Independent Auditor's Report

Plan Administrator
Broadstep Behavioral Health Inc. 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Broadstep Behavioral Health Inc. 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Broadstep Behavioral Health Inc. 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Broadstep Behavioral Health Inc. 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Broadstep Behavioral Health Inc. 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Broadstep Behavioral Health Inc. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Broadstep Behavioral Health Inc. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a - Schedules of Delinquent Participant Contributions for the years ended December 31, 2024 and 2023 and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1: Description of Plan

The following description of the Broadstep Behavioral Health Inc. 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a participant-directed defined contribution plan sponsored by Broadstep Behavioral Health Inc. and subsidiaries (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

The SECURE 2.0 Act of 2022 ("SECURE 2.0"), signed into law on December 29, 2022, makes significant changes to existing law for retirement plans by building upon provisions in the SECURE Act of 2019. SECURE 2.0 introduces new requirements and considerations for plan sponsors that are intended to expand coverage, increase savings, preserve income, and simplify plan rules and administrative procedures. The effective date of the provisions of SECURE 2.0 vary from becoming effective immediately through 2028. Those provisions include both required and optional elements. The Plan has adopted the provision increasing the age at which participants must begin taking required minimum distributions from age 72 to age 73 effective January 1, 2023, and is in the process of evaluating other voluntary provisions. The Plan is required to be amended in regard to other requirements of SECURE 2.0 by December 31, 2026.

Eligibility

All employees of the Company who have performed 2 months of service and are twenty-one or older are eligible to participate in the Plan. Participants who are employed at the end of the Plan year and have completed at least 1,000 hours of service during the Plan year are eligible to receive Company discretionary matching contributions.

Contributions

Participants may make salary reduction ("deferrals") contributions to the Plan, not to exceed the limits of the Internal Revenue Service ("IRS"). Upon meeting eligibility requirements, employees are automatically enrolled in the Plan at a deferral rate of 3% unless the employee has elected not to participate or to contribute at a different rate. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may contribute distributions from other qualified plans ("rollovers").

The Company may make discretionary matching and profit sharing contributions to the Plan. The Company did not make any such contributions in 2024 and 2023.

Funding

The Company generally remits participant elective contributions to the Plan no later than the 15th business day of the month following the date on which the Company withheld the participants' contribution. Company discretionary matching and profit sharing contributions, if any, are remitted annually.

Note 1: Description of Plan (Continued)

Investment Options

Participants direct how personal and Company contributions are invested among several options that cover a wide range of fund objectives, risks, and returns. For a more complete description of the Plan's investments, participants should refer to the investment prospectuses.

Participant Accounts

Each participant's account is credited with the participant's contributions, Company matching contributions, and an allocation of (a) the Company's profit sharing contributions, if any and (b) Plan net earnings (losses). Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Salary deferrals, rollover contributions, and earnings thereon are immediately vested. Vesting in the Company's contributions and earnings thereon vest as follows:

<i>Years of Service</i>	Vesting %
Less than 2 years	0 %
2 years	20 %
3 years	40 %
4 years	60 %
5 years	80 %
6 or more	100 %

Upon death or permanent disability, participants become 100% vested in Company contributions.

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The rate of interest charged on notes receivable is a fixed rate equal to the prime rate plus 1%. The Plan provides for a maximum loan period of five years unless the note is associated with the purchase, construction, or rehabilitation of a participant's principal residence. The notes are collateralized by the participant's account balance. Principal and interest are paid ratably through payroll deductions. The interest rates on notes receivable from participants ranged from 4.25% to 9.50% as of December 2024.

Note 1: Description of Plan (Continued)

Payment of Benefits

Benefits under the Plan are paid upon normal retirement age, termination, death, disability or for an in-service withdrawal for participants attaining age 59 1/2. A participant may elect to receive the value of the participant's vested interest in his or her account in a lump-sum payment, installment, or partial withdrawals. In certain circumstances hardship withdrawals are permitted.

