Independent Auditors' Report

To the Trustee of
Atlantic Building Components & Services, Inc. 401k Profit Sharing Plan
Moncks Corner, South Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Atlantic Building Components & Services, Inc. 401k Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Atlantic Building Components & Services, Inc. 401k Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Matrix Trust Company, the custodian as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by the custodian agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Atlantic Building Components & Services, Inc. 401k Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Atlantic Building Components & Services, Inc. 401k Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Atlantic Building Components & Services, Inc. 401k Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Atlantic Building Components & Services, Inc. 401k Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H; Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is

derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Atlantic Building Components & Services, Inc. 401k Profit Sharing Plan

Notes to Financial Statements

1. Description of Plan

The following description of Atlantic Building Components & Services, Inc. 401k Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Atlantic Building Components & Services, Inc. (the "Company") who are age eighteen or older and have been employed by the Company a minimum of three consecutive months during which the participant has worked a minimum of 250 hours. Participants may enter the Plan immediately after which the participant meets the Plan's eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Plan is administered by the Retirement Plan Committee of the Company. The Retirement Plan Committee of the Company acts as trustee and is responsible for the custody and management of the Plan's assets.

Contributions

Each year, participants may contribute an elected amount of pretax annual compensation, as defined in the Plan. Participants who are age fifty or older by the end of the year are eligible to make an additional catch-up contribution to the Plan. With the Trustee's consent, participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover contributions).

The Plan is a safe-harbor plan with a non-discretionary employer matching contribution equal to 100% of the first four percent of compensation deferred into the Plan. Company contributions are invested into the investment options elected by the participant. At their discretion, the Company may make a discretionary profit-sharing contribution to the Plan. For the plan year ended December 31, 2024, the Company elected not to make a discretionary profit-sharing contribution.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings and charged with an allocation of administrative expenses. Allocations of Company contributions are based on a match of participant deferral contributions. Allocations of Plan earnings and administrative expenses are based on account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective contributions and Company contributions, plus actual earnings thereon.

Atlantic Building Components & Services, Inc. 401k Profit Sharing Plan

Notes to Financial Statements

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions and employer matching contributions into any of the available investment options offered under the Plan. The Plan currently offers various mutual funds and a money market account as investment options for participants. Participants may change their investment options as often as permitted under the investment vehicles chosen by the participant.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Participant loans are valued at their unpaid principal balances, plus all accrued but unpaid interest. The loans are secured by the balance in the participant's account and bear interest at prime rates. The interest rate on all outstanding participant loans at December 31, 2024 ranged from 3.25% to 8.50%. Principal and interest is paid ratably through weekly payroll deductions.

Payment of Benefits

On retirement, death, disability, or termination of service, a participant (or participant's beneficiary in the event of death) receives a lump sum distribution equal to the participant's vested account balance. On termination of service due to death, the surviving spouse or other beneficiary may elect to receive the value of the vested interest in his or her account as a lump sum distribution or in annual installments if required minimum distributions to the Participant have already begun. Hardship distributions are permitted if certain criteria are met.

Forfeitures

Participants are immediately fully vested in all contributions to the plan. Therefore, there have been no forfeitures from plan participant accounts due to vesting provisions. Existing forfeitures originated from correction adjustments. At December 31, 2024 and 2023, the unallocated balance in the forfeiture account totaled \$5,624 and \$3,987, respectively. Forfeitures will be used to reduce future administrative expenses or employer matching contributions.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Atlantic Building Components & Services, Inc. 401k Profit Sharing Plan

Notes to Financial Statements

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustee determines the Plan's valuation policies utilizing information provided by the Plan's investment advisors and custodians. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses incurred in connection with the general administration of the Plan are paid by the Plan and are recorded in the accompanying statement of changes in net assets available for benefits as administrative expenses. Expenses of maintaining the Plan that are paid directly by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through September 5, 2025, the date the financial statements were available to be issued.

New Accounting Pronouncements

On December 29, 2022, the SECURE 2.0 Act of 2022 was signed into law. This act contains provisions that go into effect at various times starting in 2023 and ending in 2033. The deadline for adopting any required plan amendments pursuant to the SECURE 2.0 Act is December 31, 2026; however, plans must be operated in accordance with the effective date of each new provision. Management has reviewed the provisions effective for the 2024 year and continues to monitor and adjust operations in accordance with provisions as they become effective. As of December 31, 2024, no formal Plan amendments have been made to adopt SECURE 2.0 Act provisions. Management has determined that the Plan was in compliance with all applicable provisions for the year ended December 31, 2024.

