## **INDEPENDENT AUDITORS' REPORT AND ACCOUNTANTS' COMPILATION REPORT**

To the Plan Administrator of the  
Electrosoft Services, Inc. 401(k) Plan and its Participants:

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements**

We have performed an audit of the accompanying financial statements of the Electrosoft Services, Inc. 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2024 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2024 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section of our report—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2024 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2024 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Electrosoft Services, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2024 Financial Statements**

Management is responsible for the preparation and fair presentation of the 2024 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Electrosoft Services, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the 2024 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2024 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2024 financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Electrosoft Services, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Electrosoft Services, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

#### **Other Matter - 2024 Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for the purpose of additional analysis and is not a required part of the 2024 financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2024 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2024 financial statements or to the 2024 financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Report on Compiled 2023 Financial Statement**

Plan management is responsible for the accompanying 2023 financial statement of the Electrosoft Services, Inc. 401(k) Plan, which comprises the statement of net assets available for benefits as of December 31, 2023, and the related notes to the financial statement in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the 2023 financial statement.

## Notes to the Financial Statements As of December 31, 2024 and 2023 and For the Year Ended December 31, 2024

---

### 1. DESCRIPTION OF THE PLAN

The following description of the Electrosoft Services, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

#### **General**

The Plan is a defined contribution plan, which was established by Electrosoft Services, Inc. (the Company) effective July 1, 1997. The Plan covers all employees of the Company, as defined by the Plan, who have attained 21 years of age, excluding union employees, nonresident aliens, and leased employees. Employees are allowed to enter the Plan on the first day of the month coinciding with or following satisfaction of all eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was most recently amended October 7, 2022 to adopt Coronavirus Aid, Relief, and Economic Security (CARES) Act provisions applicable to the Plan.

#### **Participant Contributions**

Participants may contribute up to 100% of their eligible annual compensation, as defined by the Plan, not to exceed the maximum allowable contributions under the Internal Revenue Code (the Code), which totaled \$23,000 for the year ended December 31, 2024. Participants may also make Roth elective contributions. A participant's Roth elective contributions are allocated to a separate account maintained for such contributions. Participants who have attained age 50 before the end of the Plan year may make additional catch-up contributions, up to \$7,500, subject to limitations imposed by the Code. Participants are permitted to make rollover contributions to the Plan.

#### **Company Contributions**

The Company may, at its discretion, make matching contributions to the Plan on behalf of each eligible participant. The Company elected to match 50% of the first 8% of eligible compensation. All employees who are eligible to participate and make elective deferrals into the Plan are eligible to receive Company matching contributions. Company matching contributions are calculated and remitted each pay period. Company matching contributions, net of forfeitures, totaled \$454,599 for the year ended December 31, 2024.

The Company also has the right to make discretionary nonelective contributions. All participants are eligible to receive discretionary nonelective matching contributions. Participants are eligible to receive nonelective contributions in any Plan year that they have completed at least 500 hours of service and are employed by the Company on the last day of the Plan year. The Company did not make any discretionary nonelective contributions for the year ended December 31, 2024.

#### **Participant Accounts**

Each participant's account is participant-directed and is credited with the participant's contributions and Company contributions in accordance with the investment options selected by the participant. Plan earnings, losses, and administrative expenses are allocated to each participant's account based upon the balance in each account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

## Notes to the Financial Statements As of December 31, 2024 and 2023 and For the Year Ended December 31, 2024

---

### 1. DESCRIPTION OF THE PLAN – cont’d.

#### Notes Receivable from Participants

Participants may borrow up to 50% of their vested account balances, not to exceed \$50,000, without regard to the intended use of the funds. The minimum note amount is \$1,000 and only one note may be outstanding at a given time. The notes are collateralized by a participant’s vested account balance. Note repayments are to be made through payroll deductions each pay period with interest based on the prime rate as published by the Wall Street Journal at the time of note origination plus two percent. Notes for reasons other than the purchase of a primary residence are to be repaid within five years. Notes originated for the purchase of a primary residence are to be repaid within ten years.

#### Vesting

Participants are immediately vested in their contributions and earnings thereon. Participants become fully vested in all Company contributions upon the attainment of normal retirement age or in the event of death, disability, or termination of the Plan.

Participants become vested in discretionary matching and nonelective contributions, plus earnings thereon, according to the following vesting schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1	50%
2 or more	100%

#### Forfeitures

Forfeitures result from the non-vested portions of accounts of participants who terminate prior to being fully vested and are used to reduce future Company contributions to the Plan or pay administrative expenses. As of December 31, 2024, and 2023, forfeitures totaling \$16,084 and \$4,180, respectively were available to offset future Company matching contributions or pay administrative expenses. During the year ended December 31, 2024, forfeitures totaling \$32,176 were used to reduce Company matching contributions.

#### Payment of Benefits

Upon termination of service, death, disability, normal retirement (age 65) or attainment of age 59 ½, a participant or his or her beneficiary, in the event of death, is entitled to a distribution of his or her vested account balance. Distributions from the Plan are payable in the form of a lump sum payment or partial payments. Upon termination, if a participant’s account balance is less than \$7,000, the Plan administrator may elect to automatically distribute the participant’s vested account balance. Upon proof, to the satisfaction of the Plan administrator, of an immediate and heavy financial need, amounts contributed by the participant may be withdrawn for a hardship purpose. Distributions are subject to the applicable provisions of the Plan agreement. Certain income taxes and penalties may apply to withdrawals or distributions prior to age 59 ½. There were no net assets of the Plan allocated to the accounts of participants who had elected to withdraw from the Plan that had not received such distributions as of December 31, 2024 and 2023.

