INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of the
Intertape Polymer Corp. Marysville Union 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Intertape Polymer Corp. Marysville Union 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the

financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements
December 31, 2024 and 2023

1 – Description of the Plan

The following description of the Intertape Polymer Corp. Marysville Union 401(k) Plan (the "Plan") provides only general information. Participants should refer to the amended Plan document and summary plan description for a more complete description of the Plan's provisions.

General

The current sponsor of the Plan is Intertape Polymer Corp. (the "Company" or "Plan Administrator"). The Plan is a qualified plan under Section 401(a) of the Internal Revenue Code ("IRC") and is exempt from federal income tax under Section 501(a) of the IRC. The Plan is a defined contribution plan covering all hourly Marysville, MI employees covered by the collective bargaining agreement by and between the Company and the International Union, United Automobile, Aero-Space and Agricultural Implement Workers of America ("UAW"), and its Local Union No. 1149 (the " CBA"). Employees become eligible for the Plan, on the monthly entry date, after reaching age 18 and completing 4 months of service. The Plan is subject to the provisions of ERISA.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management adopted mandatory provisions effective for the years ended December 31, 2024 and 2023. Plan management continues to evaluate the impact of the optional provisions of SECURE 2.0 and is awaiting additional regulatory guidance from the Internal Revenue Service (IRS) and Department of Labor. The application of the SECURE 2.0 Act did not have a material effect on the Plan's financial statements for the plan years ended December 31, 2024 and 2023.

The Plan was restated effective September 2, 2022 to a pre-approved non-standardized plan.

Contributions

Each year, participants may contribute from 1 to 100 percent of pre-tax eligible annual compensation subject to Internal Revenue Service ("IRS") rules and regulations. Participants who have attained the age of 50 before the end of the Plan year are also eligible to make catch-up contributions. Participants may also make after-tax ROTH contributions and contribute amounts representing distributions from other qualified plans (rollovers). Pursuant to the CBA effective May 4, 2024, the Company is required to contribute a match equal to 75 percent (65 percent prior to May 4, 2024) of each participant's elective deferral contribution up to a maximum of 5 percent of the participant's eligible compensation for the Plan year. In addition, only for employees first hired after April 28, 1999, the CBA required the Company to make a non-elective contribution equal to 2 percent of those employees' eligible compensation as defined in the Plan document. The Company made all required contributions pursuant to the CBA for the Plan years ended December 31, 2024 and 2023.

For the Plan years ended December 31, 2024 and 2023, match contributions totaled \$113,129 and \$70,047, respectively and non-elective contributions totaled \$124,454 and \$119,217, respectively. The Company contributions receivable of \$53,563 and \$49,484, as of December 31, 2024 and 2023, respectively, were funded January 2025 and January 2024, respectively. Company contributions were funded with cash and existing forfeitures.

Investment Options

Upon enrollment in the Plan, a participant may direct the investment of their account balance in 1% increments in any of the investment options offered by the Plan. Participants may change their investment options daily.

Participant Accounts

Each participant's account is credited with his or her contributions and allocations of the Company's contributions, Plan earnings and losses, and expenses with respect to the investments of the participant's account. Allocations are based on participant earnings or account balances, as defined by the Plan. Each participant is entitled to the vested portion of their account.

Vesting

Participants are immediately vested in their elective deferral contributions plus actual earnings thereon. Vesting in the Company match and non-elective contribution is based on years of service. A participant vests 20% each year and is 100% vested after 5 years of credited service. Participants are also 100% vested upon death or becoming disabled while employed or upon reaching the normal retirement age.

Payment of Benefits

Distribution of a participant's account in an amount equal to the participant's vested interest in his or her account may be made in a lump-sum upon retirement, death or disability, or upon termination of employment. Certain in-service withdrawals are allowed by the Plan, in accordance with IRS limitations, for participants meeting minimum age requirements. Amounts related to match and non-elective contributions can be withdrawn after participation in the Plan for 60 months, if amounts have been held in the Plan trust for at least two years. Additionally, under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan.

Forfeited Accounts

For the years ended December 31, 2024 and 2023, forfeitures used to offset Company contributions were $15,200 and $50,871, respectively. Forfeitures of $0 and $32, respectively, were used to pay Plan expenses for the years ended December 31, 2024 and 2023.