Atlantic Building Components & Services, Inc. 401k Profit Sharing Plan

Notes to Financial Statements

3. Certified Investments (Unaudited)

The accompanying financial statements and supplemental schedule include the following unaudited information as of December 31, 2024 and 2023 and for the year ended December 31, 2024 that was obtained from data prepared and certified to be complete and accurate by Matrix Trust Company, custodian:

	2024	2023
Investments, at fair value	\$ 7,802,653	\$ 6,917,442
Net appreciation in fair value of investments	\$ 616,414	
Interest and dividends	\$ 260,165	

Supplemental Schedule of Assets (Held at End of Year) included on pages 14 - 15, excluding participant loans.

4. Fair Value Measurements

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Basis of Fair Value Measurement

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment, and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

Atlantic Building Components & Services, Inc. 401k Profit Sharing Plan Notes to Financial Statements

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Money Market Accounts: Valued at per share or cash value.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy, the Plan's fair value measurement at December 31, 2024 and 2023:

Assets at Fair Value as of December 31, 2024				
Description	Level 1	Level 2	Level 3	Total
Money Market Funds	\$ 2,167,154	\$ -	\$ -	\$ 2,167,154
Mutual Funds	5,635,499	-	-	5,635,499
Total	\$ 7,802,653	\$ -	\$ -	\$ 7,802,653

Assets at Fair Value as of December 31, 2023				
Description	Level 1	Level 2	Level 3	Total
Money Market Funds	\$ 2,135,279	\$ -	\$ -	\$ 2,135,279
Mutual Funds	4,782,163	-	-	4,782,163
Total	\$ 6,917,442	\$ -	\$ -	\$ 6,917,442

5. Related Party and Part-in-Interest Transactions

The Company provides certain accounting, administrative and investment management services to the Plan for which no fees are charged.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the plan to discontinue its contributions at any time and to terminate the plan, subject to plan provisions and ERISA. Participants are already currently 100 percent vested in all contributions made to the Plan.

Atlantic Building Components & Services, Inc. 401k Profit Sharing Plan

Notes to Financial Statements

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the individual participant account statements and the statement of net assets available for benefits.

8. Unallocated Assets (Non-Interest Bearing Cash)

At December 31, 2024 and 2023 there was \$15,140 and \$11,550, respectively, of funds in non-interest bearing cash that had not been allocated to the individual participant accounts as of the end of the year. These funds were allocated to the individual participant accounts during the first month of the following plan year.

9. Concentration of Credit Risk

Substantially all Plan assets are invested with one investment management company. At December 31, 2024 and 2023, investments in Vanguard funds represented 89% and 86%, respectively, of the Plan's investment holdings. Such investments are subject to credit and market risk associated with (1) the credit worthiness of the investment management company, (2) the credit worthiness of underlying issuers, and (3) fluctuations in market value inherent with changes in economic conditions.

10. Tax Status

The Plan is a volume submitter 401(k) profit sharing plan offered by CCH Incorporated. The Internal Revenue Service has issued an opinion letter dated June 30, 2020, indicating that the plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the plan has been amended and restated since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the plan is qualified and tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the notes to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

Atlantic Building Components & Services, Inc. 401k Profit Sharing Plan

Notes to Financial Statements

11. Prefunded Contributions

As of December 31, 2024, the Plan was funded contributions of \$15,140 for the 2025 Plan year. These contributions are included in Prefunded contributions on the Statement of Net Assets Available for Benefits.

12. 5500 Reconciliation

The financial statements have been prepared on the accrual basis of accounting. As such, they include the accrual of certain expenses that are presented in the Form 5500 filing in the year paid and the accrual of contributions that are presented in the Form 5500 filing in the year received. Additionally, the financial statements include outstanding participant loans that have been deemed for income tax reporting purposes for participants who have not yet incurred a distributable event.

