INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Gower Corporation, Inc. 401(k) Profit Sharing Plan
Greenville, South Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Gower Corporation 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from American Trust as of December 31, 2023 and for the period from January 1, 2024 through October 24, 2024, and Fidelity Management Trust Company Company as of December 31, 2024 and for the period from October 25, 2024 through December 31, 2024 stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

NOTE A. DESCRIPTION OF PLAN

The following description of the Gower Corporation (“Company” or “Plan Sponsor”) 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

1. *General* – The Plan is a defined contribution plan covering all employees (as defined) of the Company who have completed three months of service and are age eighteen or older. This Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and is considered a safe harbor 401(k) plan.
2. *Contributions* – Each year, participants may contribute up to the maximum amount allowed under IRS regulations. Participants also may contribute amounts representing distributions (“rollovers”) from other qualified defined benefit or defined contribution plans.

The Plan qualifies as a safe harbor plan as described by the Internal Revenue Code. The Company matches 100% of the first 3% of compensation deferred into the Plan and an additional 50% of the next 3% of compensation deferred (total of 4.5% match). The employer match is fully vested and is referred to as a Safe Harbor Contribution. All employer contributions (profit sharing and contribution matching) are invested for each participant in the same ratio as the participant has directed their own investments. Contribution decisions may be changed at any time by participants and are subject to certain limitations under the IRC. The Plan also provides for profit-sharing contributions by the Company, subject to vesting provisions described below, in an amount determined by the Board of Directors of the Company. The Company declared a profit-sharing contribution to the Plan of \$1,865,000 for the year ended December 31, 2023. No allowance for credit losses was deemed necessary as it relates to this contribution. The contribution was subsequently received during the year ending December 31, 2024.

3. *Participant Accounts* – Each participant’s account is credited with his or her contributions and allocations of (a) the Company’s profit-sharing contribution and (b) Plan earnings. Each participant’s account is charged with an allocation of Plan administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.
4. *Vesting* – Participants are vested immediately in their contributions and the Company’s matching contribution plus actual earnings thereon. Vesting in the Company’s profit-sharing contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested in the Company’s profit-sharing contribution portion after six years of credited service. (0% end of year one, 20% end of year two, 40% end of year three, 60% end of year four, etc). Upon death, disability, or attainment of retirement age or early retirement age (age 55 for the Plan), all Company contributions allocated to a participant’s account vest 100%.

Notes to Financial Statements

NOTE A. DESCRIPTION OF PLAN (continued)

5. *Investment Options* – Upon enrollment in the Plan, a participant may direct his or her contributions into mutual funds and a stable value fund offered by the Trustee, Fidelity Management Trust Company (formerly American Trust Company). Participants may change their investment options at any time by directly contacting the Plan Trustee via the internet or telephone.
6. *Loans and Withdrawals* – The Plan does not permit participant loans but does permit hardship withdrawals (as defined) from participants' contributions and earnings thereon.
7. *Payment of Benefits* – Upon termination of service, including death, disability, or retirement (normal or early), a participant or the participant's beneficiary, may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his account, or roll over the value of the participant's interest in his account to another qualified plan.
8. *Forfeitures* – Forfeited balances as of December 31, 2024 and 2023 totaled \$320,324 and \$90,335, respectively, and are included in investments in the accompanying statements of net assets available for benefits. Forfeitures are able to be used to reduce Company contributions or pay reasonable Plan expenses. During the year ended December 31, 2024, forfeitures were used to offset \$80,098 of Plan expenses.

NOTE B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. *Basis of Accounting* – The financial statements of the Plan are prepared using the accrual method of accounting.
2. *Estimates* – The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.
3. *Cash Equivalents* – Cash equivalents are primarily investments in the Federated Prime Obligations Fund, the underlying assets of which are highly liquid United States government obligations. The fair value of cash equivalents approximates cost.
4. *Investment Valuation and Income Recognition* – The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note F for more information regarding fair value measurements.

The Plan purchases and sells securities (i.e., shares of mutual funds and the collective investment trust) through the Trustee. The Trustee records purchases and sales of investments in the Plan's investment accounts daily, based on information and/or contributions received from Plan participants and/or the Plan Sponsor.

