Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **KAHN, LITWIN, RENZA & CO., LTD**

(2) EIN: **05-0409384**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?	X		350000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
l Has the plan failed to provide any benefit when due under the plan?		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.

Note A: Schedules not included with this supplemental data have been omitted because they are not applicable.

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
WHSCDA, Inc. 403(b) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the WHSCDA, Inc. 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statements of Net Assets Available for Plan Benefits as of December 31, 2024 and 2023, and the related Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion ~

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

WHSCDA, INC. 403(b) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2024 and 2023

1. Description of the Plan

The following description of the WHSCDA, Inc. 403(b) (the Plan) is intended to provide only general information regarding the Plan. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a participant directed defined contribution 403(b) plan covering substantially all the employees of the Woonsocket Head Start Child Development Association, Inc. (the Employer). Employees become eligible upon hire and can enter the Plan immediately. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan adoption agreement was restated effective January 1, 2019.

The Employer is also the Administrator of the Plan. As Administrator, the Employer maintains participant account records and instructs the custodian to execute transactions such as benefit payments to participants. Teachers Insurance and Annuity Association of America (TIAA) is the appointed custodian of the Plan. TIAA acts at the direction of the Plan Administrator regarding investments and changes in those investments.

Contributions

Participants may elect to contribute a percentage of their eligible compensation, not to exceed annual limitations as provided by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants with at least 15 years of service are permitted to make special Code Section 403(b) catch-up contributions. Participants may contribute amounts representing distributions from other qualified plans (rollover contributions).

Each year, the Employer contributes to the Plan a non-elective contribution computed as a percentage of all qualified participants' eligible compensation for the Plan year. This percentage was 4% for the year ended December 31, 2024. To be eligible for Employer contributions, an employee must have completed one year of service and worked 1,000 hours in the Plan year, as defined by the Plan, and attained the age of 21. In addition, the Employer contributes a non-elective 50% matching contribution not to exceed 6% of eligible compensation, as defined.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Employer's contribution, and their allocation of the Plan's earnings. The allocation of earnings and losses is performed based on individual participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

WHSCDA, INC. 403(b) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2024 and 2023

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon and employer contributions are vested as follows: 20% after one year of service, 40% after two years of service, 60% after three years of service, 80% after four years of service and 100% after five years of service.

Participant Notes Receivable

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan terms range from one to five years in one-year increments (up to 10 years for the purchase of the participants primary residence). The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rate as determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions.

Plan Loans

Plan loans may be issued as separate contracts by TIAA as contemplated under IRC Section 72(p)(5) and do not represent plan assets. These loans are collateralized using a participant's TIAA Traditional account balance in an amount equal to 110% of the outstanding loan balance. Participants could borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of his or her TIAA Traditional account balance subject to annuity contract and plan provisions. Loan terms range from one to five years in one-year increments (up to 10 years for the purchase of the participant's primary residence). Principal and interest are paid ratably by the participant to TIAA and each payment will reduce amounts collateralized by the borrowing participant's TIAA Traditional account balance. Plan loan balances outstanding from participants to TIAA were \$2,023 and \$5,335 as of December 31, 2024 and 2023, respectively.

Payment of Benefits

On termination of service, death, disability or retirement, a participant (or participant's beneficiary in the event of death) may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or installment payments over a period not to exceed the life expectancy of the participant or their beneficiary, if applicable. Upon termination of employment, if a participant's account is less than \$1,000, unless otherwise directed, the participant will receive an immediate cash-out of their vested account balance. Participants who have attained the age 59 ½ may withdraw all or a portion of their vested account balance while still employed.

Participants, by written notice, may request a hardship withdrawal from their accounts, subject to the limitations imposed by the Internal Revenue Code.

WHSCDA, INC. 403(b) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2024 and 2023

Forfeitures

Participants in the Plan who leave the employment of the Employer before completing five years of service forfeit the unvested portion of the non-elective Employer contributions to their accounts. Forfeitures may be used to reduce future Employer contributions or to pay administrative expenses. At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$17 and \$21,583, respectively. The Plan used \$70,543 of forfeitures to offset Employer contributions during 2024.