Unallocated forfeitures, which may be used to reduce future Company contributions or pay Plan expenses, were $9,339 and $1,437 at December 31, 2024 and 2023, respectively.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of the vested portion of the participant's account balance. The notes bear interest at a rate of one point above the prime borrowing rate, defined in the Plan policy as the prime rate of interest as published in the Wall Street Journal on the date of the note commitment. Principal and interest repayments are made ratably through payroll deductions over a period not to exceed 5 years. Notes related to purchase of a principal residence can have up to a maximum note term of 15 years. The notes are secured by the balance in the participant's account. The interest rates on notes outstanding at December 31, 2024 range from 4.25 percent to 9.50 percent with maturities through 2035. The Plan Administrator will suspend note repayments for a military service leave of absence. Participants can have one note outstanding at any one time.

2 – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Participant-related fees and expenses are paid by the Plan through charges to participant accounts.

Valuation of Investments, Notes Receivable from Participants and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. See Note 4 for disclosures regarding fair value measurements.

Notes receivable from participants are valued at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. Delinquent notes receivable from participants are treated as distributions pursuant to the terms of the Plan document and policy.

Subsequent Events

Plan management has evaluated the December 31, 2024 financial statements for subsequent events through September 8, 2025, the date the financial statements were available to be issued. Plan management is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

3 – Investments and Information Certified by Qualified Institutions

The Plan's investments are held by the trustee of the Plan and invested for the benefit of the Plan's participants. As of December 31, 2024 and 2023, the trustee of the Plan was Vanguard Fiduciary Trust Company, Inc. ("Vanguard"). As of December 31, 2024 and 2023, Vanguard holds the Plan's investment assets and executed investment transactions for the years then ended.

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Management has determined that Vanguard is a qualified institution and information prepared and certified by Vanguard meets the requirements of ERISA Section 103 (a)(3)(C). Accordingly, Vanguard has certified that the following data included in the financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2024 and 2023.
- Investment income and interest income on notes receivable from participants, as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023.
- Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2024.

The Plan's independent certified public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

4 – Fair Value Measurements

The FASB Accounting Standards Codification (the "Codification") provides a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under this guidance are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; or
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds: Valued at the quoted net asset value ("NAV") of shares held by the Plan at year end, based on quoted market prices.

Collective trust funds: Valued at the NAV provided by the fund's trustee as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying assets held by the funds less their liabilities.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023:

	2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 3,003,334	$ —	$ —	$ 3,003,334
Total assets in the fair value hierarchy	$ 3,003,334	$ —	$ —	3,003,334
Investments measured at NAV*				
Collective trust funds				3,478,797
Total investments at fair value				$ 6,482,131

	2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 3,046,359	$ —	$ —	$ 3,046,359
Total assets in the fair value hierarchy	$ 3,046,359	$ —	$ —	3,046,359
Investments measured at NAV*				
Collective trust funds				2,890,164
Total investments at fair value				$ 5,936,523

*In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments measured at NAV as of December 31, 2024 and 2023:

Collective trust funds	Fair value	Unfunded commitments	Redemption frequency	Redemption notice period
December 31, 2024	$ 3,478,797	None	Daily	12 months
December 31, 2023	$ 2,890,164	None	Daily	12 months

5 – Related Parties and Parties-In-Interest Transactions

Transactions by the Plan with notes receivable from participants qualify as parties-in-interest transactions. Any transactions with Vanguard qualify as party-in-interest transactions.

6 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts.

7 – Tax Status

The underlying pre-approved plan has received an advisory letter from the IRS dated June 30, 2020, stating that the form of the Plan is tax qualified under applicable sections of the IRC, and therefore, the related trust is tax-exempt. The Plan Administrator has determined that it is eligible to and has chosen to rely on the current IRS pre-approved plan advisory letter. Once tax qualified, the Plan is required to operate in conformity with the IRC to maintain its tax qualified status. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan is tax qualified and the related trust is tax-exempt. As such, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

9 – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

	December 31,	
	2024	2023
Net assets available for benefits per the financial statements	$ 6,871,010	$ 6,259,480
Contributions receivable	(53,563)	(49,484)
Total net assets per Form 5500	$ 6,817,447	$ 6,209,996

The following is a reconciliation of net increase in net assets available for benefits per the financial statements to Form 5500:

	Year Ended December 31,	
	2024	2023
Net increase in net assets available for benefits per the financial statements	$ 611,530	$ 562,747
Change in contributions receivable	(4,079)	(14,908)
Net income per Form 5500	$ 607,451	$ 547,839

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of the
Intertape Polymer Corp. Marysville Union 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Intertape Polymer Corp. Marysville Union 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the

financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Intertape Polymer Corp. Marysville Union 401(k) Plan

Notes to Financial Statements
December 31, 2024 and 2023

1 – Description of the Plan

The following description of the Intertape Polymer Corp. Marysville Union 401(k) Plan (the "Plan") provides only general information. Participants should refer to the amended Plan document and summary plan description for a more complete description of the Plan's provisions.

