## Independent Auditor's Report

To the Trustees and Participants  
Signature Custom Cabinetry's Group Medical Plan  
Ephrata, Pennsylvania

### Opinion

We have audited the financial statements of Signature Custom Cabinetry's Group Medical Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and plan benefit obligations as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits and changes in plan benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and plan benefit obligations as of December 31, 2024 and 2023, and the changes in net assets available for benefits and plan benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

## **Responsibilities of Management for the Financial Statements (continued)**

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 and Schedule H, Line 4j - Schedule of Reportable Transactions for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## **Signature Custom Cabinetry's Group Medical Plan**

---

Notes to Financial Statements  
December 31, 2024 and 2023

### **Note 1 - Description of Plan**

The following description of the Signature Custom Cabinetry's Group Medical Plan (the Plan) provides only general information. Participants should refer to the plan agreement for more complete information.

#### **General**

The Plan is a self-insured health and welfare benefit plan that provides benefits to all full-time employees of Signature Custom Cabinetry, Inc. (the Company), as well as former employees electing coverage under the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) provisions. In order to be eligible for health insurance, the employee must be a full-time employee who works at least 30 hours per week. Benefits are also provided to dependents of these individuals who elect coverage on their behalf. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan is a member of Veris Benefits Consortium, LLC, which operates as a health insurance consortium under which the members negotiate and establish employee welfare benefit plans for their employees. Some expenses of the health plan are paid through the Veris Benefits Consortium, LLC Trust (the Trust). The employees are required to pay for a portion of the cost of the benefit.

#### **Contributions**

The Company shall contribute such amounts to the Plan as necessary for timely payment of all claims and administrative expenses of the Plan. The Company provides for stop loss insurance over a specified amount as per agreement with the reinsurance carrier, with the premiums being paid by funds deposited in the Plan. Employee contributions are determined on a fixed fee basis. The amount varies depending on the selection of individual or eligible dependent coverage.

#### **Benefits**

The Plan provides health (medical, hospital, surgical, and major medical) and prescription drug benefits to substantially all employees of the Company who meet the service requirements of the Plan and to their covered dependents. The Plan also provides continuation of certain benefits upon termination of employment through COBRA as defined in the plan document.

All health benefits are self-insured. These claims are currently processed through Capital Blue Cross.

The Company provides most health insurance benefits and pays the administrative fees incurred. The employees pay a portion of their health coverage based upon the coverage chosen through payroll deferrals.

The Plan also includes a medical deductible health reimbursement arrangement. All unused amounts are forfeited at the plan year end.

### **Note 2 - Summary of Significant Accounting Policies**

#### **Basis of Accounting**

The accompanying financial statements are prepared on the accrual basis of accounting.

## **Signature Custom Cabinetry's Group Medical Plan**

---

Notes to Financial Statements  
December 31, 2024 and 2023

### **Note 2 - Summary of Significant Accounting Policies (continued)**

#### **Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, plan benefit obligations and changes therein, claims incurred but not reported, claims payable, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### **Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Interest income is recorded on the accrual basis.

#### **Payment of Benefits**

Premiums paid by the Company or the Trust are recorded as insurance premiums in the accompanying statement of changes in net assets available for benefits when paid.

Claim payments are recorded when paid by the third-party claims processor.

#### **Stop Loss Insurance**

The Plan has a stop loss insurance arrangement whereby the stop loss insurance will cover the Plan's obligations for any plan participant's claims in excess of a fixed dollar amount (self-insured retention). The self-insured retention for the Company was \$80,000 and \$75,000 per covered person for the years ended December 31, 2024 and 2023, respectively. Stop loss refunds of \$915,663 and \$433,910 have been netted with claims paid in the accompanying statement of changes in net assets available for benefits for the years ended December 31, 2024 and 2023, respectively.

In addition, the Plan has an aggregate stop loss insurance arrangement whereby the aggregate stop loss insurance will cover the Plan's obligations if all claims exceed a fixed dollar amount. Premiums for stop loss insurance are included in insurance premiums in the accompanying statement of changes in net assets available for benefits.

#### **Plan Benefit Obligations**

Plan benefit obligations at December 31, 2024 and 2023 for health claims incurred by active participants, but not reported at that date are estimated by the Plan's actuary in accordance with accepted actuarial principles based on claims data provided by the Plan's third-party claims administrator. These amounts are paid by the Plan only if claims are submitted and approved for payment. Such estimated amounts are reported in the accompanying statement of plan benefit obligations. Due to the short-term nature of the reserve liability, time value of money was not used to discount future payments.

