Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **ERWIN & COMPANY PA**

(2) EIN: **71-0603587**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?	X		8000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
l Has the plan failed to provide any benefit when due under the plan?		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.

Independent Auditor's Report

To the Audit and Retirement Committees
The FAME Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The FAME Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

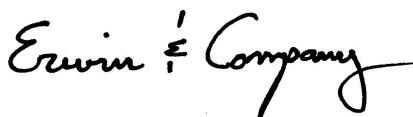

Other Matters – Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at the end of the year as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

aTHE FAME PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

(1) DESCRIPTION OF THE PLAN:

The following brief description of The FAME Plan (Plan) is provided for general information purposes only. Participants should refer to the plan agreement for more complete information. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

General -

The Plan is a contributory, defined contribution plan adopted by the sponsor, The Farmers and Merchants Bankshares, Inc. (Company), effective January 1, 2012. The Farmers and Merchants Bancshares, Inc. Employee Stock Ownership Plan (ESOP) was amended and restated effective January 1, 2012 to remove 401(k) provisions. As a result, all participant account balances and assets related to elective deferral, safe harbor, and matching sources were transferred from the ESOP to the Plan. The Plan was amended and restated effective December 1, 2023 in connection with a change in custodian and third-party recordkeeper.

Beginning January 1, 2024, all employees of the Company and its wholly owned subsidiary, The Farmers and Merchants Bank (Bank), are eligible to participate in the Plan after 30 days if regularly scheduled to work at least 1,000 hours in a 12-month period and are age 18 or older. Prior to January 1, 2024, employees were eligible to participate in the Plan on the first January 1 or July 1 following the date they attained 18 years of age and completed one year of service, as defined by the Plan.

A Committee appointed by the Company's board of directors is responsible for the operation and administration of the Plan, including determining the appropriateness of the Plan's investments and monitoring investment performance.

Contributions -

The Plan permits participant elective deferral contributions up to the maximum amount allowed under the Internal Revenue Code. All eligible employees receive a safe harbor non-elective employer contribution of 3% of compensation, as defined by the Plan. At its discretion, the Company may make matching contributions with respect to participant elective deferrals. During 2024, the Company made discretionary matching contributions of 25% of elective deferrals up to a maximum of 4% of eligible compensation. The Plan also permits rollover and catch-up contributions.

The Plan provides that, at the direction of participants, contributions to the Plan will be invested in certain mutual funds or a guaranteed investment contract held by the Custodian, Principal Trust Company, a wholly owned subsidiary of Principal Financial Group, the third-party recordkeeper. Participants can also choose from multiple allocation models with varying risk profiles and tolerances.

(1) DESCRIPTION OF THE PLAN (continued):

Participant accounts -

Each participant's account is credited or charged with the participant's elective deferral contribution, if any, the Company safe harbor non-elective contribution, and the Company discretionary matching contributions, if any, Plan earnings and administrative expenses. Allocations of Plan earnings and administrative expenses are based on participant account balances or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting -

Participants are fully vested at all times with regard to their elective deferral and rollover contributions and Company safe harbor non-elective contributions. Participants become fully vested with regard to Company discretionary matching contributions after 5 years of service or upon death or disability.

Forfeitures -

The nonvested portion of a participant's account is forfeited upon termination of employment. Forfeited amounts are first used to reduce Plan administrative expenses and then used to reduce Company contributions. At December 31, 2024, forfeited nonvested accounts totaled \$913. At December 31, 2023, the Plan did not have any forfeited nonvested accounts. During 2024, the Plan did not use any forfeitures to reduce Plan administrative expenses.

Benefits paid to participants -

Participants who have attained 62 years of age may elect to withdraw part or all of their account balance. Payments of participant benefits upon retirement, disability, or death are in a lump sum.

Plan termination -

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, each participant would become fully vested with respect to their account.

