INDEPENDENT AUDITORS' REPORT

To the Trustees of
Strand Physician Specialists, P.A. 401(k) Plan
Myrtle Beach, South Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Strand Physician Specialists, P.A. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Strand Physician Specialists, P.A. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information

Myrtle Beach • Conway

prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Strand Physician Specialists, P.A. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Strand Physician Specialists, P.A. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include

examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Strand Physician Specialists, P.A. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Strand Physician Specialists, P.A. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

Note 1 - Description of Plan

The following brief description of Strand Physician Specialists, P.A.'s (the "Company") 401(k) Plan, as amended (the "Plan"), is provided for general information purposes only. Participants should refer to the plan agreement and summary plan description for a more complete explanation of the Plan's provisions.

General: The Plan is a defined contribution plan covering all employees who have completed one year of service and are at least twenty-one years of age. Participation in the Plan is voluntary. The Plan is comprised of a profit-sharing component and a 401(k) component. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The administrator of the Plan (the "Plan Administrator") is the Company, which has delegated that duty to one of its officers. Recordkeeping services are performed for the Plan by the Plan's "Recordkeeper," a third party unaffiliated with the Company.

Participant Contributions: Participants of the Plan can contribute up to 100% of eligible compensation (not to exceed limitations prescribed by law) as defined in the Plan. Participants 50 years or older are eligible to make additional contributions, known as catch-up contributions, subject to a maximum amount set by taxing authorities. The Plan also allows elective deferral contributions to be made as ROTH contributions. Participant contributions and any related earnings are fully vested and non-forfeitable. Participants direct the investment of their contributions into various investment options offered by the trustee of the Plan.

The Plan permits participants to make rollover contributions from other qualified plans; however, rollover contributions are not eligible for the Company matching contribution. Rollover contributions for the years ended December 31, 2024 and 2023 were \$69,642 and \$45,000, respectively.

Employer Contributions - Matching: The Plan provisions provide for the following types of matching contributions to be made on behalf of each eligible participant by the Company.

Safe Harbor Matching - Participants of the Plan are eligible to receive a safe harbor matching contribution equal to 100% of each eligible participant's elective deferrals up to 4.0% of compensation.

Non-Safe Harbor Matching - Participants in the Plan will also receive a non-safe harbor matching contribution equal to 2.5% of each eligible participant's compensation. The percentage and timing of the deposit for this contribution is to be determined annually by the Company.

Discretionary Non-Safe Harbor Matching - The Company may also provide additional matching contributions at their discretion, as determined on an annual basis. The Company elected not to provide an additional discretionary matching contribution for the year ended December 31, 2024. For the year ended December 31, 2023, the Company elected to provide an additional discretionary matching contribution equal to 100% of each eligible participant's elective deferrals up to 4.0% of their eligible compensation.

Total matching contributions contributed on behalf of eligible participants for the years ended December 31, 2024 and 2023 were \$749,283 and \$1,209,032, respectively.

Employer Contributions - Profit-Sharing: The Company has the option to make a discretionary profit-sharing contribution to the Plan annually in addition to the matching contributions for all compensated employees. The Company did not make any profit-sharing contributions for the years ended December 31, 2024 and 2023.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

Note 1 - Description of Plan (continued)

Employer Contributions - Qualified Non-Elective Contributions: The Company has the option to make additional “Qualified Non-Elective” contributions applicable to all employees, whether or not they have elected to defer any portion of their compensation. The Company did not make any qualified non-elective contributions for the years ended December 31, 2024 and 2023.

Participant Accounts: The Recordkeeper maintains individual account balances for each participant. Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution, (b) Plan earnings (losses), and (c) an allocation of certain administrative expenses. Allocations are based on participant earnings or account balances as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: All contributions are 100% vested upon entry into the Plan and at all times thereafter.

Notes Receivable From Participants: Participants may borrow from their account balances. The minimum amount of any loan is \$1,000, with a maximum equal to the lesser of \$50,000 or 50 percent of a participant's vested account balance. Each participant may have a maximum of two loans outstanding at any time. The loan period may not exceed five years, unless the loan relates to the purchase of the borrower's principle residence whose term shall not exceed 30 years. The notes are secured by the balance in the participant's account and bear interest rates which are commensurate with local prevailing rates for similar loans. Principal and interest payments are paid through payroll deductions based upon a predetermined schedule. At December 31, 2024, outstanding loans bore interest rates ranging from 4.25% to 9.50%.

Payments of Benefits: Under the conditions set forth in the Plan document, a participant may request withdrawals from the Plan up to an amount equal to the value of the participant's vested interest in his or her account balance. Distributions from the Plan are generally made upon a Participant's or beneficiary's request in connection with his or her retirement, death, other termination of employment, or based upon necessity due to a financial hardship and participants may receive payment of their accrued benefit according to the terms and conditions listed in the Plan document.

Hardship Withdrawals are allowed for participants incurring an immediate and heavy financial need. Hardship withdrawals are strictly regulated by the Internal Revenue Service (“IRS”) and a participant must exhaust all available loan options and available distributions prior to requesting hardship withdrawals.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting: The financial statements of the Plan have been prepared in conformity with accounting principles generally accepted in the United States of America (“GAAP”).

