## **INDEPENDENT AUDITORS' REPORT**

To the Plan Administrator  
PFL Tech, Inc. Group Health Benefit Plan  
Livingston, Montana

### ***Opinion***

We have audited the financial statements of PFL Tech, Inc. Group Health Benefit Plan (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and plan benefit obligations of the Plan as of December 31, 2024 and 2023, and the changes in net assets available for benefits and plan benefit obligations for the years then ended in accordance with accounting principles generally accepted in the United States of America (GAAP).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

## **INDEPENDENT AUDITORS' REPORT**

(Continued)

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audits of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance, and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

**INDEPENDENT AUDITORS' REPORT**

(Continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

## NOTES TO THE FINANCIAL STATEMENTS

---

### 1. DESCRIPTION OF THE PLAN

The following description of PFL Tech, Inc. Group Health Benefit Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

**General** The Plan provides health and other benefits to eligible employees of PFL Tech, Inc. (the Company). It is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA), as amended. The Plan is a single-employer plan.

All full-time employees employed by the Company on a continuing and regular basis for at least 130 hours per month, as well as those classified as an administrator are eligible to participate in the Plan on the first day of the month after they have completed thirty days of service from their date of hire. An employee is not eligible while on active duty if that duty exceeds a period of 31 consecutive days.

**Benefits** The Plan provides health benefits (medical, hospital, major medical) to eligible full-time employees of the Company that are not in a class excluded from coverage and their dependents. Terminated employees, or their qualified beneficiaries, may elect to continue this coverage under the Consolidated Omnibus Budget Reconciliation Act of 1965 (COBRA) by paying required timely premiums.

**Contributions** In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. The Company makes contributions to the Plan as needed to fund claims in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Company on a pay-as-you-go basis.

**Payment of Benefits** The third-party claims processor disburses claim payments that are determined to be due to the person or assignee entitled thereto in accordance with provisions of the Plan. The Plan pays the third-party claims processor an administrative fee for these services.

**Stop Loss** The Plan has entered into a stop-loss insurance agreement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as aggregate exposure for all claims).

**Plan Termination** The Company may amend or terminate the Plan at any time subject to the provisions of the Plan and ERISA. No amendment or termination may discontinue or curtail the benefits that have accrued to any participant or beneficiary prior to the adoption of such amendment or termination. Upon termination of the Plan, all funds of the Plan shall be used to pay all benefits accrued under the Plan and to pay additional benefits for participants as determined by the Plan administrator. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

## 2. SIGNIFICANT ACCOUNTING POLICIES

**Basis of Accounting** The Plan uses the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

**Use of Estimates** The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Payment of Benefits** Premiums paid by either the Company or the trust are recorded as premium payments on the accompanying statements of changes in net assets available for benefits. Claims payments are recorded when paid by the third-party claims processor. Amounts due to claims processors that have not been reimbursed by the Plan are recorded as payable to claim administrators on the accompanying statements of net assets available for benefits.

**Expenses** The Plan pays administrative expenses that consist primarily of fees paid to third-party claims administrators and benefit administrators. These expenses are reported on the statements of changes in net assets available for benefits as administrative fees. All other administrative expenses, such as professional fees, are paid by the Company on behalf of the Plan and are excluded from these financial statements.

**Stop-Loss Coverage** Premiums for stop-loss insurance are included in insurance premiums paid on the accompanying statements of changes in net assets available for benefits. Stop-loss refunds for the years ended December 31, 2024 and 2023, totaling \$902,356 and \$33,067, respectively, have been netted with benefits paid to participants on the accompanying statements of changes in net assets.

**Rebates** Rebates are recorded as received by the Plan. They are presented with benefits paid to participants on the accompanying statements of changes in net assets available for benefits. Rebates for the years ended December 31, 2024 and 2023, amounted to \$119,894 and \$100,170, respectively.

**Reclassifications** Certain amounts in the December 31, 2023, financial statements have been reclassified for comparative purposes to conform to the presentation in the December 31, 2024, financial statements.

**Evaluation of Subsequent Events** The Plan has evaluated subsequent events through August 12, 2025, the date the financial statements were available to be issued.

## PFL Tech, Inc. Group Health Benefit Plan

### NOTES TO THE FINANCIAL STATEMENTS

(Continued)

---

#### 3. BENEFIT OBLIGATIONS

Plan benefit obligations for health claims incurred but not reported are estimated by management based on a claims lag report prepared by the Plan's third-party claims processor and actual claims reported subsequent to the Plan's year end.

The Plan's benefit obligations consist of amounts currently payable for health claims incurred but not reported for both active employees and separated employees who are participating through COBRA. The obligations will be funded by future participants, Company contributions, and stop-loss reimbursements.

#### 4. TAX STATUS

The tax status of the Plan is a nonexempt, welfare benefits trust. The Plan is not intended to be an exempt trust under *Internal Revenue Code* (IRC) Section 501(c)(9).

The Plan's policy is to evaluate the likelihood that its uncertain tax positions will prevail upon examination based on the extent to which those positions have substantial support with the IRC, regulations, revenue rulings, court decisions, and other evidence. It is the opinion of the Plan administrator that the Plan has no uncertain tax positions that would be subject to these standards; therefore, no provision for income taxes has been included in the Plan's financial statements.

#### 5. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan administrator is an employee of the Company. There are no transactions between these parties other than contributions to the Plan and normal benefit payments. The Plan paid insurance and administrative fees to the following service providers, which are considered party-in-interest transactions under ERISA:

December 31	Relationship	2024	2023
Allegiance Benefit Plan Management	Third-party administrator/claims processor	\$ 382,051	\$ 451,882
Alliant Insurance Group	Consulting	24,584	32,242
RX Benefits	Reporting	44	-
<b>Totals</b>		<b>\$ 406,679</b>	<b>\$ 484,124</b>

#### 6. MEDICARE PRESCRIPTION DRUG ACT

The Medicare Prescription Drug, Improvement, and Modernization Act of 2003, provides a prescription drug benefit under Medicare Part D, as well as a federal subsidy to sponsors of retiree health care benefit plans that provide a benefit that is at least actuarially equivalent to Medicare Part D.1. For single-employer plans, the Medicare subsidy amount is paid to the Company and does not flow into the Plan. The Company has not yet determined whether the benefits provided by its Plan are actuarially equivalent to Medicare Part D.1. In addition, the changes in benefit obligation do not reflect any amount associated with the Medicare subsidy because the Plan is not directly entitled to the Medicare subsidy.

### **NOTES TO THE FINANCIAL STATEMENTS**

(Continued)

#### **7. RISKS AND UNCERTAINTIES**

Due to uncertainties inherent in the estimation of the incurred but not reported claims, it is at least reasonably possible that changes to the estimate in the near term would be material to the financial statements.

#### **8. PLAN FUNDING**

The net assets available for benefits were underfunded in relation to benefit obligations during the current and prior years ended December 31, 2024 and 2023. The Company has contributed sufficient funding to the Plan, and intends to continue to contribute, to meet benefit obligations at the time claims have been reported and approved for payment.

#### **9. SUBSEQUENT EVENTS**

On July 7, 2025, the Company was acquired by Vomela Holdings, LLC through a merger transaction. The Company became a wholly owned subsidiary and continues to operate as a separate legal entity. As of the date the financial statements were available to be issued, no changes to the Plan's operations, benefit structure, or service providers had been announced or implemented. Management is currently evaluating the potential impact of the merger on the Plan, including any changes to governance, funding arrangements, or participant communications. The Plan will continue to operate in accordance with its governing documents and applicable regulations under ERISA.
