The financial statements comprise the statements of net assets available for benefits as of December 31, 2024, and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of KK Employees Profit Sharing 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024, and 2023, and for the years then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of KK Employees Profit Sharing 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP), and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about KK Employees Profit Sharing 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or, when applicable, one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of KK Employees Profit Sharing 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about KK Employees Profit Sharing 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S.GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S.GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**KK EMPLOYEES PROFIT SHARING 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 1 - Description of Plan**

The following description of the KK Employees Profit Sharing Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

**General** - The Plan is a defined contribution plan, as adopted effective January 1, 1990 and restated effective January 1, 2022, covering all employees of KKHC, Inc. and two of its wholly owned subsidiaries, KK Integrated Logistics, Inc. and Norport, Inc., as well as Westside Warehousing of Wausau, LLC, which is an affiliate, (the “Company”), who have met the eligibility requirements and either elect to participate or are auto-enrolled into the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

**Contributions** - Participants may elect to contribute a portion of their compensation to the Plan, not to exceed the amount allowed by the Internal Revenue Service (“IRS”). Participants who have attained age 50 before the end of the plan year may make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans. The auto-enrollment provision states that all newly eligible employees are automatically enrolled in the Plan with a deferral rate of 3% unless they elect not to participate or elect a different deferral percentage. Unless another election is made by the participant, the automatic deferral amount increases by 1% to a maximum of 10% of compensation at the beginning of each plan year. All investments are participant directed. Participants may direct their contributions into various investment options offered by the Plan.

The Company may, at its discretion, make annual matching contributions to the Plan. Participants must be age 18 or older, completed a year of service with minimum of 1,000 hours, and be employed on the last day of the plan year to be eligible for the discretionary matching and profit-sharing contributions. For 2024 and 2023, the Company made discretionary matching contributions of 33% of the first 15% of eligible compensation contributed by the participant. The Company also made a profit sharing contribution of 4% of eligible compensation for 2024 and 2023.

**Participant Accounts** - Each participant’s account is credited with the participant’s contribution and an allocation of (a) the Company’s discretionary matching contribution, (b) the Company’s discretionary profit sharing contribution, and (c) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account balance.

**Vesting** - Participants are immediately vested in their voluntary contributions and rollover contributions, plus actual earnings thereon. Vesting in the Company’s discretionary matching contribution and profit sharing contributions are based on years of continuous service. A participant is 100% vested after six years of credited service.

**Participant Loans** - Participant loans are not allowed in this Plan.

**KK EMPLOYEES PROFIT SHARING 401(k) PLAN**  
NOTES TO FINANCIAL STATEMENTS - Continued  
DECEMBER 31, 2024 AND 2023

**NOTE 1 - Description of Plan - Continued**

**Payments of Benefits** - Upon a participant's attainment of normal retirement age (65), disability, termination of service, or death, the participant or their beneficiary is entitled to receive the value of his or her vested account balance in a lump-sum distribution, or partial withdrawals, as described in the Plan's provisions. Participants with account balances that do not exceed \$1,000 will be paid out in the form of a lump sum unless the participant elects another form of distribution. Participants with account balances that exceed \$1,000 but do not exceed \$5,000 will be rolled over into an individual retirement account unless the participant elects another form of distribution. The Plan also allows for in-service distributions of a participant's vested account balance upon reaching age 59 ½. Participants may withdraw their rollover contributions at any time.

**Administrative Expenses** - All administrative expenses may be paid out of the Plan unless paid by the Company. During 2024 and 2023, expenses were paid by both the Plan and the Company.

**Forfeited Accounts** - At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$10,040 and \$19,787, respectively. These amounts may be used to offset future Company contributions or plan expenses. During 2024 and 2023, employer contributions were reduced by \$26,419 and \$35,534 from forfeited nonvested accounts, respectively.