Independent Auditors' Report

To the Trustee of
Atlantic Building Components & Services, Inc. 401k Profit Sharing Plan
Moncks Corner, South Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Atlantic Building Components & Services, Inc. 401k Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Atlantic Building Components & Services, Inc. 401k Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Matrix Trust Company, the custodian as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by the custodian agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Atlantic Building Components & Services, Inc. 401k Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Atlantic Building Components & Services, Inc. 401k Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Atlantic Building Components & Services, Inc. 401k Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Atlantic Building Components & Services, Inc. 401k Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H; Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is

derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Atlantic Building Components & Services, Inc. 401k Profit Sharing Plan

Notes to Financial Statements

1. Description of Plan

The following description of Atlantic Building Components & Services, Inc. 401k Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Atlantic Building Components & Services, Inc. (the "Company") who are age eighteen or older and have been employed by the Company a minimum of three consecutive months during which the participant has worked a minimum of 250 hours. Participants may enter the Plan immediately after which the participant meets the Plan's eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Plan is administered by the Retirement Plan Committee of the Company. The Retirement Plan Committee of the Company acts as trustee and is responsible for the custody and management of the Plan's assets.

Contributions

Each year, participants may contribute an elected amount of pretax annual compensation, as defined in the Plan. Participants who are age fifty or older by the end of the year are eligible to make an additional catch-up contribution to the Plan. With the Trustee's consent, participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover contributions).

The Plan is a safe-harbor plan with a non-discretionary employer matching contribution equal to 100% of the first four percent of compensation deferred into the Plan. Company contributions are invested into the investment options elected by the participant. At their discretion, the Company may make a discretionary profit-sharing contribution to the Plan. For the plan year ended December 31, 2024, the Company elected not to make a discretionary profit-sharing contribution.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings and charged with an allocation of administrative expenses. Allocations of Company contributions are based on a match of participant deferral contributions. Allocations of Plan earnings and administrative expenses are based on account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective contributions and Company contributions, plus actual earnings thereon.

Atlantic Building Components & Services, Inc. 401k Profit Sharing Plan

Notes to Financial Statements

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions and employer matching contributions into any of the available investment options offered under the Plan. The Plan currently offers various mutual funds and a money market account as investment options for participants. Participants may change their investment options as often as permitted under the investment vehicles chosen by the participant.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Participant loans are valued at their unpaid principal balances, plus all accrued but unpaid interest. The loans are secured by the balance in the participant's account and bear interest at prime rates. The interest rate on all outstanding participant loans at December 31, 2024 ranged from 3.25% to 8.50%. Principal and interest is paid ratably through weekly payroll deductions.

Payment of Benefits

On retirement, death, disability, or termination of service, a participant (or participant's beneficiary in the event of death) receives a lump sum distribution equal to the participant's vested account balance. On termination of service due to death, the surviving spouse or other beneficiary may elect to receive the value of the vested interest in his or her account as a lump sum distribution or in annual installments if required minimum distributions to the Participant have already begun. Hardship distributions are permitted if certain criteria are met.

Forfeitures

Participants are immediately fully vested in all contributions to the plan. Therefore, there have been no forfeitures from plan participant accounts due to vesting provisions. Existing forfeitures originated from correction adjustments. At December 31, 2024 and 2023, the unallocated balance in the forfeiture account totaled \$5,624 and \$3,987, respectively. Forfeitures will be used to reduce future administrative expenses or employer matching contributions.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Atlantic Building Components & Services, Inc. 401k Profit Sharing Plan

Notes to Financial Statements

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustee determines the Plan's valuation policies utilizing information provided by the Plan's investment advisors and custodians. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses incurred in connection with the general administration of the Plan are paid by the Plan and are recorded in the accompanying statement of changes in net assets available for benefits as administrative expenses. Expenses of maintaining the Plan that are paid directly by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through September 5, 2025, the date the financial statements were available to be issued.

New Accounting Pronouncements

On December 29, 2022, the SECURE 2.0 Act of 2022 was signed into law. This act contains provisions that go into effect at various times starting in 2023 and ending in 2033. The deadline for adopting any required plan amendments pursuant to the SECURE 2.0 Act is December 31, 2026; however, plans must be operated in accordance with the effective date of each new provision. Management has reviewed the provisions effective for the 2024 year and continues to monitor and adjust operations in accordance with provisions as they become effective. As of December 31, 2024, no formal Plan amendments have been made to adopt SECURE 2.0 Act provisions. Management has determined that the Plan was in compliance with all applicable provisions for the year ended December 31, 2024.

