Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Group Health Plan, Inc. 403(b)(7) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of July 3, 2024 (in liquidation) and December 31, 2023 (ongoing), and the related statements of changes in net assets available for benefits for the period ended July 3, 2024 (in liquidation) and year ended December 31, 2023 (ongoing), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Group Health Plan, Inc. 403(b)(7) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of July 3, 2024 and December 31, 2023 and for the period ended July 3, 2024 and the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Group Health Plan, Inc. 403(b)(7) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Group Health Plan, Inc. 403(b)(7) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group Health Plan, Inc. 403(b)(7) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Emphasis of Matter – Plan Termination

As discussed in Notes 1, 2 and 6 to the financial statements, the Plan Sponsor resolved to terminate the Plan effective December 31, 2023, and management determined liquidation is imminent during the Plan period ended July 3, 2024. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting from the ongoing plan basis used in presenting the 2023 financial statements to the liquidation basis used in presenting the 2024 financial statements. Our opinion is not modified with respect to this matter.

NOTES TO FINANCIAL STATEMENTS
JULY 3, 2024 (IN LIQUIDATION) AND DECEMBER 31, 2023 (ONGOING)**

NOTE 1 DESCRIPTION OF PLAN

The following description of Group Health Plan, Inc. 403(b)(7) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan became effective June 1, 1992, and was last restated during 2018 with a retroactive effective date of January 1, 2010 as part of the remedial amendment period to adopt a volume submitter 403(b) plan document. The Plan is a defined contribution 403(b) plan providing for 403(b)(7) salary deferrals and an employer matching contribution. The Plan covers union employees (SEIU HealthCare Minnesota and OPEIU Local 12) of Group Health Plan, Inc. (GHI) (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Company is the Plan Sponsor and administrator and has appointed Fidelity Management Trust Company (Fidelity) as custodian. The custodian executes investment transactions as directed by the participants. The custodian is also responsible for making distributions to participants. Fidelity performs some, but not all, of the recordkeeping services for the Plan. Fidelity performs these functions at the direction of the Company in accordance with the provisions of the Plan.

Effective July 1, 1995, the Plan was frozen by Plan amendment. All participants became 100% vested in their Plan benefits as of July 1, 1995.

Effective December 29, 2023, the Plan was amended to adopt certain provisions from the SECURE Act.

Effective December 31, 2023, the Plan Sponsor resolved to terminate the Plan. All participants became 100% vested as of that date.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with an allocation of Plan earnings or losses and charged with withdrawals. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments

Participants direct the investment of their contributions into various investment options offered by the Plan.

JULY 3, 2024 (IN LIQUIDATION) AND DECEMBER 31, 2023 (ONGOING)

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

Under provisions of the Plan, a participant may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the aggregate balance of the participant's vested accounts. The loans are secured by the balance in the participant's account. These loans bear interest at the prime rate published on the last business day of the month preceding the month in which the loan is granted. Payments are due in biweekly or monthly installments of principal and interest over five years. Payments on loans are credited to individual funds in accordance with the participant's current investment allocation. Effective July 1, 2023, the Plan was amended to no longer allow participants to initiate new loans.

Benefit Payments

On termination of service or death, a participant, or his or her respective beneficiary, will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. As required by regulation, the Plan performs a rollover to an individual retirement account for any participant whose account balance is greater than \$1,000 (but less than \$5,000) and who has not elected another form of payment.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

As discussed in Note 1 and 6 to the financial statements, the Plan Sponsor authorized the termination of the Plan effective December 31, 2023, and it was determined by management liquidation is imminent for the period ended July 3, 2024. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting from the ongoing accrual basis used in presenting the 2023 financial statements to liquidation basis used in presenting the 2024 financial statements.

Under the liquidation basis of accounting, assets are measured to reflect the estimated amount of cash expected to be collected in settling or disposing of the assets during the liquidation process and liabilities are measured using the accrual basis of accounting which would include any expected costs of the disposal of assets and other costs expected to be incurred during the liquidation process.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS
JULY 3, 2024 (IN LIQUIDATION) AND DECEMBER 31, 2023 (ONGOING)**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses have been recorded as of July 3, 2024 and December 31, 2023. Delinquent participant loans are recorded as distributions based on the terms of the plan document.

Benefit Payments

Benefit payments are recorded upon distribution.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements as provided in the Plan document. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses including any revenue sharing credits are included in net appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through May 14, 2025, the date the financial statements were available to be issued.

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

Fidelity Management Trust Company, the custodian, has supplied the Plan administrator with a certification as to the completeness and accuracy of all investment information and notes receivable from participants and related interest income reflected on the accompanying statements of net assets available for benefits as of July 3, 2024 and December 31, 2023 and the statements of changes in net assets available for benefits for the period ended July 3, 2024 and the year ended December 31, 2023.

NOTES TO FINANCIAL STATEMENTS

NOTE 4 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Considerable judgment may be required in interpreting market data used to develop the estimates of fair value. The three levels of the fair value hierarchy under GAAP are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at July 3, 2024 and December 31, 2023.

Mutual Funds: Valued daily based on unadjusted quoted market prices from national exchanges.

Money Market Fund: Valued daily based on subscription and redemption activity at a stable \$1 net asset value (NAV). Redemptions can occur daily at NAV and there are no restrictions to redemption or unfunded commitments.

Self-Directed Brokerage Accounts: Consist of mutual funds and money market funds that are valued daily based on unadjusted quoted market prices from national exchanges. Cash and cash equivalents are recorded at book value, which approximates fair value.

NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023. There were no assets held at July 3, 2024.

| Total Investments at Fair Value | \$ 13,839,445 | \$ - | \$ - | \$ 13,839,445 |

NOTE 5 RISKS AND UNCERTAINTIES

The Plan invests in various mutual funds, a money market fund, and self-directed brokerage accounts, which may include investments in, but not limited to, U.S. government securities, corporate debt instruments, and corporate equity securities. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur over time and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across the participant-directed fund elections. Additionally, the investments within each participant-directed fund election are further diversified into varied financial instruments. Investment decisions are made, and the resulting risks are borne, exclusively by the Plan participant who made such decisions.

NOTE 6 PLAN TERMINATION

Upon termination, the net assets of the Plan will be allocated in accordance with Section 404 of ERISA, with certain limitations on the benefits for officers and the highest paid employees.

Effective December 31, 2023, the Plan Sponsor resolved to terminate the Plan and authorized the distribution of all Plan benefits in accordance with the Plan documents as soon as administratively feasible after the termination date. Final disbursements of all participant accounts were made on July 3, 2024

NOTES TO FINANCIAL STATEMENTS
JULY 3, 2024 (IN LIQUIDATION) AND DECEMBER 31, 2023 (ONGOING)

NOTE 7 PLAN TAX STATUS

The Plan is placing reliance on an opinion letter dated August 7, 2017 received from the Internal Revenue Service (IRS) indicating that the volume submitter plan is qualified under Section 403(b) of the Internal Revenue Code (IRC) and is therefore not subject to tax under present income tax law. The volume submitter plan has been amended since receiving the opinion letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with applicable requirements of the IRC and, therefore, believe the Plan is qualified.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 PARTY-IN-INTEREST TRANSACTIONS

Transactions resulting in Plan assets being transferred to or used by a related party are prohibited under ERISA, as amended, unless a specific exemption applies. Certain Plan investments are managed by Fidelity. Fidelity is the custodian as defined by the Plan and therefore, these transactions qualify as exempt party-in-interest transactions. Fees incurred by the Plan for investment management services are included as a reduction of the return earned on each investment.
