for benefit payments that have been processed and approved for payment prior to December 31, but not yet paid as of that date.

12. Subsequent Events

The Plan sponsor has evaluated subsequent events through June 18, 2025, the date that the financial statements were available to be issued.
