INDEPENDENT AUDITOR'S REPORT

To the Trustees and Participants of
32BJ North Legal Services Fund:

Opinion

We have audited the financial statements of the 32BJ North Legal Services Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the 32BJ North Legal Services Fund as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the 32BJ North Legal Services Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the 32BJ North Legal Services Fund's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the 32BJ North Legal Services Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the 32BJ North Legal Services Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

1. PLAN DESCRIPTION AND FUNDING

The following description of the 32BJ North Legal Services Fund (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a complete description of the Plan’s provisions.

General

The Plan is a multiemployer employee welfare plan and was established under the terms of collective bargaining agreements between the 32BJ SEIU (the “Union”), the Bronx Realty Advisory Board, Inc. and the Boiler Service Maintenance and Repair Employers Association of New York, Inc. and certain employers.

The Plan is administered by a Board of Trustees (the “Trustees”) with equal representation by the employers and the Union. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan Benefits

The Plan provides legal benefits and representation to eligible participants and their eligible dependents for covered legal matters. Eligibility for benefits depends upon the particular collective bargaining agreement or participation agreement. Generally, an active employee is eligible for benefits if the participant completes 90 consecutive days of full-time covered employment with the same employer. Benefits include general consultations, document review, preparation of wills and testaments, adoption, guardianship, change of name, real estate transactions, uncontested divorce and separation, annulment proceeding, family court, consumer-debt defense, personal bankruptcy, consumer matters, administrative agency benefit, immigration, and criminal misdemeanor defense. Eligible participants and their eligible dependents are covered thirty days after the participant terminates employment.

Plan Funding

The Plan’s primary sources of income are earnings from investments and contributions made by contributing employers in accordance with collective bargaining agreements or participation agreements. These agreements provide that the employers contribute to the Plan at a fixed rate on behalf of each covered employee.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are significant accounting policies followed by the Plan:

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingencies at the date of the financial statements and changes therein during the reporting period. Actual results could differ from those estimates.

32BJ North Legal Services Fund
Notes to Financial Statements
December 31, 2024 and 2023

Investment Valuation and Income Recognition

The Plan's investment is reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Trustees determine the Plan's valuation policies and utilize information provided by its investment advisors and custodian to determine the fair value of investments. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of the investment includes the Plan's realized and unrealized gains and losses on investments bought and sold as well as held during the year.

Employers' Contributions Receivable

The Plan reported as employers' contributions receivable any contributions due which relate to work completed on or before December 31. Management of the Plan evaluates participating employers' contributions receivable periodically for potential uncollectible amounts based on the likelihood of collection. As of December 31, 2024 and 2023, there were no allowances for credit losses amounts established.

Property and Equipment

Property and equipment are capitalized at cost and presented net of accumulated depreciation and amortization. Expenditures for maintenance and repairs are expensed as incurred while the cost of additions and improvements that extend the life of the asset are capitalized.

Depreciation and amortization are provided on the straight-line method over the estimated useful life of the related assets. The estimated useful life is as follows:

<u>Description</u>	<u>Estimated Life (Years)</u>
Computer equipment and software	10

Recognition of Benefits

Benefits are recognized when paid.

Expenses

Expenses incurred in connection with the administration of the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. Certain investment-related expenses are included in net depreciation in fair value of investments. Benefits paid for legal services represent those costs directly related to legal services provided on behalf of eligible participants and beneficiaries. Administrative expenses represent costs not directly related to legal services but are associated with the general operation of the Plan.

Subsequent Events

In preparing these financial statements, management of the Plan has evaluated events and transactions that occurred after December 31, 2024 for potential recognition or disclosure in the financial statements. These events and transactions were evaluated through July 31, 2025, the date that the financial statements were available to be issued, and no items have come to the attention of management that require recognition or disclosure.

3. RISKS AND UNCERTAINTIES

Due to various risks (e.g., interest rate, market, credit) associated with the Plan's investment and the level of uncertainty related to changes in the value of the investment, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported on the statements of net assets available for benefits.

Financial instruments that potentially subject the Plan to concentrations of credit risk include cash, accounts receivable and investments. While management of the Plan attempt to limit any financial exposure by maintaining accounts at high quality financial institutions, cash and investment balances exceed the federally insured limit of \$250,000 and \$500,000, respectively. Any loss incurred or lack of access to such funds could have a significant adverse impact on the Plan's financial condition results of operations, and cash flows. The Plan has not experienced any losses on such federally insured accounts. Credit risk associated with accounts receivable is considered limited due to the large number of employers that make up the receivable balance and historically high collection rate of receivables.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of the relevant observable inputs and minimize the use of the unobservable inputs.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the end of the reporting period. During the years ended December 31, 2024 and 2023, there were no transfers in or out of Level 3.

