Independent Auditors' Report

The Plan Sponsor of and Participants in the Community Health Systems Group Health Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Community Health Systems Group Health Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits and the statements of Plan's benefit obligations as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits and changes in Plan's benefit obligations for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-105 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management has determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COMMUNITY HEALTH SYSTEMS GROUP HEALTH PLAN

NOTES TO THE FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2024 AND 2023 AND FOR THE YEAR ENDED DECEMBER 31, 2024

1. DESCRIPTION OF THE PLAN

General. Effective September 1, 1986, CHS/Community Health Systems, Inc. and subsidiaries (collectively, the “Company” or “Plan Sponsor”), a wholly-owned subsidiary of Community Health Systems, Inc., adopted and approved the creation of the Community Health Systems Group Health Plan (the “Plan”) to provide medical and dental benefits to certain employees and their eligible dependents (the “Participants”). Commencing on January 1, 1992, the Plan also offered vision care benefits to eligible Participants. The Plan is a component of a “Cafeteria Plan” within the meaning of Section 125(d) of the Internal Revenue Code of 1986, as amended (the “Code”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). Participants should refer to the Plan document for a complete description of the Plan’s provisions.

Most of the Plan’s comprehensive medical and dental benefits are self-insured, up to certain limits, by the Company. The vision care benefits under the Plan are provided through a group insurance policy. The Plan also purchases excess loss insurance coverage.

The Plan includes a welfare benefit trust (“CHS VEBA Trust”) which constitutes a Voluntary Employee Beneficiary Association (“VEBA”) under Section 501(c)(9) of the Code to hold, invest and administer the trust assets and contributions of the Plan.

Subsidiaries of Community Health Systems, Inc., the parent of the Plan Sponsor (the “Parent”), completed the divestiture of one hospital on August 1, 2024, and one hospital on October 1, 2024, for a total of two hospitals in 2024. Subsidiaries of the Parent also completed the divestiture of nine hospitals in 2023. Medical, dental and vision benefits were provided to the participants associated with these divestitures by the new owners starting on the dates of the divestitures.

Administration. The Plan is administered by the Company as designated by its Board of Directors (the “Plan Administrator”). Bank of America, N.A. is the trustee of the CHS VEBA Trust. Bank of America, N.A. holds, invests, and administers the trust assets of the Plan.

Eligibility. The Plan provides benefits for employees, including their beneficiaries and covered dependents, who are regularly scheduled to work 20 hours or more per week for the Company, except for employees of certain facilities who are covered under separate insured plans. Participation in the Plan is voluntary. Continuation of health coverage beyond termination is available for employees and their dependents who are participating in the Plan at termination, as required by the Consolidated Omnibus Budget Reconciliation Act of 1985, also known as COBRA.

Benefits. Participants may select from a variety of health benefits: medical (which includes behavioral health and prescription drug), dental and vision. Participants may select medical coverage to be provided through preferred provider organizations.

Benefit Payments. The Plan utilizes the services of third-party administrators (“TPAs”) to process medical and dental claims. The Company funds disbursements to the TPAs for participants’ medical and dental claims through the CHS VEBA Trust.

Stop Loss Insurance. For the year ended December 31, 2024, the Company purchased stop loss insurance through HM Life Insurance Company (“HM Life”). HM Life limits the Company’s exposure to self-funded medical claims paid up to \$1,100,000 per year per participant. Stop loss reimbursements from HM Life are recorded as a reduction of claims paid and totaled \$423,752 for the year ended December 31, 2024.

Contributions. The Plan is funded by contributions from Participants and the Company. The Company shares the cost of coverage with its Participants. Participants who elect coverage contribute amounts for health benefits on a pre-tax basis by entering into a salary reduction agreement, whereby Participant contributions are withheld through payroll deductions. The amount of each participant’s contributions is determined by various factors including coverage elected, employment status, and location of employment. The Company contributes the amounts necessary to fund medical and dental claims in excess of Participant contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting. The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

Use of Estimates. The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements such as benefit obligations and changes to these amounts. Actual results could differ from those estimates.

Risks and Uncertainties. Benefit obligations are reported based on certain assumptions, all of which are subject to change. Due to uncertainties inherent in the estimation and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term could materially affect the amounts reported in the financial statements.

Claims Paid. Claims are recorded when paid by the TPAs. Rebates are recorded when earned as a reduction of claims paid.

Insurance Premiums. Insurance premiums are recorded on the accrual basis in the period incurred.

