(1) Name: **BOBER MARKEY FEDOROVICH**

(2) EIN: **34-1523030**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?	X		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X

INDEPENDENT AUDITORS' REPORT

To the Plan Sponsor
OEConnection 401(k) Plan
Fairlawn, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of OEConnection 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audits is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

OECONNECTION 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE 1 – DESCRIPTION OF PLAN

The following brief description of the OEConnection 401(k) Plan (the “Plan”), provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan was formed on August 15, 2006, as a defined contribution retirement savings plan. The Plan covers all full and part-time US employees of OEConnection, LLC (the “Company”), as well as its US subsidiaries regardless of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Contributions

A participant may contribute between 1% and 100% of either their pre-tax and/or post-tax annual compensation, as defined in the Plan, up to the annual Internal Revenue Service (“IRS”) dollar limit. New employees are automatically enrolled in the Plan 30 days after their date of hire, unless they elect otherwise, at an automatic enrollment rate of 5%. The Company matches 100% of the first 3% and 50% of the next 2% of active participants’ compensation contributed to the Plan.

The Plan provides for automatic increases in active participant’s deferral contributions, unless affirmatively elected otherwise, by 1% annually (limited to 10% of eligible compensation).

If a participant reaches age 50 during the calendar year and is making the maximum Plan or IRS pre-tax contribution, they may make an additional “catch-up” contribution each pay period, up to the annual IRS dollar limit.

Participant Accounts

Each participant’s account is credited with (a) the participant’s contributions, (b) the Company’s annual matching contribution, (c) the Company’s discretionary contribution, if any, (d) the investment earnings gains and losses based on participant investment elections, and (e) charged with an allocation of administrative expenses. The Company funds the match on a per pay basis followed by a true-up calculation at the end of each calendar year.

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan.

Rollovers

A participant may contribute an eligible cash amount or qualified promissory note (from US subsidiaries only) attributable to eligible rollover distributions. This amount shall be credited to the participant’s rollover contributions account within the Plan.

OECONNECTION 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

Vesting

Participants are 100% vested immediately in the participant elected deferrals, the Company's discretionary contributions, and the related investment gains and losses. Vesting in the Company's matching contribution portion of their accounts plus actual earnings thereon is based on years of services as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
0	0%
1	0%
2 or more	100%

Forfeited amounts are first applied to the expenses of administering the Plan, and any excess forfeitures is used to offset future Company contributions.

Participant Notes Receivable

Participants may borrow from their account an amount ranging from \$1,000 to the lesser of: (a) 50% of the present value of the participant's vested balance or (b) \$50,000 reduced by the participant's highest outstanding loan balance in the last twelve months. Loan terms extend up to five years; however, if the loan is for the purchase of a primary residence, the repayment period may extend up to ten years. The loans are secured by up to 50% of the participant's vested interest and bear the prevailing market lending rate for the month in which the loan is made. Repayment, with interest, is made through payroll deductions.

Payment of Benefits

A participant who incurred a termination of employment may elect to receive the vested portion of his or her account: (1) in a single lump sum cash payment or (2) under a systematic method payable in substantially equal amounts over a fixed period of time not to exceed the participant's life expectancy or the joint life expectancy of the participant and participant's beneficiary upon reaching retirement eligibility requirements.

A beneficiary shall receive a single lump sum cash payment, except for a beneficiary who is the member's spouse, who may elect to receive payment in a systematic method payable in substantially equal amounts over a fixed period of time not to exceed the beneficiary's life expectancy.

Administrative Expenses

Administrative fees of the Plan are paid by the Plan by method of allocation to participant accounts. The Company pays for the legal, accounting, and other professional expenses of the Plan.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to amend or discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accounting records of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

In preparing the Plan's financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure on contingent assets and liabilities at the date of financial statements, and the reported amounts of additions and decreases to plan assets during the reporting period. Actual results could differ from those estimates.

Fair Value of Financial Instruments

Fair value estimates are made at a specific point in time based on relevant market information about the financial instrument. These estimates are subjective in nature and involve uncertainties and matters of significant judgment and, therefore, cannot be determined with precision. Changes in assumptions could significantly affect the estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value at December 31, 2024 and 2023.

Investment income consists of interest and dividend income. The net appreciation (depreciation) in the fair value of investments consists of realized gains or losses and the unrealized appreciation or depreciation on those investments. Purchases and sales of securities are recorded on a trade-date basis. Realized gains and losses from security transactions are reported based on historical cost.

Participant Notes Receivable

The Plan allows loans in accordance with Plan document. The loans are carried at the unpaid principal balance plus accrued interest. Loans are deemed distributions by the Plan when they are determined to be in default.

Benefit Payments

Benefits are recorded when paid.

Income Taxes

Under the Income Taxes Topic of the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC"), the Plan is required to identify potential uncertain tax positions taken, assess and quantify those positions and record reserves. As of December 31, 2024 and 2023, the Plan has identified no uncertain tax positions. The Plan files the United States Federal Form 5500 annually.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Subsequent Events

The Plan has evaluated subsequent events through September 8, 2025 the date the financial statements were available to be issued.

