## **Independent Auditor's Report**

To the Plan Administrator  
Switchfly LLC 401(k) Profit Sharing Plan  
Denver, Colorado

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of Switchfly LLC 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Switchfly LLC 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the Financial Statement***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Switchfly LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Switchfly LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Switchfly LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Switchfly LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedule Required by ERISA***

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Note 1: Description of Plan

The following description of the Switchfly LLC 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

#### General

The Plan is a defined contribution plan covering substantially all employees of Switchfly LLC (the "Company" or "Employer"). Employees are eligible to participate in the Plan upon hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Company is the plan administrator and retains the services of a third party to assist in the administration of the Plan. The Plan's trustee is Fidelity Management Trust Company and the third party recordkeeper is Fidelity Workplace Services, LLC.

#### Contributions

Each year, participants may contribute up to 100% of eligible compensation on a pretax or after tax basis, as defined in the Plan. Contributions are subject to the annual limits specified under the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set to 3% of eligible compensation and their contributions invested in a designated fund until changed by the participant. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may make a discretionary matching contribution under the Plan. The Company made matching contributions of \$312,535 for the year ended December 31, 2024. The Company may also make discretionary non-elective contributions under the Plan. Participants must have completed one year of service with 1,000 hours of service during the plan year in order to receive the discretionary non-elective contribution. The Company made no non-elective contributions for the year ended December 31, 2024.

#### Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, and allocations of Company non-elective contributions, if any, and plan earnings and losses. Participant accounts are charged with withdrawals and an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### **Note 1: Description of Plan** (Continued)

#### **Vesting**

Participants are vested immediately in their voluntary contributions, rollover contributions, and Company matching contributions plus actual earnings and losses thereon. Participants vest in non-elective contributions at a rate of 25% per year after one year and become 100% vested after four years.

#### **Notes Receivable From Participants**

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of the vested account balance. The notes are secured by the balance in the participant's account and bear interest at market financing rates. Loan terms may not exceed five years unless for the purchase of a principal residence in which case the term may not exceed 10 years. Principal and interest are paid ratably through payroll deductions.

#### **Payment of Benefits**

Upon termination of service due to death, disability, retirement at age 65, or separation from service, participants may elect to receive benefits either as a lump sum amount equal to the value of the participant's vested interest in his or her account, partial withdrawals, or installments over a period of time, as defined within the plan document. Participants with vested account balances of \$7,000 or less upon separation will receive a lump sum cash payout. Participant consent is required for any distribution of a vested account balance greater than \$7,000.

As an active participant in the Plan, a participant may, upon attaining age 59½, request the distribution of all or a portion of his or her fully vested balance. In addition, a participant may apply for a hardship withdrawal if he or she is experiencing an immediate and heavy financial need as defined in the plan document.

#### **Forfeitures**

At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$20 and \$5,109, respectively. These accounts will be used to reduce future Plan contributions or to pay administrative expenses of the Plan in accordance with the plan document. Also, during the year ended December 31, 2024, Plan contributions were reduced by approximately \$10,300 from forfeited nonvested accounts.

#### **Investment Options**

Participant contributions and Company matching and non-elective contributions are allocated among the available investment options as directed by each participant. By designating these investment alternatives for participants, allowing frequent fund transfers, and providing the necessary fund information to participants, it is intended that the Plan be treated as an ERISA 404(c) Participant-Directed Account Arrangement.

### **Note 1: Description of Plan** (Continued)

#### **SECURE 2.0**

The SECURE 2.0 Act of 2022 (“SECURE 2.0”), signed into law on December 29, 2022, makes significant changes to existing law for retirement plans by building upon provisions in the SECURE Act of 2019. SECURE 2.0 introduces new requirements and considerations for plan sponsors that are intended to expand coverage, increase savings, preserve income, and simplify plan rules and administrative procedures. The effective date of the provisions of SECURE 2.0 vary from becoming effective immediately through 2028. Those provisions include both required and optional elements. Management has evaluated those provisions and determined there is no material impact on the Plan. Plan management will determine the optional provisions to elect in the future.

### **Note 2: Summary of Significant Accounting Policies**

#### **Basis of Accounting**

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

#### **Use of Estimates**

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

#### **Investment Valuation and Income Recognition**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### **Notes Receivable From Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant notes receivable are recorded as benefit payments on the basis of the terms of the plan document.

#### **Payment of Benefits**

Benefits payments to participants are recorded when paid.

### **Note 2: Summary of Significant Accounting Policies** (Continued)

#### **Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. Plan expenses, such as loan and distribution fees, are charged to individual participant accounts based on the participant's use of specific Plan features and are included in administrative expenses.

