Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements (modified cash basis) and the supplementary schedules of 401(k) Profit Sharing Plan for Employees of Whole Family Health Center, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the Statements of Net Assets Available for Plan Benefits (modified cash basis) as of December 31, 2024 and 2023, and the related Statements of Changes in Net Assets Available for Plan Benefits (modified cash basis) for the years ended December 31, 2024 and 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of 401(k) Profit Sharing Plan for Employees of Whole Family Health Center, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan by Mutual of America Life Insurance Company that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets held are prepared and certified by Mutual of America Life Insurance Company in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from Mutual of America Life Insurance Company as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

INTEGRITY SERVICE EXPERIENCE

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).
- The audit as of and for the year ended December 31, 2022, was the Plan's initial audit.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 401(k) Profit Sharing Plan for Employees of Whole Family Health Center, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

As described in NOTE B, these financial statements and the supplementary schedules were prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

Matter of Emphasis

The year as of and for the year ended December 31, 2022, was the Plan's initial year to meet the requirement for audit.

Management's Responsibilities for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note B; this

includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in these circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, Plan management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 401(k) Profit Sharing Plan for Employees of Whole Family Health Center, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Plan management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risk of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence made by management, as well as evaluate the overall presentation of the financial statements.

Plan Administrator

401(k) Profit Sharing Plan for Employees of Whole Family Health Center, Inc.

Page 4

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 401(k) Profit Sharing Plan for Employees of Whole Family Health Center, Inc.'s internal controls. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 401(k) Profit Sharing Plan for Employees of Whole Family Health Center, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of modified cash basis of accounting which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplementary Schedules Required by ERISA

The supplementary schedules of Reportable Transactions and Assets Held for Investment Purposes (Modified Cash Basis) are presented for the purpose of additional analysis and are not a required part of the financial statements but are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedules, other than that agreed to or derived from certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the

financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplementary schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedules, we evaluated whether the supplementary schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedules, other than the information in the supplementary schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A - DESCRIPTION OF PLAN

The following description of 401(k) Profit Sharing Plan for Employees of Whole Family Health Center Inc. (the "Company") (the "Plan") Plan 001 provides only general information. Participants should refer to the Summary Plan Description or Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a single employer, self directed, 401(k) profit sharing defined contribution retirement plan covering substantially all eligible employees of the Company. The Plan was adopted on January 1, 2012, and was amended on several occasions, including March 1, 2020, to be a trustee profit sharing 401(k) salary deferred thrift plan. The Plan was amended subsequent to its establishment for technical changes due to changes in the IRS code. These changes had no significant functional effect on the Plan. The Plan was restated on December 1, 2016, to conform with the requirements of the Pension Protection Act (PPA) of 2006 and several other Federal law and rule changes described in Section 4 of Revenue Procedure 2005-66 as modified by Revenue Procedure 2007-44. This restatement also allowed the Plan participants to self-direct the investments of their respective Plan account. The Plan became participant directed as of December 1, 2016. The Plan was amended to comply with the Bipartisan Budget Act of 2018, effective as of March 1, 2020. The Plan reports under the name of "Employee Benefit Plan of Whole Family Health Center, Inc." on its U.S. Form 5500.

The Plan is intended to provide participants with future retirement benefit opportunities. The Plan is subject to the provisions of IRS Code Section 401(k), and allows for employee contributions. The Plan is also subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan administration

The administration of the Plan is the responsibility of the Company or the Company's designee. Specifically, the Trustees of the Plan are certain employees of the Company and other individuals designated by Plan sponsor (Whole Family Health Center, Inc., the "Company"). In addition, the Trustees have contracted Mutual of America Life Insurance Company ("Mutual of America"), as trustee/custodian and as a third party servicing agent, as the Plan's designated Servicing Agent and Administrator, for the years ended December 31, 2024 and 2023. Mutual of America accounts for individual participant information, prepares required reporting

and assists the Plan Trustees. The Trustee's have designated Mutual of America Life Insurance Company and subsidiaries as investment advisor, Trustee ("Trustee") and investment Custodian ("Custodian").

Contributions

An eligible participant's annual elective deferrals contributions may not exceed the lesser of 100 percent of the participant's compensation or \$23,000 for calendar year 2024 and \$22,500 for calendar year 2023. Eligible compensation included all employee compensation. Certain participants, age 50 and over, may contribute up to \$7,500 for 2024 and \$7,500 for 2023 more by taking advantage of "catch up" provisions now authorized by Federal law for the years ended December 31, 2024 and 2023, respectively. The Plan allows for "catch up" contributions under certain circumstances. Non-deferral contributions are not permitted. Roth deferrals are permitted. Rollover contributions are permitted.

New participants on or after March 1, 2020, are automatically enrolled in the Plan, after meeting eligibility criteria, to defer 2% of compensation unless changed by the participant.

The Plan also allows for matching contributions funded by the employer. Employer matching contributions are equal to 50% of the respective employees deferral. The maximum match is 5% of compensation. The participant's share of matching contributions is dependent upon the respective participant's salary deferral amount. For the years ended December 31, 2024 and 2023, the Company made matching contributions to the Plan.

Forfeitures

Forfeitures occurring during a Plan year are used to pay Plan administrative expenses or to reduce future employer contributions. For the years ended December 31, 2024 and 2023, the Plan forfeitures were \$5,298 and \$26,039, respectively. Also, for the years ended December 31, 2024 and 2023, the Plan allocated the following forfeiture amounts against Plan administrative costs or employer contributions, \$5,298 and \$26,039, respectively.

