## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the  
Basic Systems, Inc. 401(k)  
Profit Sharing Plan and Trust  
Cambridge, OH

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the accompanying financial statements of Basic Systems, Inc. 401(k) Profit Sharing Plan and Trust ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (collectively "ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules ("DOL") and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from Mid Atlantic Trust Company as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

## INDEPENDENT AUDITOR'S REPORT

(continued)

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### *Auditor's Responsibilities for the Audit of the Financial Statements*

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

## INDEPENDENT AUDITOR'S REPORT

(continued)

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### *Other Matter - Supplemental Schedule Required by ERISA*

The supplemental schedule of assets held at end of year as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

INDEPENDENT AUDITOR'S REPORT

(continued)

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - PLAN DESCRIPTION

The following description of the Basic Systems, Inc. 401(k) Profit Sharing Plan and Trust (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan which was formed for the purpose of providing retirement benefits to eligible employees of Basic Systems, Inc. (“Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Eligibility

Employees are eligible to participate in the Plan once they have completed three months of service and are 18 years of age. Leased employees, employees covered by a collective bargaining agreement, and independent contractors reclassified as an employee by the Internal Revenue Service (“IRS”) are excluded from the Plan.

Contributions

Participants may direct the Company to contribute a deferral of their annual compensation as defined by the Plan, subject to overall limitations imposed by the Internal Revenue Code (“IRC”). Participants who have attained age 50 by the end of the Plan year are eligible under the IRC to make additional catch-up contributions (limited to \$7,500 in 2024 and 2023). Participants may elect to designate some or all of their deferred salary contributions as Roth deferral contributions subject to the same rules applicable to pre-tax deferral contributions. These deferred salary contributions are reported as participant contributions in the accompanying financial statements. In addition, participants who receive qualified distributions from another qualified plan may be able to rollover such distributions into the Plan. There were no participant rollover contributions during 2024 or 2023.

Effective January 1, 2024, the Company contributes safe harbor matching contributions equal to 100% of the first 1% of the participants’ deferred compensation plus 50% of the participants’ deferred compensation which are over 2%, but not over 6%. Prior to January 1, 2024, the Company contributed safe harbor non-elective contributions equal to 3% of the participants’ compensation. In addition, at the discretion of the Company’s management, additional discretionary profit-sharing contributions may be authorized. The safe harbor matching contributions, safe harbor non-elective contributions, and profit-sharing contributions are reported as employer contributions in the accompanying financial statements. Employer contributions include \$91,521 and \$92,906 for the years ended December 31, 2024 and 2023, respectively, that relate to profit-sharing contributions.

NOTES TO FINANCIAL STATEMENTS  
(continued)

NOTE 1 - PLAN DESCRIPTION (continued)

Participant accounts

Each participant's account is credited with the participant's contributions, employer contributions, and an allocation of Plan earnings based on the investment options elected by the participant. Each participant's account is reduced by participant withdrawals, forfeitures, and an allocation of Plan losses based on investment options selected by the participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, Company safe harbor matching contributions, and safe harbor non-elective contributions, plus any earnings thereon. Vesting in the Company's discretionary profit-sharing contributions is based on years of service on a graded scale. Participants are vested in 20 percent increments beginning in year 2 until year 6 when a participant becomes fully vested in the profit-sharing contributions.

Forfeited amounts

Forfeited nonvested accounts may be used to pay administrative expenses, reduce future employer contributions, or may be allocated to participants. As of December 31, 2024 and 2023, forfeited nonvested accounts totaled \$856 and \$548, respectively. During the years ended 2024 and 2023, \$26,494 and \$6,900, respectively, of forfeited nonvested amounts were used to pay administrative expenses.

Distribution of benefits

Upon termination of service, disability, attainment of age 59 ½, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in their account. Distributions of a participant's account balance may be authorized at any time by the plan administrator under certain hardship conditions.

Participant loans

The Plan does not permit loans to participants.

Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTES TO FINANCIAL STATEMENTS  
(continued)

NOTE 1 - PLAN DESCRIPTION (continued)

Administrative expenses

The Plan's provisions provide that administrative costs be paid out of the Plan, except to the extent that the Company has elected to pay part or all of such costs.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of changes in assets during the reporting period. Actual results could differ from those estimates.

Investments

The Plan's mutual fund investments are stated at fair value, as determined by quoted market prices. The Plan's common/collective trust investment is stated at the net asset value ("NAV") of units held by the Plan at year-end. NAV is used as a practical expedient to estimate fair value.

Investment transactions are accounted for on the trade date (date the order to buy or sell is executed). Dividend income is recorded when earned. All gains and losses (realized and unrealized) on investments recorded at fair value, bought or sold as well as held during the year are included in net appreciation in fair value of investments reported on the statements of changes in assets available for benefits.

The Plan provides for investment options that are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the fair values of investments, it is at least reasonably possible that changes in the fair values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of assets available for benefits.

BASIC SYSTEMS, INC. 401(k)  
PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS  
(continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Contributions

Participant contributions are recorded when withheld from the participant's compensation. Employer matching contributions are recorded at that same time. Employer profit sharing contributions are recorded when approved by management.

Payment of benefits

Benefit payments are recorded when paid.

Subsequent events

The Plan evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through September 2, 2025, the date on which the financial statements were available to be issued.

NOTE 3 - CERTIFICATION

All information related to investment assets, investment transactions, and related income as disclosed in the accompanying financial statements and supplemental schedule of assets held at end of year has been certified as complete and accurate by the Mid Atlantic Trust Company, the custodian of the Plan, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA.

NOTE 4 - INVESTMENTS

Market price observability is affected by a number of factors, including the type of investment and the characteristics specific to the investment. Investments with readily determinable available quoted prices or for which fair value can be measured from actively quoted prices generally will have a higher degree of market price observability and a lesser degree of judgment in measuring fair value. Investments measured and reported at fair value, except for those that use NAV as a practical expedient, are classified and disclosed in one of the following categories based on the extent of market price observability.

Level I – Quoted prices are available in active markets for identical investments as of the reporting date. All of the Plan's mutual fund investments are classified as Level I.

BASIC SYSTEMS, INC. 401(k)  
PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS  
(continued)

NOTE 4 - INVESTMENTS (continued)

Level II – Pricing inputs are other than quoted market prices included in Level I, however, are observable either directly or indirectly for the investment. The Plan does not carry any of these investments.

Level III – Pricing inputs are unobservable for the investment and includes situations where there is little, if any, market activity for the investment. The inputs into the determination of fair value require significant management judgment or estimation. The Plan does not carry any of these investments.

The valuation of the Plan’s investments by the above fair value hierarchy levels are as follows:

December 31, 2024					
	Level I	Level II	Level III	Investments measured at NAV	Total
Mutual funds	\$ 14,878,444	\$ --	\$ --	\$ --	\$ 14,878,444

NOTE 4 - INVESTMENTS (continued)

The following additional information is provided regarding the Plan's common/collective trust included in the above table:

<u>Investment</u>	<u>Fair value</u>		<u>Redemption frequency</u>	<u>Redemption notice period</u>
	<u>December 31, 2024</u>	<u>December 31, 2023</u>		
MetLife Stable Value Fund Series 25053 – Class 0 (a)	\$ 201,993	\$ 271,563	Daily	n/a

- (a) The MetLife Stable Value Fund is a common collective trust that invests entirely in the MetLife Group Annuity Contract 25053, which consists of separately managed investment portfolios directed by Reliance Trust Company. The primary investment objective of the Fund is to preserve principal while generating earnings at rates competitive over time with short-term high quality fixed income investments. The Plan has no unfunded commitments with respect to this investment.

NOTE 5 - INCOME TAX STATUS

The Plan is operating under a prototype plan document of Paychex, Inc. that was established to comply with the applicable requirements of the IRC. The most recent opinion letter is dated August 31, 2020. In this letter, the IRS stated that the Plan, as then designed, is in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust was tax-exempt as of the financial statement dates.

In accordance with U.S. GAAP, Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS  
(continued)

NOTE 6 - RELATED PARTY TRANSACTIONS

The Plan paid administrative expenses and fees to Mid Atlantic Trust Company and Paychex Retirement Services that qualify as party-in-interest transactions. These party-in-interest transactions are not deemed prohibited because they are covered by statutory and administrative exemptions from the IRC and the rules of prohibited transactions of ERISA.

## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the  
Basic Systems, Inc. 401(k)  
Profit Sharing Plan and Trust  
Cambridge, OH

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the accompanying financial statements of Basic Systems, Inc. 401(k) Profit Sharing Plan and Trust ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (collectively "ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules ("DOL") and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from Mid Atlantic Trust Company as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

## INDEPENDENT AUDITOR'S REPORT

(continued)

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### *Auditor's Responsibilities for the Audit of the Financial Statements*

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

## INDEPENDENT AUDITOR'S REPORT

(continued)

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### *Other Matter - Supplemental Schedule Required by ERISA*

The supplemental schedule of assets held at end of year as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

INDEPENDENT AUDITOR'S REPORT

(continued)

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - PLAN DESCRIPTION

The following description of the Basic Systems, Inc. 401(k) Profit Sharing Plan and Trust (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan which was formed for the purpose of providing retirement benefits to eligible employees of Basic Systems, Inc. (“Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Eligibility

Employees are eligible to participate in the Plan once they have completed three months of service and are 18 years of age. Leased employees, employees covered by a collective bargaining agreement, and independent contractors reclassified as an employee by the Internal Revenue Service (“IRS”) are excluded from the Plan.

Contributions

Participants may direct the Company to contribute a deferral of their annual compensation as defined by the Plan, subject to overall limitations imposed by the Internal Revenue Code (“IRC”). Participants who have attained age 50 by the end of the Plan year are eligible under the IRC to make additional catch-up contributions (limited to \$7,500 in 2024 and 2023). Participants may elect to designate some or all of their deferred salary contributions as Roth deferral contributions subject to the same rules applicable to pre-tax deferral contributions. These deferred salary contributions are reported as participant contributions in the accompanying financial statements. In addition, participants who receive qualified distributions from another qualified plan may be able to rollover such distributions into the Plan. There were no participant rollover contributions during 2024 or 2023.

Effective January 1, 2024, the Company contributes safe harbor matching contributions equal to 100% of the first 1% of the participants’ deferred compensation plus 50% of the participants’ deferred compensation which are over 2%, but not over 6%. Prior to January 1, 2024, the Company contributed safe harbor non-elective contributions equal to 3% of the participants’ compensation. In addition, at the discretion of the Company’s management, additional discretionary profit-sharing contributions may be authorized. The safe harbor matching contributions, safe harbor non-elective contributions, and profit-sharing contributions are reported as employer contributions in the accompanying financial statements. Employer contributions include \$91,521 and \$92,906 for the years ended December 31, 2024 and 2023, respectively, that relate to profit-sharing contributions.

NOTES TO FINANCIAL STATEMENTS  
(continued)

NOTE 1 - PLAN DESCRIPTION (continued)

Participant accounts

Each participant's account is credited with the participant's contributions, employer contributions, and an allocation of Plan earnings based on the investment options elected by the participant. Each participant's account is reduced by participant withdrawals, forfeitures, and an allocation of Plan losses based on investment options selected by the participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, Company safe harbor matching contributions, and safe harbor non-elective contributions, plus any earnings thereon. Vesting in the Company's discretionary profit-sharing contributions is based on years of service on a graded scale. Participants are vested in 20 percent increments beginning in year 2 until year 6 when a participant becomes fully vested in the profit-sharing contributions.

Forfeited amounts

Forfeited nonvested accounts may be used to pay administrative expenses, reduce future employer contributions, or may be allocated to participants. As of December 31, 2024 and 2023, forfeited nonvested accounts totaled \$856 and \$548, respectively. During the years ended 2024 and 2023, \$26,494 and \$6,900, respectively, of forfeited nonvested amounts were used to pay administrative expenses.

Distribution of benefits

Upon termination of service, disability, attainment of age 59 ½, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in their account. Distributions of a participant's account balance may be authorized at any time by the plan administrator under certain hardship conditions.

Participant loans

The Plan does not permit loans to participants.

Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 1 - PLAN DESCRIPTION (continued)

Administrative expenses

The Plan's provisions provide that administrative costs be paid out of the Plan, except to the extent that the Company has elected to pay part or all of such costs.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of changes in assets during the reporting period. Actual results could differ from those estimates.

Investments

The Plan's mutual fund investments are stated at fair value, as determined by quoted market prices. The Plan's common/collective trust investment is stated at the net asset value ("NAV") of units held by the Plan at year-end. NAV is used as a practical expedient to estimate fair value.

Investment transactions are accounted for on the trade date (date the order to buy or sell is executed). Dividend income is recorded when earned. All gains and losses (realized and unrealized) on investments recorded at fair value, bought or sold as well as held during the year are included in net appreciation in fair value of investments reported on the statements of changes in assets available for benefits.

The Plan provides for investment options that are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the fair values of investments, it is at least reasonably possible that changes in the fair values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of assets available for benefits.

(continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Contributions

Participant contributions are recorded when withheld from the participant's compensation. Employer matching contributions are recorded at that same time. Employer profit sharing contributions are recorded when approved by management.

Payment of benefits

Benefit payments are recorded when paid.

Subsequent events

The Plan evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through September 2, 2025, the date on which the financial statements were available to be issued.

NOTE 3 - CERTIFICATION

All information related to investment assets, investment transactions, and related income as disclosed in the accompanying financial statements and supplemental schedule of assets held at end of year has been certified as complete and accurate by the Mid Atlantic Trust Company, the custodian of the Plan, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA.

NOTE 4 - INVESTMENTS

Market price observability is affected by a number of factors, including the type of investment and the characteristics specific to the investment. Investments with readily determinable available quoted prices or for which fair value can be measured from actively quoted prices generally will have a higher degree of market price observability and a lesser degree of judgment in measuring fair value. Investments measured and reported at fair value, except for those that use NAV as a practical expedient, are classified and disclosed in one of the following categories based on the extent of market price observability.

Level I – Quoted prices are available in active markets for identical investments as of the reporting date. All of the Plan's mutual fund investments are classified as Level I.

BASIC SYSTEMS, INC. 401(k)  
PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS  
(continued)

NOTE 4 - INVESTMENTS (continued)

Level II – Pricing inputs are other than quoted market prices included in Level I, however, are observable either directly or indirectly for the investment. The Plan does not carry any of these investments.

Level III – Pricing inputs are unobservable for the investment and includes situations where there is little, if any, market activity for the investment. The inputs into the determination of fair value require significant management judgment or estimation. The Plan does not carry any of these investments.

The valuation of the Plan’s investments by the above fair value hierarchy levels are as follows:

December 31, 2024					
	Level I	Level II	Level III	Investments measured at NAV	Total
Mutual funds	\$ 14,878,444	\$ --	\$ --	\$ --	\$ 14,878,444

NOTE 4 - INVESTMENTS (continued)

The following additional information is provided regarding the Plan's common/collective trust included in the above table:

Investment	Fair value		Redemption frequency	Redemption notice period
	December 31, 2024	December 31, 2023		
MetLife Stable Value Fund Series 25053 – Class 0 (a)	\$ 201,993	\$ 271,563	Daily	n/a

- (a) The MetLife Stable Value Fund is a common collective trust that invests entirely in the MetLife Group Annuity Contract 25053, which consists of separately managed investment portfolios directed by Reliance Trust Company. The primary investment objective of the Fund is to preserve principal while generating earnings at rates competitive over time with short-term high quality fixed income investments. The Plan has no unfunded commitments with respect to this investment.

NOTE 5 - INCOME TAX STATUS

The Plan is operating under a prototype plan document of Paychex, Inc. that was established to comply with the applicable requirements of the IRC. The most recent opinion letter is dated August 31, 2020. In this letter, the IRS stated that the Plan, as then designed, is in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust was tax-exempt as of the financial statement dates.

In accordance with U.S. GAAP, Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - RELATED PARTY TRANSACTIONS

The Plan paid administrative expenses and fees to Mid Atlantic Trust Company and Paychex Retirement Services that qualify as party-in-interest transactions. These party-in-interest transactions are not deemed prohibited because they are covered by statutory and administrative exemptions from the IRC and the rules of prohibited transactions of ERISA.
