INDEPENDENT AUDITOR'S REPORT

The Board of Trustees
NYSA-ILA SCHOLARSHIP FUND

Opinion

We have audited the accompanying financial statements of NYSA-ILA Scholarship Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, the statements of fund's benefit obligations as of December 31, 2024 and 2023, and the related statement of changes in fund's benefit obligations for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of NYSA-ILA Scholarship Fund as of December 31, 2024 and 2023, and the changes in its net assets available for benefits and changes in plan benefit obligations for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of NYSA-ILA Scholarship Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about NYSA-ILA Scholarship Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of NYSA-ILA Scholarship Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about NYSA-ILA Scholarship Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024**

Note 1 – DESCRIPTION OF THE FUND

The following brief description of the NYSA-ILA Scholarship Fund (the “Fund”) provides only general information. Participants should refer to the Fund document for a complete description of the Fund’s provisions.

a) General

The Fund is a multiemployer welfare employee benefit fund which was established March 16, 1981 by an agreement between the New York Shipping Association, Inc. (“NYSA”) and the International Longshoremen’s Association (“ILA”). The purpose of the Fund is to provide funds for eligible participants and their dependents in obtaining college-level education. The Fund is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Fund is administered pursuant to the Agreement and Declaration of Trust and Plan as amended and restated November 17, 2015.

b) Benefits

The Board of Trustees of the Fund (the “Trustees”) award eight scholarships each year, and the participants receive up to \$6,000 per year for a four-year period. The participants may utilize any scholarship awards not fully used for undergraduate studies for graduate studies so long as graduate studies are commenced within one year of the completion of undergraduate studies.

c) Eligibility

To be eligible for a scholarship, generally participants are required to be eligible employees or dependents of eligible employees or retirees with three or more years of service, and the employee to be eligible is required to have worked at least 700 hours in each of the previous three contract years. In addition, the participants are required to take either the Scholastic Aptitude Test (SAT) or the American College Test (ACT) and must be accepted by an accredited undergraduate training program or by an accredited undergraduate domestic or foreign institution of higher learning as a full-time student.

d) Termination

The Fund may be terminated only by a joint agreement between NYSA and the ILA.

Note 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a) Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting.

b) Cash

The Fund may at times hold cash in excess of Federally insured limits. All cash is held at a single financial institution.

c) Contributions

The NYSA and the ILA have agreed that the Local Escrow Account for the Port of New York/New Jersey will make contributions to the Fund in an amount up to \$225,000 per year. Participants do not make contributions to the Fund.

d) Forfeiture

In the event a participant is awarded a scholarship but does not attend an approved school, does not provide the required transcript documentation, or does not maintain a minimum GPA of 2.5, such benefits shall be forfeited and returned to the Fund.

e) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Note 3 – COMMITMENTS

The \$405,000 benefit obligation as of December 31, 2024 is not due to the participants until future periods. As of December 31, 2024, the anticipated payments are scheduled as follows:

Year	Amounts
2025	\$ 183,000
2026	126,000
2027	72,000
2028	24,000
	\$ 405,000

Payment of such awards is subject to the satisfaction of certain conditions by the intended recipients. The Trustees retain the right to reduce the amount of awards or suspend payment.

Note 4 – TAX STATUS

The Internal Revenue Service has determined and informed the Fund by a letter dated July 1981 that the Fund is designed in accordance with applicable sections of the Internal Revenue Code (“IRC”) and is exempt from Federal income tax as an organization described in Section 501(c)(9) of the IRC. Though the plan has since been amended, management believes that the Fund continues to qualify and to operate as designed. The Fund had no unrecognized tax benefits as of and for the year ended December 31, 2024 and has no open years subject to examination prior to the year ended December 31, 2023. The Fund had no income tax related penalties or interest for the period reported in the financial statements.

Note 5 – OTHER

Certain NYSA-ILA Funds trustees, in their capacities as officers of the International Longshoremen’s Association, AFL-CIO (“ILA”), are defendants in a civil lawsuit (05 Civ. 3212) (ILG) (VVP) filed by the United States Department of Justice in the United States District Court for the Eastern District of New York on July 6, 2005 and brought under the Racketeer Influenced and Corrupt Organizations Act (“RICO”), which names the ILA and other jointly trustee Taft-Hartley funds as nominal defendants, which funds are other than the NYSA-ILA Funds and which funds were established and are maintained under other collective bargaining agreements and not under the NYSA-ILA collective bargaining agreement.

**NYSA-ILA SCHOLARSHIP FUND
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024**

Note 5 – OTHER (CONTINUED)

It is the opinion of co-counsel and the trustees of the NYSA-ILA Funds that this matter will not have any adverse impact on the NYSA-ILA Funds should some or all of the relief sought by the U.S. Department of Justice, including the removal of certain ILA officers, some of whom are trustees of the NYSA-ILA Funds, be awarded in the civil RICO action.

Note 6 – SUBSEQUENT EVENTS

NYSA-ILA Scholarship Fund evaluated its December 31, 2024 financial statements for subsequent events through August 27, 2025, the date the financial statements were available to be issued. The Fund is not aware of any subsequent events which would require recognition or disclosure in the accompanying financial statements.
