INDEPENDENT AUDITOR'S REPORT

Board of Trustees
Plumbers and Pipefitters Local 25
401(k) Plan
Rock Island, Illinois

Opinion

We have audited the accompanying financial statements of Plumbers and Pipefitters Local 25 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets (held at end of year) and delinquent contributions are presented for purposes of additional analysis and are not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedules of administrative expenses are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

**PLUMBERS AND PIPEFITTERS LOCAL 25
401(K) PLAN**

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 1. DESCRIPTION OF THE PLAN

The Plan was formed May 1, 1995 as the Plumbers and Steamfitters Local 387 401(k) Plan (Local 387). On May 1, 2001, Local 387 was merged into the Plumbers and Pipefitters Local 25. On that date, the Plan changed its name to the Plumbers and Pipefitters Local 25 401(k) Plan (the Plan).

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering any employees represented by the Plumbers and Pipefitters Local 25 and working for an employer who is a member of and/or is represented in collective bargaining by the Eastern Iowa/Western Illinois Mechanical Contractors Association. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Participant Contributions - Each year, participants may contribute a percentage of pretax annual compensation, as defined in the Plan subject to annual limitations. Participants may also contribute amounts representing distributions from other qualified pension, profit sharing or individual retirement accounts.

Employer Contributions - Effective May 1, 2022, the contribution increased to \$0.75 per hour worked. Effective November 1, 2023, the contribution increased to \$0.80 per hour worked. Contributions to the Plan are made in accordance with the provisions of the collective bargaining agreements between employers and the Plumbers and Pipefitters Local 25. The revenue of the Fund is dependent on the continued activity of the employers of the Fund.

Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon.

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Payment of Benefits - On termination of service due to death, disability or retirement, participants may receive their vested interest in a lump-sum distribution. Annuity payments are not permitted. Benefits are recorded when paid.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting. Under this method, revenue is recognized when earned and expenses are recognized when incurred.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. Shares of registered investment companies are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. Purchases and sales of securities are recognized on a trade-date basis. Interest income is recognized on the accrual basis. Dividends are recognized on the ex-dividend date.

Use of Estimates - The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates.

Administrative Expenses - The Plan's expenses are paid by the Plan as provided by the Plan document. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation of fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

Contributions Receivable - Contributions receivable consists of amounts due from employers for which the Plan has an unconditional right to receive payment. Contributions receivable are stated at the amount management expects to be collected. Economic factors such as the concentration of employers in a similar geographic area and within the same industry might impact the nature, amount, timing and uncertainty of cash collections. As of December 31, 2024, management has determined that any estimated allowance for credit losses will be immaterial.

NOTE 3. PARTIES-IN-INTEREST

The Plan pays administrative fees to the affiliated organization of Plumbers and Pipefitters Local Union #25 Fringe Benefit Funds, LLC. The related party net amounts paid to affiliated funds for administrative expenses for the years ended December 31, 2024 and 2023 were \$119,867 and \$135,336, respectively.

NOTE 4. PLAN TERMINATION

In the event a terminating event occurs as described in the Plan, each participant shall have non-forfeitable rights, and the assets remaining after providing for the expenses of the Plan and for the payment of any "accumulated share" as defined in the Plan shall be distributed among the Plan participants.

NOTE 5. TAX STATUS

The Plan last received a favorable determination letter from the Internal Revenue Service (IRS) on August 31, 2015, in which the IRS stated the Plan, as designed, was in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and to recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. As of December 31, 2024, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. At December 31, 2024, the Plan is no longer subject to income tax examinations for years prior to the fiscal year ended December 31, 2021.

NOTE 6. INVESTMENTS

Accounting standards provide the framework for measuring fair value which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include other significant observable inputs including:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

NOTE 6. INVESTMENTS (CONTINUED)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024.

Level 1

Shares held in mutual funds are traded on national securities exchanges and are valued at closing prices as of the last business day of each period presented. Money market funds are valued using amortized cost which approximates fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024.

	2024			
	Total	Quoted Market Prices for Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Money market	\$ 2,443,235	\$ 2,443,235	\$ -	\$ -
Mutual funds	<u>101,810,617</u>	<u>101,810,617</u>	<u>-</u>	<u>-</u>
	<u>\$104,253,852</u>	<u>\$104,253,852</u>	<u>\$ -</u>	<u>\$ -</u>

**NOTE 6. INVESTMENTS (CONTINUED)**

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023.

	2023			
	Total	Quoted Market Prices for Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Money market	\$ 2,373,464	\$ 2,373,464	\$ -	\$ -
Mutual funds	84,580,820	84,580,820	-	-
	<u>\$ 86,954,284</u>	<u>\$ 86,954,284</u>	<u>\$ -</u>	<u>\$ -</u>

NOTE 7. PROHIBITED TRANSACTION

Employers withhold elective deferrals from participants' payroll. During the year ended December 31, 2024, several instances occurred where the employers remitted the contributions to the Plan in a manner that did not meet the timeliness requirements as prescribed by the U.S. Department of Labor (DOL) regulations. These late payments constitute a prohibited transaction with a party-in-interest. During 2024, contributing employers failed to timely remit to the Plan employee contributions totaling \$64,048. Lost interest for the year ended December 31, 2024 has been added to the respective participants' accounts to make them whole for the lost interest resulting from the untimely remittances.

Upon receipt of late contributions from a delinquent employer, the amount of contributions plus interest is credited to the participants' account to compensate the participant for lost earnings resulting from the delay in contributions.

NOTE 8. SIGNIFICANT UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that the values of investment securities could be different at the reporting date and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of the Plan's income and expenses per the accompanying financial statements to the Form 5500:

	<u>2024</u>	<u>2023</u>
Total additions per the financial statements	\$ 22,151,690	\$ 22,095,828
Add - investment expenses	<u>10,000</u>	<u>10,000</u>
Total income per the Form 5500	<u>\$ 22,161,690</u>	<u>\$ 22,105,828</u>
	<u>2024</u>	<u>2023</u>
Total deductions per the financial statements	\$ 4,945,922	\$ 4,780,436
Add - investment expenses	<u>10,000</u>	<u>10,000</u>
Total expenses per the Form 5500	<u>\$ 4,955,922</u>	<u>\$ 4,790,436</u>

NOTE 10. SUBSEQUENT EVENTS

Subsequent events have been evaluated through June 9, 2025, which is the date the financial statements were available to be issued. This review and evaluation revealed no material event or transaction which would require an adjustment to or disclosure in the accompanying financial statements.
