## *Report of Independent Auditors*

To the Plan Administrator and Participants of  
the Entertainment Properties Group, Inc. 401(k) Plan

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed an audit of the financial statements of the Entertainment Properties Group, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) (“ERISA Section 103(a)(3)(C) audit”). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Entertainment Properties Group, Inc. 401(k) Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audit and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Entertainment Properties Group, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Entertainment Properties Group, Inc. 401(k) Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor’s Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entertainment Properties Group, Inc. 401(k) Plan's internal controls. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Entertainment Properties Group, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter—Supplemental Schedule Required by ERISA***

The supplemental schedule, including the Schedule H, Line 4i— Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**1. Description of Plan**

The following description of the Entertainment Properties Group, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

**General**

The Plan is a defined contribution plan that has been established to provide retirement benefits to eligible employees of Entertainment Properties Group, Inc. and Entertainment Services, LLC (collectively “the Company” or “Plan Sponsor”). The Plan was established on April 1, 2013, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

*SECURE 2.0 Act*

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023, which included the Setting Every Community Up Retirement Act (“SECURE”) 2.0 Act. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2033. Since the provisions of SECURE Act 2.0 include both required and optional elements, applicable provisions will be evaluated and implemented in accordance with accompanying regulations and guidance prior to the deadline, December 31, 2026. Effective January 1, 2023, the age requirement for minimum distributions was raised to 73 from 72 for any participant who turns 72 on or after January 1, 2023. Certain provisions became effective for 2024, including changes to long-term part-time eligibility. These changes had no material impact on the Plan’s 2024 financial statements.

**Eligibility**

Employees who have attained the age of 21 and have completed 1 year of service with 1,000 hours are eligible to participate in the Plan. Leased, short-term part-time, temporary and seasonal employees are eligible to participate in the Plan. Employees are enrolled in the Plan on the first day of the quarter coinciding with or next following the date upon meeting the eligibility.

**Contributions**

*Participant Contributions*

Each year, participants may contribute up to 100% of pretax annual compensation, as defined by the Plan, subject to Internal Revenue Service (“IRS”) limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants have the option of designating a portion of their elective deferral contributions as after-tax “Roth” contributions. Participants direct the investment of their contributions into various investment options offered by the Plan.

*Employer Safe-Harbor Matching Contributions*

The Company makes safe-harbor matching contributions equal to 100% of each participant’s elective deferrals that do not exceed 3% of the participant’s compensation, plus 50% of deferrals between 3% and 5% of the participant's compensation.

Contributions from Plan participants and the associated matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

NOTES TO FINANCIAL STATEMENTS

*As of December 31, 2024 and 2023, and for the Year Ended December 31, 2024*

---

**1. Description of Plan (continued)**

**Participant Accounts**

Each participant's account is credited with the participant's contributions, the Company's contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Investment Options**

Participants direct both employee and employer contributions to be invested amongst various investment options as made available and determined by the plan administrator, which are more fully described in the Plan literature.

**Vesting**

Participants are vested immediately in their contributions and the Company's safe-harbor matching contributions plus actual earnings thereon.

**Notes Receivable from Participants**

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, reduced by the highest outstanding loan balance in their account during the immediate preceding 12-month period. The loans are secured by the balance in the participant's account. The loan interest rate is set at 1% above the prime rate, as defined. Participants may have a maximum of two loans outstanding at one time. Loan terms may not exceed five years, except for the purchase of a primary residence. Principal and interest are paid ratably through payroll deductions.

**Payment of Benefits**

Upon termination of service, death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. A participant may withdraw part of the vested interest in his or her account upon attainment of age 59 ½, subject to Plan provisions. The Plan also permits hardship distributions to participants that can demonstrate an immediate and heavy financial need. Upon separation from the Company, participants with account balances less than \$5,000, a single lump sum payment will be made automatically into an individual retirement account of the plan administrator's choosing. The Plan document further stipulates that account balances less than \$1,000 are to be automatically paid to the participant, without consent.

**2. Summary of Significant Accounting Policies**

**Basis of Accounting**

The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

NOTES TO FINANCIAL STATEMENTS

*As of December 31, 2024 and 2023, and for the Year Ended December 31, 2024*

---

**2. Summary of Significant Accounting Policies (continued)**

**Use of Estimates**

The preparation of financial statements in conformity with U.S. GAAP requires plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are reported at fair value. The collective investment trust funds are stated at net asset value (“NAV”) as determined by the trustee at the end of the plan year. The NAV, as provided by the trustee, is used as a practical expedient you estimate fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants at the measurement date. The Company determines the Plan’s valuation policies utilizing information provided by the investment advisers and trustee. Refer to Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

**Benefit Payments**

Benefits are recorded when paid.

**Expenses**

The Company pays certain administrative expenses incurred by the Plan. Certain investment and administration fees are deducted directly from participant’s investment returns. Transaction costs borne by the Plan are charged to the individual participant who initiated the transaction to which the charge relates by reducing the participant’s account balance.