NOTE 3 – SUMMARY OF FINANCIAL DATA CERTIFIED BY TRUSTEE (UNAUDITED)

The following is a summary of the unaudited information regarding the Plan, included in the Plan’s financial statements, which was prepared by Fidelity Management Trust Company (“Fidelity” or “Trustee”), as of and for the years ended December 31, 2024 and 2023 and furnished to the Plan administrator.

The Plan’s administrator has obtained certifications from Fidelity as of and for the years ended December 31, 2024 and 2023, that such information is complete and accurate.

Interest on participant notes receivable	\$ 32,656	\$ 25,134
Net appreciation in fair value of investments	\$ 7,842,560	\$ 8,397,080

NOTE 4 – INVESTMENTS

The Plan’s investments are participant-directed accounts invested in money market funds, common collective trusts, and investments in registered investment companies.

Fair value is a market-based measurement that is determined based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, the Plan uses a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1 – Observable inputs such as quoted prices in active markets;
- Level 2 – Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3 – Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions

OECONNECTION 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

The classification of fair value measurements within the hierarchy is based upon the lowest level of input that is significant to the measurement. Valuation methodologies used for assets and liabilities measured at fair value are as follows:

- Registered investment companies and money market funds: Valued based on quoted prices in the active market.

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Money market funds	\$ 3	\$ -	\$ -	\$ 3
Registered investment companies	73,872,713	-	-	73,872,713

Investments measured at Net Asset Value as practical expedient:				
Common/collective trust (a)				2,321,474
Total investments at fair value				\$ 76,194,190

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Money market funds	\$ 3	\$ -	\$ -	\$ 3
Registered investment companies	58,198,789	-	-	58,198,789

Investments measured at Net Asset Value as practical expedient:

Total investments at fair value				\$ 60,562,792

- (a) In accordance with FASB Subtopic 820-10, certain investments that are measured at NAV per share have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

OECONNECTION 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

At December 31, 2024, the Plan had no unfunded commitments related to common/collective trust funds. The redemption of the common/collective trust fund is subject to the preface of individual Plan participants, with the issuer reserving the right to temporarily delay the withdrawal from the fund in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTE 5 – TAX STATUS OF THE PLAN

The prototype plan adopted by the Plan obtained its latest determination letter on June 30, 2020, in which the IRS stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (“IRC”). There have been amendments adopted since that date and Plan management believes the Plan to be operated in compliance with the applicable requirements of the IRC.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of registered investment companies and money market funds managed by the Trustee. The Trustee is the custodian, as defined by the Plan document, and therefore, these transactions are party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$75,683 and \$66,879 for the years ended December 31, 2024 and 2023, respectively. There are also indirect fees deducted directly from investment earnings of the Plan.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of OEConnection 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audits is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE 1 – DESCRIPTION OF PLAN

The following brief description of the OEConnection 401(k) Plan (the “Plan”), provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan was formed on August 15, 2006, as a defined contribution retirement savings plan. The Plan covers all full and part-time US employees of OEConnection, LLC (the “Company”), as well as its US subsidiaries regardless of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Contributions

A participant may contribute between 1% and 100% of either their pre-tax and/or post-tax annual compensation, as defined in the Plan, up to the annual Internal Revenue Service (“IRS”) dollar limit. New employees are automatically enrolled in the Plan 30 days after their date of hire, unless they elect otherwise, at an automatic enrollment rate of 5%. The Company matches 100% of the first 3% and 50% of the next 2% of active participants’ compensation contributed to the Plan.

The Plan provides for automatic increases in active participant’s deferral contributions, unless affirmatively elected otherwise, by 1% annually (limited to 10% of eligible compensation).

If a participant reaches age 50 during the calendar year and is making the maximum Plan or IRS pre-tax contribution, they may make an additional “catch-up” contribution each pay period, up to the annual IRS dollar limit.

Participant Accounts

Each participant’s account is credited with (a) the participant’s contributions, (b) the Company’s annual matching contribution, (c) the Company’s discretionary contribution, if any, (d) the investment earnings gains and losses based on participant investment elections, and (e) charged with an allocation of administrative expenses. The Company funds the match on a per pay basis followed by a true-up calculation at the end of each calendar year.

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan.

Rollovers

A participant may contribute an eligible cash amount or qualified promissory note (from US subsidiaries only) attributable to eligible rollover distributions. This amount shall be credited to the participant’s rollover contributions account within the Plan.

December 31, 2024 and 2023

Vesting

Participants are 100% vested immediately in the participant elected deferrals, the Company's discretionary contributions, and the related investment gains and losses. Vesting in the Company's matching contribution portion of their accounts plus actual earnings thereon is based on years of services as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
0	0%
1	0%
2 or more	100%

Forfeited amounts are first applied to the expenses of administering the Plan, and any excess forfeitures is used to offset future Company contributions.

