INDEPENDENT AUDITORS' REPORT

To the Trustees of the
Northwest Marine Trade Association Health Trust

Opinion

We have audited the accompanying financial statements of the Northwest Marine Trade Association Health Trust (the Trust), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of benefit obligation and net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in benefit obligation and net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the benefit obligation and net assets available for benefits of the Northwest Marine Trade Association Health Trust as of December 31, 2024 and 2023, and the changes in its benefit obligation and net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Northwest Marine Trade Association Health Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Northwest Marine Trade Association Health Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current trust instrument, including all trust amendments, administering the Trust, and determining that the Trust's transactions that are presented and disclosed in the financial statements are in conformity with the Trust's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Northwest Marine Trade Association Health Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Northwest Marine Trade Association Health Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NORTHWEST MARINE TRADE ASSOCIATION

HEALTH TRUST

Notes to Financial Statements

December 31, 2024 and 2023

NOTE 1 – DESCRIPTION OF THE TRUST

The following description of the Northwest Marine Trade Association Health Trust (the Trust) provides only general information. The Trust was established on June 26, 2013, and began operations effective January 1, 2014. The Trust Agreement reflects the current administration of the Trust Fund and complies with current legislation. Participants should refer to the Trust Agreement for a complete description of the Trust's provisions.

General

The Northwest Marine Trade Association (the Association) adopted a welfare plan to provide medical and other welfare benefits to those employees of the Association and its members, and their eligible dependents, covered by the Trust. The Trust was created to receive contributions from participating employers and their covered employees. Representatives from five members of the Association, including the Executive Officer of the Association, serve as trustees of the Trust.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The accompanying financial statements of the Trust are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Contributions and Insurance Premiums

Participating employers make contributions to the Trust, via a joint account with the Association (see Note 6), on behalf of their eligible employees on a monthly basis. Contributions are determined based on group rates negotiated with insurance companies and estimated Trust expenses. The Trust uses these funds to pay administrative expenses and premiums to the insurance companies on a monthly basis for these employees. The insurance premium portion of contributions received prior to year-end and remitted to the service providers subsequent to year-end are recorded as premiums payable.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Cash

The Trust maintains its cash in checking accounts and an insured cash sweep (ICS) account with one bank, which participates in the IntraFi Network program. This program insures deposits above the federal limits by placing deposits in a network of other financial institutions. The Trust has not experienced any losses on such accounts and believes it is not exposed to any significant credit risk on cash balances.

Federal Income Taxes

The Trust is exempt from federal income tax under Section 501(c)(9) of the Internal Revenue Code. Accordingly, no provision has been made for federal income tax in the accompanying financial statements.

The tax positions taken by the Trust are subject to examination by major tax jurisdictions. The Trust files an exempt organization return in the U.S. federal jurisdiction.

Recognition of Contributions

Participating employer contributions are recorded in the year received. Employer contributions that are received but not deposited until after year-end, if any, are included in "undeposited checks" as of the financial statement date, and the corresponding benefit obligation is recorded as premiums payable.

Subsequent Events

The Trust has evaluated subsequent events through September 4, 2025, the date the accompanying financial statements were available to be issued.

NOTE 3 – INSURANCE CARRIERS

The Trust had annually renewable prospective-rated contracts with Regence BlueShield (Regence) and its affiliate, Asuris Northwest Health (Asuris) that provided a majority of the group health insurance benefits. Regence and Asuris received approximately 78% of the insurance premiums paid during the year ended December 31, 2023.

Effective January 2024, the Trust terminated the contracts with Regence and Asuris, and entered into a new annually renewable prospective-rated contract with Premera Blue Cross (Premera), that provides a majority of the group health insurance benefits. Premera received approximately 78% of the insurance premiums paid during the year ended December 31, 2024.

The Trust has an experience-rated contract with Delta Dental of Washington (Delta Dental) to provide dental insurance benefits with non-retention funding. Any surplus or deficit is retained by Delta Dental and reflected in the subsequent year's renewal negotiations.

NOTE 3 – INSURANCE CARRIERS (continued)

The Trust had nonexperience-rated contracts with LifeMap Assurance Company (LifeMap) to provide group vision and life insurance benefits. Effective January 2024, the Trust terminated the contracts with LifeMap and entered into new nonexperience-rated contracts with Lincoln Financial to provide group life insurance benefits.

The Trust has nonexperience-rated contracts with Kaiser Permanente (Kaiser), Delta Dental, and First Choice Health Employee Assistance Program to provide group health and vision insurance benefits. Kaiser received approximately 12% and 15% of the insurance premiums paid during the years ended December 31, 2024 and 2023, respectively.

All the Trust's contracts are fully insured. Claims are paid and benefits are provided by the insurance carriers. The Trust provides no post-retirement benefits.

NOTE 4 – PRIORITIES UNDER TERMINATION OF THE TRUST

In the event of termination of the Trust, the trustees must apply the assets of the Trust to first pay, or provide for the payment of, any and all obligations of the Trust. The remaining assets shall be used to provide benefits for employees of members covered under the Trust at the time of termination, as directed by the Association.

NOTE 5 – OPERATING EXPENSES, RELATED PARTY TRANSACTIONS, AND PARTY IN INTEREST TRANSACTIONS

The Trust pays administrative fees to EPK & Associates (EPK) for the administration of the Trust under the terms of a contract which automatically renews each year for an additional one-year term, unless either party elects to not renew. The contract may be terminated with 120 days' notice by either party. Fees paid to EPK are based on a per member, per month basis, and amounted to approximately \$265,000 and \$273,000 for the years ended December 31, 2024 and 2023, respectively.

The Trust uses the services of Capital Benefit Group, LLC, a related party to EPK, to provide certain accounting functions, negotiate its insurance contracts, design benefits and conduct all sales; including the oversight of sub-producers and sub-producer commission payment for insurance products. Capital Benefit Services, LLC, a related party to Capital Benefit Group, LLC, receives gross commissions and bonus payments from the Trust, as well as the insurance carriers and health care provider. These gross commissions and bonus payments totaled approximately \$769,000 and \$811,000 for the years ended December 31, 2024 and 2023, respectively.

HomeStreet Bank is the custodian of the Trust's assets. Therefore, transactions with HomeStreet Bank and its affiliates qualify as party-in-interest transactions. Additionally, the Trust's assets in the ICS account are also held by various other banks who act as sub-custodians, through the IntraFi Network program (Note 2).

NOTE 6 – JOINT BILLING AGREEMENT

The Trust, the Association, and EPK have a joint billing agreement whereby member contributions are first deposited into a joint bank account owned by the Trust and the Association. This bank account is not included in the accompanying financial statements due to its joint control. On a monthly basis, EPK estimates the amount due to the Trust to pay for premiums and Trust expenses, and transfers that amount to the Trust bank account. The remaining joint account balance represents program access fees that are paid to the Association and are based on total premiums paid to the insurance carriers. As a result of estimated payments made from the joint account to the Trust and the timing of transfers, the joint account owed the Trust approximately \$104,000 and \$145,000 at December 31, 2024 and 2023, respectively. Receivables and payables between the Trust and the joint account are settled in the following month.