Forfeitures

Forfeitures are portions of participant account balances that participants surrender by terminating employment prior to becoming fully vested. Forfeitures are used to reduce future Company contributions or pay Plan expenses. The Plan provides for restoration of forfeited funds upon re-employment of former participants in specified circumstances. Forfeitures available to reduce future Company contributions and pay Plan expenses were \$74,936 and \$96,657 as of December 31, 2024 and 2023, respectively. Forfeitures of \$54,094 and \$14 were used to pay Plan expenses in 2024 and 2023, respectively. No forfeitures were allocated to participant accounts in 2024 or 2023.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates and are subject to change in the near term.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value of investments.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Note 2: Summary of Significant Accounting Policies (Continued)

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. Delinquent participant notes receivable are recorded as benefit payments on the basis of the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Excess Contributions Payable

At December 31, 2024, amounts payable to participants totaling \$2,682 for contributions in excess of amounts allowed by the IRS were recorded as a liability with a corresponding reduction to benefits paid to participants. The Plan distributed the 2024 excess contributions to the applicable participants after March 15, 2025. At December 31, 2023, amounts payable to participants totaling \$10,365 for contributions in excess of amounts allowed by the IRS were recorded as a liability with a corresponding reduction to benefits paid to participants. The Plan distributed the 2023 excess contributions to the applicable participants after March 15, 2024.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are allocated proportionately to plan participants based on their respective account balances and are included in net appreciation in fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through September 3, 2025, which is the date the financial statements were available to be issued.

Note 3: Fair Value Measurements

GAAP specifies a three-tier fair value hierarchy, which prioritizes the inputs used in estimating fair value. These tiers include Level 1, defined as observable inputs such as quoted prices in active markets; Level 2, defined as inputs other than quoted market prices in active markets that are either directly or indirectly observable; and Level 3, defined as unobservable inputs in which little or no market data exists, therefore, requiring an entity to develop its own assumptions.

Broadstep Behavioral Health Inc. 401(k) Retirement Plan

Notes to Financial Statements

Note 3: Fair Value Measurements (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024 and 2023.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trust: Valued as determined by the issuer of the common/collective trust using NAV per share measurement. The Reliance/MetLife Stable Principal Fund ("Stable Principal Fund") is a common/collective trust with underlying investments in fully benefit-responsive investment contracts. Their objective is to maintain safety of principal while generating a level of current income exceeding that of a money market. The Stable Principal Fund seeks to maintain a stable \$1.00 unit value although there is no guarantee it will be able to do so. The Stable Principal Fund invests in traditional and synthetic guaranteed income contracts with various crediting formulas. The Stable Principal Fund manager may limit withdrawals in order to maintain sufficient liquidity.

Investments in the common/collective trust can be purchased and sold continuously. A notice of redemption is not required. The Plan has no obligation to buy additional units.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2024 and 2023:

<i>December 31, 2024</i>	Assets at Fair Value			
	Level 1	Level 2	Level 3	Total

Notes to Financial Statements

Note 4: Information Prepared and Certified by the Custodian

Certain information related to the Plan's investments disclosed in the accompanying financial statements and supplemental schedules, including investments and cash & cash equivalents held at December 31, 2024 and 2023 and net appreciation in fair value of investments and interest and dividends for the years then ended was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Reliance Trust Company, the custodian of the Plan.

Note 5: Related-Party Transactions and Party-in-Interest Transactions

The Plan invests in funds managed by affiliates of the custodian. Transactions with these affiliates and notes receivable from participants qualify as party-in-interest transactions. These transactions are not considered prohibited transactions under ERISA regulations.

Note 6: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their Company contributions.

Note 7: Tax Status

The IRS has determined by a letter dated June 30, 2020, that the non-standardized pre-approved plan document on which the Plan is based was designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Accordingly, the Plan Administrator believes the Plan is exempt from federal and state income taxes.

Note 8: Risks and Uncertainties

The Plan's investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Note 9: Prohibited Transactions

Under Department of Labor Reg. 2510.3-102(b), the Company is required to remit the employee contributions to the Plan at the earliest date such amounts can be reasonably segregated from the Company's general assets, but no later than the fifteenth business day of the month following the date that participant contributions are withheld by the Company. As reported on Schedule H, Line 4a – Schedule of Delinquent Participant Contributions, certain contributions for payrolls during the plan years ended December 31, 2024 and 2023, were remitted outside the 15-day requirement. The amount of delinquent contributions for 2024 totaled \$39 and 2023 totaled \$894. These transactions constitute prohibited transactions as defined by ERISA. The late remittances from 2023 were corrected in 2024 and the late remittances from 2024 will be corrected in 2025.