Plan Termination

The Employer expects to continue the Plan indefinitely. However, the Employer reserves the right to amend the Plan at any time and in any manner that it deems advisable, provided that no amendment shall have the effect of diverting Plan assets for purposes other than the exclusive benefit of the Plan participants and any Plan termination would be subject to the provisions of ERISA.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Valuation of Investments and Income Recognition

The Plan's investments are reported at fair value, except the fully benefit-responsive investments in insurance company general account, which are stated at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (Note 3). Contract value represents investments at cost plus accrued interest income less amounts withdrawn to pay benefits as discussed in Note 4. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisors and the custodian.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

WHSCDA, INC. 403(b) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2024 and 2023

Participant Notes Receivable

Participant notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Interest income on participant notes receivable is recorded when it is earned. A receivable is considered past due if payment has not been received within stated terms. Delinquent participant notes receivable are reclassified as distributions based on the terms of the Plan document.

Contributions

Participant and Employer contributions are recorded bi-weekly when the Employer remits the payroll deductions for investment into the funds.

Payment of Benefits

Benefits are recognized when paid to participants or their designated beneficiaries.

Administrative Expenses

Certain administrative expenses of the Plan are paid by the Employer, unless the Employer directs that the expenses be paid by the Plan. Expenses that are paid by the Employer are excluded from these financial statements. Investment management and recordkeeping fees are paid by the Plan through a reduction of investment income (net appreciation or depreciation) from the related investment fund.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Risk and Uncertainties

The Plan provides for various investment options with various investment objectives. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits.

The Plan held three and four investments that accounted for approximately 34% and 49% of total Plan investments at December 31, 2024 and 2023, respectively.

WHSCDA, INC. 403(b) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2024 and 2023

Financial Instruments with a Concentration of Credit Risk

The Plan's investments are held by a single custodian. The Plan's exposure to credit risk is associated with the outside trustee's non-performance of its fiduciary responsibilities relating to these amounts as specified in the agreements. Benefits provided by the Plan are not insured or guaranteed by the Pension Benefit Guaranty Corporation.

3. Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy and inputs to the valuation methodologies are described as follows:

Level 1 inputs are unadjusted quoted prices in active markets for identical assets the Plan has the ability to access.

Level 2 inputs are other than quoted prices in active markets that are observable either directly or indirectly for the asset. Such inputs are derived principally from or corroborated by observable market data by correlation or other means, over substantially the full contractual term of the asset, if applicable.

Level 3 inputs are unobservable and significant to the fair value measurement. Such inputs generally rely on the Plan's own assumptions about the assumptions that market participants would use in pricing the asset.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

WHSCDA, INC. 403(b) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2024 and 2023

The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Money Market Fund: The carrying amount of the money market fund is the deposit amount plus accrued interest, as determined according to stated terms.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Variable Annuities: Variable annuities include investments in CREF Accounts and TIAA Access Accounts. The CREF and TIAA Accounts are primarily valued using market quotations or prices obtained from independent pricing sources that may employ various pricing methods to value the investments including matrix pricing. These funds are required to publish their daily NAV and to transact at that price. Unit values are available at TIAA.org. Variable annuity contracts held by the Plan are deemed to be actively traded.

Pooled Separate Account: The pooled separate account represents the TIAA Real Estate Account (REA), which generally invests in real estate properties and real estate-related investments. The REA's value is principally derived from the market value of the underlying real estate holdings or other real estate-related investments. Real estate holdings are valued principally using external appraisals, which are estimates of property values based on a professional's opinion. The REA sometimes holds securities as well.

These are generally priced using values obtained from independent pricing sources. These funds are required to publish their daily NAV and to transact at that price. Unit values are available at TIAA.org. Accumulation units in the REA are available for transactions at the closing accumulation unit value on any day the NYSE is open for business. Transfers out of the REA are limited to one per calendar quarter. Although the underlying assets of the REA cannot be quickly sold and converted to liquid assets, the TIAA General Account provides the REA with a liquidity guarantee that ensures that the REA has funds available to meet participant redemption, transfer or cash withdrawal requests executed at quoted unit values.

