INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
LTi Technology Solutions 401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of LTi Technology Solutions 401(k) Profit Sharing Plan & Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Ascensus Trust Company (Ascensus) as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by Ascensus agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT (Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

INDEPENDENT AUDITORS' REPORT (Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, line 4i - Schedule of Assets Held (At End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITORS' REPORT (Continued)

Other Matter - Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

LTI TECHNOLOGY SOLUTIONS 401(K) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2024 and 2023

NOTE A – DESCRIPTION OF PLAN

The following description of the LTI Technology Solutions (hereinafter referred to as the Company or Plan Sponsor) 401(k) Profit Sharing Plan & Trust (hereinafter referred to as the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit sharing plan covering all employees of the Company, excluding temporary or seasonal employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and is intended to qualify under the applicable sections of the Internal Revenue Code (IRC) of 1986, as amended.

Eligibility

Employees are eligible to contribute to the Plan immediately upon hire. Prior to 2022, participants were eligible for the Company discretionary matching and profit-sharing contributions upon attaining age 21 and one year of service. Effective January 1, 2022, the Plan was amended to remove all age and service requirements.

Contributions

Each year, participants may contribute up to 100% percent of annual compensation as defined in the Plan. Participant elective deferral contributions will be pre-tax elective deferral contributions unless all or a portion is designated as Roth elective deferral contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

Effective July 1, 2016, the Plan was amended to include a traditional automatic contribution arrangement, whereby all newly eligible participants are automatically enrolled in the Plan unless they affirmatively elect not to participate. Prior to 2022, automatically enrolled participants had their deferral rate set at 4% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Effective January 1, 2022, the automatic deferral rate was increased to 6%.

The Company may make discretionary matching contributions up to a percentage of elective deferrals as determined by the Company. This percentage is chosen by the Company and applied on a uniform basis.

For 2024 and 2023, the Company matched 50% up to 6% of elective deferrals. The Company may also make additional discretionary profit-sharing contributions, although none were made in 2024 or 2023.

LTI TECHNOLOGY SOLUTIONS 401(K) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS (Continued)
Years Ended December 31, 2024 and 2023

NOTE A – DESCRIPTION OF PLAN (Continued)

Participants' Accounts

Each participants' account is credited with the participants' contributions and Company matching contributions, as well as allocations of the Company's profit-sharing contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the amount that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of credited service with the Company. A participant is 0% vested after two years of credited service and 100% vested after three years of credited service. In addition, a participant becomes fully vested once reaching normal retirement age (65) or upon total disability or death.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates, which are commensurate with local prevailing rates. The interest rates for notes receivable for the years ended December 31, 2024 and 2023 ranged from 4.25% to 9.50%. Principal and interest are repaid through payroll deductions, if available.

Payment of Benefits

Upon termination of service, retirement, disability or death, a participant (or his or her beneficiary) may elect to receive the vested portion of his or her account. In addition, participants may elect in-service distributions, including financial hardship distributions, as defined by the Plan.

Forfeited Accounts

Forfeited non-vested accounts are used to offset future matching contributions or pay for Plan expenses. Forfeitures used to reduce matching contributions were not significant for the years ended December 31, 2024 and 2023, respectively. The amount of forfeitures remaining at year-end was \$5,418 and \$5,171 as of December 31, 2024 and 2023, respectively.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

Management uses estimates and assumptions in preparing these financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, and the reported additions to and reductions from net assets. Actual results could vary from estimates used.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of the fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants or distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTES TO FINANCIAL STATEMENTS (Continued)
Years Ended December 31, 2024 and 2023

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Taxes

Management evaluated the Plan’s tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.

Subsequent Events

The Plan Administrator has evaluated subsequent events through August 21, 2025 which is the date the financial statements were available to be issued.

NOTE C – INFORMATION CERTIFIED BY ASCENSUS TRUST COMPANY (ASCENSUS)

The following is a summary of the asset information as of and for the years ended December 31, 2024 and 2023 included throughout the Plan’s financial statements and supplemental schedule that were prepared by or derived from information provided by Ascensus and furnished to the Plan Administrator. The Plan Administrator has obtained a certification from Ascensus that information provided to the Plan Administrator by Ascensus related to the following assets is complete and accurate.

Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets as of:

	December 31,	
	2024	2023
Investments	\$ 17,668,888	\$ 16,143,032
Notes Receivable	174,665	201,673
Total	\$ 17,843,553	\$ 16,344,705

Ascensus certified to the completeness and accuracy of \$1,762,329 and \$1,895,549 of net appreciation in the fair value of investments, and \$561,942 and \$450,723 of capital gains, dividend and other income related to the aforementioned investments as of and for the years ended December 31, 2024 and 2023, respectively. Ascensus also certified to the completeness and accuracy of \$14,615 and \$11,320 of interest on notes receivable for the years ended December 31, 2024 and 2023, respectively.

NOTE D – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB), Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures – Overall Disclosure*, establishes a framework for measuring fair value.

LTI TECHNOLOGY SOLUTIONS 401(K) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS (Continued)
Years Ended December 31, 2024 and 2023

NOTE D – FAIR VALUE MEASUREMENTS (Continued)

That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	<p>Inputs to the valuation methodology include:</p> <ul style="list-style-type: none"> • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. <p>If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.</p>
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Money Market and Mutual Funds: Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE D – FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Money Market Funds	\$ 1,077,728	\$ -	\$ -	\$ 1,077,728
Mutual Funds	16,591,160	-	-	16,591,160
Total assets at fair value	<u>\$17,668,888</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$17,668,888</u>

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Money Market Funds	\$ 471,102	\$ -	\$ -	\$ 471,102
Mutual Funds	15,671,930	-	-	15,671,930
Total assets at fair value	<u>\$16,143,032</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$16,143,032</u>

NOTE E – TAX STATUS

Effective January 1, 2022, the Plan adopted a non-standardized pre-approved plan sponsored by Benefit Plans, Inc. (BPI). The pre-approved plan received an opinion letter dated June 30, 2020 from the Internal Revenue Service (IRS) as to the pre-approved plan’s qualified status. The pre-approved plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes that the Plan is no longer subject to income tax examinations for periods prior to December 31, 2021.

NOTE F – PLAN TERMINATION

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE G – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

NOTE H – RELATED PARTY TRANSACTIONS

Certain plan assets are or were held in investment options managed by Ascensus. Ascensus is the current custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions.

Certain plan assets are held in investment options with the Vanguard Group (Vanguard). Vanguard is the recordkeeper as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions.
