SKILLZ INC. 401(K) RETIREMENT SAVINGS PLAN

**FINANCIAL STATEMENTS AND
SUPPLEMENTAL SCHEDULES**

DECEMBER 31, 2023 AND 2022

Independent Auditor's Report

To the Trustees and Administrator
Skillz Inc. 401(k) Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Skillz Inc. 401(k) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Skillz Inc. 401(k) Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Skillz Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Skillz Inc. 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Skillz Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Assets (Held at End of Year) and of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived

from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SKILLZ INC. 401(k) RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN:

The Skillz Inc. 401(k) Retirement Savings Plan (the Plan) is a contributory, defined contribution plan formed effective January 1, 2017, for the benefit of the employees of Skillz Inc., dba Skillz.com (the Company). In connection with the Company's acquisition of another company, the acquired company employees became eligible to participate in the Plan effective January 1, 2022. Effective March 15, 2022, the acquired company's 401(k) plan was merged into the Skillz Inc. 401(k) Retirement Savings Plan.

The Plan is administered by the Company and effective October 1, 2019, the Plan assets are held in a trust and administered by Fidelity Management Trust Company (Fidelity). Prior to October 1, 2019, the Plan assets were held in trust by Reliance Trust, and the Plan was administered by ADP Retirement Services (ADP). The funds must be used for the exclusive benefit of Plan participants and their beneficiaries. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan includes a 401(k) feature whereby employees may contribute a portion of their pre or post tax compensation, as defined in the Plan and subject to statutory limitations. Catch-up contributions are permitted for those participants who are at least 50 years of age during the Plan year. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Beginning January 1, 2022, the Company match was established at 100% of the first 3% deferred by participants. Contributions of employee deferrals and the match are made with each payroll, and a match true-up is computed annually.

Employees are eligible for participation in deferrals and employer contributions upon attaining 21 years of age. If the employer makes a nonelective employer contribution, as, defined, the employee must be employed on the last day of the year and have earned at least 1,000 hours of service in that Plan year to receive an allocation of the contribution. There was no such nonelective contribution declared in respect of 2023 and 2022.

Each participant's account is credited with the participant's contribution, and allocations of the related matching contribution, if any, and net plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Effective October 1, 2019, participants are immediately vested in their voluntary contributions and the employer matching contribution, plus actual earnings thereon. If an employee terminated employment prior to October 1, 2019, the discretionary employer contribution is subject to a graded vesting schedule, with 100% vesting achieved after 6 years of service are earned. Unvested benefits of terminated participants are forfeited and used to reduce employer matching contributions or to pay administrative expenses of the Plan.

Note 1 – continued:

In addition to vesting, various corrections to deferrals and match may result in additional forfeitures. As of December 31, 2023 and 2022, the balance in the forfeitures account is \$28,185 and \$18,443, respectively, and \$0 was used in 2023 to pay expenses or fund the employer match.

Vested benefits are payable upon the retirement (normal retirement is defined as age 62), death, disability or termination of a participant. In-service withdrawals are permitted in cases of hardship, or upon the participant attaining age 59-1/2. In-service withdrawals of amounts rolled in from other plans are also permitted. In the event of termination of the Plan, the amounts in each participant's account shall be fully vested and nonforfeitable and shall be distributed upon liquidation of plan assets.

Employee contributions, employer matching contributions, if any, and earnings thereon are invested as directed by the participants. The investment options include various mutual funds. Participants may change their investment options at will.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES:**Valuation of investments-**

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Recognition of income and expenses-

The Plan records income and expenses on the accrual basis of accounting. In accordance with generally accepted accounting principles, benefits are recorded in the period paid. Purchases and sales of securities are recorded on a trade-date basis.

Net appreciation (depreciation) in fair value of investments represents the net increase (decrease) in the fair value of investments sold during the year or held at year-end over (1) the fair value of investments held at the prior year-end, or (2) the cost of investments acquired during the current year.

Certain administrative costs of the Plan are borne by the sponsor. In addition, the sponsor may provide services to the Plan for which the sponsor receives no compensation. The costs borne by the Plan include investment advisory fees, third party administration and other direct and indirect administrative costs. These costs are presented net of revenue sharing and other arrangements.

Notes receivable from participants-

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at the prime rate in effect at loan inception.

Note 2 – continued:

Principal and interest are paid through payroll deductions. Because of the adequate collateral at loan inception, no allowance for doubtful accounts is required.

Use of estimates-

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan's Administrator to make estimates and assumptions that affect the reported amounts of assets and net assets available for benefits at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

NOTE 3 - FAIR VALUE MEASUREMENTS:

Fair value is a market-based measurement determined based on assumptions that market participants would use in pricing an asset or liability. There are three levels, which prioritize the inputs used in measuring fair value as follows:

- Level 1: Observable market inputs such as quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: Observable market inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3: Unobservable inputs where there is little or no market data, which require the reporting entity to develop its own assumptions.

Following is a description of the valuation methodologies used for assets measured at fair value. There were no changes in valuation methodologies in 2023 and 2022.

Money market and mutual funds. Valued at the daily closing price as reported by the fund. Money market and mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Following is a summary of the valuation input levels used for plan investments measured at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<i>Total assets in the fair value hierarchy:</i>

NOTE 4 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE:

The Plan's current trustee is Fidelity Management Trust Company. The following information included in the accompanying 2023 and 2022 financial statements and supplemental schedule of assets (held at end of year) was obtained from data that has been prepared and certified to as complete and accurate by the trustee:

1. Value of investments as of December 31, 2023 and 2022,
2. Investment income (loss) earned for the year ended December 31, 2023,
3. Notes receivable from participants as of December 31, 2023 and 2022, and,
4. Interest income on notes receivable from participants for the year ended December 31, 2023.

NOTE 5 - FEDERAL INCOME TAXES:

The Plan has adopted a volume submitter plan created by Fidelity. The Internal Revenue Service has determined and informed Fidelity by a letter dated June 30, 2020, that the Plan is acceptable under section 401 of the Internal Revenue Code for use by employers for the benefit of their employees. Plan's management believes that the Plan is designed and currently being operated in compliance with the applicable IRC requirements. Therefore, the Plan's management believes that the Plan is qualified and the related trust was tax exempt as of the financial statement date.

There are no Internal Revenue Service examinations in progress; tax years of the Plan for 2020, 2021 and 2022 remain open for examination. See Note 9.

NOTE 6 - PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS:

Fidelity currently acts as trustee for investments of the Plan. In addition, Fidelity provides services, such as recordkeeping and preparation of the Form 5500. Therefore, transactions with Fidelity qualify as party-in-interest transactions.

NOTE 8 - RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statement of net assets available for benefits.

NOTE 9 - PLAN COMPLIANCE CONTINGENCY:

During Plan Years 2017 to 2021, the Plan operationally included bonuses in eligible compensation for purposes of determining employee deferrals and employer matching contributions although the written Plan terms excluded bonuses from such compensation. In June 2023, management of the Plan filed an application with the Internal Revenue Service Voluntary Correction Program (VCP) to propose correcting this error by conforming the Plan's written terms to the Plan's operational practice. The IRS informed the Plan in a letter dated May 8, 2025, that the proposed correction has been accepted.

NOTE 10 - SUBSEQUENT EVENTS:

Management has evaluated subsequent events through June 2, 2025, the date the financial statements were available to be issued.