WHSCDA, INC. 403(b) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2024 and 2023

Insurance Company General Account (Non Benefit-Responsive Portion): A fixed rate guaranteed annuity contract available as an investment option to Plan participants offered through a variety of contract types. Each contract is fully and unconditionally guaranteed by TIAA. The type of contract through which a participant invests determines the applicability of certain account features, such as the guaranteed minimum interest rate, additional interest declarations, the degree of liquidity of the participant’s account, and the options for receiving income upon retirement. Certain of the contracts are non-benefit-responsive (NBR), and accordingly, are reported at fair value, which approximate the contract value of accumulated cash contributions and interest credited to the contract, less any withdrawals.

When participants choose to allocate a portion of their retirement savings to the TIAA Traditional Annuity during the accumulation phase of the contract, their contributions purchase a specific amount of lifetime income based on the contractual rate schedule in effect at the time the premium is paid. The participant’s principal, plus a specified minimum rate of interest, is guaranteed by TIAA’s claim-paying ability. The TIAA Traditional Annuity also provides the potential for additional interest if declared by TIAA’s Board of Trustees. Additional interest, when declared, remains in effect for the declaration year, which begins each March 1 for accumulating annuities, and January 1 for lifetime payout annuities. Additional interest is not guaranteed for future years.

As of December 31, 2024 and 2023, the Plan’s investments reported at fair value in the accompanying Statements of Net Assets Available for Plan Benefits are as follows:

	2024	2023
<u>Level 1:</u>		
Money market fund	\$ 21,112	\$ 3,423
Mutual funds	836,260	33,253
Variable annuities	2,243,893	2,620,200
Pooled separate account	116,988	127,547
Total Level 1	3,218,253	2,784,423
 <u>Level 3:</u>		
Insurance company general account (NBR)	535,756	521,937
 Total investments at fair value	\$ 3,754,009	\$ 3,306,360

WHSCDA, INC. 403(b) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2024 and 2023

4. Insurance Company General Account (at contract value)

Investments held in the insurance company's general account (General Account) include the TIAA Traditional Annuity Fund (TIAA Traditional) which is comprised of certain fully benefit-responsive contracts. In addition, the General Account includes the Plan Loan Default Fund (PLDF) which is invested in a TIAA Traditional fully benefit-responsive contract.

TIAA Traditional is an unallocated fixed-annuity contract that is fully and unconditionally guaranteed and backed by the claims-paying ability by TIAA. TIAA Traditional provides a guarantee of principal, a guaranteed minimum rate of interest (generally a 3% crediting rate) and the potential for additional interest if declared by TIAA. Additional interest, when declared, remains in effect for the "declaration year," which begins each March 1. Additional interest is not guaranteed for future years. Contributions to a participant's account purchases a guaranteed amount of lifetime annuity income. When a participant's account in the TIAA Traditional is annuitized based on available options, the present value of the stream of payments is equal to the account balance. The subsequent stream of annuity payments occurs outside of the Plan and does not represent an obligation of the Plan.

In determining the rate of interest to be guaranteed for the upcoming 12-month period, TIAA considers the projected investment earnings, the current interest environment, its investment expense and a profit and risk component for the 12-month period. The funds do not have maturity dates or penalties for early withdrawals. Contract value represents contributions made under the contract plus interest at the contract rate, less funds used to pay termination benefits, in-service withdrawals and to pay for the insurance company's administrative expenses.

The PLDF represents plan assets held as collateral for plan loans on which participants have not made payments as agreed upon in the loan agreement and the loan has gone into default. The PLDF is maintained in TIAA's General Account until an event allows the participant to take a cash distribution at which time the outstanding loan is paid. The PLDF is reported at fair value by the insurance company and is valued at the outstanding defaulted loan balance plus accrued interest.

Certain events limit the Plan's ability to transact at contract value with TIAA. Such events include the following: amendments to the Plan documents, changes to Plan's prohibition on competing investment options or deletion of equity wash provisions, bankruptcy of the Plan Sponsor or other Plan Sponsor events that cause a significant withdrawal from the Plan, or the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974. The Plan Administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with Plan participants, is probable.