General

The current sponsor of the Plan is Intertape Polymer Corp. (the "Company" or "Plan Administrator"). The Plan is a qualified plan under Section 401(a) of the Internal Revenue Code ("IRC") and is exempt from federal income tax under Section 501(a) of the IRC. The Plan is a defined contribution plan covering all hourly Marysville, MI employees covered by the collective bargaining agreement by and between the Company and the International Union, United Automobile, Aero-Space and Agricultural Implement Workers of America ("UAW"), and its Local Union No. 1149 (the " CBA"). Employees become eligible for the Plan, on the monthly entry date, after reaching age 18 and completing 4 months of service. The Plan is subject to the provisions of ERISA.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management adopted mandatory provisions effective for the years ended December 31, 2024 and 2023. Plan management continues to evaluate the impact of the optional provisions of SECURE 2.0 and is awaiting additional regulatory guidance from the Internal Revenue Service (IRS) and Department of Labor. The application of the SECURE 2.0 Act did not have a material effect on the Plan's financial statements for the plan years ended December 31, 2024 and 2023.

The Plan was restated effective September 2, 2022 to a pre-approved non-standardized plan.

Contributions

Each year, participants may contribute from 1 to 100 percent of pre-tax eligible annual compensation subject to Internal Revenue Service ("IRS") rules and regulations. Participants who have attained the age of 50 before the end of the Plan year are also eligible to make catch-up contributions. Participants may also make after-tax ROTH contributions and contribute amounts representing distributions from other qualified plans (rollovers). Pursuant to the CBA effective May 4, 2024, the Company is required to contribute a match equal to 75 percent (65 percent prior to May 4, 2024) of each participant's elective deferral contribution up to a maximum of 5 percent of the participant's eligible compensation for the Plan year. In addition, only for employees first hired after April 28, 1999, the CBA required the Company to make a non-elective contribution equal to 2 percent of those employees' eligible compensation as defined in the Plan document. The Company made all required contributions pursuant to the CBA for the Plan years ended December 31, 2024 and 2023.

For the Plan years ended December 31, 2024 and 2023, match contributions totaled $113,129 and $70,047, respectively and non-elective contributions totaled $124,454 and $119,217, respectively. The Company contributions receivable of $53,563 and $49,484, as of December 31, 2024 and 2023, respectively, were funded January 2025 and January 2024, respectively. Company contributions were funded with cash and existing forfeitures.

Investment Options

Upon enrollment in the Plan, a participant may direct the investment of their account balance in 1% increments in any of the investment options offered by the Plan. Participants may change their investment options daily.

Participant Accounts

Each participant's account is credited with his or her contributions and allocations of the Company's contributions, Plan earnings and losses, and expenses with respect to the investments of the participant's account. Allocations are based on participant earnings or account balances, as defined by the Plan. Each participant is entitled to the vested portion of their account.

Vesting

Participants are immediately vested in their elective deferral contributions plus actual earnings thereon. Vesting in the Company match and non-elective contribution is based on years of service. A participant vests 20% each year and is 100% vested after 5 years of credited service. Participants are also 100% vested upon death or becoming disabled while employed or upon reaching the normal retirement age.

Payment of Benefits

Distribution of a participant's account in an amount equal to the participant's vested interest in his or her account may be made in a lump-sum upon retirement, death or disability, or upon termination of employment. Certain in-service withdrawals are allowed by the Plan, in accordance with IRS limitations, for participants meeting minimum age requirements. Amounts related to match and non-elective contributions can be withdrawn after participation in the Plan for 60 months, if amounts have been held in the Plan trust for at least two years. Additionally, under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan.

Forfeited Accounts

For the years ended December 31, 2024 and 2023, forfeitures used to offset Company contributions were $15,200 and $50,871, respectively. Forfeitures of $0 and $32, respectively, were used to pay Plan expenses for the years ended December 31, 2024 and 2023.

