Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **KERKERING, BARBERIO & CO**

(2) EIN: **59-1753337**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X

Independent Auditor's Report

To the Plan Administrator
Bonita Bay Club 401(k) Plan
Bonita Springs, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Bonita Bay Club 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at Year End) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Bonita Bay Club 401(k) Plan

Notes to Financial Statements

December 31, 2024

I. Description of the Plan

The following description of the Bonita Bay Club 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a qualified safe harbor defined contribution 401(k) plan that is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended and was established effective September 1, 2011. The Plan was most recently restated effective January 1, 2022.

Eligibility

The Plan covers all non-excluded employees of the Bonita Bay Club (the Plan Sponsor) who have completed one year of service and have attained twenty-one years of age.

Participant Accounts

Each participant's account is credited with the participant's contribution, safe harbor matching contribution, allocation of the Plan's earnings, and applicable administrative expenses. Allocations are based on participant earnings or account balances, as defined. Each participant self directs their individual account in various investments offered by the custodian. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Contributions

Salary deferral contributions are made to the Plan by participating employees through payroll deductions in amounts authorized by the employees. Participants may contribute up to the maximum allowable limits of the Internal Revenue Service (IRS). For the year ended December 31, 2024, this limit was \$23,000 of annual compensation. Both Roth and traditional contribution options are available under the Plan. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. For 2024, the annual catch-up contribution limit was \$7,500.

The Plan is a qualified safe harbor 401(k) plan, which means it provides a special safe harbor matching contribution to participants who satisfy the applicable eligibility requirements. Eligible participants receive a matching contribution equal to 100% of the amount they contribute up to the first 3% of compensation, plus 50% of the amount they contribute between 3% and 5% of compensation.

The Plan Sponsor may elect to make a discretionary matching contribution equal to a discretionary percentage, to be determined by the Plan Sponsor. In determining this matching contribution, a maximum limit has been set at 4% of the participant's compensation. The Plan Sponsor has not elected to make a discretionary matching contribution for the year ended December 31, 2024.

Vesting

The Plan was designed to qualify as a safe harbor 401(k) plan. Therefore, participants are 100% vested in their entire account balance.

Investment Options

The Plan is a participant-directed safe harbor plan under ERISA Section 404(c). Upon enrollment in the Plan, a participant may direct and allocate their contributions to the investment options available. Employer contributions are allocated according to the participant's allocations. The percentage of contributions allocated to each of the investment options is at the discretion of the participant. Participants may change their investment options at any time using the custodian's website or via telephone.

Bonita Bay Club 401(k) Plan
Notes to Financial Statements (Continued)
December 31, 2024

I. Description of the Plan (Continued)

Allocation of Investment Income

The allocation of earnings or losses of the funds shall be allocated in the same proportion that each participant's non-segregated accounts bear to the total of all participants' non-segregated accounts as of such date. Participants' accounts shall be credited with any dividends or interest received.

Administrative Expenses

Reasonable administrative expenses of the Plan may be paid by the Plan to the extent not paid by the Plan Sponsor. The Plan Sponsor absorbs the majority of the Plan's administrative expenses. Investment expenses attributed to terminated participants shall be allocated among the terminated participants by charging each expense to the account balance of the terminated participant responsible for the expense. Investment expenses attributable to active participants shall be allocated among the active participants charging each expense to the account balance of the active participant responsible for the expense. For the year ended December 31, 2024, administrative expenses totaled \$74,440.

Forfeitures

As of December 31, 2024, there were \$16,515 in forfeited amounts in the Safe Harbor match contributions. Forfeitures are allocated in the plan year when the forfeiture occurs. Forfeitures are allowed to be used as a reduction in the employer matching contribution or to pay administrative expenses. There were \$16,515 in forfeitures applied to reduce the employer matching contribution for the year ended December 31, 2024.

Benefits Paid to Participants

If a participant ceases to be employed by the Plan Sponsor for any reason, other than death or total and permanent disability, prior to satisfying the age and service requirements for normal retirement, the terminated participant may elect, with the consent of his or her spouse, to receive in a lump-sum payment any vested amounts plus the earning thereon. If the participant's vested account balance is \$5,000 or less, the Plan Administrator will direct the custodian to distribute as a lump-sum payment upon termination.

Hardship Distributions

Hardship distributions are permitted by the Plan at the discretion of the Plan Sponsor for allowable expenditures. The minimum hardship distribution amount is \$1,000 and only one distribution is allowed per participant per plan year.

Notes Receivable from Participants

Participants may borrow from their fund account a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at a rate of Prime plus 2%, which is commensurate with local prevailing rates as determined by the Plan's management. Interest rates on outstanding notes receivable from participants as of December 31, 2024, range from 5.25% to 10.50%. Principal and interest are paid ratably through biweekly payroll deductions.

