INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
National Machine Group 401(k) Savings Plan
Stow, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of National Machine Group 401(k) Savings Plan Employee Benefit Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to

meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audits is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NATIONAL MACHINE GROUP 401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE 1 - DESCRIPTION OF PLAN

The following description of the National Machine Group 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Description

The Plan is a defined contribution plan covering employees of National Machine Company, National Aerospace Processing LLC, and Piglia Family Limited Partnership (the "Companies"). Effective January 1, 2023 the employees of Matco Aircraft Landing Systems, LLC are included in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Eligibility

All employees of the Companies are eligible to make elective deferrals into the Plan the first of the month following their date of hire. Effective January 1, 2024, the Plan was amended to exclude a class of employees, student co-ops/interns and student employees.

Contributions

The Plan provides for pre-tax contributions by participants through payroll deduction. At the first of the month subsequent to their service requirement, participants may contribute up to 100 percent of their eligible compensation as defined by the Plan subject to the Internal Revenue Code ("IRC") limitations.

Effective March 1, 2022 the plan was amended to include pre-tax Automatic Escalation of 1% annually until the deferral percentage reaches 10%, and annual Automatic Contribution provisions. Participants have thirty days to elect to contribute a different amount or not at all.

The Plan also allows for Roth 401(k) deferrals, which are subject to Federal income tax in the year of deferral.

The Companies elected to provide an employer match of 100 percent of eligible participant deferrals up to a maximum of 4 percent of a participant's eligible compensation. Participants are eligible for this contribution upon completion of one year of service and 1,000 hours worked.

The Companies may also make discretionary contributions as determined annually by the Board of Directors. No discretionary contributions were made for the years ended December 31, 2024 and 2023.

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan.

Forfeitures

Forfeitures are credited to the forfeiture reserve account upon the occurrence of a one-year break in service following a participant's termination of employment. Any amount in the forfeiture reserve account may be applied to Plan expenses or used to reduce various employer contributions. Forfeitures were used to reduce Plan expenses in the amounts of $36,392 and $34,074 for the years ending December 31, 2024 and 2023, respectively. At December 31, 2024 and 2023, forfeited non-vested accounts totaled $24,319 and $32,936, respectively.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of the Companies contribution and Plan earnings. Allocations are based on participant elections or default investment alternatives, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in their voluntary contributions, plus earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. Participants are partially vested after two years of credited service and are 100 percent vested after six years of credited service in the employer matching and fixed discretionary contributions.

Payment of Benefits

On termination of service, a participant may elect to receive installment payments over a period of time as more fully described in the Plan document or a lump-sum amount equal to the value of his or her account in accordance with Internal Revenue Service ("IRS") regulations. The participant also has the option of deferring payment until the normal retirement date. Effective March 1, 2022, balances of terminating participants of less than $5,000 are automatically distributed to a third-party IRA provider on the participants' behalf.

In the event of financial hardship, participants may apply to receive a distribution from their fund accounts, subject to IRS mandated rules for hardship withdrawals.

Notes Receivable from Participants

The Plan allows participants to apply for and obtain, from the balance of the participant's account, notes in an amount of no less than $1,000 and limited to 50 percent of the participant's vested account balance provided such notes do not exceed $50,000. The notes are secured by the balance in the participant's account and bear interest at Prime plus one-half percent at the time of the note. Effective March 1, 2022, new loans bear interest at the prime lending rate as reported by the Wall Street Journal. Payments of principal and interest are paid through payroll deductions and credited to the participant's account.

Notes are in default when payments are not made by the end of the calendar quarter following the quarter in which the payment was due, or the participant makes or furnishes any false representation or statement to the Plan. In the event of default, the entire outstanding note balance, consisting of the missed payments, remaining principal, and all accrued but unpaid interest, will remain as the participant's obligation. Participants have the opportunity to repay the loan or to resume current status by paying all missed payments. If distribution is or becomes available under the Plan, the participants vested balance will be offset by the outstanding loan balance and deemed a distribution as permitted by law.

Rollovers

Eligible employees and Plan participants may transfer eligible cash distributions from other eligible retirement plans into the Plan by a direct transfer from such other plan. Rollover contributions are subject to approval by the Plan Administrator.

Termination Provisions

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accounting records of the Plan are maintained on the accrual basis.

Use of Estimates

In preparing the Plan's financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of income and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value.

Gains and losses on investments that were purchased, sold or held during the year are included in net appreciation (depreciation) in fair value. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Fair Value of Financial Instruments

Fair value estimates are made at a specific point in time based on relevant market information about the financial instrument. These estimates are subjective in nature and involve uncertainties and matters of significant judgment and, therefore, cannot be determined with precision. Changes in assumptions could significantly affect the estimates.

