Independent Auditors' Report

To the Trustees of
Hartline Barger LLP 401(k) Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Hartline Barger LLP 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Hartline Barger LLP 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the

information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hartline Barger LLP 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hartline Barger LLP 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatements of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures

include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hartline Barger LLP 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hartline Barger LLP 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter-Supplemental Schedule Required by ERISA

The supplemental schedule of Assets Held for Investment as of December 31, 2024 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Hartline Barger LLP 401(k) Profit Sharing Plan
Notes to the Financial Statements
December 31, 2024 and 2023

1. DESCRIPTION OF THE PLAN

The following description of the Hartline Barger LLP 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan effective May 1, 1994 covering all non-union employees of Hartline Barger LLP (the "Employer"). The Plan was established in accordance with Section 401(k) of the Internal Revenue Code ("IRC") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). An employee is eligible to make employee 401(k) contributions to the Plan and to receive employer matching and profit-sharing contributions after they have both attained age 21 and completed sixty days of service.

Administration

The Employer is the Plan administrator. As of August 15th, 2008, administration expenses incurred by the Plan are paid with eligible credits generated at a predetermined annual credit rate computed on the average daily balance of eligible assets for the appropriate calendar quarter. Additionally, the Employer absorbs other costs of plan administration.

Under the terms of a Custodial Agreement, effective August 15th, 2008, American Funds is appointed to provide services related to the processing and recordkeeping of Plan investments, contributions, and distributions. The trustee of the Plan is Capital Bank & Trust Company (the "Trustee").

Contributions

Participating employees and the Employer make contributions to the Plan. Effective January 1, 2016, a participant may make elective contributions, via salary deferrals, between 1% and 90% of their pretax compensation for the contribution period. For each Plan year the Employer may make discretionary matching contributions, on behalf of each eligible participant, up to 6% of the participant's compensation for that year. In addition, as of each Plan year, the Employer may make a discretionary profit-sharing contribution. As an option, participants may make contributions to a Roth account. Contributions are subject to certain limitations by law up to the maximum contributions under Section 402(g) of the IRC.

The Plan allows employees who have received distributions from other qualified retirement plans to directly transfer or rollover their previous account balances into segregated "rollover" accounts of the Plan which will be non-forfeitable at all times.

Notes to the Financial Statements
December 31, 2024 and 2023

1. DESCRIPTION OF THE PLAN (Continued)

Investment Options

Upon enrollment in the Plan, a participant may direct their contributions and any related earnings into several distinct active investment options. Employer matching and profit-sharing contributions are invested in accordance with the investment choices selected by each respective participant.

Vesting

Participant contributions, plus the earnings thereon, vest immediately. Participants become fully vested (20% per year beginning with year 2) in matching and profit-sharing contributions, forfeitures, and the earnings thereon upon the completion of 6 years of service, upon termination of the plan, upon attainment of normal retirement age, or upon death or disability. A Participant attains normal retirement age upon reaching their 62nd birthday, or 5th anniversary of joining the Plan, if later. A completed year of service for vesting purposes will be 1,000 hours of service during a Plan year.

Benefit Payments

The Participant or beneficiary may elect to receive a distribution(s) upon retirement, termination (elective or due to disability), death, or in the event of financial hardship. The Trustee pays any benefit provided by the Plan directly to the Participant or in the form of a direct rollover to another qualified plan or an Individual Retirement Account. All distribution(s) are made in lump-sum amounts up to the value of the funds allocated to the account of the Participant for vested benefits not exceeding \$5,000. If the vested benefit exceeds \$5,000, the Participant may elect to receive a distribution in a lump-sum amount, substantially equal installments over a period of time, or a combination thereof subject to required minimum distribution rules. Special rules apply to a distribution due to financial hardship.

Forfeited Accounts

Forfeitures of the employer's matching and profit-sharing contributions due to Participants withdrawing from the plan prior to full vesting may be used to pay administrative expenses and to reduce the employer's future matching and profit sharing contributions. Employer matching and profit-sharing contributions were reduced by forfeitures in the amount of \$0 and \$115,000 for the years ended December 31, 2024 and 2023, respectively. The forfeiture account balance was \$234,540 and \$110,512 for the years ended December 31, 2024 and 2023, respectively.

Administrative expenses for the years ended December 31, 2024 and 2023 of \$0 and \$0, respectively, were paid from forfeited non-vested accounts.

1. DESCRIPTION OF THE PLAN (Continued)

Plan Termination

The Employer expects to continue the Plan indefinitely but reserves the right to terminate the Plan at any time and for any reason. Upon termination of the Plan, all benefits shall be fully vested, and each Participant will become 100% vested in their accounts. The Trustee in a single lump sum payment shall make payment of such amounts to each Participant in accordance with plan provisions until the Trustee has distributed all assets.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Plan are presented on the accrual basis of accounting.

Valuation of Investments

The Plan's investments are in mutual funds and are stated at fair value, based on quoted market prices at the Plan's year-end. Purchases and sales of investments are recorded on a trade date basis. Interest is allocated to participant accounts on a pro-rata basis depending on the participants' account balance. Dividends are allocated based on the number of shares in a Participant's account.

The Plan presents in the statement of changes in net assets available for benefits the net investment gain (loss) on mutuals, which includes the realized gains or losses and the unrealized appreciation or depreciation on investments. The statement also presents interest and dividend income.

Use of Estimates

The preparation of financial statements in conformity with the accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

3. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit.

	Fair Value Measurements Using:	
	Quoted Prices in Active Markets for Identical Assets (<u>Level 1</u>)	
December 31,	<u>2024</u>	<u>2023</u>
Cash-money market reserves	\$1,411,506	\$1,966,397
Mutual funds	32,109,842	34,410,037
Total	\$33,521,348	\$36,376,434

FASB ASC 820-10 (formerly SFAS No. 157, Fair Value Measurements), establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 inputs were available to the Plan, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2024 and 2023 are reported in net investment gain (loss) on mutuals.

4. PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor Regulations as any fiduciary of the Plan or party rendering services to the Plan, the Employer and certain others. As such, transactions conducted by the Custodian or Trustees qualify as party-in-interest transactions.

6. TAX STATUS OF THE PLAN

The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter.

Management believes that the Plan is qualified under section 401(a) of the IRC and applicable sections of ERISA, and therefore the Trust is exempt from taxation under section 501(a). Accordingly, employee contributions, employer contributions, and earnings of the Plan are not taxable to the Participants until distributed. Management is unaware of any variations in the operation of the Plan from the terms of the Plan documents, as amended, which would subject the Plan to disqualification. Management intends to maintain the Plan's qualification under the IRC and ERISA. Management has adopted all plan amendments as required by legislation. The Plan has complied with fidelity bonding requirements of ERISA. The Plan is no longer subject to U.S. federal or state and local income tax examinations by tax authorities for years before 2020.

7. FINANCIAL DATA CERTIFIED BY THE TRUSTEE

The Plan Administrator has elected the method of compliance permitted by Section 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA.

Accordingly, the Plan Administrator has accepted the certification of the Trustee that the unaudited financial information related to investments and investment income used in the preparation of the Plan's financial statements and supplemental schedule is complete and accurate.

Net increase (decrease) in net assets available for benefits per financial statements	<u>(\$2,855,086)</u>	<u>\$2,589,171</u>

9. RISKS AND UNCERTAINTIES

The Plan provides for various investment options in mutual funds and cash equivalents. These types of investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, including those held by the Plan, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

10. SUBSEQUENT EVENTS

The plan administrator has evaluated subsequent events through September 9, 2025, the date the financial statements were available to be issued.
