## Independent Auditor's Report

Plan Trustees and Employee Benefits Committee  
Group Insurance Plan at Bush Brothers & Company

### **Opinion**

We have audited the financial statements of Group Insurance Plan at Bush Brothers & Company (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of benefit obligations and net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in benefit obligations and net assets available for benefits for the years then ended, and the related notes to financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the benefit obligations and net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its benefit obligations and net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America (GAAP).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Plan Trustees and Employee Benefits Committee  
Group Insurance Plan at Bush Brothers & Company

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

# Group Insurance Plan at Bush Brothers & Company

## Notes to Financial Statements

December 31, 2024

### 1. Description of the Plan

The following description of Group Insurance Plan at Bush Brothers & Company (the “Plan”) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions, copies of which are available from Bush Brothers & Company (the “Plan Sponsor”).

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). All regular full-time employees of the Plan Sponsor are eligible to participate in the Plan upon completing ninety days of continuous service. Each participant may elect coverage for self and eligible dependents and contributes specified amounts, determined annually, based on coverage elections. For previously covered employees that are no longer eligible, benefits may continue as required under federal law.

The Plan provides medical benefits for all employees and short-term disability benefits for all salaried employees. The Plan’s third-party administrator is Connecticut General Life Insurance Company (CIGNA). The Plan Sponsor pays all claims to a maximum of \$400,000 per participant. Claims in excess of this amount per participant are covered by a stop loss policy.

The Plan is funded through the Bush Brothers & Company Employee Benefits Trust (the “Trust”) with Bank of America. The Trust was established to be qualified under the provisions of Section 501(c)(9) of the Internal Revenue Code (IRC), and accordingly, the Trust’s investment income is exempt from income taxes. The Trust received a tax determination letter from the Internal Revenue Service dated November 29, 1993, which confirms the Trust’s exempt status. The Trust has been amended since receiving the determination letter; however, the plan administrator and the Plan’s tax counsel believe the Trust is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the accompanying financial statements. The Employer Identification Number of the Trust is 62-1537841.

The Plan Sponsor makes contributions to the Plan sufficient to provide medical benefits for participants as claims or other payments are made. Employee contributions to the Plan are determined by the Plan Sponsor, based on the coverage elected by the participants. The Plan’s assets are held in the Trust and managed by the Plan Sponsor. If there is a deficit in the Plan’s assets, the Plan Sponsor will deposit funds to cover the deficit when the related liabilities are paid by the Plan.

The Plan has a prescription drug rebate program with OptumRx. Rebates received, which totaled \$2,110,320 in 2024 and \$1,873,541 in 2023, are classified as Plan Sponsor contributions.

Primarily all plan administrative expenses are charged to the Plan and paid from the Plan’s assets. Certain administrative expenses, primarily relating to the maintenance of participant records, are paid by the Plan Sponsor and are excluded from the accompanying financial statements.

### Notes to Financial Statements (continued)

#### **1. Description of the Plan (continued)**

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to modify the benefits provided to active employees, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions set forth in ERISA. If the Plan was terminated, the assets of the Plan would be used for the provision of future benefits; however, under no circumstances are any assets of the Plan to revert to the Plan Sponsor.

#### **2. Significant Accounting Policies**

##### **Basis of Accounting**

The Plan records contributions, income, and expenses on the accrual basis of accounting. Benefits paid represent actual benefit payments made by CIGNA and OptumRx during the Plan year. Benefit payments exclude disability payments made by the Plan Sponsor as a continuation of salary. These benefit payments are recorded on the Plan Sponsor's financial statements. Benefit obligations represent current claims payable and the amount of benefits incurred but not reported as of year end.

##### **Contributions**

Employee cash contributions are recorded in the period during which the Plan Sponsor makes payroll deductions from the Plan participants' compensation.

##### **Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Plan obligations for claims incurred but not reported are estimated by the Plan based on claims incurred during the plan year, subsequent payments, and past experience. It is reasonably possible these estimates could change in the near term as more information becomes available.

##### **Subsequent Events**

In preparation of the accompanying financial statements, management has evaluated events that have occurred subsequent to December 31, 2024 through August 26, 2025, the date the financial statements were available for issuance.

### Notes to Financial Statements (continued)

#### **3. Postretirement Benefits**

Participants who have completed 10 years or more of continuous service with the Plan Sponsor and have attained age 55 upon retirement, may elect to continue participation in the Plan for themselves and for their dependent(s) through age 65. The current cost of participation is the applicable COBRA rate. It is the Plan Sponsor's intention to charge rates that will approximate claims incurred by these participants and their dependent(s), in the aggregate. Accordingly, no benefit obligation for postretirement benefits has been recognized.