**Recently Adopted and New Accounting Principles**

In June 2016, the FASB issued ASU No. 2016-13, *Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, and subsequent amendments to the initial guidance, ASU 2019-10. This accounting standard changes the methodology for measuring credit losses on financial instruments and the timing of when such losses are recorded. ASU No. 2016-13 is effective for fiscal years, and interim periods within those years, beginning after December 15, 2022. The Plan adopted the provisions of ASU 2016-13 for the year ended December 31, 2023. The adoption of this standard did not have a material impact on the Plan's financial statements.

NOTES TO FINANCIAL STATEMENTS  
*As of December 31, 2024 and 2023, and for the Year Ended December 31, 2024*

---

**2. Summary of Significant Accounting Policies (continued)**

**Reclassifications**

Certain reclassifications have been made to the prior year balances to conform to the current year's presentation.

**Subsequent Events**

Subsequent events have been evaluated through the date of the report of independent auditors, which is the date the financial statements were available to be issued. There were no items that would require recognition in the financial statements or disclosure in the notes to the financial statements.

**3. Information Certified by the Trustee (unaudited)**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

**4. Fair Value Measurements**

The framework for measuring fair value hierarchy provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy under FASB accounting guidance are described below:

- |         |   |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.   |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none"><li>• Quoted prices for similar assets or liabilities in active markets;</li><li>• Quoted prices for identical or similar assets or liabilities in inactive markets;</li><li>• Inputs other than quoted prices that are observable for the asset or liability;</li><li>• Inputs that are derived principally from or corroborated by observable market data by correlation or other means.</li></ul> |

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

NOTES TO FINANCIAL STATEMENTS  
*As of December 31, 2024 and 2023, and for the Year Ended December 31, 2024*

---

**4. Fair Value Measurements (continued)**

Level 3            Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Money market fund:* Valued at the daily closing price as reported by the fund. The money market fund held by the Plan is an open-end money market fund that is registered with the Securities and Exchange Commission. This fund is required to publish its daily NAV and to transact at that price. The money market fund held by the Plan is deemed to be actively traded.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission ("SEC"). These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Collective investment trust funds:* Valued at the NAV of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

*Participant-directed brokerage accounts:* This asset category represents a separate brokerage account that offers a wide range of investment opportunities including mutual funds and common stocks listed on major U.S. exchanges and fixed-income securities. The fair value of common stocks and other exchange traded investments that are publicly traded is based on the closing price per the principal stock exchange on which they are traded. The fair value of mutual funds is based on the net asset values of shares held at year-end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

As of December 31, 2024 and 2023, and for the Year Ended December 31, 2024

**4. Fair Value Measurements (continued)**

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Money market fund	\$ 23,307	\$ -	\$ -	\$ 23,307

Investments measured at NAV(a)				4,531,595
Total investments, at fair value				<u>\$ 6,920,940</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Money market fund	\$ 84,929	\$ -	\$ -	\$ 84,929
Mutual funds	1,097,564	-	-	1,097,564
Participant-directed brokerage accounts	700,796	-	-	700,796
Total assets in fair value hierarchy	\$ 1,883,289	\$ -	\$ -	\$ 1,883,289
Investments measured at NAV(a)				3,683,243
				<u>\$ 5,566,532</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

As of December 31, 2024:

Investment	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Collective Investment Trust Funds	\$ 4,531,595	N/A	Daily	12 months

NOTES TO FINANCIAL STATEMENTS  
As of December 31, 2024 and 2023, and for the Year Ended December 31, 2024

**4. Fair Value Measurements (continued)**

As of December 31, 2023:

<u>Investment</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Redemption Notice Period</u>
Collective Investment Trust Funds	\$ 3,683,243	N/A	Daily	12 months

**5. Related-Party and Party in Interest Transactions**

Certain plan investments are shares of mutual funds, a self-directed brokerage account, and a money market fund managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the record keeper and trustee for the Plan and, therefore, these transactions qualify as party-in-interest transactions. All investment fund earnings or losses posted to each Plan participant's account are net of investment management fees charged by each investment fund under the Plan.

Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. During the year ended December 31, 2024, the Plan also made direct payments to the record-keeper, trustee, investment advisor, and third-party administrator totaling \$11,798. These costs incurred by the Plan are included in administrative expenses on the statement of changes in net assets available for benefits. The Company pays directly any other fees related to the Plan's operations.

**6. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

**7. Income Tax Status**

The Plan adopted a non-standardized pre-approved profit-sharing plan offered by Fidelity Management and Research Company. The submitted plan received an IRS Opinion Letter dated June 30, 2020, that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. Accordingly, no provisions for federal income taxes has been provided in the accompanying financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

NOTES TO FINANCIAL STATEMENTS

---

**8. Risk and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.