The following is a description of the valuation methodology used for assets measured at fair value. The valuation methodology was not changed during the years ended December 31, 2024 and 2023.

Mutual fund: Shares of the mutual fund are valued at the quoted market price in an active market.

5. PROPERTY AND EQUIPMENT

At December 31, property and equipment consisted of the following:

	2024	2023
Computer equipment and software	\$ 6,551	\$ 6,326
Accumulated depreciation and amortization	(6,551)	(6,243)
Total property and equipment - net	\$ -	\$ 83

Depreciation and amortization expense for the years ended December 31, 2024 and 2023, totaled \$308 and \$658, respectively, and is included in administrative expenses on the statements of changes in net assets available for benefits.

6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan shares office, payroll, certain computer equipment and software, and certain administrative expenses with affiliated funds based on the terms of various administrative service and cost sharing agreements. Shared expenses are allocated in proportion to the benefit derived by each entity based on an analysis of the related expenses. The Plan's share of allocated expenses, which are included in administrative expenses on the statements of changes in net assets available for benefits, totaled \$54,756 and \$68,672 for the years ended December 31, 2024 and 2023, respectively.

The Building Service 32BJ Legal Services Fund incurs reimbursable payroll expenses for attorneys who are providing legal services to Plan participants. The amounts incurred by the Building Services 32BJ Legal Services Fund on behalf of the Plan for the years ended December 31, 2024 and 2023 were \$27,742 and \$6,706, respectively, and are included in benefits paid for legal services on the statements of changes in net assets available for benefits.

32BJ North Legal Services Fund
Notes to Financial Statements
December 31, 2024 and 2023

At December 31, the Plan had the following amounts due to affiliates:

	<u>2024</u>	<u>2023</u>
Building Services 32BJ Health Fund	\$ 20,287	\$ 21,380
Building Service 32BJ Legal Services Fund	10,014	2,714
32BJ North Pension Fund	519	431
32BJ North Health Fund	-	3,898
Total due to affiliates	<u>\$ 30,820</u>	<u>\$ 28,423</u>

Amounts due to affiliates are noninterest bearing and due on demand.

The Plan holds an investment in a mutual fund managed by Vanguard Fiduciary Trust Company, the Plan's custodian. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA and the Internal Revenue Code (the "IRC").

7. TAX STATUS

The Plan is qualified as tax exempt under Section 501(c)(9) of the IRC. The Plan obtained a favorable determination letter dated August 16, 2000, in which the Internal Revenue Service (the "IRS") stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the determination letter; however, the Plan's administrator believes that the Plan currently is designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize an income tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Management has evaluated the tax positions taken by the Plan and concluded that as of December 31, 2024 and 2023 there are no uncertain positions taken or expected to be taken that would require recognition of a liability in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods. In addition, there have been no tax related interest or penalties for the periods presented in these financial statements.

8. PLAN TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect. However, in order to safeguard against any unforeseen contingencies, the right to discontinue the Plan is reserved to the Trustees. In the event of termination, the Trustees shall continue to satisfy or make provisions to satisfy the obligations of the Plan. Any remaining Plan assets will be distributed in such manner as will, in the opinion of the Trustees, bring about the purposes of the Plan. Termination shall not permit any part of the Plan to be used for or diverted to purposes other than the exclusive benefit of the participants and their beneficiaries or for the payment of administrative expenses of the Plan. The Trustees have the right to change or discontinue the types and amounts of benefits under the Plan and the eligibility rules, including the rules for extended or continuing eligibility, including retiree benefits.

Notes to Financial Statements

9. RECLASSIFICATION OF 2023 FINANCIAL STATEMENTS

Certain 2023 amounts have been reclassified from the presentation in previously issued financial statements to conform with the 2024 presentation. On the statement of changes in net assets available for benefits as of December 31, 2023, \$2,677, previously presented as benefits paid for legal services is now presented as administrative expenses. This reclassification had no impact on the amount of total net assets as of December 31, 2023, or the change in net assets available for benefits for the year then ended as presented in previously issued financial statements.