Estimates: The preparation of financial statements in accordance with GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and related disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value.

NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023**Note 2 - Summary of Significant Accounting Policies** (continued)

The Plan records purchases and sales of investments on a trade-date basis. The Plan records interest income on the accrual basis. The Plan records dividends on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. At December 31, 2024 and 2023, no allowance for credit losses has been recorded. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits: Benefits are recorded when paid.

Expenses: Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation (depreciation) of investments. Administrative expenses are allocated to participant accounts under the terms of the Plan document, or directly charged to specific participants for services rendered.

Note 3 - Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB Accounting Standards Codification Topic 820 are described as follows:

Level 1: Observable unadjusted quoted prices in active markets for identical assets.

Level 2: Observable inputs other than quoted prices for identical assets (Level 1).

Level 3: Unobservable inputs about which little or no market data exists, therefore requiring an entity to develop its own assumptions.

Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment, and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

The following is a description of the valuation methodologies used for assets measured at fair value:

Common Stocks: Publicly traded investments valued daily at the closing price reported on the active market on which the investments are traded.

Mutual Funds and Exchange Traded Funds: Valued at the net asset value ("NAV") of shares held by the Plan at year end. The NAV of the Plan's mutual funds and exchange traded funds is a quoted price in an active market.

NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

Note 3 - Fair Value Measurement (continued)

Collective Trust: These funds are valued at the NAV of units of the collective trust fund. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the funds will sell the investment for an amount different from the reported NAV. The collective trust funds are not required to be classified within a level on the fair value hierarchy.

The Plan uses valuation techniques to maximize the use of relevant observable inputs and minimize the use of unobservable inputs and there have been no changes in the application of the methodologies used at December 31, 2024 and 2023.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth the Plan's assets that are measured at fair value, by level of the fair value hierarchy as of December 31, 2024 and 2023:

	<u>Level 1</u>	<u>Total</u>
<u>December 31, 2024</u>		
Cash	\$ 13,554	\$ 13,554
Common Stocks	127,497	127,497

Collective Trust*		<u>4,035,931</u>
Total Investments Measured at Fair Value		<u>\$ 35,213,000</u>

* In accordance with GAAP, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts related to those investments in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

Note 3 - Fair Value Measurement (continued)

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2024 and 2023. There is no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	<u>Fair Value</u> 2024	<u>Fair Value</u> 2023	<u>Unfunded</u> <u>Commitments</u>	<u>Redemption</u> <u>Frequency</u>	<u>Redemption</u> <u>Notice Period</u>
Collective Trust Fund:					
GSRFC	\$ <u>4,214,176</u>	\$ <u>4,035,931</u>	None	Daily	None

Galliard Stable Return Fund C's ("GSRFC") investment objective is to seek safety of principal and consistency of returns while attempting to maintain minimal volatility. To achieve its investment objective, the GSRFC is primarily comprised of investment contracts including Guaranteed Investment Contracts (GICs), Separate Account GICs and Security Backed Investment Contracts. GICs are issued by insurance companies which guarantee the return of principal and a stated rate of interest. Participant transactions (purchases and sales) may occur daily, however, the fund does require withdrawing participants to not invest in a "competing" fund for 90 days. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The Plan recognizes transfers between the levels as of the beginning of the reporting period. There were no transfers between the levels for the years ended December 31, 2024 and 2023.

Note 4 - Income Tax Status

The IRS has determined and informed the Plan Sponsor by a letter dated July 8, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the advisory opinion, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Note 5 - Information Prepared and Certified by Trustee

The following information as of and for the years ending December 31, 2024 and 2023, included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee, Matrix Trust Company.

NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

Note 5 - Information Prepared and Certified by Trustee (continued)

	<u>2024</u>	<u>2023</u>

Interest and Dividends	<u>1,380,214</u>	<u>779,482</u>
	<u>\$ 5,099,700</u>	<u>\$ 5,345,805</u>

Note 6 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 7 - Administrative Expenses

Administrative costs are paid by the Plan, including legal, accounting and administrative fees. Administrative costs paid out of the Plan for the years ended December 31, 2024 and 2023 amounted to \$120,675 and \$107,837, respectively.

Note 8 - Plan Amendment

Effective January 1, 2024, in-plan Roth rollovers of distributable amounts are permitted.

Note 9 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will become 100% vested in their accounts.

NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

Note 10 - Related Party and Party-In-Interest Transactions

Notes receivable from participants qualify as party-in-interest transactions and are exempt from the prohibited transaction rules of ERISA.

Note 11 - Reconciliation of Financial Statements to Form 5500

At December 31, 2024 and 2023, net assets available for benefits per the financial statements equals net assets available for benefits per the Form 5500.

The following is a reconciliation of changes in net assets available for benefits per the financial statements to the Form 5500 for the years ended December 31, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Changes in Net Assets Available for Benefits:		
Per the Financial Statements	\$ 3,102,690	\$ 6,569,639

Employer Contributions Receivable Prior Year		<u>204,533</u>
Per the Form 5500	<u>\$ 3,102,690</u>	<u>\$ 6,774,197</u>

Note 12 - Subsequent Events

The Plan has evaluated subsequent events through August 1, 2025, the date which the financial statements were available to be issued, and has concluded that no additional disclosures are required.