Unallocated forfeitures, which may be used to reduce future Company contributions or pay Plan expenses, were $9,339 and $1,437 at December 31, 2024 and 2023, respectively.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of the vested portion of the participant's account balance. The notes bear interest at a rate of one point above the prime borrowing rate, defined in the Plan policy as the prime rate of interest as published in the Wall Street Journal on the date of the note commitment. Principal and interest repayments are made ratably through payroll deductions over a period not to exceed 5 years. Notes related to purchase of a principal residence can have up to a maximum note term of 15 years. The notes are secured by the balance in the participant's account. The interest rates on notes outstanding at December 31, 2024 range from 4.25 percent to 9.50 percent with maturities through 2035. The Plan Administrator will suspend note repayments for a military service leave of absence. Participants can have one note outstanding at any one time.

2 – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Participant-related fees and expenses are paid by the Plan through charges to participant accounts.

Valuation of Investments, Notes Receivable from Participants and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. See Note 4 for disclosures regarding fair value measurements.

Notes receivable from participants are valued at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. Delinquent notes receivable from participants are treated as distributions pursuant to the terms of the Plan document and policy.

Subsequent Events

Plan management has evaluated the December 31, 2024 financial statements for subsequent events through September 8, 2025, the date the financial statements were available to be issued. Plan management is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

3 – Investments and Information Certified by Qualified Institutions

The Plan's investments are held by the trustee of the Plan and invested for the benefit of the Plan's participants. As of December 31, 2024 and 2023, the trustee of the Plan was Vanguard Fiduciary Trust Company, Inc. ("Vanguard"). As of December 31, 2024 and 2023, Vanguard holds the Plan's investment assets and executed investment transactions for the years then ended.

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Management has determined that Vanguard is a qualified institution and information prepared and certified by Vanguard meets the requirements of ERISA Section 103 (a)(3)(C). Accordingly, Vanguard has certified that the following data included in the financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2024 and 2023.
- Investment income and interest income on notes receivable from participants, as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023.
- Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2024.

The Plan's independent certified public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

4 – Fair Value Measurements

The FASB Accounting Standards Codification (the "Codification") provides a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under this guidance are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; or
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds: Valued at the quoted net asset value ("NAV") of shares held by the Plan at year end, based on quoted market prices.

Collective trust funds: Valued at the NAV provided by the fund's trustee as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying assets held by the funds less their liabilities.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023:

	2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 3,003,334	$ —	$ —	$ 3,003,334
Total assets in the fair value hierarchy	$ 3,003,334	$ —	$ —	3,003,334
Investments measured at NAV*				
Collective trust funds				3,478,797
Total investments at fair value				$ 6,482,131

	2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 3,046,359	$ —	$ —	$ 3,046,359
Total assets in the fair value hierarchy	$ 3,046,359	$ —	$ —	3,046,359
Investments measured at NAV*				
Collective trust funds				2,890,164
Total investments at fair value				$ 5,936,523

*In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments measured at NAV as of December 31, 2024 and 2023:

Collective trust funds	Fair value	Unfunded commitments	Redemption frequency	Redemption notice period
December 31, 2024	$ 3,478,797	None	Daily	12 months
December 31, 2023	$ 2,890,164	None	Daily	12 months

5 – Related Parties and Parties-In-Interest Transactions

Transactions by the Plan with notes receivable from participants qualify as parties-in-interest transactions. Any transactions with Vanguard qualify as party-in-interest transactions.

6 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts.

7 – Tax Status

The underlying pre-approved plan has received an advisory letter from the IRS dated June 30, 2020, stating that the form of the Plan is tax qualified under applicable sections of the IRC, and therefore, the related trust is tax-exempt. The Plan Administrator has determined that it is eligible to and has chosen to rely on the current IRS pre-approved plan advisory letter. Once tax qualified, the Plan is required to operate in conformity with the IRC to maintain its tax qualified status. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan is tax qualified and the related trust is tax-exempt. As such, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

9 – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

	December 31,	
	2024	2023
Net assets available for benefits per the financial statements	$ 6,871,010	$ 6,259,480
Contributions receivable	(53,563)	(49,484)
Total net assets per Form 5500	$ 6,817,447	$ 6,209,996

