INDEPENDENT AUDITOR'S REPORT

To Participants and Administrator of the
403 (B) Thrift Plan of
L.I. Child and Family Services, Inc.
Patchogue, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of 403 (B) Thrift Plan of L.I. Child and Family Services, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of November 30, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended November 30, 2024 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of 403 (B) Thrift Plan of L.I. Child and Family Services, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of November 30, 2024 and 2023, and for the year ended November 30, 2024, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 403 (B) Thrift Plan of L.I. Child and Family Services, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403 (B) Thrift Plan of L.I. Child and Family Services, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403 (B) Thrift Plan of L.I. Child and Family Services, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403 (B) Thrift Plan of L.I. Child and Family Services, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held for Investment Purposes, Schedule of Reportable Transactions and Schedule of Notes Receivable are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

403 (B) THRIFT PLAN OF

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED NOVEMBER 30, 2024 AND 2023

1. DESCRIPTION OF PLAN

The following description of the 403 (B) Thrift Plan of L.I. Child and Family Services, Inc., (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General - The Plan is a defined contribution plan covering all full-time employees who have completed six months of service. There is no minimum age requirement to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

2. Contributions –

Employee Contribution:

Salary Reduction Contributions

Each plan year, participants can elect to make salary reduction contributions to the Plan of pre-tax annual compensation, as defined in the Plan. There is no minimum age or service requirement to make salary reduction contributions to the Plan. A participant can contribute any percentage of salary, provided the contribution does not exceed the maximum permitted by law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and an insurance investment contract as investment options for participants.

If the participant fails to provide investment directions, any contributions made will be allocated to the Plan's "default investment alternative". This default investment alternative is one of the group annuity contract's investment alternatives specified by the Plan document on accordance with government regulations.

Employer Contributions:

Employer Base Contributions

Each participant is eligible to receive employer base contribution upon completion of six months of service, equal to 3% of the compensation for that year. The employer base contribution will be made whether or not the employee is making contributions.

Employer Matching Contributions

The employer will also match the employee contribution equal to the lesser of 50% of the employee salary reduction contribution or 1.5% of the employee compensation received during the plan year. At age 50 catch-up contributions are not eligible for a matching contribution. Highly compensated employees are subject to additional limits on matching contribution. This limit is determined at the end of the year and the affected employees are notified at the appropriate time if the limit has been exceeded and, if so some amount with earnings must be paid to them.

1. DESCRIPTION OF PLAN (continued)

3. Participant Accounts - Each participant's account is credited with an allocation of (a) the Agency's contribution of matching and base contributions (b) Plan earnings, are charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
4. Vesting – Participants are vested fully and immediately in their contributions plus actual earnings thereon. Vesting in the Agency's contribution portion of their account is based on years of continuous service as follows:
 - The value of the individual participant account attributable to employer contributions made on or after December 1, 2002 is fully vested upon completion of three years of vesting service.
 - The value of the individual participant account attributable to employer contributions made before December 1, 2002 is fully vested upon completion of four years of vesting service.
 - The account value of contributions is fully and automatically vested when the participant reaches age 65 or if they are totally and permanently disabled, dies or is terminated due to lay-off by participating employer or upon termination of the Plan.
5. Notes Receivable from Participants – The Plan administrator has the sole discretion to approve or deny all loan requests. Participants may request a loan based on the vested value of their individual account, a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of the value of their vested account balance. The loans are secured by the balance in the participant's account and bear interest rates that range from four percent to six percent. Principal and interest is paid through payroll deductions.
6. Payment of Benefits - On termination of service, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.
7. Disability - While employed, participants can withdraw vested amounts from their employer contribution account if they incur a disability that prevents them from working. Vested amounts can also be withdrawn after termination of employment or Plan. Participants must specify on all withdrawals the interest and investment alternative from which the withdrawal is to be made.
8. Hardship – Salary reduction contributions and vested employer contributions can be withdrawn because of a financial hardship. However, interest and investment earnings credited after December 31, 1988 to the individual participant account attributable to salary reduction contributions cannot be withdrawn for financial hardship.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attributable for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Statement of Net Assets Available for Benefits presents the fair value of the investment contracts as well as the adjustment of the fully benefit-responsive investment contracts from fair value to contract value. The Statement of Changes in Net Assets Available for Benefits is prepared on a contract value basis.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Earnings on investments are allocated on a *pro rata basis* to individual participant accounts.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

All expenses of maintaining the Plan are paid by the Agency.

Plan Termination

Although the Agency intends to continue the Plan indefinitely, management reserves the right to amend, modify, discontinue or terminate the Plan temporarily or permanently, at such time as in their discretion may be deemed appropriate, without the consent of or prior notice to any participating employee, retiree or beneficiary, subject to the provisions of applicable laws.