Gower Corporation 401(k) Profit Sharing Plan
Notes to Financial Statements

NOTE B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

5. *Payment of Benefits* – Benefits paid to participants of the Plan are recorded by the Third-Party Administrator or Recordkeeper when paid.
6. *Administrative Expenses* – Administrative expenses of the Plan are paid by the Plan or the Company as provided in the Plan document and consist of trust management fees, compliance service fees, and other miscellaneous fees. Expenses paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation of fair value of investment presented in the accompanying statement of changes in net assets available for benefits.
7. *Uncertain Tax Positions* – The Plan evaluates all significant tax positions as required by generally accepted accounting principles in the United States. As of December 31, 2024, the Plan does not believe that it has taken any tax positions that would require the recording of any additional tax liability nor does it believe that there are any unrealized tax benefits that would either increase or decrease within the next twelve months.

NOTE C. RECORDKEEPING AND PARTICIPANT ACCOUNTS

The Plan Sponsor engaged American Trust Company, Inc. as trustee of the Plan and recordkeeper of the Plan's assets and transactions of the Plan for the year ended December 31, 2023 and through October 24, 2024. The Plan Sponsor then engaged Fidelity Management Trust Company as trustee and recordkeeper for the period of October 25, 2024 through December 31, 2024 (collectively, the "Trustee" and "Recordkeeper"). As such, the Recordkeeper maintains all financial information regarding the Plan and participant accounts. All Plan earnings, contributions, and deductions are posted to the Plan's records, including participant records, by the Recordkeeper.

The Recordkeeper provides information to the Plan participants regarding transactions and balances in their accounts quarterly. The information is available at any time to the participants via internet or telephone. The Recordkeeper posts participant and Company contributions to a participant's account based on information received from the Company. The allocation of the contributions to the appropriate investment options, or transfers of investment amounts is participant directed and can be initiated directly with the Trustee via internet or telephone.

Plan withdrawals are initiated through the Plan Administrator, located at the Plan Sponsor, but benefit payments are made directly to the participants by the Trustee. The Plan Administrator also notifies the Trustee of deaths, disabilities, retirements, or terminations of participants.

NOTE D. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the Trustee for the years ended December 31:

	<u>2024</u>	<u>2023</u>
Investments:		
Cash equivalents	\$ -	\$ 28,936
Collective investment trust	7,481,013	4,267,035
Mutual funds	22,558,389	19,738,159

For the year ended December 31, 2024:

Net investment appreciation	\$ 2,064,884
Dividends	661,199
Interest income	3,994

NOTE E. COLLECTIVE INVESTMENT TRUSTS

For the period of January 1, 2023 through October 24, 2024, the Plan offered an investment option with the American Trust Company, through one of its divisions, the Unified Trust Company, N.A. Stable Value Group Trust, a collective investment trust, which had entered into a traditional fully benefit-responsive guaranteed investment contract with the Metropolitan Life Insurance Company (“MetLife”) for a portion of its investment holdings. MetLife maintains the contributions in a MetLife separate account, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract provides that participants execute Plan transactions at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may direct the withdrawal or transfer of all or a portion of their investment at contract value.

MetLife was contractually obligated to pay the principal and specified interest rate that was guaranteed to the Plan. The crediting interest rate was based on a formula agreed upon with the issuer but may not be less than 0%. Such interest rates were reviewed on a quarterly basis for resetting. The crediting rate of the contract reflected the performance of the underlying portfolio.

The Plan’s ability to receive amounts due was dependent on the issuer’s (MetLife’s) ability to meet its financial obligations.

Gower Corporation 401(k) Profit Sharing Plan
Notes to Financial Statements

NOTE E. COLLECTIVE INVESTMENT TRUSTS (continued)

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan (including complete or partial Plan termination or merger with another plan), (2) bankruptcy of the Plan sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan, (3) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, and (4) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.

