## INDEPENDENT AUDITOR'S REPORT

To the Plan Committee of the  
American Homes 4 Rent, L.P. 401(k) Plan:

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of the American Homes 4 Rent, L.P. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency ("qualified institution"), provided that the investment information regarding assets so held is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern within one year after the date the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor’s Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information and to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that were identified during the audit.

***Other Matter – Supplemental Schedule Required by ERISA***

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to, or is derived from, the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024

---

## 1. PLAN DESCRIPTION

The following description of the American Homes 4 Rent, L.P. 401(k) Plan (the "Plan") provides only general information. Participants and other interested parties should refer to the Plan document for a more complete description of the Plan's provisions.

**General** - The Plan is a defined contribution plan covering all eligible employees, as defined by the Plan, who are at least 18 years of age and have completed 30 days of employment with American Homes 4 Rent, L.P. (the "Partnership" and the "Plan Sponsor"). Participants become eligible for Partnership contributions after completing six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

**Participant Contributions** - Each year, participants may contribute pre-tax and Roth deferrals from one percent up to 100 percent of their compensation, as defined by the Plan and subject to Internal Revenue Code ("IRC") limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other eligible retirement plans, as defined in the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan.

**Partnership Contributions** - The Plan provides for a Partnership safe harbor matching contribution of 100 percent of deferrals up to three percent of eligible compensation plus 50 percent of deferrals up to the next two percent of eligible compensation. For the year ended December 31, 2024, the Partnership made safe harbor matching contributions of \$4,054,595, net of forfeitures.

**Participant Accounts** - Each participant's account is credited with the participant's contributions and Partnership safe harbor matching contributions, as well as allocations of Plan earnings, and charged with any withdrawals or distributions requested by the participant, investment losses and allocation of administrative expenses, if applicable. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting** - Participants are immediately vested in their contributions and Partnership safe harbor matching contributions plus actual earnings thereon.

**Forfeitures** - Forfeitures arise from the correction of excess Partnership contributions and may first be used to pay Plan administrative expenses and then to reduce Partnership contributions and total \$3,130 and \$0 as of December 31, 2024 and 2023, respectively. During the year ended December 31, 2024, forfeitures of \$331 were utilized to reduce Partnership contributions.

**Payment of Benefits** - When eligible, a participant or their beneficiaries, as applicable, may elect to receive a lump-sum amount equal to the value of the participant's vested interest in their account, in accordance with the Plan. If eligible, a participant may elect to receive partial withdrawals or installment payments, but only with respect to minimum required distributions. The Plan provides for a mandatory cash-out following severance of employment for account balances less than \$7,000.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of Accounting** - The accompanying financial statements have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America.

**Estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

**Contributions** - Contributions from Plan participants and the Partnership safe harbor matching contributions are recorded in the year in which the participant contributions are withheld from compensation.

**Investment Valuation and Income Recognition** - The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Investments are valued daily. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Administrative Expenses** - Certain administrative expenses incidental to the administration of the Plan may be paid by the Plan, unless otherwise paid by the Partnership. Administrative expenses paid by the Partnership are excluded from these financial statements.

Most investment options have fees which reduce the overall return on assets. The net appreciation of investments is reflected net of these fees.

**Benefits Payable to Participants** - Benefits are recorded when paid.

**Subsequent Events** - The Partnership has evaluated subsequent events through September 11, 2025, which is the date that the financial statements were available to be issued, and determined that there were no subsequent events or transactions that required recognition or disclosure in the financial statements.

## 3. FAIR VALUE

The Plan accounts for its financial instruments using a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are the following:

# AMERICAN HOMES 4 RENT, L.P. 401(k) PLAN

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024

---

- Level 1 – Inputs to the valuation methodology that are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are inactive; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3 – Inputs to the valuation that are unobservable and significant to the fair value measurement.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Mutual Funds* – This category consists of publicly traded funds of registered investment companies. The net asset value of the mutual fund's shares is quoted on the exchange where the fund is actively traded and therefore classified as Level 1 within the valuation hierarchy.

All of the Plan's investments at fair value are Level 1 and the following table sets forth the Plan's investments at fair value:

<b>As of December 31,</b>	<b>2024</b>	<b>2023</b>
Mutual funds	\$ 64,728,919	\$ 48,847,183
<b>Total investments at fair value</b>	<b>\$ 64,728,919</b>	<b>\$ 48,847,183</b>

#### 4. FINANCIAL DATA CERTIFIED BY THE CUSTODIAN AND TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Annuity Insurance Company of America (the "Custodian") and Empower Trust Company, LLC (the "Trustee") (collectively, "Empower") and was not subjected to any auditing procedures performed by the independent qualified public accountants:

- a. Investments, at fair value and contract value, as shown in the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023.
- b. Net appreciation of investments and interest and dividend income on investments as shown in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2024.
- c. Investments and fully benefit-responsive investment contract as listed in the accompanying Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024.

## **AMERICAN HOMES 4 RENT, L.P. 401(k) PLAN**

NOTES TO FINANCIAL STATEMENTS

### **5. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT**

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Empower totaling \$629,317 and \$756,985 as of December 31, 2024 and 2023. Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Empower is contractually obligated to repay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with Empower. Such interest rates are reset on a quarterly basis.

The Key Guaranteed Portfolio Fund meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on Empower's ability to meet its financial obligations. Empower's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with Empower. Such events include, but are not limited to the following: (1) premature termination of the contracts by the Plan, (2) Partnership layoffs, (3) bankruptcy of the Plan Sponsor, (4) Plan termination, (5) mergers, or (6) early retirement incentives (modify according to contract provisions). The plan administrator believes that no events are probable of occurring that might limit the ability of the Plan to transact at contract value with Empower and that would also limit the Plan's ability to transact at contract value with participants.

### **6. RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### **7. PLAN TERMINATION**

The Partnership has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

# AMERICAN HOMES 4 RENT, L.P. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024

---

## 8. TAX STATUS

The Partnership adopted a non-standardized pre-approved profit sharing plan which is the subject of a favorable tax opinion letter from the IRS dated June 30, 2020. The plan administrator believes that the Plan currently is being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is tax-exempt. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Partnership has taken a significant uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## 9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

Change in Partnership contribution receivable	688
<b>Net increase in net assets available for benefits per the Form 5500</b>	<b>\$ 15,754,068</b>

## 10. RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Plan investments are held by Empower. Transactions with Empower qualify as party in interest transactions for which exemptions exist. During the year ended December 31, 2024, Empower received \$131,941 for administration and transaction fees paid through the Plan and also received indirect compensation from investments based on a formula. Additionally, During the year ended December 31, 2024, the investment advisor received \$39,246 of direct compensation.
