Independent Auditor's Report

To the Plan Administrator
Elder-Jones, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed audits of the accompanying financial statements of Elder-Jones, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Elder-Jones, Inc. 401(k) Profit Sharing Plan's 2024 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Elder-Jones, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Independent Auditor's Report

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Elder-Jones, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of Elder-Jones, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Elder-Jones, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Independent Auditor's Report

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at Schedule H, Line 4i as of December 31, 2024) is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Elder-Jones, Inc. 401(k) Profit Sharing Plan

Notes to the Financial Statements

December 31, 2024 and 2023

1. Description of Plan

The following brief description of the Elder-Jones, Inc. 401(k) Profit Sharing Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for more complete information regarding the Plan's definitions, benefits, and eligibility requirements and other matters.

General

The Plan is a defined contribution plan for employees of Elder-Jones, Inc (the "Company"). The Plan was formed October 1, 1985 and was amended in its entirety effective October 12, 2014 by adopting the Principal Financial Group Non-standardized 401(k) Prototype Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA") and the Internal Revenue Code ("IRC").

Plan Operation

The Company is the Plan sponsor and the Plan Administrator. The trustee of the Plan is Principal Trust Company (the "Trustee"), and Principal Financial Group ("Principal") maintains the records of each participant's account.

Eligibility

Substantially all employees who have reached 18 years of age are eligible to participate in the Plan for the purpose of salary deferrals and the employer matching contributions. Eligible employees may enter the Plan on their date of hire, if eligibility requirements are met, or on the date when the eligibility requirements are met as defined by the Plan. Ineligible employees are (1) employees whose employment is governed by the terms of a collective bargaining agreement and (2) a nonresident alien with no U.S. income or all such income is exempt from U.S. income tax.

Employees are eligible for discretionary contributions if they are an active participant on December 31 and they have 1,000 or more hours of service in the Plan year.

Contributions

Participants may elect to contribute up to 100% of their annual earnings to the Plan, as defined by the Plan up to Internal Revenue Code allowed compensation limits. The Plan also allows participants to make contributions to a Roth 401k. Participants may roll over amounts representing distributions from other qualified plans into the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation. The deferral percentage will be automatically increased each January 1st by 1% up to a maximum percentage of 10%. Contributions are subject to a compensation ceiling and annual limitations prescribed by the IRC.

The Plan, at its discretion, may make matching contributions at a percentage of each participant's 401(k) elective deferral contributions. The matching contributions are calculated based on the participant's eligible compensation and 401(k) elective deferrals for the payroll period. For both 2024 and 2023, the Plan contributed 50% of participants' 401(k) elective deferral contributions up to 6%, for up to a maximum match of 3% of each participant's eligible compensation.

The Plan, at its discretion, may also make discretionary contributions or qualified nonelective contributions. The discretionary match and the qualified nonelective contribution are calculated by the participant's annual eligible compensation divided by the total annual eligible compensation of all participants receiving a share on December 31st. There were no discretionary contributions or qualified nonelective contributions for the years ended December 31, 2024 and 2023.

Elder-Jones, Inc. 401(k) Profit Sharing Plan

Notes to the Financial Statements

December 31, 2024 and 2023

1. Description of Plan (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution, the Plan's matching contribution, and the allocation of Plan earnings; each participant account is charged an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Participants are also 100% immediately vested in their contributions and employer matching contributions.

Forfeited Accounts

If a participant terminates employment before becoming fully vested in their account balance, the forfeited portion of the account balance is used to reduce future Employer contributions to the Plan or to pay Plan expenses. There were zero forfeited amounts that were used to reduce Employer contributions to the Plan during 2024 and 2023.

Investment Allocation

The Plan is intended to comply with Section 404(c) of ERISA. Accordingly, the participants, rather than the Plan administrator, are responsible for making investment decisions for their accounts. Participants direct the investment of their account balances into various investment options offered by the Plan. During the year, participants had the option to direct the investment of their contributions into various registered investment companies, stable value funds, and pooled separate accounts under a group annuity contract, with the underlying investments in various mutual funds. Participants may change their investment allocation daily.

Notes Receivable From Participants

Participants are permitted to borrow up to 50% of their vested account balance with a minimum of \$1,000 up to a maximum loan amount of \$50,000. Participants may be granted two loans during any one-year period; however, only one loan may be outstanding at a time. The loans are secured by the participant's vested account balance. The loans must be repaid with respect to both principal and interest by payroll deduction in substantially equal payments within five years, except for the purchase of a principal residence as permitted by IRS regulations and in accordance with Plan provisions. The interest rate on loans shall be determined by the Plan Administrator based on terms described in the Plan document. At December 31, 2024, the loans bear interest between 4.25% and 9.50% and mature at various dates through 2051. Upon termination of employment, the outstanding balance of a loan becomes immediately payable. Loans receivable from participants are valued at their unpaid principal balance plus accrued interest.

Payment of Benefits

Distributions to terminated, disabled, or retired participants are made in the form of a single lump sum or installment payment to the participant (or in the case of death, to the participant's beneficiary) equal to the value of the participant's vested account. Distributions may also be made in the form of hardship withdrawals that may be subject to early withdrawal penalties. In-service distributions are allowed under the Plan upon attainment of age 59½. Certain mandatory distribution provisions may apply for smaller account balances of terminated employees. Benefit payments are recorded when paid.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (US GAAP).

