Independent Auditor's Report

To the Trustees
Glass Control, Inc.
Employee Benefit Trust
Lubbock, Texas

Opinion

We have audited the accompanying financial statements of Glass Control, Inc. Employee Benefit Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of plan's benefit obligations as of November 30, 2024 and 2023, and the related statements of changes in net assets available for benefits and of changes in plan benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial status of Glass Control, Inc. Employee Benefit Trust as of November 30, 2024 and 2023, and the changes in its financial status for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter – Termination of Benefits and Subsequent Distribution

As discussed in Note 1 to the financial statements, Glass Control, Inc. Employee Benefit Trust (the Plan) ceased providing health and welfare benefits as of December 31, 2023, and entered a run-off period to pay outstanding claims. Our opinion is not modified with respect to this matter.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become to such participants.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatements of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held for investment purposes is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated in all material respects in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

1. Description of the Plan

The following description of Glass Control, Inc. Employee Benefit Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General – The Plan was established December 1, 1988. The Plan provides health and death benefits covering substantially all employees of the controlled group of corporations. Individual corporations within the group may choose to enter or leave the Plan on an annual basis. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Benefits – The Plan provides health benefits (hospital, surgical, and major medical), life insurance, and dental benefits, covering full time employees of the corporation who are regularly scheduled to work at least 30 hours per week. The Plan also provides benefits for dependents of qualified employees. The Plan allows for continuing coverage to be retired, terminated, and beneficiaries of qualified employees for up to 36 months provided that the premiums are paid by the participant. The Plan does not provide for any post-retirement benefits.

Contributions – Each corporation in the group will determine the percentage (if any) that the employee is required to pay for employee and dependent coverage.

The amount of contributions to be made is determined based on insurance information and historical claims analysis. Premiums charged per employee for the year ended November 30, 2024, were as follows: \$530 for employee-only, \$630 for employee and one child, \$925 for employee and children, \$1,050 for employee and spouse, and \$1,350 for employee and family coverage.

The Plan has contracted with an insurance carrier to provide specific and aggregate stop-loss coverage. Specific stop-loss coverage was \$95,000 per individual and aggregate coverage was \$1,000,000 during the year. The aggregate attachment point for the year was \$0. This coverage has been considered in calculating the Plan's contributions.

Termination – In the event of the termination of the Plan, the trustee shall determine the value of any assets of the trust fund remaining after providing for a reserve to cover any expenses incident to such termination and claims in progress. Distribution of such net amount shall be made in accordance with the trust agreement.

Effective December 31, 2023, the Plan terminated active health and welfare benefit coverage for all participants. As of that date, no new claims were incurred under the Plan. However, the Plan remained active through the end of the Plan year ended November 30, 2024, for the purpose of paying out remaining obligations related to claims incurred prior to the termination date. This includes claims that were pending or incurred but not reported (IBNR) as of December 31, 2023.

The Plan sponsor has not formally terminated the Plan for regulatory purposes; however, no further benefits will be provided beyond those associated with claims incurred prior to the termination date.

EMPLOYEE BENEFIT TRUST**

NOTES TO FINANCIAL STATEMENTS

All final claim obligations are expected to be resolved and paid by the end of the Plan year.

Tax Status – The Plan has been granted tax exempt status under the Internal Revenue Code Section 501(c)(9).

Uncertain Tax Positions – The Plan has adopted the “uncertain tax positions” provisions of accounting principles generally accepted in the United States of America. The primary tax position of the Plan is its filing status as a tax exempt entity. The Plan determined that it is more likely than not that its tax positions would be sustained upon examination by the Internal Revenue Service (IRS) or other State taxing authority.

The Plan is no longer subject to U.S. federal and state income tax examinations by federal taxing authorities for years before 2021. There were no penalties or interest related to income taxes recognized during the years ended November 30, 2024 and 2023.

2. Summary of Accounting Policies

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those estimates.

The Plan estimates benefit obligations based on actual payments made subsequent to the Plan’s fiscal year end. Those claims paid in December are reported as claims payable and those claims paid in January through April are reported as claims incurred but not reported on the Statement of Plan’s Benefit Obligations.

3. Accounts Receivable

Accounts receivable consists of the following:

	November 30,	
	2024	2023
Premiums	\$ 0	\$ 2,390

4. Plan Benefit Obligations

The employers participating in the Plan do not provide health insurance benefits to retired employees; therefore, no post-retirement benefit obligation is presented.

6. Subsequent Events

On February 3, 2025, the Plan Administrator notified all participating employers that residual Plan assets would be returned, as all outstanding claims and obligations of the Plan had been paid. At that time all participating employers received substantially remaining net assets. This payment was distributed to the contributing employers based on a weighted average allocation of each employer's December 2023 billed contributions. A residual amount remained in the Plan to cover final administrative fees and services related to the winding down of the Plan. These funds are expected to be disbursed during in 2025.

The Plan's management intends for these actions to conclude all financial activity of the Plan, pending any final administrative or regulatory requirements.

The Plan's management has evaluated subsequent events through July 21, 2025, the date which the financial statements were available for issue.