The following is a reconciliation of net increase in net assets available for benefits per the financial statements to Form 5500:

	Year Ended December 31,	
	2024	2023
Net increase in net assets available for benefits per the financial statements	$ 611,530	$ 562,747
Change in contributions receivable	(4,079)	(14,908)

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of the
Intertape Polymer Corp. Marysville Union 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Intertape Polymer Corp. Marysville Union 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the

financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Intertape Polymer Corp. Marysville Union 401(k) Plan

Notes to Financial Statements
December 31, 2024 and 2023

1 – Description of the Plan

The following description of the Intertape Polymer Corp. Marysville Union 401(k) Plan (the "Plan") provides only general information. Participants should refer to the amended Plan document and summary plan description for a more complete description of the Plan's provisions.

General

The current sponsor of the Plan is Intertape Polymer Corp. (the "Company" or "Plan Administrator"). The Plan is a qualified plan under Section 401(a) of the Internal Revenue Code ("IRC") and is exempt from federal income tax under Section 501(a) of the IRC. The Plan is a defined contribution plan covering all hourly Marysville, MI employees covered by the collective bargaining agreement by and between the Company and the International Union, United Automobile, Aero-Space and Agricultural Implement Workers of America ("UAW"), and its Local Union No. 1149 (the " CBA"). Employees become eligible for the Plan, on the monthly entry date, after reaching age 18 and completing 4 months of service. The Plan is subject to the provisions of ERISA.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management adopted mandatory provisions effective for the years ended December 31, 2024 and 2023. Plan management continues to evaluate the impact of the optional provisions of SECURE 2.0 and is awaiting additional regulatory guidance from the Internal Revenue Service (IRS) and Department of Labor. The application of the SECURE 2.0 Act did not have a material effect on the Plan's financial statements for the plan years ended December 31, 2024 and 2023.

The Plan was restated effective September 2, 2022 to a pre-approved non-standardized plan.

Contributions

Each year, participants may contribute from 1 to 100 percent of pre-tax eligible annual compensation subject to Internal Revenue Service ("IRS") rules and regulations. Participants who have attained the age of 50 before the end of the Plan year are also eligible to make catch-up contributions. Participants may also make after-tax ROTH contributions and contribute amounts representing distributions from other qualified plans (rollovers). Pursuant to the CBA effective May 4, 2024, the Company is required to contribute a match equal to 75 percent (65 percent prior to May 4, 2024) of each participant's elective deferral contribution up to a maximum of 5 percent of the participant's eligible compensation for the Plan year. In addition, only for employees first hired after April 28, 1999, the CBA required the Company to make a non-elective contribution equal to 2 percent of those employees' eligible compensation as defined in the Plan document. The Company made all required contributions pursuant to the CBA for the Plan years ended December 31, 2024 and 2023.

For the Plan years ended December 31, 2024 and 2023, match contributions totaled $113,129 and $70,047, respectively and non-elective contributions totaled $124,454 and $119,217, respectively. The Company contributions receivable of $53,563 and $49,484, as of December 31, 2024 and 2023, respectively, were funded January 2025 and January 2024, respectively. Company contributions were funded with cash and existing forfeitures.

Investment Options

Upon enrollment in the Plan, a participant may direct the investment of their account balance in 1% increments in any of the investment options offered by the Plan. Participants may change their investment options daily.

Participant Accounts

Each participant's account is credited with his or her contributions and allocations of the Company's contributions, Plan earnings and losses, and expenses with respect to the investments of the participant's account. Allocations are based on participant earnings or account balances, as defined by the Plan. Each participant is entitled to the vested portion of their account.

Vesting

Participants are immediately vested in their elective deferral contributions plus actual earnings thereon. Vesting in the Company match and non-elective contribution is based on years of service. A participant vests 20% each year and is 100% vested after 5 years of credited service. Participants are also 100% vested upon death or becoming disabled while employed or upon reaching the normal retirement age.

Payment of Benefits

Distribution of a participant's account in an amount equal to the participant's vested interest in his or her account may be made in a lump-sum upon retirement, death or disability, or upon termination of employment. Certain in-service withdrawals are allowed by the Plan, in accordance with IRS limitations, for participants meeting minimum age requirements. Amounts related to match and non-elective contributions can be withdrawn after participation in the Plan for 60 months, if amounts have been held in the Plan trust for at least two years. Additionally, under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan.