For the period of October 24, 2024 through December 31, 2024, the Plan offered investment options with the Great Gray Trust Company and Reliance Trust Company, both collective investment trusts, which had entered into a traditional fully benefit-responsive guaranteed investment contract with the Metropolitan Life Insurance Company ("MetLife") for a portion of its investment holdings. MetLife maintains the contributions in a MetLife separate account, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract provides that participants execute Plan transactions at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may direct the withdrawal or transfer of all or a portion of their investment at contract value.

MetLife is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 0%. Such interest rates are reviewed on a quarterly basis for resetting. The crediting rate of the contract reflects the performance of the underlying portfolio.

The Plan's ability to receive amounts due is dependent on the issuer's (MetLife's) ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

NOTE F. FAIR VALUE MEASUREMENTS

Accounting Standards Codification (“ASC”) 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023.

Mutual funds: Mutual funds are publicly traded investments and are valued daily at the closing price reported on the active market on which the funds are traded.

Collective investment trust: The collective investment trust is valued at net asset value (“NAV”) as provided by the administrators of the fund. NAV is used as the practical expedient to estimate fair value. The NAV is based on the value of the underlying assets of the fund, less liabilities, and then divided by the number of units outstanding.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate, and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**Gower Corporation 401(k) Profit Sharing Plan
Notes to Financial Statements**

NOTE F. FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

<u>Investment Category</u>	<u>Fair Value</u>	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>
Mutual funds	\$ 22,558,389	\$ 22,558,389	\$ -	\$ -
Total, in fair value hierarchy	22,558,389	<u>\$ 22,558,389</u>	<u>\$ -</u>	<u>\$ -</u>
Collective investment trust at NAV ⁽¹⁾	<u>7,481,013</u>			
Total	<u>\$ 30,039,402</u>			

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

<u>Investment Category</u>	<u>Fair Value</u>	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>
Mutual funds	\$ 19,738,159	\$ 19,738,159	\$ -	\$ -
Total, in fair value hierarchy	19,738,159	<u>\$ 19,738,159</u>	<u>\$ -</u>	<u>\$ -</u>
Collective investment trust at NAV ⁽¹⁾	<u>4,267,035</u>			
Total	<u>\$ 24,005,194</u>			

⁽¹⁾ In accordance with FASB Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits. Such investments can be redeemed daily, do not have a redemption notice period, and there were no unfunded commitments.

NOTE G. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions to the Plan at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in all Company contributions and earnings credited to their accounts.

Gower Corporation 401(k) Profit Sharing Plan
Notes to Financial Statements

NOTE H. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Company provides certain administrative support to the Plan, including the funding of audit services for the Plan. The Company does not believe the costs of such services are significant.

Certain members of the Company's management perform administrative and fiduciary duties for the Plan that qualify them as parties-in-interest and/or related parties of the Plan. Transactions between such members of the Company's management and the Plan were routine in nature and conducted pursuant to the Plan's provisions as of and during the year ended December 31, 2024.

As described in Note C, American Trust Company and Fidelity Management Trust Company were the directed Trustee and Recordkeeper of the Plan for the year ended December 31, 2024. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. Total administrative expenses of \$82,454 were paid by the Plan during the year ended December 31, 2024. Such expenses were paid to American Trust Company and Fidelity Management Trust Company.

At December 31, 2023 and during the period ended October 24, 2024, a Plan investment consisted of a collective trust managed by Unified Trust Company, which is a division of American Trust Company, the Trustee of the Plan at that time as discussed in Note E.

NOTE I. TAX STATUS

The Plan is based on a standardized, prototype plan offered by the Trustee. The prototype plan obtained its determination letter from the Internal Revenue Service on June 30, 2020, stating that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan sponsor and Trustee believe that the Plan is designed and is currently operated in compliance with the applicable requirements of the IRC, to maintain its tax-exempt status.

NOTE J. SUBSEQUENT EVENTS

The Plan has evaluated events and transactions occurring subsequent to December 31, 2024 for items that should be recognized or disclosed in these financial statements. The evaluation was conducted through September 4, 2025, the date these financial statements were available to be issued. There were no subsequent events that required disclosure in these financial statements.