Basis of accounting -

The accompanying financial statements and supplemental schedule have been prepared on the accrual basis of accounting. Under the accrual basis of accounting, additions to and deductions from net assets, other than benefit payments, together with the related assets and liabilities are recorded in the accounting period to which they apply, regardless of when the cash transaction occurred. Benefit payments are recorded upon distribution.

Estimates -

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the Plan's management to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Investment valuation and income recognition -

The Plan's investments, other than the fully benefit-responsive guaranteed investment contract, are reported at fair value as provided to the Plan by the record-keeper, Principal Financial Group. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of the Plan's mutual funds is based on quoted market prices representing the net asset value (NAV) of the units held by the Plan. The Plan's guaranteed investment contract is valued daily by Principal Life Insurance Company at contract value. Collective investment trust funds are carried at NAVs provided by the trustees of the funds based on the fair value of the underlying investments held by the funds, less liabilities. The NAV is used as a practical expedient to estimate fair value of collective investment trust funds.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments includes capital gain distributions as well as the Plan's realized and unrealized gains and losses on investments bought and sold as well as held during the year.

Administrative expenses -

Investment advisory fees for the Plan are paid by the Plan and are recorded in the accompanying statement of changes in net assets available for benefits as administrative expenses. Fees related to the administration of distributions to participants are charged directly to the participant's account and are included in administrative expenses. The Company pays a portion of the expenses of administering the Plan, including recordkeeping fees and provides the Plan with office space, equipment, and administrative personnel at no charge.

Subsequent events -

The Plan has evaluated subsequent events through August 22, 2025, the date these financial statements were available to be issued.

(3) RISKS AND UNCERTAINTIES:

Participants in the Plan may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that such changes in values of investment securities could occur in the near term and those changes could materially affect the participants' account balances and the amounts reported in the accompanying financial statements.

(4) DERIVATIVES:

The Plan has limited transactions that are governed by FASB ASC 815, *Derivatives and Hedging*. The Plan does not use derivatives for trading purposes. The Plan owns shares in various mutual funds and in a guaranteed investment contract and the investment managers of these funds or underlying investments may use derivatives for asset management and hedging purposes.

(5) INCOME TAX STATUS:

On June 30, 2020, the Internal Revenue Service (IRS) stated that, as then designed, the non-standardized pre-approved profit sharing plan adopted by the Company effective January 1, 2022 was in compliance with the applicable section of the Internal Revenue Code (IRC), and therefore, exempt from taxation. The Plan is required to operate in conformity with the IRC to maintain its tax-exempt qualification. Plan management believes the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there were no uncertain positions taken or expected to be taken. The Plan has not incurred or recognized any interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2021.

(6) INVESTMENTS:

The following is a summary of the Plan's investment information as of December 31, 2024 and 2023 and for the year ended December 31, 2024, included in the Plan's financial statements and supplemental schedule that was prepared by or derived from information prepared by Principal Trust Company, the Custodian of the Plan, and furnished to the Plan administrator. The Custodian has certified to the completeness and accuracy of this information in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

	<u>2024</u>	<u>2023</u>
Investments:		
Mutual funds	\$19,760,026	\$18,049,035
Guaranteed investment contract	199,534	-
Collective investment trust funds	-	567,729
Investment income:		
Net appreciation in fair value of investments	1,703,137	
Interest	9,747	
Dividends	466,740	

(7) GUARANTEED INVESTMENT CONTRACT:

The Plan invests in the Principal Fixed Income Guaranteed Option through a group annuity contract with Principal Life Insurance Company (PLIC). The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measurement attribute for fully benefit-responsive investment contracts since this is the amount received by participants for permitted transactions under the terms of the Plan. Contract value, as reported by PLIC, represents deposits made to the contract and earnings at a guaranteed interest rate less participant withdrawals, transfers, and administrative expenses. PLIC maintains the Plan's deposits in their general account and is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The performance of fair value of the securities in the general account is not used as a determinant of either interest crediting rates or discontinuance values and there are no specific securities in the general account that back the liabilities of the contract. The guaranteed interest rate is reviewed and set by PLIC semi-annually. The guaranteed minimum interest rate was 0.15% at December 31, 2024.

(7) GUARANTEED INVESTMENT CONTRACT (continued):

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are certain restrictions imposed by PLIC that may impact the ability to transact at contract value, such as premature termination of the contract with the Plan; however, there are no events that are probable of occurring that might limit the ability of the Plan to transact at contract value with PLIC and that also limits the ability of the Plan to transact at contract value with participants. Although certain events allow PLIC to terminate the contract, such as material breach of a contract provision, there are no events that would allow PLIC to terminate the contract and require the Plan sponsor to settle at an amount different than the contract value. PLIC is contractually obligated to repay the principal and guaranteed interest of the contract (contract value) to the Plan.

(8) FAIR VALUE MEASUREMENTS:

FASB ASC 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring and disclosing fair value under GAAP. The framework provides a fair value hierarchy based upon observable and non-observable inputs prioritized by the reliability of the assumptions used to measure fair value. The highest priority is given to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities in active markets; quoted prices for similar assets or liabilities in inactive markets; or inputs derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to determining the fair value measurement and reflect the entity's own assumptions about the assumptions market participants would use in pricing assets or liabilities.

Following is a description of the valuation methodologies used to value the Plan's assets measured at fair value:

Mutual funds are valued at the daily closing price quoted on the active market on which the funds are traded as reported by the fund. Mutual funds held by the Plan are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective investment trust funds are valued using the NAV provided daily by the trustees of the funds based on the fair value of the underlying investments held by the funds less liabilities.

The valuation methodologies described previously may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain assets or liabilities could result in a different fair value measurement at the reporting date.

(8) FAIR VALUE MEASUREMENTS (continued):

As of December 31, 2024 and 2023, the Plan's investments measured at fair value on a recurring basis by fair value hierarchy level were as follows:

<u>December 31, 2024</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$19,760,026</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 19,760,026</u>
<u>December 31, 2023</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$18,049,035</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 18,049,035</u>
Total assets in fair value hierarchy	18,049,035	-	-	18,049,035
Investment measured at NAV	<u>-</u>	<u>-</u>	<u>-</u>	<u>567,729</u>
Investment measured at fair value	<u>\$18,049,035</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 18,616,764</u>

Investments measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The amounts for investments measured at NAV are presented above to permit the reconciliation of the fair value hierarchy total to total investments at fair value presented in the statements of net assets available for benefits.

Investments measured at fair value based on NAV per share as a practical expedient as of December 31, 2023 consist of the Goldman Sachs Stable Value Collective Trust, a collective investment trust fund of Goldman Sachs Trust Company, N.A. The investment objective of the Goldman Sachs Stable Value Collective Trust is preservation of capital. During 2024, the collective investment trust fund was removed as an investment option and was replaced with a guaranteed investment contract. Units of the collective investment trust fund of the Plan were redeemed based upon the net asset value per unit of the trust, determined as of the end of each business day in accordance with the terms of the trust agreement. There were no significant participant redemption restrictions for the fund. There were no unfunded purchase commitments for the Plan's collective investment trust fund at December 31, 2023.

The Plan recognizes transfers into and out of levels at the end of the reporting period. There were no transfers between levels during the years ended December 31, 2024 and 2023.

Participants may initiate an unlimited number of redemptions or exchanges of mutual funds; however, these transactions may be restricted by the fund provider if such restriction is deemed necessary to halt or mitigate the effect of any abusive trading practices that may disrupt portfolio management strategies or harm fund performance.

(9) PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS:

During the year ended December 31, 2024, the Plan had investments in a guaranteed investment contract offered by Principal Trust Company, the Custodian of the Plan. The Plan paid \$8,106 to Principal Life Insurance Company for contract administration services provided to the Plan for the year ended December 31, 2024. The Plan paid \$49,284 to OneDigital Investment Advisors, which is a wholly owned subsidiary of OneDigital, Inc., for investment consulting services. These transactions are allowable party-in-interest transactions under ERISA.
