INDEPENDENT AUDITOR'S REPORT

To the Trustees and Participants of the
Greensfelder, Hemker & Gale, P.C. Profit-Sharing and 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of **Greensfelder, Hemker & Gale, P.C. Profit-Sharing and 401(k) Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **Greensfelder, Hemker & Gale, P.C. Profit-Sharing and 401(k) Plan's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes at year end is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 1 DESCRIPTION OF PLAN

The following description of the **Greensfelder, Hemker & Gale, P.C. Profit-Sharing and 401(k) Plan** (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all non-excluded employees of **Greensfelder, Hemker & Gale, P.C.** (the Company) who have one year of service and are age twenty-one or older. Excluded employees include union employees whose employment is governed by a collective bargaining agreement under which retirement benefits are subject of good faith bargaining and leased employees. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was restated effective January 1, 2016 and amended December 30, 2024.

Contributions

Participants can make deferred salary contributions ranging from 1% to 75% of eligible pay. Participants who are or will attain the age of 50 before the end of the year, may elect to defer additional amounts to the Plan. The Plan has adopted a cross-tested plan design wherein employer contributions, if any, are discretionary. Additionally, the amount of discretionary employer contributions may range from 0% to 12% of the eligible participants' pay for the Plan year reduced by forfeitures of terminated participants' non-vested accounts.

Participant Accounts

Each participant's salary deferral and rollover account are credited with the participant's contribution plus actual earnings thereon. Each participant's employer contribution account is credited with an allocation of the Company's contributions and Plan's earnings. Allocations of Company contributions are based on participant compensation. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

A participant's salary deferral and rollover accounts are 100% vested at all times. Vesting of a participant's employer contribution account is based on years of continuous service. A participant is 100% vested after five years of credited service or normal retirement or death. The Plan uses a graded vesting schedule as follows: 2 years – 20%, 3 years – 40%, 4 years – 60%, 5 years – 100%.

The vesting schedule is also in accordance with Internal Revenue Code Section 416 for the years the Plan is determined to be top-heavy.

Forfeited Accounts

Participants who terminate their employment and are less than 100% vested in their employer's contributions forfeit their non-vested portion. Forfeitures are retained by the Plan to reduce employer contributions. The Plan had cumulative forfeitures of non-vested accounts of \$20,905 and \$24,058 at December 31, 2024 and 2023, respectively. For the year ended December 31, 2024, forfeitures added from distributions of non-vested accounts were \$20,924. Forfeitures of \$24,077 were used to reduce employer contributions during 2024.

Investment Options

Participants may direct the investment of the contributions into various investment options under the Plan. The Plan currently offers various common and collective trust investment options for participants as well as self-managed accounts. Participants also have the option to make after-tax elective salary deferrals to a Roth 401(k). Participants may change their investment options at any time.

Notes to Financial Statements (Continued)

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

Except for the special rule for participants who are five percent owners and who have attained age 70½, a participant's vested amount of his or her individual account shall be paid in the form of a qualified joint and survivor annuity as soon as reasonable after the termination of service, death, disability, or attaining age sixty-five and retiring. Participants waiving the right to a qualified joint and survivor annuity shall be paid as a lump-sum distribution. Participants with less than \$1,000 invested in the Plan are required to take a lump-sum distribution.

Administration

The Company is responsible for the majority of the Plan's operating expenses. Mercer Trust Company acts as custodian for the Plan's assets and Voya Financial Partners acts as the recordkeeper for the Plan.

Transactions with Parties-in-Interest

Certain investments of the Plan were in funds managed by Mercer Trust Company, the custodian of the Plan and, therefore, related transactions qualify as party-in-interest transactions.

Legal, accounting, and other professional services were provided by parties-in-interest at reasonable and customary rates.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

The most significant estimate affecting the financial statements was the estimate of fair value. See Note 4.

Investments Valuation and Income Recognition

The Plan's investments are stated at fair value, except for the stable value fund accounts and a percentage of the collective trust funds which are reported at contract value and net asset value, respectively. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at measurement date. See Note 4 for a discussion of fair value measurements.

Unrealized appreciation or depreciation of investments held at year end and realized gains and losses on sales of investments during the year are determined based on fair values at the beginning of the year or purchase price if acquired during the year.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Company has evaluated subsequent events through August 6, 2025, the date which the financial statements were available to be issued, for possible recognition or disclosure in the financial statements. Refer to Note 5.

Notes to Financial Statements (Continued)

NOTE 3 INVESTMENTS

Investments

The Plan's investments (including gains and losses on investments bought and sold as well as held during the year) appreciated in value by \$10,658,579 for the year ended December 31, 2024.

The following represents significant concentrations held within the investment assets at December 31, 2024 and 2023:

	<u>December 31,</u>	
	<u>2024</u>	<u>2023</u>
Collective Trust Funds - Mercer		
Large-Cap Index Equity Fund	\$ 18,405,434	N/A
Stable Asset Return Fund	11,772,234	12,440,928

*N/A - The investment was not in excess of 10 percent of the Plan's net assets available for benefits.

Assets of the Plan are held by Mercer Trust Company. Investments are valued daily. The investment gains and losses, income and expenses are allocated to the participant's individual account based on the daily valuation.

