INDEPENDENT AUDITOR'S REPORT

Mr. Russel McNorton, Plan Administrator/Trustee
Jetty United 401(k) Plan
Corpus Christi, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements Jetty United 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Jetty United 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We are required to be independent of Jetty United 401(k) Plan to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about of Jetty United 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Jetty United 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Jetty United 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules listed in the Table of Contents as of or for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A — DESCRIPTION OF THE PLAN

The following description of the Jetty United 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General: The Plan is a defined contribution plan covering all full-time employees – except nonresident aliens and those covered by a collective bargaining agreement- who meet eligibility requirements detailed in the Plan document. Employees are eligible to participate in the Plan if they have completed over one year of service, (which requires at least 1,000 hours worked by the employee) and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Trustee oversees the governance of the Plan. The Plan’s Administrator determines the appropriateness of the Plan’s investment offerings, monitors investment performance, and reports to the Plan’s Trustee.

Contributions: Each year, participants may contribute up to 100% of their pretax annual compensation, subject to the limitations defined in the Plan, not to exceed the maximum dollar amount as set forth by the Internal Revenue Code (“IRC”). These pre-tax contributions are known as Elective Deferral Contributions. The Plan also allows contributions to be made as Roth Contributions. Roth Contributions are made in the same manner as Elective Deferral Contributions except that Roth Contributions are made to the Plan on an after-tax basis.

For the year ended December 31, 2023, the maximum amount a participant can contribute on a before-tax or after-tax basis during the participant’s taxable year is \$22,500 and in accordance with IRC Section 402(g)(3). For the year ended December 31, 2023, the participant remitted contributions totaled \$276,212. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions in accordance with and subject to the limitations of IRC Section 414(v). The maximum catch-up contributions that a participant may defer during the Plan’s year ended December 31, 2023, is \$7,500.

Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). The Plan includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatic elections are designated as pre-tax Elective Deferral Contributions and will not apply if the Participant already has an Elective Deferral Contribution Election in effect on the date of the automatic enrollment feature.

The employer may, in its sole discretion, make matching contribution on a participant’s behalf if a participant makes an elective deferral contribution or catch-up contribution during the Plan year. The employer may also, in its sole discretion, make non-elective contributions on behalf of participants who meet certain eligibility requirements as defined in the Plan. The employer makes safe harbor contributions to the plan in an amount not less than three percent of participant’s plan compensation. Safe harbor contributions have the same treatment as qualified non-elective contributions. For the year ended December 31, 2023, employer contributions totaled \$129,779.

Participant Accounts: Each participant’s account is credited with the participant’s contribution and allocations of (a) the employer’s matching contribution and, (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined, on a per-capita or per-instance basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

NOTE A — DESCRIPTION OF THE PLAN – Continued

Vesting: Participants are immediately vested in their elective deferral contributions, rollover contributions, qualified non-elective contributions, and safe-harbor matching contributions plus actual earnings thereon. Vesting in the employer’s contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service. A participant may become 100% vested if they meet the special vesting rules which may include reaching the normal retirement age while an employee, death while an employee, or becoming disabled while an employee. The following is the complete vesting schedule:

Vesting Schedule	
Years of Service	Percentage
Less than 2 years	0%
2	20%
3	40%
4	60%
5	80%

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 minus the difference between the highest outstanding balance of loans in the past 12 months and the outstanding balance of loans from the Plan on the date the loan is made, or 50% of their vested account balance. The loans are secured by the balance in the Participant’s account and bear interest of prime rate plus 1%. Principal and interest are paid through payroll deductions every pay period. As of December 31, 2023 and 2022, the Plan had notes receivable from participants of \$94,562 and \$89,846, respectively.

Payment of Benefits: On termination of services for reasons other than death, fully vested benefits entitled to the participant will be distributed in a lump sum payment or in partial installments if required minimum distribution rules apply. On termination of services on account of death, fully vested benefits entitled to the participant must be fully distributed by December 31st of the calendar year containing the fifth anniversary of the participant’s death, with exceptions more fully described in the Plan. The Plan provides for participant’s withdrawals in the event of financial hardship. To qualify for financial hardship withdrawal, a participant must have immediate and heavy financial needs that cannot be satisfied by other available resources.

Forfeited Accounts: Forfeitures are retained in the Plan and may be used to pay for administrative expenses, allocated to the remaining participants, or considered as employer contributions. For the year ended December 31, 2023, forfeitures totaled \$19 and as of December 31, 2023, the Plan had an ending forfeiture balance of \$2,246.

Investment Options: Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a money market fund as investment options for participants.

Funding Policy: Participant deferrals and any corresponding employer matching contributions are remitted each pay period to the Plan Custodian and are invested per participant instructions. Employer discretionary contributions are deposited annually.

NOTE B — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The Plan's financial statements are prepared using the accrual basis of accounting. Employee contributions are recognized as revenues in the period in which salaries are earned. Employer discretionary contributions are recognized as revenues in the period in which it is determined. Benefit payables are recognized when due and payable in accordance with terms of the Plan.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from these estimates.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is reported on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition: Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for a discussion of fair value measurements. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or net depreciation on the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contributions Payable: Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as accounts payable, with a corresponding reduction to contributions. There were no excess contributions payable for the years ended December 31, 2023 and 2022.

Payment of Benefits: Benefits are recorded when paid and totaled \$214,428 for the year ended December 31, 2023.

Expenses: Certain expenses of maintaining the Plan are paid by the plan sponsor and are therefore excluded from these financial statements. Investment-related expenses are included in either net appreciation or net depreciation in the fair value of investments. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. For the year ended December 31, 2023, administrative expenses for the Plan totaled \$78,103.

New Accounting Pronouncements Not Yet Adopted: Management is not aware of any new accounting pronouncements that have been released, and are not yet effective, which will have a significant impact on its financial position or results of operations in future periods.

Date of Management's Review: Subsequent events were evaluated through October 12, 2024, which is the date the financial statements were available to be issued.

NOTE C — FAIR VALUE MEASUREMENTS

The Plan accounts for certain assets and liabilities at fair value. The hierarchy below lists three levels of fair value based on the extent to which inputs used in measuring fair value are observable in the market. The Plan categorizes each of our fair value measurements in one of these three levels based on the lowest level input that is significant to the fair value measurement in its entirety. These levels are:

- Level 1 – Unadjusted quoted prices available in active markets for identical investments as of the reporting date.
- Level 2 – Observable inputs to the valuation methodology other than Level 1 inputs, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies.
- Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability, and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

The following tables set forth, by level within the fair value hierarchy, the Plan’s investment at fair value as of December 31, 2023 and 2022:

	2023			Total
	Level 1	Level 2	Level 3	
Money Market Fund	\$ 1,933			\$ 1,933
Mutual Funds	6,886,106			6,886,106
Total Investments at Fair Value	\$ 6,888,039			\$ 6,888,039

	2022			Total
	Level 1	Level 2	Level 3	
Money Market Fund	\$ 67			\$ 67
Mutual Funds	5,955,862			5,955,862
Total Investments at Fair Value	\$ 5,955,862			\$ 5,955,929

Shares of money market funds and mutual funds are categorized as Level 1. They are valued at quoted market prices that represent the net asset value of shares held by the Plan at year-end.

Realized and Unrealized Gains and Losses included in changes in net assets available for benefits for the years ended December 31, 2023 and 2022, are reported in either Net Appreciation or Net Depreciation in Fair Value of Investments.

The Plan's policy is to recognize significant transfers between levels at the actual date of the event or circumstances that caused the transfer. For the years ended December 31, 2023 and 2022, there were no significant transfers between Levels 1, 2, or 3.

NOTE D — PLAN TERMINATION

Although it has not expressed any intent to do so, the employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all amounts credited to participant accounts will become 100% vested.

NOTE E — TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Partnership by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax period in progress. The Plan administrator believes that the Plan is no longer subject to income tax examinations for years prior to 2019.

NOTE F — RISKS AND UNCERTAINTIES

The Plan invests in multiple investment securities that are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE G — INFORMATION PREPARED AND CERTIFIED BY THE QUALIFIED INSTITUTION OF THE PLAN

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements and supplemental schedule that was prepared by or derived from information reported by the qualified institution. The Plan Administrator has obtained certifications that such information is complete and accurate on December 31, 2023 and 2022, as follows:

	2023	2022
Statements of Net Assets Available for Benefits		
Investments at Fair Value	\$ 6,888,039	\$ 5,955,929
Statement of Changes in Net Assets Available		
Net Appreciation in Fair Value of Investments	\$ 595,866	
Interest and Dividends	176,991	
Interest Income on Notes Receivable from Participants	7,782	

The qualified institution also certifies all investment balances and investment information in Note C, excluding the classification of investments by level.

NOTE H — PARTY-IN-INTEREST

Net Assets Available for Benefits includes Notes Receivable from Participants at December 31, 2023. As a result, these assets and all transactions relating to these assets qualify as party-in interest transactions. Related loan fees and interest are charged directly to the borrowing participant's account. For the year ended December 31, 2023, related loan fees and interest charged directly to the borrowing participant's account totaled \$640 and \$7,782, respectively. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.
