INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Ellipsis, Inc. 401(k) Plan
Johnston, Iowa

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Ellipsis, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Ellipsis, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ellipsis, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ellipsis, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ellipsis, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ellipsis, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year as of December 31, 2024 and the schedule of delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS**

NOTE 1 DESCRIPTION OF THE PLAN

The following description of the Ellipsis, Inc. 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Eligibility

To be eligible, an employee must be twenty-one years or older and have completed thirty days of service. Employees may begin participating in the Plan on the first day of the month that coincides with or follows the date on which the eligibility requirements are met. Participants are auto-enrolled with a 4% elective deferral rate upon meeting the eligibility requirements.

General

The Plan is a defined contribution plan covering non-excluded employees, as defined in the Plan agreement, of Ellipsis, Inc. (the Company) over the age of 21 who have one month of service. Ellipsis, Inc. controls and manages the operation and administration of the Plan. Principal Life Insurance Company and Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company serve as the custodians of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may elect to contribute to the Plan a portion of their annual compensation, as defined in the Plan, up to the maximum limitations imposed by the IRS. Participants also have the option to contribute post-tax compensation through Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan provides for discretionary employer contributions. In 2024 and 2023, the Plan Sponsor provided discretionary contributions equal to 2% of eligible compensation for all eligible participants and an additional matching contribution of 50% of the first 4% that a participant contributed to the Plan.

Vesting

Participants are 100% vested in their contributions and earnings thereon. Vesting in the employer's contributions and earnings thereon is based on years of continuous service. A participant is 100% vested after four years of credited service.

Forfeitures

The nonvested portion of terminated participant's account balance is forfeited in the year of termination and may be used to reduce employer's contribution. At December 31, 2024 and 2023, unallocated forfeited nonvested account balances were \$-0- and \$5,562, respectively. During the years ended December 31, 2024 and 2023, forfeited nonvested account balances used to reduce employer contributions totaled \$31,068 and \$16,882, respectively.

Payment of Benefits

Participants or their beneficiaries are eligible for benefits upon retirement, termination, death or disability. Benefits shall be distributed through the participant option of a lump-sum payment or installment payments. Accounts with a vested interest less than \$1,000, upon termination for any reason, are distributed in full without option for installments. Installment payments may not exceed the assumed life expectancy of the participant or participant's beneficiary.

The Plan allows for hardship withdrawals to participants who meet an immediate and severe financial need and are limited to a participant's vested account balance.

NOTE 1 DESCRIPTION OF THE PLAN (continued)

Investment Options

Upon enrollment in the Plan, a participant may direct the investment of participant and employer contributions into various investment options. The Plan currently offers mutual funds, pooled separate accounts, and collective trust funds. Participants may change their investment options with the custodians at any time.

Participant Accounts

Each participant's account is credited with the participant's contributions, employer's safe harbor contributions, discretionary contributions, and Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balance, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 2 SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States of America using the accrual method of accounting.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Payment of Benefits

Benefit payments to participants are recorded upon distribution. There were no amounts allocated to accounts of persons who had elected to withdraw from the Plan but had not yet been paid at December 31, 2024.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported changes in net assets available for benefits during the reporting period. Accordingly, actual results could differ from those estimates.

Excess Contributions Payable

Amounts payable to participants totaling \$0- and \$1,459 for contributions in excess of amounts allowed by the Internal Revenue Service were recorded as a liability and included in benefits paid to participants for the years ended December 31, 2024 and 2023, respectively. The Plan distributed the excess contributions prior to March 15th of the following year.

NOTE 2 SUMMARY OF ACCOUNTING POLICIES (continued)

Uncertain Tax Positions

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) for an uncertain position taken that more likely than not would not be sustained upon examination by the Internal Revenue Service. Plan management has evaluated their material tax positions and determined there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Administrative Expenses

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Certain other administrative expenses, including the third party administrator fees and audit fees, are paid directly by the Company.

NOTE 3 INFORMATION PREPARED AND CERTIFIED BY CUSTODIANS

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the custodians, Principal Life Insurance Company and Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company for the years ended December 31, 2024 and 2023 as follows:

	<u>Year ended December 31</u>	
	<u>2024</u>	<u>2023</u>
Investments at fair value		
Mutual funds	\$ 60,577	\$ 57,274
Collective trust funds	5,969,310	4,968,170
Pooled separate accounts	120,712	109,760
Total investment income	716,194	766,009

NOTE 4 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB Accounting Standards Codification (ASC) 820 are described as follows:

Level 1—Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.

Level 2—Inputs other than quoted prices included within Level 1 that are observable for the asset, either directly or indirectly, such as:

- quoted prices for similar assets in active markets;
- quoted prices for identical or similar assets in inactive markets;
- inputs other than quoted prices that are observable for the asset;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset.

**Ellipsis, Inc. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS**

NOTE 4 FAIR VALUE MEASUREMENTS (continued)

Level 3—Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023:

Mutual funds—Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust funds—The collective trust funds may invest in various types of investments and are valued at the net asset value of the issuer's collective trust. While not publicly quoted, the net asset value is considered to have a readily determinable fair value.

Pooled separate accounts—Pooled separate accounts invest primarily in domestic and international long-term bonds, domestic and international stocks, or single mutual funds. The fair value of the underlying bonds, stocks, or mutual funds is a publicly quoted pricing input used in determining the net asset value (NAV) of the pooled separate accounts, which is not publicly quoted but is available to current investors when plan participants access their account values via the custodian's website. Pooled separate accounts are deemed to have readily determinable fair value which are calculated on a daily basis and are actively traded within the Plan.

The following tables set forth by level within the fair value hierarchy the Plan's investments at fair value as of December 31, 2024 and 2023. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

NOTE 5 FEDERAL INCOME TAX STATUS

The Plan uses a prototype plan document sponsored by Principal Life Insurance Company (Principal). Principal received an opinion letter from the Internal Revenue Service (IRS), dated June 30, 2020, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan document to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants are 100% vested in their accounts.

NOTE 7 PARTY-IN-INTEREST TRANSACTIONS

Certain investments are managed by Principal. In addition, administrative expenses of \$22,440 and \$20,576 were paid by the Plan to Principal during the years ended December 31, 2024 and 2023, respectively. Principal is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Trustees and the administrator of the Plan participate in the Plan.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 8 RISKS AND UNCERTAINTIES

Participants invest their account balances in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 PROHIBITED TRANSACTIONS

During the year ended December 31, 2023, participant deferrals of \$38,450 were not deposited within the timeframe required by the United States Department of Labor (DOL). The DOL considers late deposits to be prohibited transactions. These late deposits resulted in \$123 of lost interest income. Participant contributions totaling \$19,564 were corrected in 2023 and participant contributions totaling \$18,886 were corrected in 2024.