Self-managed accounts are held by Charles Schwab and consist of accounts in which the participants may invest cash and cash equivalents, mutual funds, stock, and other securities. These investments are solely directed by the participants.

Investment Contracts at Contract Value

The Plan holds a stable asset return fund that invests in fixed income, fully benefit-responsive guaranteed investment contracts, synthetic investment contracts, and separate account guaranteed investment contracts in which an investment contract is issued by various insurance companies or financial services institutions. For the years ended December 31, 2024 and 2023, investment contracts valued at contract value were \$11,772,234 and \$12,440,928, respectively. Mercer Trust Company maintains contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer agrees to pay a stated interest over the term of the contract and repay principal at the end of its term.

This fund meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because it is the amount received by the participants if they were to initiate permitted transactions in terms of the Plan. Contract value as reported to the Plan by Mercer Trust Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Employer initiated events, if material, may affect the underlying economics of the investment contracts. These events include layoffs, plan termination, bankruptcy or reorganization, merger, early retirement incentive programs, tax disqualification of a trust or other events. The occurrence of one or more employer initiated events could limit the Plan's ability to transact at contract value with the issuers. Except for the employer initiated events above, the guaranteed investment contracts do not permit the issuers to terminate the agreement prior to the scheduled maturity date at an amount different from contract value. As of December 31, 2024, the Company does not believe that the occurrence of an event that would limit the ability of the Plan to transact at contract value with the issuers is probable.

Notes to Financial Statements (Continued)

NOTE 4 FAIR VALUE MEASUREMENTS

Financial accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 inputs) and the lowest priority to unobservable inputs (level 3 inputs). The three levels of the fair value hierarchy under the standards are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are significant unobservable inputs.

The asset or liabilities fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023:

- Collective trust funds – funds are valued using the net asset value (NAV) per unit as a practical expedient, the quoted prices in the active market or other significant observable inputs. Each unit is calculated using an equal pro rata interest in the net assets of each fund. The funds hold investments that fall in line with the investment's stated strategy.
- Self-managed accounts – valued on the basis of readily determinable market prices in actively traded markets held in the accounts at year-end.

The inputs or methodologies used for valuing investments may not be an indication for the risk associated with investing in those securities. Furthermore, the Plan believes its valuation methods are appropriate and consistent. The use of different methodologies or assumptions could result in a different fair value measurement at the reporting date.

Notes to Financial Statements (Continued)

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

The following is a summary of the inputs used, as of December 31, 2024 and 2023, involving the Plan's assets carried at fair value:

Description	Total	Fair Value Measurements at Reporting Date Using		
		(Level 1)	(Level 2)	(Level 3)
December 31, 2024				
Collective trust funds	\$ 4,856,360	3,572,321	1,283,964	75
Self-managed accounts	8,405,286	8,355,544	49,742	-
Investments measured at NAV				
Collective trust funds ^(a)	67,821,693	-	-	-
Total Investments at Fair Value	\$ 81,083,339	11,927,865	1,333,706	75
December 31, 2023				
Collective trust funds	\$ 12,158,829	10,848,502	1,310,252	75
Self-managed accounts	9,139,714	8,346,677	793,037	-
Investments measured at NAV				
Collective trust funds ^(a)	52,105,703	-	-	-
Total Investments at Fair Value	\$ 73,404,246	19,195,179	2,103,289	75

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Fair Value of Investments that Use Net Asset Value

The following table summarizes investments measured at fair value based on net asset value (NAV):

NOTE 5 PLAN MERGER

On February 1, 2024, the Company merged with Ulmer Berne LLP, which was then renamed UB Greensfelder, LLP. Effective January 1, 2025, the Plan was merged with and into the Ulmer & Berne, LLP Retirement/401K Plan and Trust (surviving Plan). The Plan's participants were eligible to contribute to the surviving Plan effective January 1, 2025. In May 2025, the Plan's assets were transferred to the surviving Plan and at that time the surviving Plan assumed all obligations and liabilities for benefits to the participants under the Plan with respect to such merger assets and discharges the Plan and its fiduciaries from such obligations and liabilities.

NOTE 6 TAX STATUS

The Plan obtained its latest determination letter on February 15, 2013, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Financial accounting standards for uncertain tax positions prohibit financial statement recognition of the impact of a tax position if the position is not "more likely than not" to be sustained on audit, based on the technical merits of the position. The Plan's Annual Return/Report of Employee Benefit Plan remains subject to examination by taxing authorities, generally for three years after they have been filed. As of August 6, 2025, no returns have been selected for examination.

NOTE 7 SUMMARY OF FINANCIAL DATA CERTIFIED BY THE CUSTODIAN

As permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator has elected to have Mercer Trust Company ("Mercer"), the Custodian of the Plan, certify as to the accuracy and completeness of the information at December 31, 2024 and 2023 and for the periods then included in the accompanying statements and instructed the Plan's independent accountants not to perform any auditing procedures with respect to such information.

Notes to Financial Statements (Continued)

NOTE 7 SUMMARY OF FINANCIAL DATA CERTIFIED BY THE CUSTODIAN (CONTINUED)

Accordingly, the following information was certified by Mercer Trust Company and was not subjected to any auditing procedures except for comparing such information with the related information contained in the accompanying statements:
