Independent Auditor's Report

To the Participants and Administrative Committee of the  
Schumacher Company, Inc. 401(K) Plan  
West Bridgewater, Massachusetts

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Schumacher Company, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Schumacher Company, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

## **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Schumacher Company, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Schumacher Company, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Schumacher Company, Inc. 401(k) Plan Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Schumacher Company, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedules Required by ERISA**

The supplemental schedule of Assets Held for Investment Purposes at End of year and Delinquent Participant Contributions at End of Year are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS - CONTINUED  
DECEMBER 31, 2024 AND 2023

Note A: PLAN DESCRIPTION

The following description of Schumacher Company, Inc. 401(K) Plan (the "Plan") provides only general information. Participants should refer to the Plan document and trust agreements for a more complete description of the Plan's provisions.

1) General: The Plan originated in January 2007 and is a defined contribution plan which incorporates the provision of Section 401(K) of the Internal Revenue Code. The Plan covers all employees who meet the eligibility requirements. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Participants should refer to the Plan agreement for more complete information.

2) Contributions: Each year, participants may elect to contribute up to 100% of eligible annual compensation, as defined in the Plan up to the maximum allowed by the Internal Revenue Service. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. The Company currently makes safe harbor matching contributions of 100% of the participant's elective deferral contributions up to 3% of eligible compensation, plus 50% of the participant's elective contributions over 3% but not over 5% of the participant's eligible compensation. In addition, the Company may make discretionary matching and profit-sharing contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

3) Participant Accounts: Each participant's account is credited with the participant's contribution and allocations of a) the Company's contribution and b) the Plan's earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

4) Vesting: Participants are immediately vested in their contributions and the Company's safe harbor contribution plus actual earnings thereon. Participants vesting in the Company's matching and discretionary profit-sharing contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. Participants are 20% vested after two years of service and 20% each subsequent year until 100% vested after six years.

5) Investment Options: Upon enrollment in the Plan, a participant may direct employee contributions in any of the diversified investment options chosen by the Plan administrator. The investment options are listed in the financial statements.

6) Notes Receivable from Participants: Eligible participants are allowed to apply for loans against a portion of their vested interest in the Plan. Loans are limited to the lesser of \$50,000 or 50% of the participant's vested balance. Interest is charged to the participant's outstanding loan balance at the prime rate plus 1%.

7) Payment of Benefits: Distributions for reasons other than death will be paid in a lump-sum amount equal to the participant's vested interest in their account. Distributions on account of death of the participant may be paid in the form of annuity over the life expectancy of the spouse, if so elected. In addition, hardship withdrawals are permitted if certain criteria are met. Hardship withdrawals require a suspension from contributions to the Plan for a period of six months after receipt of the distribution.

8) Plan Termination: The Company expects to continue the Plan indefinitely but reserves the right to amend or terminate the Plan at any time. In the event of a partial or complete termination of the Plan, each participant's account becomes fully vested.

part of these financial statements.

9) Forfeited Accounts: Forfeitures of terminated participants' nonvested accounts are all noted annually and can be used to restore previously forfeited balances, pay Plan expenses, reduce Company contributions or reallocate as an additional Company contribution. During the Plan year end December 31, 2024, additional contributions totaled \$4,216 which represents allocated forfeitures. As the Plan year ended December 31, 2024, unallocated forfeitures totaled \$9,120.

Note B: SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Net Change in Fair Value of Investments: The Plan presents in the statement of changes in net assets available for Plan benefits, the net change in the fair value of the investments, which consists of the realized gains or losses and the net unrealized increase (decrease) in those investments.

New Accounting Pronouncements: The Plan has considered all new accounting pronouncements issued by the Financial Accounting Standards Board or other standard setting bodies that do not require adoption until a future date and concludes that such pronouncements are not expected to have a material impact on the Plan's financial statements.

Payment of Benefits: Benefits are recorded when paid.

Expenses of the Plan: Certain expenses for maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to loans, distributions and contract administrative fees are charged directly to the participant's account and are included in the administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

The accompanying notes are an integral  
part of these financial statements.

SCHUMACHER COMPANY, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED  
DECEMBER 31, 2024 AND 2023

Note B: SUMMARY OF ACCOUNTING POLICIES - CONTINUED

Use of Estimates: The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Reclassification: Certain amounts in the Plan year 2023 financial statements have been reclassified to conform to the Plan year 2024 presentation, with no effect on the net assets available for benefits.

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value except for the group annuity contract disclosed in Note E. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of shares of mutual funds are recorded on a trade-date basis. The net appreciation (depreciation) in fair value of investment securities consists of the net change in unrealized appreciation (depreciation) and realized gains (losses) upon sale of investments. The net change in unrealized appreciation (depreciation) and realized gains (losses) upon sale are determined using the fair values as of the beginning of the year or the purchase price, if acquired since that date. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Risk and Uncertainties: The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for Plan benefits.

Note D: FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification 820, Fair Value Measurements and Disclosures, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs are based on quoted prices in markets that are not considered to be active for which all significant inputs are observable, either directly or indirectly. Level 3 valuations require inputs that are both significant and unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures the fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Level 1 Fair Value Measurements:

The fair value of mutual funds at December 31, 2024 and 2023 are based on quoted net asset values of the shares held by the Plan at year end.

Level 2 and 3 Fair Value Measurements:

At December 31, 2024 and 2023, there were no investments valued using these methodologies.

Common Collective Trusts:

Included in the common collective trusts' investments at December 31, 2024 is an investment in a stable value common collective trust fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the net present value of the issuer of the common collective trust. The net asset value is used as the practical expedient to estimate fair value. The practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value.

Note D: FAIR VALUE MEASUREMENTS – CONTINUED

Common Collective Trusts – Continued:

(1) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been included in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair market hierarchy to line items presented in the statements of net assets available for Plan benefits.

In accordance with guidance regarding the fair value measurements and disclosures for investments in certain entities that calculate net asset value per share (or its' equivalent), the category, fair value, redemption frequency, and redemption notice period for those assets whose fair value is estimated using the NAV per share as of December 31, 2024 and 2023, respectively, are disclosed.

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2024 and 2023, respectively.

NOTES TO FINANCIAL STATEMENTS - CONTINUED  
DECEMBER 31, 2024 AND 2023

Note D: FAIR VALUE MEASUREMENTS – CONTINUED

Common Collective Trusts – Continued:

a) The common trust funds invest primarily in equity and fixed income mutual funds with objectives of conservative, moderate and aggressive capital appreciation and fixed income.

Note E: GROUP ANNUITY CONTRACT

The Plan has entered into a traditional fully benefit-responsive group annuity contract, called Metlife Stable Value Fund 25053 Class 40, with Reliance Trust Company totaling \$78,074 for 2024 and \$220,973 for 2023. The insurance company maintains the contributions in a general account, which is credited with earnings and charged for participant withdrawals and administrative expenses.

The group annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed by the Plan. The credited rate is based on a formula established by the group annuity contract issuer and is reviewed on a quarterly basis for resetting. The average interest rate credited to participant accounts in 2024 and 2023 was 2.51% and 2.07%, respectively. The contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by the insurance company, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The accompanying notes are an integral part of these financial statements.

NOTES TO FINANCIAL STATEMENTS - CONTINUED  
DECEMBER 31, 2024 AND 2023

Note E: GROUP ANNUITY CONTRACT - CONTINUED

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include Plan termination and certain other sponsor-initiated events. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include if the issuer or the Plan declares a contribution cessation date upon written request to the other. The contribution cessation date should be specified in the request and be at least 90 days from the date of the request. If a contribution cessation date is not specified in the request, the contribution cessation date shall be the next business day on or after the 90th date after the date of the request received by the plan. After a contribution cessation date is declared: (a) no further contributions will be made to the group annuity contract and (b) no new participant annuity accounts will be established. The participants' annuity account value will be maintained until the payment commencement date.

Note F: OTHER INCOME

Included in other income in the statement of changes in net assets available for Plan benefits for the year ended December 31, 2024 are primarily sub transfer agent fees paid to the Plan in lieu of the third-party administrator. The sub transfer agent fees are used to pay eligible Plan expenses.

Note G: ADMINISTRATIVE EXPENSES

Administrative expenses for the year ended December 31, 2024 is comprised of recordkeeping, custodial and investment advisory and consulting fees. These expenses were incurred in connection with the administration of the Plan.

Note H: PARTY-IN-INTEREST TRANSACTIONS

The Plan sponsor provides certain accounting, administrative, and investment management services to the Plan for which no fees are charged. In addition, the Plan sponsor pays certain expenses in administering the Plan.

Several members of the board of trustees are currently participants in the Plan and an officer of the Company serves as the trustee and Plan administrator of this Plan.

Certain Plan investments are mutual funds and common collective trusts managed by Matrix Trust Company, trustee of the Plan; therefore, transactions involving these investments qualify as party-in-interest transactions.

Note I: INCOME TAX STATUS

The Internal Revenue Service has ruled that the Plan qualifies under Section 401(a) of the Internal Revenue Code (IRC) and is, therefore, not subject to tax under present income tax law. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The trustee is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

Note I: INCOME TAX STATUS - CONTINUED

The Plan evaluates all significant tax positions as required by generally accepted accounting principles in the United States. As of December 31, 2024, the Plan does not believe that it has taken any tax positions that would require the recording of any additional tax liability nor does it believe that there are any unrealized tax benefits that would either increase or decrease within the next twelve months. The Plan is subject to routine audits by various regulatory authorities; however, there are currently no audits for any tax periods in progress.

Note J: DELINQUENT PARTICIPANT CONTRIBUTIONS

During the Plan year ended December 31, 2024, the Plan Sponsor inadvertently failed to remit participant contributions to the trustee on a timely basis as required by Department of Labor's Regulation paragraph 2510.3-102. The Company is in the process of filing IRS Form 5330 to report and pay an excise tax with respect to the 2024 late remittances as required pursuant to Section 4975 of the Internal Revenue Code. In addition, the Plan Sponsor will pay an additional amount to the trustee to reflect foregone earnings that would have been credited to participants' accounts if the late remittances had been made on a timely basis. Such amounts are not material to the Plan's financial statements.

During the Plan year ended December 31, 2023, the Plan Sponsor inadvertently failed to remit participant contributions to the trustee on a timely basis as required by Department of Labor's Regulation paragraph 2510.3-102. During 2024, the Plan Sponsor filed IRS Form 5330 to report and pay an excise tax with respect to the 2023 late remittances as required pursuant to Section 4975 of the Internal Revenue Code. In addition, the Plan Sponsor paid an additional amount to the trustee to reflect foregone earnings that would have been credited to participants' accounts if the late remittances had been made on a timely basis. Such amounts are not material to the Plan's financial statements.