**NOTE 2 - Summary of Significant Accounting Policies**

A summary of the significant accounting policies applied in the preparation of the accompanying financial statements and supplemental schedule is as follows:

**Basis of Accounting and Presentation** - The financial statements of the Plan are prepared using the accrual method of accounting and are presented in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) as codified by the Financial Accounting Standards Board.

**Investment Valuation and Income Recognition** - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

**Contributions** - Contributions from Plan participants and the matching contributions from the Plan administrator are recorded in the year in which the employee contributions are withheld from compensation.

**Use of Estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**Payment of Benefits** - Benefits are recorded when paid.

**NOTE 2 - Summary of Significant Accounting Policies- Continued**

**Subsequent Events** - The Plan has evaluated subsequent events through August 25, 2025, the date which the financial statements were available to be issued.

**NOTE 3 - Concentrations**

The Plan's investments that represented 10 percent or more of the Plan's net assets available for benefits as of December 31, 2024 and 2023 are as follows:

	DECEMBER 31,	
	2024	2023
Flexpath Index Moderate Retire R1	\$ 945,964	\$ N/A
Flexpath Index Moderate 2035 R1	3,125,075	2,553,694
Flexpath Index Moderate 2045 R1	895,950	802,733
Flexpath Index Moderate 2025 R1	N/A	812,206

N/A Investment was not available as of the end of the Plan year.

**NOTE 4 - Fair Value Measurements**

The Plan has determined the fair value of certain assets in accordance with the provisions of U.S. GAAP, which provides a framework for measuring fair value under generally accepted accounting principles.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under U.S. GAAP are described as follows:

---

<b>Level 1</b>	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
----------------	---

---

<b>Level 2</b>	<p>Inputs to the valuation methodology include:</p> <ul style="list-style-type: none"> <li>• quoted prices for similar assets or liabilities in markets;</li> <li>• quoted prices for identical or similar assets or liabilities in inactive markets;</li> <li>• inputs other than quoted prices that are observable for the asset or liability;</li> <li>• inputs that are derived principally from or corroborated by observable market data by correlation or other means.</li> </ul>
----------------	--

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

\* In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

**Investments Measured Using the Net Asset Value per Share Practical Expedient**

The following tables summarize investments for which fair value is measured using the net asset value per share as a practical expedient as of December 31, 2024 and 2023, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

NOTES TO FINANCIAL STATEMENTS - Continued  
DECEMBER 31, 2024 AND 2023

**NOTE 5 - Information Certified by the Plan Trustee**

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedules, including investments held at December 31, 2024 and 2023, net appreciation in fair value of investments, and interest and dividends for the years ended December 31, 2024 and 2023, was obtained or derived from the information furnished to the plan administrator and certified as complete and accurate by Empower Retirement, LLC, the trustee of the Plan.

**NOTE 6 - Tax Status**

The Company became a participating employer in the Non-standardized Pre-approved Defined Contribution Prototype Plan and Trust effective January 1, 2022, and is relying on its opinion letter dated June 30, 2020. The Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (the "IRC"). The Plan had been amended since receiving the opinion letter. The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

**NOTE 7 - Transactions With Parties-in-Interest**

Certain Plan investments are managed by Empower Retirement, LLC. Empower Retirement, LLC is the trustee and recordkeeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees for legal and professional services rendered to the Plan may be paid for by the Company at its discretion. These transactions are not, however, considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

**NOTE 8 - Amounts Owed to Participants Withdrawing from the Plan**

There were no amounts owed to participants who had elected to withdraw from the Plan, but had not been paid as of December 31, 2024 and 2023.

**NOTE 9 - Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE 10 - Excessive Deferrals/Contributions**

For the years ended December 31, 2024 and 2023, some highly compensated participants had contributed in excess of the amounts that were allowed by the average deferred percentage (ADP) test. For the ADP test, the amounts totaled \$155 and \$253, respectively.

**NOTE 11 - Plan Termination**

Although it has not expressed intent to do so, the Company has the right under the Plan to discontinue its contribution at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts.
