INDEPENDENT AUDITOR'S REPORT

To the Trustee and Participants
Huey's Investment Plan
Memphis, Tennessee

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed audits of the financial statements of Huey's Investment Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP);
- The certified investment information in the accompanying financial statements agrees to or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplementary Schedules Required by ERISA

The supplementary schedules of delinquent participant contributions and assets held at end of year as of and for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedules, we evaluated whether the supplementary schedules, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedules, other than the information in the supplementary schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplementary schedules agrees to or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HUEY'S INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Huey's Investment Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan, established on January 1, 1999, and restated effective January 1, 2016, is a defined contribution 401(k) profit sharing plan covering employees of Uncle Donald's Restaurants, LLC, and related companies (collectively the Company). All employees of the Company that have reached 21 years of age and have 12 months of service, with a minimum of 900 hours worked, are eligible to participate in the Plan. The effective date of participation for an eligible employee, however, is the earlier of the first day of the seventh month or the first day of the plan year following the date the employee successfully met the participation requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

Each year, participants may contribute up to a dollar amount set by law of pretax annual eligible compensation, as defined by the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions).

The Plan was amended with an effective date of January 1, 2021, to reinstate the safe harbor matching contribution which was suspended June 3, 2020. With this reinstatement, the employer is required to make a safe harbor matching contribution equal to 100% of the participant contribution on the first 4% of eligible compensation. Highly compensated employees (generally more than 5% owners and certain family members, regardless of how much they earn), are excluded from the safe harbor matching contribution unless the Employer, in its discretion, decides to make a contribution for these employees.

For all plan participants, the employer may also make discretionary matching and profit-sharing contributions to the Plan.

Upon enrollment in the Plan, a participant may direct investment of his/her contributions into various options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution, rollover contributions, the Company's safe harbor matching contribution, investment earnings, and allocations of any employer discretionary contributions, and is charged with investment fees applicable to certain funds and an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

HUEY'S INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Payment of Benefits

Participants are eligible to receive distributions of benefits upon retirement at the age of 60, death, or disability. Hardship distributions are not permitted. At age 59½, participants may elect to take distributions from any accounts that are 100% vested without being required to terminate employment. Participants entitled to receive a distribution of benefits will be paid in lump-sum or partial payments of cash.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon and in the Company's safe harbor matching contributions and earnings thereon. Vesting in the Company's discretionary matching and profit-sharing contributions portion of their accounts plus actual earnings thereon is based on years of continuous service as follows:

Years of service	Percent vested
less than 3	0%
3 or more	100

Forfeited Accounts

Forfeitures are used to pay plan expenses or reduce employer contributions. There were no forfeitures used to reduce employer contributions for the year ended December 31, 2024. There was no balance in the forfeiture account as of December 31, 2024 and 2023.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. Loan terms shall not exceed five years except for the purchase of a primary residence. The loans are secured by the balances in the participants' accounts and bear interest at prime rate plus 1%. Principal and interest are paid ratably through payroll deductions.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

HUEY'S INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The Plan's financial statements are presented on the accrual method of accounting based on accounting principles generally accepted in the United States of America (GAAP), which requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

The Financial Accounting Standards Board (FASB) has adopted the Accounting Standards Codification (ASC) as the sole source of authoritative GAAP. The FASB will issue Accounting Standards Updates (ASU) from time to time to make adjustments to GAAP.

Investment Valuation

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are recorded at amortized cost plus accrued, but unpaid, interest. No allowance for losses has been recorded as of December 31, 2024 and 2023.

Excess Contributions Payable

Benefits paid to participants include payments made in the following year to certain participants to return their excess deferral contributions to satisfy the relevant nondiscrimination provisions of the Plan. There were no amounts required to be included in the Plan's statements of net assets available for benefits as an accrued liability for excess contributions payable as of December 31, 2024 and 2023.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan permits the payment of the plan expenses to be made from the plan assets. If the Company does not pay these expenses, then the expenses paid using the Plan's assets will be allocated among the participant accounts. For the year ended December 31, 2024, administrative fees paid for by plan assets totaled \$52,675.

HUEY'S INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 3 – INFORMATION CERTIFIED BY CUSTODIAN (UNAUDITED)

All of the Plan's assets are held by John Hancock Life Insurance Company, the custodian of the Plan. The following information included in the accompanying financial statements and the supplementary schedule were summarized from information furnished by the custodian. The plan administrator has received from the custodian a certification that the information furnished by the custodian is complete and accurate.