Notes Receivable from Participants

The Plan allows loans in accordance with the Plan document. For reporting purposes, participant loans shall be classified as notes receivable from participants. In addition, notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest.

Payment of Benefits

Benefits are recorded when paid.

Administrative Fees

The Plan pays expenses incurred in the administration of the Plan, unless paid by the Company.

Subsequent Events

The Plan has evaluated subsequent events through August 20, 2025, the date the financial statements were available to be issued.

NOTE 3 - SUMMARY OF FINANCIAL DATA CERTIFIED BY TRUSTEE (UNAUDITED)

The following is a summary of unaudited information regarding the Plan, furnished to the Plan and included in the Plan's financial statements, which was prepared by T. Rowe Price (the "Trustee").

The Plan has obtained certifications from the Trustee as of and for the years ended December 31, 2024 and 2023, that such information is complete and accurate.

	2024	2023
Investments, at fair value	$ 38,961,968	$ 35,295,106
Notes receivable from participants	$ 577,234	$ 373,670
Dividend and interest income	$ 494,187	$ 715,359
Interest on notes receivable from participants	$ 32,439	$ 23,198
Net appreciation (depreciation) in fair value of investments	$ 4,223,056	$ 4,923,109

NOTE 4 - INVESTMENTS

The Trustee of the Plan is responsible for holding the Plan's assets and executing transactions therein. The Plan's investments are participant-directed accounts invested in mutual funds and a common/collective trust that are held by the Trustee.

NOTE 5 - FAIR VALUE

Fair value is a market-based measurement that is determined based on assumptions that market participants would use in pricing an asset or liability.

As a basis for considering such assumptions, the Plan uses a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1 – Observable inputs such as quoted prices in active markets;
- Level 2 – Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3 – Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions

Assets measured at fair value on a recurring basis as of December 31, 2024 and 2023 are as follows:

- Cash: Valued at cost.
- Mutual funds: Valued at the closing price reported on the active market on which the individual funds are traded.
- Common/collective trust: Valued at the net asset value (“NAV”) of the underlying investments held by the funds, less their liabilities. NAV is used as a practical expedient to estimate fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan invests in the T. Rowe Price Stable Value Fund (Class N). The Stable Value Fund is a common/collective trust that has entered into benefit-responsive guaranteed investment contracts and wrapper contracts with various financial institutions. Certain events may limit the ability of the Stable Value Fund to transact at reported fair value. These include Stable Value Fund administration amendments and changes, merger or consolidation of investors, group terminations or layoffs, implementation of an early retirement program, termination or partial termination of the Stable Value Fund, failure to meet certain tax qualifications, participant communications that are designed to influence participants to not invest in the Stable Value Fund, transfer to competing options without meeting the equity wash provisions of the Stable Value Fund, and Plan Sponsor withdrawals without the appropriate notice to the Stable Value Fund and/or issuer. The events described above that could result in the payment of benefits at market value rather than contract value, are not probable of occurring in the foreseeable future. Transactions (purchases and sales) of the Stable Value Fund may occur daily. The Plan has no future investment commitments or redemption requirements related to the Stable Value Fund as of December 31, 2024 and 2023.

Effective August 29, 2024, the Plan invests in the Harbor Capital Appreciation Collective Investment Trust (C3) Fund and the T. Rowe Price Retirement Blend (Trust A) series of funds. These are collective investment trust funds (CITs) / Common Trust Funds held within a proprietary collective investment trust. The Harbor Capital Trust Company, Inc. and T. Rowe Price serve as trustee and custodian for the funds, respectively. CITs are regulated by the Office of the Comptroller of the Currency and are subject to ERISA's fiduciary responsibility provisions. The Plan must maintain its qualified status to participate in these CITs. Transactions of these funds may occur daily, however significant or complete withdrawal of the investment by the Plan may require fifteen to thirty days' advance notice. There are no other investment commitments or redemption requirements related to these funds as of December 31, 2024.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	2024			
	Level 1	Level 2	Level 3	Total
Cash	$ 22	$ -	$ -	$ 22

Investments measured at net asset value:				
Common/Collective trust				2,039,545
Total investments at fair value				$ 35,295,106

NOTE 6 - TAX STATUS

The IRS has determined and informed T. Rowe Price Retirement Plan Services, Inc. the third party administrator of the Plan, by letter date August 19, 2020, that the Pre-Approved Defined Contribution Prototype Plan, which was adopted by the Plan on March 1, 2022, is qualified under Section 401 of the IRC and is exempt from tax under current income tax laws. The Prototype Plan has been amended since receiving the respective letters of opinion. However, the Plan Administrator is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status and believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan files the United States Federal Form 5500.

NOTE 7 - PARTY-IN-INTEREST

Certain Plan investments are managed by the Trustee as defined by the Plan and, therefore, these transactions are party-in-interest transactions.