Notes to Financial Statements  
December 31, 2024 and 2023

### **Note 2 - Summary of Significant Accounting Policies (continued)**

#### **Administrative Expenses**

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party administrators and brokers. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Company on behalf of the Plan.

### **Note 3 - Plan Administration**

The Plan has entered into a service agreement with Capital Blue Cross to provide consulting and administrative services. Capital Blue Cross is responsible for determining eligibility of the claiming person, evaluating the validity of the claim, calculating the amount of the claim payable, if any, and issuing a check payable to the provider of services, or to the employee in accordance with the terms of the Plan. Capital Blue Cross charges a fee based on the number of employees participating in the Plan.

### **Note 4 - Fair Value Measurements**

The framework for measuring provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

## Signature Custom Cabinetry's Group Medical Plan

Notes to Financial Statements  
December 31, 2024 and 2023

### Note 4 - Fair Value Measurements (continued)

The following is a description of the valuation methodology used for assets measured at fair value. There has been no change in the methodology used at December 31, 2024 and 2023.

The interest-bearing cash account is valued at carry value, which approximates fair value.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

|                                  | Fair Value Measurements at December 31, 2024                               |  |  |           |
|----------------------------------|--|--|--|-----------|
|                                  | Quoted Prices<br>in Active<br>Markets for<br>Identical Assets<br>(Level 1) | Significant<br>Observable<br>Inputs<br>(Level 2) | Significant<br>Unobservable<br>Inputs<br>(Level 3) | Total     |
| Interest-bearing cash<br>account | \$ -   | \$ 38,221  | \$ -   | \$ 38,221 |

  

|                                  | Fair Value Measurements at December 31, 2023 |           |      |           |
|----------------------------------|--|-----------|------|-----------|
| Interest-bearing cash<br>account | \$ -   | \$ 76,899 | \$ - | \$ 76,899 |

### Note 5 - Tax Status

The Plan is funded through a nonqualified trust under Internal Revenue Code (IRC) 419(a). The Trust files Form 1041 U.S. Income Tax Return for Estates and Trusts. Plan management believes the Plan is being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the U.S. Federal, state, or local tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of, active employees, discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

## Signature Custom Cabinetry's Group Medical Plan

---

Notes to Financial Statements  
December 31, 2024 and 2023

### Note 7 - Risks and Uncertainties

The Plan invests in an interest-bearing cash account. Interest-bearing cash accounts are exposed to various risks such as interest rate, market, and credit risks. Due to the minimal level of risk associated with interest-bearing cash accounts, it is unlikely, but remotely possible that changes in the value of the investment will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

The actuarial present value of plan benefit obligations is reported based on certain assumptions, including level of past claims. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

### Note 8 - Related Party Transactions

Plan investments are managed by UMB Bank, the custodian of the Plan from July 5, 2023 through December 31, 2024. Prior to July 5, 2023, Univest Bank was the custodian. These transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management and custody services are immaterial. As described in Notes 1 and 2, the Plan has several arrangements with service providers. These transactions are party-in-interest transaction under ERISA.

### Note 9 - Reconciliation of the Financial Statements to the Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31:

|  | <u>2024</u>                | <u>2023</u>               |
|--|----------------------------|---------------------------|
| Net assets available for benefits per the financial statements | \$ 240,027                 | \$ 142,937                |
| Benefit obligations currently payable                          | <u>(360,449)</u>           | <u>(201,516)</u>          |
| <b>Net Assets Available for Benefits per the Form 5500</b>     | <b><u>\$ (120,422)</u></b> | <b><u>\$ (58,579)</u></b> |

The following is a reconciliation of claims paid, net per the financial statements to the Form 5500 for the year ended December 31, 2024:

|  |                            |
|--|----------------------------|
| <b>Claims Paid, Net per the Financial Statements</b> | <b>\$ 1,642,355</b>        |
| Benefit obligations at beginning of year             | (201,516)                  |
| Benefit obligations at end of year                   | <u>360,449</u>             |
| <b>Claims Paid per the Form 5500</b>                 | <b><u>\$ 1,801,288</u></b> |

Claims that have been processed and approved for payments at year-end, but not paid and claims incurred but not reported are not considered liabilities under accounting principles generally accepted in the United States of America and; therefore, are not presented as liabilities or claims paid in the accompanying financial statements, but are recorded on the Form 5500 as a liability.