The Plan provides for automatic enrollment after the eligibility criteria are met with 2% deferral unless changed by the participant.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of the significant accounting policies used in the preparation of these financial statements:

Basis of accounting

401(k) Profit Sharing Plan for Employees of Whole Family Health Center, Inc. prepares its financial statements using the modified cash basis of accounting. Under this comprehensive basis of accounting, no provision has been made to record items which have been incurred but not paid or earned but not received. This includes items such as interest receivable.

Accordingly, the accompanying financial statements are not intended to present financial position or results of operations in conformity with accounting principles generally accepted in the United States of America.

Investments

The Plan's investments are stated at fair value. The values of each mutual fund are determined at the close of each business day on quoted or appraised market value. The cash portion is carried at cost. The Plan's investments are carried at fair value based on the fair value of the underlying securities in which the account is invested. The value of the accounts are expressed in units. The unit value is the dollar value of one unit and is determined at the close of each business day by dividing the value of the entire account by the total number of units in the account. Participant loans are valued at their outstanding balances, which approximates fair value. Purchases and

Investments, continued

sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded when received in accordance with the modified cash basis of accounting.

Concentration of credit risk

Securities maintained at Mutual of America may be insured through the SIPC (Securities Investor Protection Corporation) up to \$500,000 and then through excess SIPC coverage through a third party insurance company. These coverages provide asset protection in case these financial institutions fail financially, and cannot meet its obligations. It does not provide protection against market conditions and therefore may lose principal.

Income recognition

Transactions are accounted for using the transaction date. Realized gains or losses are determined on the basis of actual cost. Realized gains and losses are not separately reported as such information is not available. Interest and dividends are combined and reported. In accordance with the policy of stating investments at fair market value, any change in unrealized appreciation or depreciation for the year is recorded and combined with realized gains and losses on investments in the Statements of Changes in Net Assets Available for Plan Benefits. As such, both realized and unrealized gain/appreciation and loss/depreciation are recorded net and reflected as investment income (loss).

Interest revenue related to notes receivable from participants is recorded as it is collected.

Income tax status

The Plan has most recently adopted a Non-Standardized Pre-Approved Profit Sharing Plan with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service (IRS) on November 30, 2020, which stated that the Plan and the related trust are in accordance with applicable sections of the Internal Revenue Code.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Income tax status, continued

The Plan has been amended since receiving the determination letter. However, the Plan's counsel and the Plan's administrator believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore, believe that the Plan is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan's income tax returns for the past three (3) years are open and subject to examination by tax authorities, and may change upon examination.

Parties-in-interest transactions

Plan investments are managed by Mutual of America Life Insurance Company, a party-in-interest, which is the investment trustee/custodian as defined by the Plan. Certain administrative functions are performed by officers and employees of the Company. Other recordkeeping/ administrative functions are performed by Mutual of America Life Insurance Company, a third party servicing agent, contracted by the Plan Trustees. No Plan trustee officer or employee receives compensation from the Plan. Mutual of America Life Insurance Company and the employer are considered a party-in-interest.

Plan termination

Although the Company has not expressed any intent to do so, the Plan may be terminated at any time subject to the provisions of ERISA. Upon termination, all assets are to be distributed to vested Plan participants or their beneficiaries. In the event of such termination, participants would become 100% vested in their individual accounts.

Use of estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the statements of net assets available for Plan benefits and the changes in net assets available for Plan benefits during the reporting period. Actual results could differ from these estimates.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Fair value of financial instruments

FASB ASC 825-10-50-21 (formerly Financial Accounting Standards Board Statement No. 107), "Disclosures About Fair Value of Financial Instruments", requires disclosure of fair value information about financial instruments for which it is practicable to estimate that value. The carrying amounts of cash and money market accounts as well as the notes receivable from participants approximate fair value due to the short maturity of those instruments.

Subsequent events

Subsequent events have been evaluated through August 11, 2025, which is the date the financial statements were available to be issued.

NOTE C - MARKET RISK

The Plan's investments include mutual funds which invest in various investment securities and in various companies within various markets. All of the Plan's investments are recorded at fair market value in accordance with the reporting requirements governing the Plan. Net changes in asset value are reflected as net appreciation (depreciation) in fair value of investments. All such investments are subject to various market and economic risk factors as well as the national and global economies and it is at least reasonably possible that changes (gains or losses) in the values of investment securities will occur in the near term and that such changes could materially affect the participant's account balances and amounts reported in the Plan's financial statements and supplementary schedules.

NOTE D - FAIR VALUE MEASUREMENTS

Fair value measurements

FASB ASC 820-10-50-1 (formerly Financial Accounting Standards Board Statement No. 157), "Fair Value Measurements," establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level (1) inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. When available, the Plan measures fair value using Level (1) inputs. Level (2) inputs are based on inputs other than quoted prices within Level (1) that are observable for the asset either directly or indirectly; however, there were no Level (2) inputs available to the Plan. Level (3) inputs are unobservable and have the lowest priority, Level (3) inputs were only used when Level (1) or Level (2) were not available. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

The General Account (i.e. Interest Accumulation Account) has been analyzed and determined by the Trustee/Custodian to be a cash equivalent and therefore, not subject to the leveling requirements.

Level (1) fair value measurements

The fair value of mutual funds, if any, and mutual funds is based on quoted market value as of a date certain of the shares held by the Plan at year-end.

Gains and losses (realized and unrealized) included in changes of net assets available for benefits for the years ended December 31, 2024 and 2023, are reported as net realized and unrealized gains and losses of fair value of investments.

Level (3) fair value measurements

The value of notes receivable - participant loans is equal to the unpaid principal balance plus accrued but unpaid interest of the loans because the loans are collateralized by each respective participant's account balance. The notes receivable from participants are, however, recorded at the amount of outstanding principal at year-end.