#### **Subsequent Events**

The Plan has evaluated subsequent events through September 8, 2025, which is the date the financial statements were available to be issued.

### **Note 3: Information Prepared and Certified by the Trustee**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

### **Note 4: Fair Value Measurements**

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority level. Level 2 inputs consist of observable inputs other than quoted prices for identical assets in active markets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

## Notes to Financial Statements

### Note 4: Fair Value Measurements (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There has been no change in the methodologies used at December 31, 2024 and 2023.

**Mutual Funds and Money Market Fund:** Valued at the daily closing price as reported by the fund. Mutual and money market funds held by the Plan are open-end funds that are required to publish their daily net asset value (NAV) and to transact at that price. These funds held by the Plan are deemed to be actively traded.

**Common Collective Trust Fund:** The C&S US Realty P is a common collective trust fund. This investment is valued at the NAV per share as of the close of business on the valuation date as a practical expedient for the estimated fair value. The NAV is quoted on a private market that is not active; however, the unit price is based on the value of the underlying investment assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. If the fund experiences periods of insufficient liquidity, then the funds may defer honoring any payment request until liquidity is sufficient. The Plan is permitted to redeem investment units at NAV on the measurement date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2024 and 2023. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 11,753,213	\$ -	\$ -	\$ 11,753,213
Money Market Fund	462,537	-	-	462,537
<b>Total Investments in the Fair Value Hierarchy</b>	<b>\$ 12,215,750</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ 12,215,750</b>
Common Collective Trust Fund at NAV (a)				76,610
<b>Total Investments at Fair Value</b>				<b>\$ 12,292,360</b>

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 9,898,543	\$ -	\$ -	\$ 9,898,543
Money Market Fund	437,884	-	-	437,884
<b>Total Investments in the Fair Value Hierarchy</b>	<b>\$ 10,336,427</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ 10,336,427</b>
Common Collective Trust Fund at NAV (a)				49,475
<b>Total Investments at Fair Value</b>				<b>\$ 10,385,902</b>

(a) In accordance with Fair Value Measurements topic, certain investments that were measured at NAV per share (or its equivalent), as a practical expedient, have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

### Note 4: Fair Value Measurements (Continued)

The following tables summarize investments measured at fair value based on NAV per share:

December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency (if Current Eligible)	Redemption Notice Period
Common Collective Trust Fund	\$ 76,610	N/A	Daily	1 Day

December 31, 2023	Fair Value	Unfunded Commitments	Redemption Frequency (if Current Eligible)	Redemption Notice Period
Common Collective Trust Fund	\$ 49,475	N/A	Daily	1 Day

### Note 5: Party-in-Interest Transactions

Fidelity Management Trust Company is the Plan's trustee, Fidelity Workplace Services, LLC is the Plan's recordkeeper, Wipfli LLP performs an annual audit of the Plan, and Pensionmark Financial Group LLC is the Plan's advisor. Transactions with these companies qualify as party-in-interest transactions. Certain plan investments are managed by Fidelity Management Trust Company. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments as they are paid through revenue sharing rather than a direct payment. For the year ended December 31, 2024, the Plan made direct payments of \$37,869 to these parties-in-interest which were not covered by revenue sharing. The plan sponsor pays directly any other fees related to the Plan's operations. In addition, notes receivable from participants also qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA.

### Note 6: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the plan document to discontinue its contributions and to terminate or partially terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in non-elective contributions.

### Note 7: Tax Status

The Plan adopted a non-standardized pre-approved plan document with an Internal Revenue Service (IRS) notification letter which states the pre-approved plan document is in compliance with the applicable sections of the IRC. The Plan has been amended since receiving the notification letter, however, the plan administrator believes that the Plan is designed and being operated in compliance with the applicable provisions of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

### Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### Note 9: Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

<i>As of December 31,</i>	2024	2023
Net Assets Available for Benefits per the Financial Statements	\$ 12,395,305	\$ 10,484,241
Less: Contributions Receivable from Employer	(17,821)	(30,787)
<b>Net Assets Available for Benefits per Form 5500</b>	<b>\$ 12,377,484</b>	<b>\$ 10,453,454</b>

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to Schedule H of Form 5500:

<i>Year Ended December 31,</i>	2024
Net Increase in Net Assets Available for Benefits per the Financial Statements	\$ 1,911,064
Less: Employer Contributions Receivable at December 31, 2024	(17,821)
Add: Employer Contribution Receivable at December 31, 2023	30,787
<b>Net Increase in Net Assets Available for Benefits per Schedule H of Form 5500</b>	<b>\$ 1,924,030</b>

Contributions receivable are recorded on a cash basis for Form 5500 purposes while they are recorded on an accrual basis within the accompanying financial statements.