WHSCDA, INC. 403(b) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2024 and 2023

Fully benefit-responsive contracts have no liquidity restrictions except that immediate transfers cannot be made to competing investment options pursuant to the contract’s “equity wash” provisions, as defined in the Plan documents. The Plan’s ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer’s ability to meet its financial obligations. The issuer’s ability to meet its contractual obligations may be affected by future economic and regulatory developments.

The following table represents the Plan’s investment in the TIAA Traditional fully benefit-responsive contract, the average crediting rate and the range used to measure this instrument:

	Contract Value	Average Crediting Rate	Range
December 31, 2024	\$ 317,871	3.61%	3.61% - 5.25%
December 31, 2023	\$ 370,739	3.83%	3.81% - 6.00%

5. Income Tax Status

Final regulations under Section 403(b) were published by the Internal Revenue Service (IRS) on July 26, 2007. Under the regulations, a 403(b) plan sponsor by December 31, 2009 must have adopted a written plan intended to satisfy the requirements of Section 403(b) and the regulations effective as of January 1, 2009. The IRS is in the process of establishing pre-approved and individually designed plan programs under which a plan sponsor can obtain assurance that the written form of its plan satisfies Section 403(b). Transition relief will be provided to 403(b) plan sponsors who have made appropriate efforts to comply with the written plan requirement in the final regulations. The Plan Sponsor adopted a written plan effective January 1, 2009, which it believes satisfies the written plan requirement. The Plan Sponsor also believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Summary of Financial Data Certified by the Custodian

The following is a summary of financial information and data certified by the custodian, TIAA:

Statements of Net Assets Available for Plan Benefits at December 31, 2024 and 2023, except for liabilities, if any;

Investment income and interest income from participant notes receivable on the Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2024; and,

Investment information provided in the supplemental schedule, Schedule of Assets (Held at End of Year) at December 31, 2024.

7. Differences from Form 5500

Differences between the Annual Return/Report of Employee Benefit Plan, Form 5500, and these financial statements are a result of the Department of Labor (DOL) Field Assistance Bulletin 2009-02 (FAB) and the safe harbor regulations at 29 CFR 2510.3-2(f) that provide relief from reporting certain custodial accounts that meet the conditions of the FAB in the Plan's Form 5500. The Plan has elected to include these custodial accounts in its annual audited financial statements.

The following is a reconciliation of net assets available for plan benefits per the financial statements to the Form 5500:

	<u>2024</u>	<u>2023</u>
Net assets available for plan benefits per financial statements	\$ 4,123,329	\$ 3,715,084
Less pre-2009 net assets not included in Form 5500:		
Variable annuities	164,763	147,944

WHSCDA, INC. 403(b) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2024 and 2023

The following is a reconciliation of net increase per the financial statements for the year ended December 31, 2024 to the Form 5500:

Net increase per financial statements	\$ 408,245
Additions (deductions) not included in Form 5500:	
Net appreciation in fair value of investments	(42,213)
Benefits paid to participants	41,643
	<hr/>
Net increase per Form 5500	<u>\$ 407,675</u>

Certain other differences between the Form 5500 and these financial statements are the result of different classifications between line items.

8. Related Party and Party-in-Interest Transactions

Plan investments are held and managed by TIAA. TIAA is also the custodian for the Plan; therefore, these transactions qualify as party-in-interest transactions. Participant notes receivable also qualify as party-in-interest transactions.

9. Subsequent Events

Effective January 1, 2025, the Plan adopted a provision of the Setting Every Community Up for Retirement Enhancement Act of 2022 (SECURE) Act 2.0 allowing certain eligible participants to make increased catch-up elective deferrals, referred to as “super catch-up” contributions. Under this provision, the maximum catch-up deferral amount for participants between the ages of 60 and 63 increased from \$7,500 to \$11,250.

Effective July 1, 2025, the Plan was amended to allow for Roth elective deferrals, change the age requirement for Employer matching and Employer non-elective contributions from 21 to 18 years of age, and increase the limit for involuntary automatic rollover for account balances from \$1,000 to \$7,000.

Management has evaluated subsequent events through August 21, 2025, which is the date these financial statements were available to be issued.
