## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator  
401(k) Profit-Sharing Plan of VNA Care Network, Inc.  
Southborough, Massachusetts

### Scope and Nature of ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of 401(k) Profit-Sharing Plan of VNA Care Network, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for one year following the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

## Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE 1.     DESCRIPTION OF PLAN**

The following description of 401(k) Profit-Sharing Plan of VNA Care Network, Inc. (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan qualifying under section 401(k) of the Internal Revenue Code (the "Code") and covers eligible employees of VNA Care Network, Inc. (the "Employer"), and its affiliates, VNA Care Network Foundation, Inc.; VNA Care Hospice, Inc.; and VNA Care Advantage, Inc. (collectively, the "Association"). The Plan was adopted on January 1, 1989 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective January 1, 2022, the Plan was restated. There were no significant changes to the Plan as a result of the restatement.

Eligibility

All permissible employees of the Association who are at least 21 years of age are eligible to enroll in the Plan on their date of hire.

Contributions

Eligible participants may make contributions to the Plan through salary deferrals up to 100% of eligible compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The maximum amount that a participant may contribute is limited by the provisions of the Internal Revenue Code ("IRC").

Rollover contributions may be made by participants from certain other qualified plans described under certain sections of the IRC, as defined by the Plan.

Each year, the Employer's Board of Directors determines the amount of the Employer contributions to be paid to the Plan. For the period January 1, 2022 through December 31, 2022, the Employer made a contribution equal to 50% of the first 4% of an eligible participant's compensation, as defined by the Plan.

Participant accounts

Each participant's account is credited with the participant's contribution and allocations of the (a) Employer's contributions and (b) Plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**NOTE 1.      DESCRIPTION OF PLAN (CONTINUED)**

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Association's discretionary contribution portion of their accounts, plus actual earnings thereon, is based on years of continuous service (1 year of service is 1,000 hours) as follows:

| <u>Number of years of service</u> | <u>Vested percentage</u> |
|-----------------------------------|--------------------------|
| Less than 2                       | 0%                       |
| 2                                 | 20%                      |
| 3                                 | 40%                      |
| 4                                 | 60%                      |
| 5                                 | 80%                      |
| 6 or more                         | 100%                     |

A participant becomes immediately 100% vested in accounts derived from employer contributions and investment earnings upon death, disability, or attainment of normal retirement age (age 65).

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25% to 6.50% as of December 31, 2022, which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through weekly payroll deductions over a period not to exceed five years, except for loans to purchase a principal residence, which may be offered over a term of up to 15 years.

Payment of benefits

Participants may receive all or a portion of their account balance related to their pre-tax deferral if they terminate employment, become disabled, reach age 59-1/2 or on account of financial hardship, or reach normal retirement age (age 65), as defined in the IRC.

Benefits may be paid in the form of a lump sum, partial payments, installment payments or an income option under an annuity contract. The Plan allows for hardship withdrawals from a participant's elective deferral account.

A participant who terminates employment with a vested account balance of \$5,000 or less and does not elect to receive a distribution, will receive an involuntary cash-out distribution. If a participant's vested account balance is greater than \$1,000 but less than \$5,000, the vested balance will be rolled over into an individual retirement account, unless otherwise directed by the participant. If a participant's vested account balance is less than \$1,000, a lump-sum distribution will be made.

**NOTE 1. DESCRIPTION OF PLAN (CONTINUED)**

Forfeited accounts

Forfeited nonvested accounts totaled \$45,893 and \$41,118 as of December 31, 2022 and 2021, respectively. These accounts may be used to reduce future employer matching contributions or administrative expenses. During 2022, forfeitures were used to reduce employer matching contributions by \$41,284.

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of accounting

The accompanying financial statements were prepared on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United State of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets available for benefits at the date of the financial statements and changes in net assets available for benefits during the year. Accordingly, actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year such adjustments are determined.

Investment valuation and income recognition

The Plan's investments are held by Mutual of America Insurance Company ("MOA"), the custodian, and are stated at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan determines its valuation policies utilizing information provided by the custodian.

The investments in pooled separate accounts are valued at the net asset value (the "NAV") per unit, as determined by the custodian at year-end. The NAV is used as the practical expedient to estimate fair value and is based on the fair value of the underlying investment held by the fund, less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Investments valued at NAV used as the practical expedient are excluded from the fair value hierarchy.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

**401(k) PROFIT-SHARING PLAN OF VNA CARE NETWORK, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Association and are excluded from these financial statements. Fees related to the administration of benefit payments and notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses charged directly to participants are included in "Net depreciation in fair value of investments."

Subsequent events

The Plan has evaluated subsequent events through August 18, 2025, the date that the accompanying financial statements were available to be issued. There were no material subsequent events that required disclosure under Financial Accounting Standards Board Accounting Standards Codification 855 *Subsequent Events*.

The investment strategy for the pooled separate accounts is to investment directly in the mutual fund for which the pooled separate account was created to hold. Therefore, the pooled separate account is intended to provide the same risks and rewards as the mutual fund in which it is directly invested.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE 5. GUARANTEED INVESTMENT CONTRACT**

The Plan's investment at contract value consists of a traditional fully benefit-responsive guaranteed investment contract with MOA. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon by the issuer, but it may not be less than 1%.

The guaranteed investment contract does not permit termination prior to the scheduled maturity date.

Certain events could limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

**NOTE 6. RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE 7. PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investment options consist of accounts managed by MOA, the custodian, therefore, any transactions between the Plan and MOA qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of investments. Transactions related to notes receivable from participants are also party-in-interest transactions.

**NOTE 8. PLAN TERMINATION**

Although it has not expressed any intention to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Employer contributions.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE 9.     TAX STATUS**

The Employer has adopted a prototype plan which has received a favorable opinion letter from the Internal Revenue Service dated March 31, 2014. The Plan is required to operate in conformity with the IRC to maintain the exclusion from tax for Plan participants. Plan management believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

**NOTE 10.   OPERATIONAL ERRORS**

During the Plan year ended December 31, 2022, 2021, 2020, and 2019, the Plan Sponsor failed to follow plan provisions and did not correctly withhold employee deferrals or calculate employer matching contributions for certain employees. The Plan Sponsor computed the missed withholdings and lost earnings on these deferrals, and recorded an employer receivable of \$241,284 in the accompanying financial statements.

In addition, in prior years, certain employee deferrals to the Plan were remitted in error to the 403(b) Thrift Plan for Employees of VNA of Boston Foundation, Inc. (the "related plan"). The amounts due from the related plan totaled \$6,778 at December 31, 2022 and 2021, respectively.