Participant Notes Receivable

Participants may borrow from their account an amount ranging from \$1,000 to the lesser of: (a) 50% of the present value of the participant's vested balance or (b) \$50,000 reduced by the participant's highest outstanding loan balance in the last twelve months. Loan terms extend up to five years; however, if the loan is for the purchase of a primary residence, the repayment period may extend up to ten years. The loans are secured by up to 50% of the participant's vested interest and bear the prevailing market lending rate for the month in which the loan is made. Repayment, with interest, is made through payroll deductions.

Payment of Benefits

A participant who incurred a termination of employment may elect to receive the vested portion of his or her account: (1) in a single lump sum cash payment or (2) under a systematic method payable in substantially equal amounts over a fixed period of time not to exceed the participant's life expectancy or the joint life expectancy of the participant and participant's beneficiary upon reaching retirement eligibility requirements.

A beneficiary shall receive a single lump sum cash payment, except for a beneficiary who is the member's spouse, who may elect to receive payment in a systematic method payable in substantially equal amounts over a fixed period of time not to exceed the beneficiary's life expectancy.

Administrative Expenses

Administrative fees of the Plan are paid by the Plan by method of allocation to participant accounts. The Company pays for the legal, accounting, and other professional expenses of the Plan.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to amend or discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accounting records of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

In preparing the Plan's financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure on contingent assets and liabilities at the date of financial statements, and the reported amounts of additions and decreases to plan assets during the reporting period. Actual results could differ from those estimates.

Fair Value of Financial Instruments

Fair value estimates are made at a specific point in time based on relevant market information about the financial instrument. These estimates are subjective in nature and involve uncertainties and matters of significant judgment and, therefore, cannot be determined with precision. Changes in assumptions could significantly affect the estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value at December 31, 2024 and 2023.

Investment income consists of interest and dividend income. The net appreciation (depreciation) in the fair value of investments consists of realized gains or losses and the unrealized appreciation or depreciation on those investments. Purchases and sales of securities are recorded on a trade-date basis. Realized gains and losses from security transactions are reported based on historical cost.

Participant Notes Receivable

The Plan allows loans in accordance with Plan document. The loans are carried at the unpaid principal balance plus accrued interest. Loans are deemed distributions by the Plan when they are determined to be in default.

Benefit Payments

Benefits are recorded when paid.

Income Taxes

Under the Income Taxes Topic of the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC"), the Plan is required to identify potential uncertain tax positions taken, assess and quantify those positions and record reserves. As of December 31, 2024 and 2023, the Plan has identified no uncertain tax positions. The Plan files the United States Federal Form 5500 annually.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Subsequent Events

The Plan has evaluated subsequent events through September 8, 2025 the date the financial statements were available to be issued.

NOTE 3 – SUMMARY OF FINANCIAL DATA CERTIFIED BY TRUSTEE (UNAUDITED)

The following is a summary of the unaudited information regarding the Plan, included in the Plan’s financial statements, which was prepared by Fidelity Management Trust Company (“Fidelity” or “Trustee”), as of and for the years ended December 31, 2024 and 2023 and furnished to the Plan administrator.

The Plan’s administrator has obtained certifications from Fidelity as of and for the years ended December 31, 2024 and 2023, that such information is complete and accurate.

NOTE 4 – INVESTMENTS

The Plan’s investments are participant-directed accounts invested in money market funds, common collective trusts, and investments in registered investment companies.

Fair value is a market-based measurement that is determined based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, the Plan uses a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1 – Observable inputs such as quoted prices in active markets;
- Level 2 – Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3 – Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions

OECONNECTION 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

The classification of fair value measurements within the hierarchy is based upon the lowest level of input that is significant to the measurement. Valuation methodologies used for assets and liabilities measured at fair value are as follows:

- Registered investment companies and money market funds: Valued based on quoted prices in the active market.

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Money market funds	\$ 3	\$ -	\$ -	\$ 3
Registered investment companies	73,872,713	-	-	73,872,713
	<u>\$ 73,872,716</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 73,872,716</u>
Investments measured at Net Asset Value as practical expedient:				
Common/collective trust (a)				<u>2,321,474</u>
Total investments at fair value				<u>\$ 76,194,190</u>

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Money market funds	\$ 3	\$ -	\$ -	\$ 3
Registered investment companies	58,198,789	-	-	58,198,789

- (a) In accordance with FASB Subtopic 820-10, certain investments that are measured at NAV per share have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

OECONNECTION 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

At December 31, 2024, the Plan had no unfunded commitments related to common/collective trust funds. The redemption of the common/collective trust fund is subject to the preface of individual Plan participants, with the issuer reserving the right to temporarily delay the withdrawal from the fund in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTE 5 – TAX STATUS OF THE PLAN

The prototype plan adopted by the Plan obtained its latest determination letter on June 30, 2020, in which the IRS stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (“IRC”). There have been amendments adopted since that date and Plan management believes the Plan to be operated in compliance with the applicable requirements of the IRC.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of registered investment companies and money market funds managed by the Trustee. The Trustee is the custodian, as defined by the Plan document, and therefore, these transactions are party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$75,683 and \$66,879 for the years ended December 31, 2024 and 2023, respectively. There are also indirect fees deducted directly from investment earnings of the Plan.