Investment Valuation and Income Recognition. The Plan’s investment in short-term funds is stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

Plan Sponsor Contributions Receivable. The Plan recognizes a receivable from the Company for administrative expense payable, estimated claims processed and payable by the Plan at year end and also the incurred but not reported (“IBNR”) self-insured benefits that were deducted for federal income tax purposes for the Company’s 2024 and 2023 tax returns.

Benefit Obligations. Plan obligations for IBNR self-insured benefits at December 31, 2024 and 2023 were actuarially determined in accordance with accepted actuarial principles using historical claims data. Claims payable represent amounts owed at year end determined by payments made after year end. Benefit obligations are funded through a combination of Participant and Company provided contributions.

Administrative Expenses. Under the terms of the Plan, certain expenses incurred in connection with the administration of the Plan are paid by the Company. All other expenses of the Plan are paid by the Plan.

3. BANK OF AMERICA, N.A.'S CERTIFICATION

The following is a summary of the unaudited information that was prepared by Bank of America, N.A. and furnished to the Plan Administrator. This unaudited information is included in the Plan's financial statements and supplemental schedule. The Plan Administrator has obtained certifications from Bank of America, N.A. that such information is complete and accurate as of December 31, 2024 and 2023 and for the year ended December 31, 2024.

	December 31, 2024	December 31, 2023
Short-term funds	<u>\$ 7,220</u>	<u>\$ 6,797</u>
	For the Year Ended December 31, 2024	
Interest income	<u>\$ 423</u>	

4. INVESTMENTS

The fair value hierarchy established by the Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements* prioritizes the inputs to valuation techniques used to measure fair value, as follows: Level 1, which refers to securities valued using unadjusted quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's investment in short-term funds is classified as Level 1.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. There were no transfers between levels for the years ended December 31, 2024 and 2023.

5. INCOME TAX STATUS

The CHS VEBA Trust funding the Plan has received a determination letter dated May 10, 2002, stating that the CHS VEBA Trust is tax-exempt under the provisions of Section 501(c)(9) of the Code as a VEBA. The Plan and the CHS VEBA Trust are required to operate in conformity with the Code to maintain the tax-exempt status. The Plan and the CHS VEBA Trust have been amended since the date of the determination letter. However, the Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the related CHS VEBA Trust is tax-exempt.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits of the Plan for any tax periods in progress.

6. TRANSACTIONS WITH PARTIES-IN-INTEREST

Fees paid during the year for administrative services rendered by parties-in-interest were based on negotiated rates for such services and are paid by the Plan. These transactions are exempt from the prohibited transaction rules.

7. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits to Participants, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination, the assets then remaining would be subject to the applicable provisions of the Plan then in effect and would be used until exhausted to pay benefits for Participants in the order of their entitlement.

8. SUBSEQUENT EVENTS

For the year ended December 31, 2024, subsequent events were evaluated through August 12, 2025, the date the financial statements were available to be issued. Subsidiaries of the Parent completed the divestiture of one hospital on February 1, 2025, two hospitals on March 1, 2025, one hospital on April 1, 2025, one hospital on May 1, 2025, and one hospital on June 30, 2025. Except for the divestiture on February 1, 2025 in which employees were leased for a short period following divestiture, medical, dental and vision benefits were provided to the participants associated with these divestitures by the new owners starting on the dates of the divestitures.

9. PLAN CONTINGENCIES

From time to time, there are legal proceedings against the Plan generally related to alleged denial of certain benefits under the Plan. In the opinion of management, any resulting liabilities from these legal proceedings would not have a material adverse effect on the Plan's net assets available for benefits.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2024 and 2023:

	December 31, 2024	December 31, 2023
Net assets available for benefits per the financial statements	\$ 96,866,719	\$ 123,413,589
Estimated claims incurred but not reported and claims payable at year end	<u>(78,650,287)</u>	<u>(89,650,000)</u>
Net assets per the Form 5500	<u>\$ 18,216,432</u>	<u>\$ 33,763,589</u>

The following is a reconciliation of claims paid per the financial statements to the Form 5500 for the year ended December 31, 2024:

Claims paid per the financial statements	\$ 598,370,309
Estimated incurred but not reported benefits and claims payable at the beginning of the year	(89,650,000)
Estimated incurred but not reported benefits and claims payable at the end of the year	<u>78,650,287</u>
Benefit payments to provide benefits directly to participants per the Form 5500	<u>\$ 587,370,596</u>

Amounts currently payable for benefits are recorded on the Form 5500 for claims that have been processed and approved for payment prior to December 31, but not yet paid as of that date, and IBNR benefits as of December 31.