Accounting Estimates

Management uses estimates and assumptions in preparing these financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, and the changes therein, and the disclosure of contingent assets and liabilities. The most significant estimate relates to the valuation of investments. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for disclosure of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized gains and losses on investments bought and sold during the year, as well as unrealized gains and losses on investments held during the year, are presented in the net appreciation in fair value of investments.

Administrative Expenses

Substantially all administrative expenses and custodial and recordkeeping fees are paid by the Plan. Investment transaction fees are paid by the Plan, as well.

Recently Adopted Regulations

In December 2022, Securing a Strong Retirement Act (SECURE 2.0) was passed into law. The provisions of the SECURE 2.0 continue the themes and reforms that began with the 2020 CARES Act. Most of the provisions of SECURE 2.0 became effective in 2024 and beyond. Since the provisions include both required and optional elements, the Plan Administrator has determined which provisions were adopted and their impact on the Plan.

Subsequent Events

The Plan has evaluated subsequent events for recording or disclosure in the financial statements through September 8, 2025, the date which the financial statements were available to be issued.

Elder-Jones, Inc. 401(k) Profit Sharing Plan

Notes to the Financial Statements

December 31, 2024 and 2023

3. Information Prepared and Certified by Trustee

The Plan Administrator has elected the method of compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR Section 2520.103-8 of the Department of Labor (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed its independent auditors not to perform, and they did not perform, any auditing procedures with respect to the following information certified by the Trustee, which includes investment assets, notes receivable from participants, and investment transactions and income, except for comparing the information with the related information included in the financial statements and supplemental schedule.

The Trustee has provided the Plan Administrator with certifications as to the completeness and accuracy of the net assets available for Plan benefits as they relate to investments and notes receivable from participants held by the Trustee as of December 31, 2024 and 2023 and changes in net assets available for benefits for the years ended December 31, 2024 and 2023, as they relate to investment income, including net appreciation in fair value of investments and interest and dividends as they relate to interest income from notes receivable from participants.

The information certified includes total investments of approximately \$12,321,000 and \$11,799,000 and notes receivable from participants of approximately \$91,000 and \$135,000 at December 31, 2024 and 2023, respectively. The certification also includes net investment appreciation of approximately \$1,373,000 and \$1,600,000, dividends and interest of approximately \$327,000 and \$210,000, and interest income from participant notes receivable of approximately \$7,000 and \$7,000 for years ending December 31, 2024 and 2023, respectively.

4. Fair Value Measurements

The Plan's accounting for fair value measurements of assets and liabilities that are recognized or disclosed at fair value in the financial statements on a recurring or nonrecurring basis adheres to the Financial Accounting Standards Board (FASB) fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

- Level 1 Inputs: Unadjusted quoted prices in active markets for identical assets or liabilities accessible to the Plan at the measurement date.
- Level 2 Inputs: Other than quoted prices included in Level 1 inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the asset or liability.
- Level 3 Inputs: Unobservable inputs for the asset or liability used to measure fair value to the extent that observable inputs are not available, thereby allowing for situations in which there is little, if any, market activity for the asset or liability at measurement date.

The level in the fair value hierarchy within which a fair measurement in its entirety falls is based on the lowest level input that is significant to the fair value measurement in its entirety. The Plan uses valuation techniques in a consistent manner from year-to-year.

Pooled separate accounts are valued at net asset value as a practical expedient as determined by the Trustee based on the fair value of the underlying investments of each pooled separate account. The valuation of the underlying investments of each pooled separate account depends on the types of investments held by the pooled separate account and may be based on unobservable inputs. Shares of mutual funds and money market funds are valued at the net asset value of shares held by the Plan at year end using quoted market prices. Stable value funds are valued at fair value as determined by the Trustee based on the fair value of the underlying investment contracts of each fund.

Notes to the Financial Statements

December 31, 2024 and 2023

5. Party-In-Interest Transactions

The Plan's investment funds are primarily managed by Principal, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services amounted to approximately \$62,000 and \$64,000 for the years ended December 31, 2024 and 2023, respectively.

6. Tax Status

The Plan Sponsor has adopted the Trustee's Prototype Plan, which obtained its latest Internal Revenue Service opinion letter on June 30, 2020, in which the Internal Revenue Service stated the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter. However, Plan management believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

7. Risks and Uncertainties

The Plan invests in various investment securities. The Plan's investments are exposed to various risk factors, such as interest rates, market conditions and credit risk. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investment securities, it is possible that changes in risk factors in the near term could materially affect the amounts reported in the financial statements.

8. Plan Termination

Although the Plan has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants will become fully vested in their Employer contributions and the Plan assets will be distributed according to the provisions of the Plan documents.

9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits from the financial statements at December 31, 2024 to Form 5500. The reconciliation is caused by the adjustment for excess contributions payable.

	2024
Net assets available for benefits per the financial statements	\$ 12,390,646
Add: Excess contributions payable	20,906
Net assets available for benefits per Form 5500	\$ 12,411,552

The following is a reconciliation of the net increase in net assets available for benefits from the financial statements for the year ended December 31, 2024:

	2024
Net increase in net assets available for benefits per the financial statements	\$ 457,549
Add: Excess contributions payable that were paid subsequent to year-end	20,906
