Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: HUTCHINSON AND BLOODGOOD LLP

(2) EIN: 95-0858589

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount

To the Participants and Plan Administrator of
C.W. Driver Contractors 401(k) Profit Sharing Plan
Pasadena, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of C.W. Driver Contractors 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to Section 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with Section 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2024, and Schedule of Delinquent Participant Contributions for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

C.W. DRIVER CONTRACTORS 401(k) PROFIT SHARING PLAN

Notes to Financial Statements
December 31, 2024 and 2023

NOTE 1. PLAN DESCRIPTION

The following description of C.W. Driver Contractors 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all employees of C.W. Driver Contractors (the Company). Employees have to be at least 21 years of age and have completed two months of service. Effective Oct 1, 2023, employees can enter the Plan the month after service requirements are met. The Plan excludes employees who are covered by collective bargaining agreements, nonresident aliens, and leased employees. The Plan entry date is the first day of any calendar month.

The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (IRC). Additionally, the Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participant Accounts and Contributions: Participants may contribute up to 100% of their pretax annual compensation, as defined in the Plan. Total participant contributions are subject to annual limits under the IRC. The maximum participant deferral limit was \$23,000 for the year ending December 31, 2024. Catch-up contributions of \$7,500 were available to participants who had reached age 50 or older by December 31, 2024, and had not exceeded the contribution limit for the Plan year.

The Company may make a discretionary matching contribution equal to a percentage of participants' 401(k) salary deferrals, determined on an annual basis. For the year ended December 31, 2024, the Company elected to contribute 100% of the first 5%, plus 50% of the next 5% of the participants' compensation that the participants contributed to the Plan. Total discretionary matching contributions amounted to \$2,348,651, net of forfeitures applied of \$39,000, for the year ended December 31, 2024.

The Company may make annual discretionary profit-sharing contributions to the Plan, which are to be allocated to participants employed on the last day of the Plan year, on the basis of their relative compensation to the total compensation of all eligible participants. The Company did not make a discretionary profit-sharing contribution to the Plan for the year ended December 31, 2024.

Each participant's account is credited or charged with the participant's contributions, an allocation of the Company's discretionary profit-sharing and matching contributions, investment income or losses and administrative expenses.

Vesting: Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in Company discretionary matching and profit-sharing contributions is based on years of continuous service. A participant is 20% vested after two years of service and continues to vest 20% per year thereafter. Participants are fully vested after six years of service.

Notwithstanding the above, if a participant (1) attains the age of 65, (2) dies or (3) terminates employment by reason of permanent disability, the Company discretionary profit sharing and matching contribution amounts become 100% vested without regard to years of service.

Notes to Financial Statements
December 31, 2024 and 2023

NOTE 1. PLAN DESCRIPTION (Continued)

Benefit Payments: Distributions of a participant's account can be made upon termination of service, death, disability, or retirement. Distributions are made in either a lump-sum payment or in annual installments paid over a period not to exceed the participant's estimated life expectancy at the time of distribution. If a participant's vested account is greater than \$1,000 but less than \$5,000, and the participant does not elect to have the amount rolled over into a specific retirement account or to receive a distribution directly, such account will be rolled over to an Individual Retirement Account. An in-service distribution can also be made to participants who have attained the age of 59-1/2, upon disability or when experiencing financial hardship.

Administrative Expenses: The Company incurs certain expenses in administering the Plan, which if not paid by the Company are passed on as expenses of the Plan. Administrative expenses charged to the Plan consist of charges associated with investment transactions, benefit payments and loan processing.

Plan Termination: Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Notes Receivable from Participants: Participants may borrow from their vested accounts up to a maximum amount equal to the lesser of \$50,000 or 50% of the participant's vested balance. The notes receivable from participants are secured by the vested balance in the participant's account and bear interest at the prevailing market rate. Principal and interest are paid ratably through payroll deductions or a participant's own personal funds over a term not to exceed five years, except for notes receivable used to purchase or improve the participant's primary residence, which has a repayment term not to exceed 30 years.

Forfeitures: Forfeitures of terminated participants' unvested Company contributions may be used to reduce future Company contributions. Forfeitures applied toward the Company contributions amounted to \$39,000 for the year ended December 31, 2024. Forfeitures balance available for future use at December 31, 2024 is approximately \$48,000.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements have been prepared using the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

Valuation of Investments and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for discussion of fair value measurements.

**C.W. DRIVER CONTRACTORS
401(k) PROFIT SHARING PLAN**

Notes to Financial Statements
December 31, 2024 and 2023

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Valuation of Investments and Income Recognition (continued): Investment contracts held by a defined contribution plan are reported at contract value. Contract value represents contributions made under the contracts, plus earnings, less participant withdrawals, and administrative expenses. For fully benefit-responsive investment contracts, participants would receive contract value for all permitted transactions under the terms of the Plan.