## Notes to the Financial Statements As of December 31, 2024 and 2023 and For the Year Ended December 31, 2024

---

### 1. DESCRIPTION OF THE PLAN – cont’d.

#### Plan Expenses

Expenses incurred in the administration of the Plan are required to be paid by the Trustee with assets of the Plan unless the Company, at its discretion, elects to pay them. During the year ended December 31, 2024, the Company paid a portion of direct expenses related to the Plan’s operations. The Plan paid direct expenses totaling \$1,075 during the year ended December 31, 2024.

Loan and distribution fees are paid by the Plan and its participants. Investment related expenses are included in net appreciation in fair value of investments.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Basis of Accounting

The accompanying financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principals generally accepted in the United States of America.

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

#### Risks and Uncertainties

The Plan provides for investments in assets that are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investment securities may occur in the near term that materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

#### Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### Fair Value Measurement

Accounting Standards Codification 820, *Fair Value Measurement* (ASC 820), defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

#### Fair Value Measurement – cont'd.

The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets' or liabilities' fair value measurement levels within the fair value hierarchy are based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

*Interest bearing cash:* Valued at amortized cost plus accrued interest, which approximates fair value.

*Interests in registered investment companies:* Valued at the closing price of shares held by the Plan at year end. Funds are traded on the active market.

*Interest in common/collective trust:* Valued using the net asset value (NAV) of units held by the Plan at year end as a practical expedient (NAV practical expedient).

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used as of December 31, 2024 and 2023.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

#### Fair Value Measurement – cont'd.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Interest bearing cash	\$ 16,084	\$ -	\$ -	\$ 16,084
Interests in registered investment companies	9,130,867	-	-	9,130,867
Total investments in the fair value hierarchy	9,146,951	-	-	9,146,951
Investments valued using the NAV practical expedient				
- interest in common/ collective trust (a)	N/A	N/A	N/A	27,923
Total Investments, at fair value	\$ 9,146,951	\$ -	\$ -	\$ 9,174,874

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Interest bearing cash	\$ 4,180	\$ -	\$ -	\$ 4,180
Interests in registered investment companies	6,728,202	-	-	6,728,202
Total investments in the fair value hierarchy	6,732,382	-	-	\$ 6,732,382
Investments valued using the NAV practical expedient				
- interest in common/ collective trust (a)	N/A	N/A	N/A	20,101
Total Investments, at fair value	\$ 6,732,382	\$ -	\$ -	\$ 6,752,483

- (a) In accordance with ASC 820-10, certain investments that were measured at net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont’d.

#### Fair Value Measurement – cont’d.

In accordance with the fair value measurement and disclosure guidance, the following table represents the category, fair value, redemption frequency, redemption notice period, and unfunded commitments for Plan investments, the fair value of which is estimated using NAV per share as practical expedient, as of December 31,:

	2024	2023	Redemption Frequency	Redemption Notice Period	Unfunded Commitments
Interest in common/collective trust (b)	\$ 27,923	\$ 20,101	Daily	Daily	None

(b) This fund invests in investment-grade fixed income securities such as asset-backed securities, bond funds, and guaranteed investment contracts to maintain the stability of a money market fund while delivering intermediate-bond-like return.

#### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes are treated as distributions based on the terms of the Plan agreement.

#### Payment of Benefits

Benefits are recorded when paid.

#### Subsequent Events

The Plan evaluated for disclosure any subsequent events through August 12, 2025, the date the financial statements were available to be issued, noting no events requiring disclosure.

### 3. INVESTMENTS

All investment information disclosed in the accompanying financial statements and supplemental schedule including assets held as of December 31, 2024, and 2023 and interest and dividend income and net appreciation in the fair value of investments for the year then ended, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Trustee of the Plan, Matrix Trust Company.

### 4. PARTY-IN-INTEREST TRANSACTIONS

The Plan loans funds to its participants according to the applicable provisions of the Plan agreement. The Company provides the Plan with certain accounting and administrative services for which no fees are charged. All such transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

### 5. INCOME TAX STATUS

The Plan operates under a pre-approved plan document which received a favorable opinion letter from the Internal Revenue Service dated November 30, 2020, stating that the Plan is qualified under Section 401(a) of the Code and therefore is exempt from taxation. Subsequent to the issuance of the favorable opinion letter, the Plan was amended and restated. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

ASC 740, *Income Taxes*, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties, and financial statement reporting disclosures. For these benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. As the Plan is tax exempt and has no unrelated business taxable income, the provisions of ASC 740 do not have an impact on the Plan's financial statements. The Plan recognizes interest and penalties accrued on any unrecognized tax exposures as a component of income tax expense. The Plan does not have any amounts accrued relating to interest and penalties as of December 31, 2024 and 2023.

The Plan is subject to routine audits by the IRS and Department of Labor; however, there are currently no audits in progress for any open periods.

### 6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

### 7. RECONCILIATION OF THE FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits reported on the financial statements to the Form 5500 as of December 31,:
