Independent Auditors' Report

To the Participants and Administrator of
Compass Health, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Compass Health, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Compass Health, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Compass Health, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Compass Health, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Compass Health, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Compass Health, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in

accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COMPASS HEALTH, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Compass Health, Inc. 401(k) Profit Sharing Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information on the Plan’s provisions.

General

The Plan is a defined contribution plan and was established on May 24, 1991. The Plan covers substantially all employees of Compass Health, Inc. (the “Company”). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended, and the Internal Revenue Code (IRC). The Plan was amended at various dates through December 31, 2024 to comply with applicable laws and regulations.

Plan Administration

The Plan is administered by the Company. The Plan’s custodian, Empower Annuity Insurance Company of America (“Empower”) is responsible for the custody and management of the Plan’s assets.

Administrative Expenses

Plan participants pay administrative expenses of the Plan through revenue sharing arrangements between the Plan’s investment funds and Empower through an allocation of the Plan’s ERISA Expense Account, and through fees deducted directly from participant accounts, unless the Company elects to pay them.

Revenue sharing fees received by the Plan are credited directly into the Plan’s trust accounts, and from there remitted to the Plan’s custodian. Fees transferred through the Plan’s trust accounts in this manner are reported in the Plan’s financial statements as other income and also as administrative expenses. Each participant’s account is charged on a per-participant basis for additional recordkeeping and custodian fees, as well as investment advisory fees.

For the year ended December 31, 2024, the majority of expenses of the Plan were paid with Plan assets, of which \$27,500 were paid by funds from revenue sharing arrangements. Remaining funds from revenue, if any, are either allocated to participant accounts or are used to pay for expenses after year end.

Contributions

Employees must have completed at least 12 months of service, as defined, to be eligible to participate in the Plan, provided they are at least 18 years of age. Employees may join the Plan on the first day of any calendar quarter after they meet the participation requirements.

COMPASS HEALTH, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Contributions - Continued

Participants may elect to defer their compensation as an employee contribution as defined by the Plan, subject to certain limitations under the IRC. Plan participants over age 50 may defer catch-up contributions, subject to IRC limitations. The Company also matches contributions equal to 50% of the participant's deferred contributions up to 2% of gross pay. The participant must complete at least 1,000 hours of service during the Plan year and be employed as of the last day of the Plan year to be eligible to receive matching contributions for the Plan year, if any. Matching contributions amounted to \$199,074 for the year ended December 31, 2024. In addition, each plan year, the Company may make discretionary profit-sharing contributions. The Company did not make discretionary profit-sharing contributions for the year ended December 31, 2024.

Forfeitures

Upon termination of a participant's employment, the nonvested portions of employer matching and discretionary profit-sharing contributions (if any) and earnings thereon are forfeited. Such forfeitures are allocated to pay for administrative expenses and to reduce future employer contributions. If the forfeitures are not used by the end of the following plan year, they are reallocated as additional employer contributions to all eligible participants. As of December 31, 2024 and 2023, forfeitures available to pay for administrative expenses and to reduce future employer contributions amounted to \$27,237 and \$24,240, respectively. For the year ended December 31, 2024, no forfeitures were used to offset administrative expenses or reduce employer contributions.

Vesting

Participants are fully vested in their contributions and the earnings thereon. Vesting in employer matching and profit-sharing contributions and the earnings thereon is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Payment of Benefits

Upon retirement or separation from service with the Company for any reason (termination, disability, or death), the balance of \$5,000 or less in a participant's account will be paid to the participant in a lump sum or as a direct rollover to an individual retirement account (IRA) or another employer's tax qualified plan. Payment of account balances in excess of \$5,000 may be deferred until the Normal Retirement Age.

Notes Receivable from Participants

Participants may borrow from their fund accounts. The minimum loan is \$1,000 up to a maximum of 50% of their vested account balance or \$50,000 (whichever is less). The note receivable from participants (party-in-interest as defined by ERISA) are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through monthly payroll deductions. A loan origination and record keeping fee is charged.

Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions and related matching and profit-sharing contributions, as well as the participant's share of the Plan's income and any related administrative expenses. Allocations of administrative expenses are based on the proportion that each participant's account balance bears to the total of all participant account balances.

Participants direct the investments of their contributions and employer matching and profit-sharing contributions into various investment options offered by the Plan.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

COMPASS HEALTH, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Risks and Uncertainties

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect the amounts reported in the accompanying statements of net assets available for plan benefits.

Investment Valuation

Plan assets invested in Mutual Funds and Self-Directed Brokerage Accounts are stated at fair value based upon quoted market prices (funds are valued at the closing price reported on the active market on which the individual securities are traded), and are classified in Level 1 of the fair value hierarchy. The Plan's investment in the Key Guaranteed Portfolio Fund (the Fund) is considered to be fully benefit-responsive and is required to be reported at contract value because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The statements of net assets available for plan benefits present the Plan's investment in the Fund at contract value, which approximates fair value at December 31, 2024 and 2023.

Investment Contract with Insurance Company

The Plan has a fully-benefit responsive group annuity contract with Empower that invests contributions in the Fund. Empower maintains the contributions in a general fund account, to which it adds interest at the contract rate. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium to long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The interest crediting rate is reset quarterly. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

COMPASS HEALTH, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Investment Contract with Insurance Company - Continued

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following:

- amendments to the Plan document (including complete or partial Plan termination or merger with another plan),
- changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions,
- bankruptcy of the Company or other Company events that cause a significant withdrawal from the Plan, or
- failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring. The group annuity contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

During the years ended December 31, 2024 and 2023, average yields for the Fund were as follows:

	<u>2024</u>	<u>2023</u>
<u>Average yields</u>		
Based on actual earnings	1.41%	1.23%
Based on interest rate credited to participants	1.41%	1.23%

Notes Receivable from Participants

The notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when earned.

Recognition of Income

Sales and purchases are accounted for on a trade date basis, and interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Net Change in Fair Value of Investments

Net change in fair value of investments includes realized and unrealized gains and losses on investments sold or held during the year.

COMPASS HEALTH, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Payment of Benefits

Benefit payments to participants are recorded when paid.

Recent Accounting Pronouncements

In the normal course of business, the Plan evaluates new accounting pronouncements to determine the potential impact they may have on its financial statements. Based upon this review, the Plan does not expect any of the recently issued accounting pronouncements, which have not already been adopted by the Plan, to have a material impact on its financial statements.

Subsequent Events

The Plan evaluated for recognition or disclosure in these financial statements the subsequent events through the report issuance date and determined that no such events were identified.

NOTE 3 - TAX STATUS

The Plan has adopted a Defined Contribution Prototype Plan and Trust that received the latest favorable opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, which stated that the Plan was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and, except as disclosed in Note 8, being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

In accordance with GAAP, the Plan management is required to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken. As a result, the Plan has recognized no interest or penalties related to uncertain tax positions.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to tax examinations for years prior to 2021.

COMPASS HEALTH, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 4 - PLAN AMENDMENT AND TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan document to discontinue its contributions at any time and to amend or terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their account balances.

NOTE 5 - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower, the custodian of the Plan, has certified to the completeness and accuracy of all investments reflected in the accompanying statements of net assets available for plan benefits as of December 31, 2024 and 2023 and the supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024, and the related investment activity reflected in the accompanying statement of changes in net assets available for plan benefits for the year ended December 31, 2024.

Completeness and accuracy of investments certified by the custodian of the Plan is as follows at December 31:

	<u>2024</u>	<u>2023</u>

Completeness and accuracy of investment activity certified by the custodian of the Plan is as follows for the year ended December 31:

	<u>2024</u>
Investment income:	
Net change in fair value of investments	\$ 1,239,092
Dividends	\$ 1,060,393
Interest	\$ 14,324
Other investment income	\$ 134,161

COMPASS HEALTH, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 6 - PARTY-IN-INTEREST

Certain Plan assets are managed by Empower, the custodian, as defined by the Plan. Therefore, these transactions qualify as party-in-interest and are denoted as such on the supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024. However, these party-in-interest transactions are exempt pursuant to ERISA regulations.

NOTE 7 - FAIR VALUE MEASUREMENTS

Fair value is defined as the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date (an exit price). The fair value hierarchy prioritized the inputs to valuation techniques used to measure fair value into three levels, with the highest priority given to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority given to unobservable inputs (Level 3). The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value on a recurring basis at December 31, 2024 and 2023:

Fair Value Measurement at December 31, 2024

Using Input Type

	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual Funds	\$ 20,319,297	\$ 20,319,297	\$ -	\$ -

Total investments at fair value	<u>\$ 18,740,525</u>	<u>\$ 18,740,525</u>	<u>\$ -</u>	<u>\$ -</u>

During 2024, the Plan's investments measured at fair value (including dividends, gains, and losses on investments bought and sold, as well as held during the year) appreciated in value by \$2,433,646.

COMPASS HEALTH, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 7 - FAIR VALUE MEASUREMENTS - CONTINUED

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require transfer of financial instruments from one level to another. In such instances, the transfer is reported at the end of the reporting period. There have been no transfers in or out of Levels 1, 2, and 3 during the years ended December 31, 2024 and 2023.

NOTE 8 - CORRECTIVE DISTRIBUTIONS

The Plan failed to pass certain nondiscrimination test for the 2024 and 2023 Plan years. In order to correct such testing failure, federal law generally requires that corrective action be completed no later than the end of the following year to avoid Plan disqualification. The required corrective distributions of \$20,643 and \$7,975 as of December 31, 2024 and 2023, respectively, was made by the deadline and is reported as a liability in the accompanying statements of net assets available for plan benefits.

Considering the remedial actions taken pursuant to the provisions of the Plan document, management believes that the failed nondiscrimination testing will not affect the tax-exempt status of the Plan.
