Management, having determined it is permissible in the circumstances, has elected to have the audits of the Jain Farm Fresh Foods 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Jain Farm Fresh Foods 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Jain Farm Fresh Foods 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Jain Farm Fresh Foods 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Jain Farm Fresh Foods 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

JAIN FARM FRESH FOODS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

1. DESCRIPTION OF THE PLAN:

The following description of the Jain Farm Fresh Foods 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan covering all employees of Jain Farm Foods Fresh, Inc. (the "Company") who have twelve months of service and are age 18 or older. In June 2023 management approved the formation of the Plan effective January 1, 2023. In connection with the formation of the Plan all participant accounts and loan balances from the Jain America Holdings, Inc. 401(k) Profit Sharing Plan were transferred on November 20, 2023. A provision for the effective start date for elective deferrals was adopted beginning November 20, 2023 to coincide with the date all participant accounts could be transferred. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The plan sponsor is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance and reports to the Plan's Board of Trustees.

CONTRIBUTIONS

Each year participants may contribute up to the maximum allowed of pretax annual compensation, as defined in the Plan. Participants may elect to make Roth contributions with after-tax contributions. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contributions plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate in the Plan. Automatically enrolled participant have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The Company contributes 100% of the first 4% of base compensation and 75% deferrals up to 6% that a participant contributed to the Plan. Employer matching contributions are classified as safe harbor contributions and are available to employees who are at least 18 years old and have completed one year of service. During the year ended December 31, 2024 the Company made a \$281,255 matching contributions to the Plan. Contributions are subject to certain IRS limitations.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions and the Company's matching contributions as well as allocations of the Plan's earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

JAIN FARM FRESH FOODS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

1. DESCRIPTION OF THE PLAN: (Continued)

VESTING

Participants of the Plan are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service. A participant is also 100% vested upon retirement, disability or death if employed and fully vested in all safe harbor contributions.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loans bear interest at rates available for similar loans from commercial lending institutions as determined by the Plan administrator. Principal and interest are paid ratably through monthly payroll deductions. Loan processing fees are deducted from the borrowing participant's vested account.

PAYMENTS OF BENEFITS

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. If the vested balance in the terminated participant account is less than or equal to \$5,000, the balance will be automatically distributed. Balances between \$1,000 and \$5,000 will be rolled over to an individual retirement plan designated by the plan administrator.

In certain hardship situations, as described in the plan agreement, participants may withdraw part of their account balances while actively employed, but such withdrawals are limited to the amount dictated by the hardship. Participants' withdrawals are limited to deferred account balances and may not include any interest earned thereon.

FORFEITED ACCOUNTS

At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$1,097 and \$902, respectively. These accounts will be used to reduce future employer contributions or for administrative expense. Also In 2024, administrative expenses were reduced by \$0 from forfeited nonvested accounts.

2. SUMMARY OF ACCOUNTING POLICIES:

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

JAIN FARM FRESH FOODS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

2. SUMMARY OF ACCOUNTING POLICIES: (Continued)

USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

CONTRIBUTIONS

Contributions from Plan participants and the matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

JAIN FARM FRESH FOODS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

2. SUMMARY OF ACCOUNTING POLICIES: (Continued)

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through August 26, 2025, the date the financial statements were approved by management and were available to be issued.

3. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE:

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2024, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC (the trustee of the Plan).

4. FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to the access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair market value.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

JAIN FARM FRESH FOODS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

4. FAIR VALUE MEASUREMENTS: (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds – Valued at daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trust funds – Valued at net asset value of units of the collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily.

Fixed Annuity – Valued at net asset value of units of the annuity. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 1,414,698	\$ -	\$ -	\$ 1,414,698
Total assets in the fair value hierarchy	1,414,698	-	-	1,414,698
Investments measured at net asset value (a)	-	-	-	3,368,214
Investments at fair value	\$ 1,414,698	\$ -	\$ -	\$ 4,782,912

4. FAIR VALUE MEASUREMENTS: (Continued)

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 200,343	\$ -	\$ -	\$ 200,343

Investments measured at net asset value (a)	-	-	-	4,306,511
Investments at fair value	\$ -	\$ -	\$ -	\$ 4,506,854

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amount presented in this table are intended to permit reconciliation of the fair value hierarchy to the items presented in the statement of net assets available for benefits.

TRANSFERS BETWEEN LEVELS

For years ended December 31, 2024 and 2023 there were no significant transfers between Level 1 and Level 2 and no transfers in or out of Level 3.

INVESTMENTS MEASURED USING THE NET ASSET VALUE PER SHARE PRACTICAL

The following tables summarize investments for which fair value is measured using NAV per share practical expedient as of December 31, 2024 and 2023. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Common/collective trusts	<u>4,297,037</u>	N/A	Daily	Daily
	<u>\$ 4,306,511</u>			

5. RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS:

Certain plan investments are managed by Empower Trust Company, LLC. Empower Trust Company, LLC is the trustee and record keeper for the Plan, and therefore, these transactions qualify as party in interest transactions.

Empower Trust Company, LLC provides certain administrative services to the Plan pursuant to a master plan services agreement between the Company and Empower Trust Company, LLC. The Plan or plan sponsor may make payments to Empower Trust Company, LLC for administrative expenses. Fees incurred and paid directly by the Plan for investment management services were \$32,949 for the year ended December 31, 2024.

6. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

7. TAX STATUS:

The Company has adopted a Non-Standardized Pre-Approved Profit Sharing Plan with CODA which is subject to a favorable tax opinion letter from the IRS. The letter dated November 14, 2022, states that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

8. RISK AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risk factors such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