3. Certified Investments (Unaudited)

The accompanying financial statements and supplemental schedule include the following unaudited information as of December 31, 2024 and 2023 and for the year ended December 31, 2024 that was obtained from data prepared and certified to be complete and accurate by Matrix Trust Company, custodian:

	2024	2023
Investments, at fair value	\$ 7,802,653	\$ 6,917,442
Net appreciation in fair value of investments	\$ 616,414	
Interest and dividends	\$ 260,165	

Supplemental Schedule of Assets (Held at End of Year) included on pages 14 - 15, excluding participant loans.

4. Fair Value Measurements

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Basis of Fair Value Measurement

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment, and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

Atlantic Building Components & Services, Inc. 401k Profit Sharing Plan Notes to Financial Statements

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Money Market Accounts: Valued at per share or cash value.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy, the Plan's fair value measurement at December 31, 2024 and 2023:

Assets at Fair Value as of December 31, 2024				
Description	Level 1	Level 2	Level 3	Total
Money Market Funds	\$ 2,167,154	\$ -	\$ -	\$ 2,167,154
Mutual Funds	5,635,499	-	-	5,635,499
Total	\$ 7,802,653	\$ -	\$ -	\$ 7,802,653

Assets at Fair Value as of December 31, 2023				
Description	Level 1	Level 2	Level 3	Total
Money Market Funds	\$ 2,135,279	\$ -	\$ -	\$ 2,135,279
Mutual Funds	4,782,163	-	-	4,782,163
Total	\$ 6,917,442	\$ -	\$ -	\$ 6,917,442

5. Related Party and Part-in-Interest Transactions

The Company provides certain accounting, administrative and investment management services to the Plan for which no fees are charged.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the plan to discontinue its contributions at any time and to terminate the plan, subject to plan provisions and ERISA. Participants are already currently 100 percent vested in all contributions made to the Plan.

Notes to Financial Statements

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the individual participant account statements and the statement of net assets available for benefits.

8. Unallocated Assets (Non-Interest Bearing Cash)

At December 31, 2024 and 2023 there was \$15,140 and \$11,550, respectively, of funds in non-interest bearing cash that had not been allocated to the individual participant accounts as of the end of the year. These funds were allocated to the individual participant accounts during the first month of the following plan year.

9. Concentration of Credit Risk

Substantially all Plan assets are invested with one investment management company. At December 31, 2024 and 2023, investments in Vanguard funds represented 89% and 86%, respectively, of the Plan's investment holdings. Such investments are subject to credit and market risk associated with (1) the credit worthiness of the investment management company, (2) the credit worthiness of underlying issuers, and (3) fluctuations in market value inherent with changes in economic conditions.

10. Tax Status

The Plan is a volume submitter 401(k) profit sharing plan offered by CCH Incorporated. The Internal Revenue Service has issued an opinion letter dated June 30, 2020, indicating that the plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the plan has been amended and restated since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the plan is qualified and tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the notes to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

Notes to Financial Statements

11. Prefunded Contributions

As of December 31, 2024, the Plan was funded contributions of \$15,140 for the 2025 Plan year. These contributions are included in Prefunded contributions on the Statement of Net Assets Available for Benefits.

12. 5500 Reconciliation

The financial statements have been prepared on the accrual basis of accounting. As such, they include the accrual of certain expenses that are presented in the Form 5500 filing in the year paid and the accrual of contributions that are presented in the Form 5500 filing in the year received. Additionally, the financial statements include outstanding participant loans that have been deemed for income tax reporting purposes for participants who have not yet incurred a distributable event.

The following is a reconciliation of the net assets available for benefits per the financial statements to the net assets available for benefits per the Form 5500 at December 31, 2024:

	<u>2024</u>
Net assets available for benefits per financial statements	\$ 7,947,006
Prefunded contributions	<u>15,140</u>
Net assets available for benefits per Form 5500	<u><u>\$ 7,962,146</u></u>

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to the net income per the Form 5500 for the year ended December 31, 2024:

	<u>2024</u>
Net increase in net assets available for benefits per financial statements	\$ 925,430
Prefunded contributions	<u>15,140</u>
Net income per Form 5500	<u><u>\$ 940,570</u></u>

There were no reconciling items between the Form 5500 and the financial statements as of December 31, 2023.
