Independent Auditor's Report

To the Plan Administrator and Participants
Farmers Pride Employee Profit Sharing and Savings Plan
Fredericksburg, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of Farmers Pride Employee Profit Sharing and Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the years ended December 31, 2024 and 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance, and; therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to, or derived from, the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to, or is derived from, the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter - Supplemental Schedule Required by ERISA (continued)

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Farmers Pride Employee Profit Sharing and Savings Plan

Notes to Financial Statements

December 31, 2024 and 2023

Note 1 - Description of Plan

The following description of the Farmers Pride Employee Profit Sharing and Savings Plan (the Plan) provides only general information. Participants should refer to the plan agreement for more complete information.

General

The Plan is a defined contribution pension plan covering all full-time employees of Farmers Pride, Inc. and, Keystone Protein, LLC (the Company or the Employer). Employees who have completed one year of service, attained the age of 18, and are not covered by a collective bargaining agreement are eligible to participate in the Plan. In November of 2023, the Plan was amended to three months of service to be eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

An employee becomes a participant in the Plan on the first day of each month, coinciding with or immediately following the date eligibility requirements are met.

Contributions

Each year, participants may contribute up to 90% of annual compensation, as defined in the Plan, as a traditional pre-tax contribution or a Roth contributions. The Plan includes an auto-enrollment provision, whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate in the Plan, once eligibility requirements have been met. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Employer makes a matching contribution equal to 100% of the participant's salary deferral contributions, up to a maximum of 2% of the participant's compensation. The Employer may also make, at the sole discretion of its Board of Directors, an employer discretionary match and a profit-sharing contribution. In addition, the Employer may make a qualified nonelective contribution on behalf of all eligible active participants that is sufficient to satisfy certain required regulations. There were no employer discretionary matching contributions, profit-sharing contributions, or employer qualified nonelective contributions for 2024 and 2023.

Effective for January 1, 2024, the Employer matching contribution calculation was amended to a safe harbor matching contribution of 100% of the participant's salary deferral contributions up to a maximum of 3% of the eligible participant's compensation and 50% of the next 2% of the eligible participant's compensation.

Contributions are subject to certain IRS limitations.

Notes to Financial Statements

December 31, 2024 and 2023

Note 1 - Description of Plan (continued)

Participant Accounts

Each participant's account is credited with the participant's contributions and the Company's matching contributions, as well as allocations of (a) the Company's profit-sharing contribution, (b) plan earnings, (c) forfeitures of terminated participants' nonvested accounts, and (d) charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. A participant is 100% vested into their nondiscretionary employer contributions after six years of credited service based on the following vesting schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0 %
2	20
3	40
4	60
5	80
6 or more	100

A participant is 100% vested into their safe harbor employer contributions after two years of credited service based on the following vesting schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0 %
2 or more	100

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years, unless the loan is to acquire the participant's principal residence, in which case, the loan may be for up to ten years. The loans are secured by the balance in the participant's account and bear interest at the current prime rate. A participant may only have one outstanding loan at any time. Principal and interest are paid ratably through payroll deductions.

Note 1 - Description of Plan (continued)

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a certain period.

Forfeited Accounts

Forfeited nonvested accounts will be used to pay future administrative expenses of the Plan and to reduce the employer matching contribution. At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$1,441 and \$98,533, respectively. During the years ended December 31, 2024 and 2023, there were no forfeitures used to pay administrative expenses in both years, and forfeitures used to reduce the employer matching contribution totaled \$314,442 and \$57,756, respectively.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2024 and 2023.

Note 2 - Summary of Significant Accounting Policies (continued)

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2023 excess contributions to the applicable participants prior to March 15, 2024. There were no such amounts for year ended December 31, 2024.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in administrative expenses.

Note 3 - Information Certified and Provided by Fidelity Management Trust Company

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2024 and 2023, was obtained by management and agreed to, or derived from, information certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

Note 4 - Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Farmers Pride Employee Profit Sharing and Savings Plan

Notes to Financial Statements

December 31, 2024 and 2023

Note 4 - Fair Value Measurements (continued)

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Registered investment companies are valued at the net asset value (NAV) of shares held by the Plan at year-end.

Collective trust fund: Valued at NAV of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund, less its liabilities.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4 - Fair Value Measurements (continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

Fair Value Measurements at December 31, 2024				
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Registered investment companies	\$ 31,461,641	\$ -	\$ -	\$ 31,461,641
Investments measured at net asset value ⁽¹⁾				2,126,760
				<u>\$ 33,588,401</u>
Fair Value Measurements at December 31, 2023				
Registered investment companies	\$ 22,875,389	\$ -	\$ -	\$ 22,875,389
Investments measured at net asset value ⁽¹⁾				1,997,419
				<u>\$ 24,872,808</u>

(1) In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient:

	Fair Value		Unfunded Commitment	Redemption Frequency	Redemption Notice Period

Farmers Pride Employee Profit Sharing and Savings Plan

Notes to Financial Statements

December 31, 2024 and 2023

Note 5 - Tax Status

The Company has adopted a pre-approved plan document that was sponsored by Fidelity Management and Research Company. The pre-approved document has received an opinion letter from the IRS, dated June 30, 2020, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although, the Plan has been amended since adopting the pre-approved plan document, the Plan Administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and; therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the U.S. Federal, state, or local tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in the Company contribution portion of their account.

Note 7 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Additionally, it is reasonably possible that estimates made in the financial statements have been, or will be, materially and adversely impacted in the near term as a result of these conditions.

Note 8 - Related Party Transactions and Party-In-Interest Transactions

Certain plan investments are shares of registered investment companies and a collective trust fund managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined by the Plan and; therefore, these transactions qualify as party-in-interest transactions.

Fees paid by the Plan for recordkeeping and custody services amounted to \$43,649 and \$11,913 for the years ended December 31, 2024 and 2023, respectively.

Note 9 - Reconciliation of Financial Statements to the Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 35,888,530	\$ 25,927,295
Due to participants for excess contributions	-	65,410
Net Assets Available for Benefits per the Form 5500	<u>\$ 35,888,530</u>	<u>\$ 25,992,705</u>

Excess contributions payable are recorded as a reduction of participant contributions on the financial statements. Form 5500 requires these amounts to be reported separately as corrective distributions on Schedule H, Line 2f.

Note 10 - Subsequent Events

Plan management has evaluated subsequent events through August 26, 2025. This date is the date the financial statements were available to be issued. No material events subsequent to December 31, 2024 were noted.