Forfeited Accounts

For the years ended December 31, 2024 and 2023, forfeitures used to offset Company contributions were $15,200 and $50,871, respectively. Forfeitures of $0 and $32, respectively, were used to pay Plan expenses for the years ended December 31, 2024 and 2023.

Unallocated forfeitures, which may be used to reduce future Company contributions or pay Plan expenses, were $9,339 and $1,437 at December 31, 2024 and 2023, respectively.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of the vested portion of the participant's account balance. The notes bear interest at a rate of one point above the prime borrowing rate, defined in the Plan policy as the prime rate of interest as published in the Wall Street Journal on the date of the note commitment. Principal and interest repayments are made ratably through payroll deductions over a period not to exceed 5 years. Notes related to purchase of a principal residence can have up to a maximum note term of 15 years. The notes are secured by the balance in the participant's account. The interest rates on notes outstanding at December 31, 2024 range from 4.25 percent to 9.50 percent with maturities through 2035. The Plan Administrator will suspend note repayments for a military service leave of absence. Participants can have one note outstanding at any one time.

2 – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Participant-related fees and expenses are paid by the Plan through charges to participant accounts.

Valuation of Investments, Notes Receivable from Participants and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. See Note 4 for disclosures regarding fair value measurements.

Notes receivable from participants are valued at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. Delinquent notes receivable from participants are treated as distributions pursuant to the terms of the Plan document and policy.

Subsequent Events

Plan management has evaluated the December 31, 2024 financial statements for subsequent events through September 8, 2025, the date the financial statements were available to be issued. Plan management is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

3 – Investments and Information Certified by Qualified Institutions

The Plan's investments are held by the trustee of the Plan and invested for the benefit of the Plan's participants. As of December 31, 2024 and 2023, the trustee of the Plan was Vanguard Fiduciary Trust Company, Inc. ("Vanguard"). As of December 31, 2024 and 2023, Vanguard holds the Plan's investment assets and executed investment transactions for the years then ended.

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Management has determined that Vanguard is a qualified institution and information prepared and certified by Vanguard meets the requirements of ERISA Section 103 (a)(3)(C). Accordingly, Vanguard has certified that the following data included in the financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2024 and 2023.
- Investment income and interest income on notes receivable from participants, as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023.
- Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2024.

The Plan's independent certified public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

4 – Fair Value Measurements

The FASB Accounting Standards Codification (the "Codification") provides a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under this guidance are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; or
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds: Valued at the quoted net asset value ("NAV") of shares held by the Plan at year end, based on quoted market prices.

Collective trust funds: Valued at the NAV provided by the fund's trustee as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying assets held by the funds less their liabilities.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023:

	2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 3,003,334	$ —	$ —	$ 3,003,334
Total assets in the fair value hierarchy	$ 3,003,334	$ —	$ —	3,003,334
Investments measured at NAV*				
Collective trust funds				3,478,797
Total investments at fair value				$ 6,482,131

	2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 3,046,359	$ —	$ —	$ 3,046,359
Total assets in the fair value hierarchy	$ 3,046,359	$ —	$ —	3,046,359
Investments measured at NAV*				
Collective trust funds				2,890,164
Total investments at fair value				$ 5,936,523

*In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments measured at NAV as of December 31, 2024 and 2023:

Collective trust funds	Fair value	Unfunded commitments	Redemption frequency	Redemption notice period
December 31, 2024	$ 3,478,797	None	Daily	12 months
December 31, 2023	$ 2,890,164	None	Daily	12 months

5 – Related Parties and Parties-In-Interest Transactions

Transactions by the Plan with notes receivable from participants qualify as parties-in-interest transactions. Any transactions with Vanguard qualify as party-in-interest transactions.

6 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts.

7 – Tax Status

The underlying pre-approved plan has received an advisory letter from the IRS dated June 30, 2020, stating that the form of the Plan is tax qualified under applicable sections of the IRC, and therefore, the related trust is tax-exempt. The Plan Administrator has determined that it is eligible to and has chosen to rely on the current IRS pre-approved plan advisory letter. Once tax qualified, the Plan is required to operate in conformity with the IRC to maintain its tax qualified status. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan is tax qualified and the related trust is tax-exempt. As such, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

9 – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

	December 31,	
	2024	2023
Net assets available for benefits per the financial statements	$ 6,871,010	$ 6,259,480