	2024	2023
Cash	\$ 171	\$ 171
Investments	10,320,384	8,703,558
Notes receivable from participants	134,416	133,366
Investment income:		
Net appreciation in fair value of investments	1,187,132	
Interest income on notes receivable from participants	10,064	

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The custodian did not provide a breakdown of investment income between appreciation in fair value and interest and dividends, as is required by GAAP. The effect of this departure from GAAP is not considered to be material.

NOTE 4 – FAIR VALUE MEASUREMENTS

The Plan has adopted FASB ASC 820, *Fair Value Measurement*. FASB ASC 820 defines and creates a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 consists of unadjusted quoted prices in active markets for identical assets or liabilities and have the highest priority.

Level 2 consists of inputs are other than quoted prices within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 consists of significant unobservable inputs for the asset or liability and has the lowest priority.

(Continued)

HUEY'S INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024 and 2023:

Pooled separate accounts: valued at the net asset value (NAV) of units of the separate accounts. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value and is based on fair value of the underlying investments held by the account less its liabilities. The practical expedient is not used when it is determined to be probable that the separate account will sell the investment for an amount different than reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the separate account, the investment advisor reserves the right to temporarily delay withdrawal from the account in order to ensure that securities liquidations will be carried out in an orderly business manner. The pooled separate accounts are redeemed on a daily basis and do not have any redemption restrictions. Additionally, there were no unfunded commitments.

Guaranteed Stable Value Account: The Plan has an investment in the group annuity contract with John Hancock. Contract value represents the amounts participants would receive if they were to initiate a transaction under the terms of the ongoing plan. Interest is credited daily at not less than the guaranteed minimum interest rate, and the interest rate is declared on a quarterly basis. The contract amount maintained is guaranteed against loss of principal, minus all withdrawals, including charges and adjustments. The contract value reflects fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

As defined by the Plan, John Hancock Life Insurance Company is the custodian, Burleigh Consulting is the third-party administrator (TPA), and B. Riley Wealth Management and Duncan Williams serve as investment advisors. Therefore, transactions with these parties totaling \$52,675 for the year ended December 31, 2024, qualify as party-in-interest transactions. Additional fees paid to the custodian are netted against investment returns.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 6 – TAX STATUS AND UNCERTAIN TAX POSITIONS

The Plan, which is a prototype of a plan that has qualified under the Internal Revenue Code as exempt from federal income tax, has received a favorable tax determination letter dated June 30, 2020, from the Internal Revenue Service. The Plan is required to operate in conformity with the Internal Revenue Code to maintain its qualification. The Plan has been amended since receiving the determination letter. However, the plan administrator is not aware of any events that have occurred which might adversely affect the Plan's qualified status.

The Plan follows the accounting guidance for uncertainty in income taxes using the provisions of FASB ASC Topic 740, *Income Taxes*. The Plan has concluded that there are no significant uncertain tax positions requiring disclosure, and there are no material amounts of unrecognized tax benefits. The Plan's evaluation was performed for tax years ended December 31, 2021 through December 31, 2024, the years that remain subject to examination by major tax jurisdictions as of December 31, 2024.

NOTE 7 – AMOUNTS OWED TO WITHDRAWN PARTICIPANTS

Net assets available for benefits to participants that are no longer employees of the plan sponsor totaled \$1,537,996 as of December 31, 2024. Of those balances, no amount had been requested to be paid to the participants as of the Plan's year end.

NOTE 8 – PROHIBITED TRANSACTIONS

For the years ended December 31, 2024, and December 31, 2023, the plan sponsor failed to remit employee contributions totaling \$9,350 and \$7,977, respectively, to the Plan on a timely basis. As these are prohibited transactions under ERISA, the plan sponsor has calculated the lost earnings to the participants and has contributed that amount to the Plan to correct the prohibited transactions as of December 31, 2024.

NOTE 9 – SUBSEQUENT EVENTS

The plan administrator evaluated events and transactions subsequent to December 31, 2024 through August 22, 2025, for potential recognition or disclosure in the financial statements. As a result of this evaluation management noted the following subsequent events: the Plan was restated effective January 1, 2025, to comply with the provisions of the SECURE Act 2.0. The restatement incorporates required changes to plan provisions to ensure continued compliance with applicable federal regulations. Management has not identified any additional items requiring disclosure.