Only the employer may decide to amend or terminate the Plan with the written consent of the Board of Directors or authorized Board Committee of the Agency.

403 (B) THRIFT PLAN OF
L.I. CHILD AND FAMILY SERVICES, INC.
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED NOVEMBER 30, 2024 AND 2023

3. INCOME TAX STATUS

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan. The Organization must recognize the tax benefit associated with tax positions taken for tax return purposes when it is more likely than not the position will be sustained upon examination by a taxing authority. The Plan Administrator does not believe they have taken any material uncertain tax positions and, accordingly they have not recorded any liability for unrecognized tax benefits. The Plan Administrator and Trustee believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. The Plan documents are compliant with current regulations and will be updated as the regulations change.

4. INVESTMENTS

The Plan maintains its investments at fair value. This method of valuation is used in order to facilitate the preparation of financial statements by placing the books on the same basis as required for filing under the Employee Retirement Income Security Act (ERISA).

During the years ended November 30, 2024 and 2023 the Plan's investments (including investments bought and sold, as well as held during the year appreciated/(depreciated) in value as follows:

	<u>2024</u>	<u>2023</u>
Mutual Funds	\$ 1,213,574	\$ 320,176
Group Annuity Contract General Account	<u>145,840</u>	<u>74,067</u>
Net Change in Fair Value	<u>\$ 1,359,414</u>	<u>\$ 394,243</u>

5. FAIR VALUE MEASUREMENT

ASC 820, *Fair Value*, establishes a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value of investments. The financial instruments reported in the financial statements at fair value have been categorized into a three-level hierarchy using the following valuation techniques:

Level 1 input are instruments whose fair value is based on quoted prices in active markets for identical assets where transactions occur with sufficient frequency and volume to provide pricing information on an ongoing basis. Level 1 provides the most reliable evidence of fair value.

Level 2 inputs are instruments whose fair value is based on factors other than quoted prices that are either directly or indirectly observable. Factors include, but are either directly or indirectly observable. Factors include, but are not limited to, the following: quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, and inputs other than quoted prices that are observable.

Level 3 inputs are investments whose fair value is based on factors that are unobservable with little, if any, market activity. Level 3 inputs are generally based on the best information available which may include the reporting entity's own assumptions and data.

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED NOVEMBER 30, 2024 AND 2023

5. FAIR VALUE MEASUREMENT (Continued)

The following table represents the fair value hierarchy for the investments held on a recurring basis as of November 30, 2024

	Fair Value	Quoted Prices In Active Markets For Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual Funds	\$ 5,338,615	\$ 5,338,615	\$ -	\$ -
Annuity Contracts	<u>5,777,352</u>	<u>-</u>	<u>-</u>	<u>5,777,352</u>
Total	<u>\$ 11,115,967</u>	<u>\$ 5,338,615</u>	<u>\$ -</u>	<u>\$ 5,777,352</u>

Fair values of assets measured on a recurring basis at November 30, 2023, are as follows:

	Fair Value	Quoted Prices In Active Markets For Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual Funds	\$ 4,803,198	\$ 4,803,198	\$ -	\$ -
Annuity Contracts	<u>4,803,140</u>	<u>-</u>	<u>-</u>	<u>4,803,140</u>
Total	<u>\$ 9,606,338</u>	<u>\$ 4,803,198</u>	<u>\$ -</u>	<u>\$ 4,803,140</u>

The Group Annuity Contract General Account is not actively traded and significant other observable inputs are not available. Thus, the fair value is determined by using an income approach. Assets measured at fair value on a recurring basis using significant unobservable inputs (Level 3), consist of the following:

	<u>2024</u>	<u>2023</u>
Beginning balance, fair value	\$ 4,803,140	\$ 4,577,559
Interest income	145,840	74,067
Contributions	635,379	459,862
Deductions	(490,148)	(342,111)
Transfers	672,187	26,894
Deemed distributions	(5,912)	(6,519)
(Increase)/Decrease in Loans	<u>16,866</u>	<u>13,388</u>
Ending balance, fair value	<u>\$ 5,777,352</u>	<u>\$ 4,803,140</u>

The plan's policy is to recognize transfers into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer.

Mutual Funds	\$ 5,338,615	\$ 4,803,198
Annuity Contracts	<u>5,777,352</u>	<u>4,803,140</u>
Total	<u>\$ 11,115,967</u>	<u>\$ 9,606,338</u>

10. SUBSEQUENT EVENTS

Subsequent events were evaluated through August 28, 2025, the date of issuance of the financial statements.

11. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits. Management believes that the Custodian maintains the Plan's investments with high credit quality institutions and attempts to limit the credit exposure to any particular investment.

12. PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of mutual funds managed by Mutual of America who is also the Custodian, as defined by the Plan, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management fees and services amounted to \$11,672 and \$957, for the years ended November 30, 2024 and 2023 respectively.