Realized and unrealized appreciation is based on the market value of the assets at the end of the Plan year compared to the market value of the assets at the beginning of the Plan year, or at the time the assets were purchased or exchanged during the Plan year.

Valuation of Notes Receivable from Participants: Notes receivable from participants are reported at their unpaid principal balances plus accrued but unpaid interest.

Contributions Receivables: Employee and Employer contributions receivables are recorded in the period the employee contribution is withheld.

Benefit Payments: Benefits are recorded when paid.

NOTE 3. CERTIFIED INFORMATION

The Plan Administrator has elected the method of compliance permitted by Section 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the financial information included in the Plan's financial statements as it relates to investment assets, investment transactions, investment income, notes receivable from participants and the schedule of assets held at end of year have been derived from information certified as complete and accurate by Principal Trust Company, the Plan trustee, in accordance with Section 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 4. INCOME TAX STATUS

The Company has adopted a non-standardized prototype plan sponsored by Principal Trust Company. The Plan prototype received an opinion letter dated June 30, 2020, from the Internal Revenue Service (IRS), which stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan Administrator believes that the Plan is currently designed and is being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken uncertain tax positions that more-likely-than-not would not be sustained upon examination by applicable taxing authorities. The Plan Administrator has analyzed tax positions taken by the Plan and concluded that, as of December 31, 2024, there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or that would require disclosure in the financial statements.

The Plan is subject to routine examinations by taxing jurisdictions. However, currently no audits for any tax periods are in progress. The Plan Administrator believes that the Plan is no longer subject to income tax examinations for years prior to December 31, 2021.

401(k) PROFIT SHARING PLAN**

Notes to Financial Statements
December 31, 2024 and 2023

NOTE 5. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are invested in shares of mutual funds managed by Principal Trust Company, the trustee of the Plan. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services and recordkeeping amounted to \$93,448 for the year ended December 31, 2024.

NOTE 6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7. FAIR VALUE MEASUREMENTS

Fair value is determined based on assumptions that a market participant would use in pricing an asset or liability. Measurements of fair value are classified within a hierarchy based upon valuation inputs that gives the highest priority to quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The three levels of the fair value hierarchy are as follows:

Level 1 Inputs to valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in active markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024, and 2023.

Common Collective Trusts: The unit value of each common collective investment trust is calculated by dividing the fund's net asset value (NAV) on the calculation date by the number of units that are outstanding on the calculation date. The NAV is used as a practical expedient to estimate fair value. The number of units of the common collective trusts that are outstanding on the calculation date is derived from the observable purchase and redemption activity in the collective trusts.

Mutual Funds: Valued using quoted market prices, which represent the net asset value (NAV) of shares held by the Plan at year end.

NOTE 7. FAIR VALUE MEASUREMENTS (Continued)

Common Stocks: Valued at the closing price reported on the active market on which the individual securities are traded.

Pooled Separate Accounts: The NAV of Pooled Separate Accounts is based on the readily available market value of its underlying investments, which are principally mutual funds.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value. There are no changes in methodologies for the years ended December 31, 2024 and 2023.

NOTE 8. INVESTMENT CONTRACT WITH PRINCIPAL LIFE INSURANCE COMPANY

The Plan invests in a fixed income guaranteed option (PFIGO) that is backed by a group annuity contract issued by Principal Life Insurance Company. This investment is considered a fully benefit-responsive investment contract and is reported at contract value, which approximates fair value, as reported to the Plan by Principal. The investment contract has a minimum guaranteed interest rate between 0.15% and 3%.

A Composite crediting rate contractually guaranteed by Principal is credited to account balances. The crediting interest rate was 4.65% from December 31, 2023 to May 31, 2024, 5.05% from June 1, 2024 to November 30, 2024 and 4.75% from December 1, 2024 to May 31, 2024. Such interest rates are reviewed every six months for resetting.

The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Participants may direct the withdrawal of all or a portion of their investment at contract value with no conditions, limits, or restrictions. There are certain restrictions on the free transferability from the fixed income guaranteed option to other investment options, such as transfer to a competing investment option.

There are no reserves against contract value for credit risk of Principal. Most participant transactions are executed using contract value without adjustment. If the contract holder is considering terminating the contract or a plan is considered terminating its interest in such contract in the near future, surrender charges may be applied. As of December 31, 2024, the Plan Sponsor believes that the occurrence of an event that limits the ability of the investment to transact at contract value between Principal and a participant holding the investment is not probable.

The total contract value of the investment contract was \$7,001,516 as of December 31, 2024.

NOTE 9. DELINQUENT CONTRIBUTIONS

During the year ended December 31, 2024, the Company inadvertently failed to deposit participant deferrals timely in the amount of \$59,872. The DOL considers late deposits to be prohibited transactions. The Company has self-corrected the delinquencies in 2025.

NOTE 10. SUBSEQUENT EVENTS

Management has evaluated subsequent events for recognition and disclosure through August 18, 2025, which is the date the financial statements were available to be issued.