Participant loans are reported at the unpaid principal balance. Participants are not allowed to have more than one Plan loan outstanding at any time. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance has been established for uncollectible notes receivable from participants as of December 31, 2024 and 2023. The Plan uses the direct write-off method and declares a deemed distribution in the year in which the participant is in default of a loan.

I. Description of the Plan (Continued)

Plan Termination

The Plan Sponsor anticipates that the Plan will continue without interruption, but reserves the right to terminate the Plan. In the event of Plan termination, the net assets of the Plan will be distributed to the participants and beneficiaries of the Plan.

2. Summary of Significant Accounting Policies

Financial Statements

The financial statements and notes are representations of the Plan Administrator who is responsible for their integrity and objectivity. The accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Basis of Accounting

The accompanying financial statements are presented on the accrual basis of accounting.

Use of Estimates and Assumptions

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities, changes in net assets and the disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates and assumptions.

Fair Value Measurement

The Plan Sponsor adopted the Fair Value Measurements and Disclosures Topic of the FASB Accounting Standards Codification for fair value measurements of financial assets and liabilities that are recognized or disclosed at fair value in the financial statements on a recurring basis. The Fair Value Measurements and Disclosures Topic established a single authoritative definition of fair value, sets a framework for measuring fair value, and requires additional disclosures about fair value measurement. The financial statements reflect the adoption of the Fair Value Measurements and Disclosures Topic.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value based on quoted market prices as reported on the last business day of the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought, sold, and held during the year.

Net Appreciation in the Fair Value of Mutual Funds

The Plan presents, in the statement of changes in net assets available for benefits, the net appreciation in the fair value of its investments. This amount consists of realized gains and losses and unrealized appreciation and depreciation of those investments.

Payment of Benefits

Benefits are recorded when paid.

3. Financial Information Certified by John Hancock Life Insurance Company

The Plan Administrator has obtained certification from the custodian that information provided to the Plan Administrator by the custodians related to the following investments is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information, which appears throughout the financial statements and supplemental schedule related to the following investments.

The following is a summary of the asset information as of December 31, 2024 and 2023, included throughout the Plan's financial statements and supplemental schedule that was prepared by or derived from information provided by the custodian and furnished to the Plan Administrator.

	<u>2024</u>	<u>2023</u>
Mutual funds	\$ 14,618,105	\$ 13,495,510
Stable value fund	488,758	294,125
Notes receivable from participants	168,730	212,817

The custodian also certified to the completeness and accuracy of net appreciation in fair value of investments of \$1,770,396, and interest income related to the notes receivable from participants of \$14,986 for the year ended December 31, 2024.

4. Fair Value Measurements

The Fair Value Measurements and Disclosures Topic provides enhanced guidance for using fair value to measure assets and liabilities and clarifies the principle that fair value should be based on the assumptions market participants would use when pricing the assets or liabilities and establishes a hierarchy that prioritizes the information used to develop those assumptions. The hierarchy gives the highest priority to unadjusted quoted prices in active markets (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements).

The three levels for measuring fair value are based on the reliability of inputs and are as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Notes to Financial Statements (Continued)

4. Fair Value Measurements (Continued)

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value for the years ended December 31, 2024 and 2023.

Mutual funds: Shares are generally valued at Net Asset Value Per Share (NAVPS) based upon net asset value of underlying portfolio securities and are published on a national exchange valued at the end of each day.

Stable Value Fund: Fair value is calculated as the number of units in the subaccount held on a particular date multiplied by the unit value on that date to represent the value that would be paid out for participant-initiated or benefit withdrawals.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents information about the Plan's assets that are measured at fair value on a recurring basis as of December 31, 2024 and 2023, and indicates the fair value hierarchy of the valuation techniques used to determine such fair value.

<u>Description</u>	<u>12/31/24</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>

5. Party-in-Interest

The Plan's custodian as of December 31, 2024 and 2023 was John Hancock. The supplemental Schedule of Assets (Held at Year End) identifies which of the investments held are party-in-interest investments. At December 31, 2024, the total market value of these investments was \$1,652,648 or approximately 11% of total assets and at December 31, 2023, the total market value of these investments was \$1,725,714 or approximately 12% of total assets.

6. Tax Status

Effective September 1, 2011, the Plan has adopted a standardized form of a prototype plan. The prototype plan has received an opinion letter from the Internal Revenue Service as to the prototype plan's qualified status. The Plan Administrator believes the Plan is currently designed and is being operated in compliance with the applicable requirements of the Code. The Plan Administrator and custodian will make any changes deemed necessary to ensure that the Plan is granted tax-exempt status.

Notes to Financial Statements (Continued)

6. Tax Status (Continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax position taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan is subject to income tax examinations for the 2021 through 2024 plan years.

7. Risks and Uncertainties

The Plan invests in a variety of investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. Subsequent Events

The Plan Administrator has evaluated all events subsequent to the Statement of Net Assets Available for Benefits date of December 31, 2024 through the date these financial statements were available for issuance, August 26, 2025, and has determined that there are no additional subsequent events that require disclosure.
